NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

#### TERMS AND CONDITIONS

##### ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

##### ARTICLE TWO: THE PROJECT

1. Compliance with All Laws. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Park District, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto. The Park District shall include a certification of such compliance with each request for Project Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

2. [intentionally omitted]

3. Contracts. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

##### ARTICLE THREE: FUNDING

1. Requisition Form.

(a) Upon completion of the Project (or, in the City's discretion, at intervals during the Project acceptable to the City), the Park District shall provide HED with a Requisition Form, in the form of Exhibit A hereto, along with: (i) a cost itemization of the applicable portions of the budget for the Project (the "Project Budget") attached as Exhibit B hereto; (ii) evidence of the expenditures upon Project Costs which the Park District has paid; and (iii) all other documentation described in Exhibit A. The City shall review and, in the City's discretion, approve the Requisition Form and make the requested and approved disbursement of Project Funds.

(b) Delivery by the Park District to HED of a Requisition Form hereunder shall, in addition

4

to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the Project Funds previously disbursed (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or \* their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

»

(iii) the Park District has approved all work and materials for the Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Park District, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as

related thereto.

The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the approval of the Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2. Project Budget. The current estimate of the cost of the Project is \$552,500. The Park District has delivered to the City, and the City hereby approves, the Project Budget attached hereto and incorporated herein as Exhibit B. The Park District certifies that it has identified sources of funds (including the Project Funds) sufficient to complete the Project. The Park District agrees that the City will only contribute the Project Funds to the Project and that all costs of completing the Project over the Project Funds shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project as agreed with the City in order to complete the Project with the available funds.

3. Excess Project Funds. If the aggregate cost of the Project is less than the amount of the Project Funds contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Funds contemplated by this Agreement and the amount of the Project Funds actually paid by the City to the Park District and expended by the Park District on the Project.

4. Reports. If requested by the City, the Park District shall provide to the City monthly reports on the progress of the Project and reasonable access to its books and records relating to the Project. Final reports generated for the City about the Project, if any, will be provided by the City to the Park District.

5. Disbursement. The City shall, subject to the Park District's satisfaction of the conditions precedent to disbursement described in this Article Three and such other conditions contained in this Agreement, disburse the Project Funds to the Park District.

#### ARTICLE FOUR: TERM

The Term of the Agreement shall commence on the date of its execution and shall expire on \_\_[not later than December 31, 2024].

5

#### ARTICLE FIVE: INDEMNITY; DEFAULT AND REMEDIES

1. Indemnity. The Park District agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (1) the Project, including but not limited to the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection therewith (but not including the City's negligence or intentional actions); or (2) the Park District's failure to comply with any of the terms, covenants and conditions contained within this Agreement. The Park District shall not have a duty to indemnify to the City for losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses to the extent such are caused by the negligence or willful misconduct of the City.

2. Default and Remedies. The failure of the Park District to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Park District under this Agreement or any related agreement shall constitute an "Event of Default" by the Park District hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of the Project Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy.

In the event the Park District shall fail to perform a covenant which the Park District is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Park District has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Park District shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
