. • • RESIDENTIAL PLANNED DEVELOPMENT NO. 1039. AS AMENDED PLAN OF DEVELOPMENT STATEMENTS

1. The area delineated herein as Residential Planned Development Number 1039, as amended, ("Planned Development") consists of approximately 49,635 square feet (1.14 acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, RRG Development, Inc. ("Applicant").
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Housing and Economic Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

4. This Plan of Development consists of fourteen (14) Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; Landscape Plan; Floor Plans; Building Elevations (North, South, East and West); Elevation Material Key; and, Chicago Builds Green form prepared by

Worn Jerabek Architects P.C. and dated December 20, 2012, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Housing and Economic Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Planned Development: elderly housing, accessory off-street parking and accessory uses.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Housing and Economic Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 49,635 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review

or Part II reviews, are conditional until final Part II approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any . ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, promotes and conserves energy and maximizes the preservation of natural resources. The applicant shall use commercially reasonable efforts to design, construct and maintain all new buildings within this Planned Development to Energy Star certification standards and in accordance with the City of Chicago's sustainable development matrix in effect as of the date of approval of this Planned Development.
15. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Housing and Economic Development shall initiate a Zoning Map Amendment to rezone the property to RT-4 (Residential Two-Flat, Townhouse and Multi-Unit

District).
