project costs under the Act, (ii) qualify as eligible costs under the Near South Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

8. If in future (including after the expiration or termination hereof) the Board transfers (or causes to be transferred) the Property (or any portion thereof) to the City (or to a third party approved by the City and the Board) for public use, then the City Funds provided hereunder shall constitute consideration and/or compensation from the City to the Board for such transfer.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. 3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction

by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
