SECTION 8. ASSIGNMENT, SUBLEASE. AND LIENS. The District shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof without the written consent of City, which shall be in the City's sole discretion, and which shall be subject to the approval of the City Council of the City. 4

attach to or be placed upon City's title or interest in the Premises, or to the District's leasehold interest.

SECTION 9. INSURANCE. The District shall procure and maintain at all times, at the District's own expense, during the term of this Agreement, the insurance coverages and requirements specified below, if applicable, insuring all operations related to the lease and operation of the Premises, or the District may self-insure for the same types and amounts.

Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in

5

compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the District shall not be deemed to be a waiver by the City. The District shall advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance shall not relieve the District of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the District.

The District agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The District expressly understands and agrees that any coverages and limits furnished by the District shall in no way limit the District's liabilities and responsibilities specified within this Agreement or by law.

The District expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the District under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to reasonably modify, delete, alter or change these requirements, upon consultation and agreement in writing by the District.

SECTION 10. INDEMNIFICATION. The District shall defend, indemnify, keep and hold harmless the Indemnitees (as defined below) from and against any and all Losses related to (a) injury or death to any person, (b) damage or destruction of any property, and (c) the District's failure to pay or materially perform, or cause to be paid or materially performed, any of its covenants and obligations as and when required under this Agreement, except to the extent any such Losses result, in whole or in part, directly or indirectly, from the default or negligent or wrongful acts or omissions of the Indemnitees or any one of them.

"Indemnitees" means, collectively, the City, and its respective officers, representatives, elected and appointed officials, agents and employees.

"Losses" means, individually and collectively, actual liabilities of every kind, including actual losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), including due to third party claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to the acts or

omissions of the District, its employees, agents, contractors and subcontractors, or otherwise arising out of the rights and obligations of such

6

parties hereunder. "Losses" shall not include, however, special, consequential, punitive or indirect damages.

At the City Corporation Counsel's option, the District must defend all suits brought upon all such Losses against the City and must pay all reasonable costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving the District of any of its obligations under this Agreement. The District shall have the right to select the counsel to defend such suit, subject to the City's reasonable consent. The District, if not named a party, may seek to intervene in such suit in order to defend against such claim for Losses. Any settlement must be made only with the prior written consent of the City Corporation Counsel if the settlement requires any payment or action on the part of the City.

This Section does not imply a waiver of the Illinois Tort Claims Immunity Act, 745 ILCS (10).

SECTION 11. DAMAGE OR DESTRUCTION. If the Premises are damaged or destroyed by fire or other casualty so as to be permanently unusable for public park purposes, the District shall have the option to declare this Agreement terminated as of the date of such damage or destruction by providing each other City written notice to such effect.

SECTION 12. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS.

a) No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises, or contracts related thereto, nor shall any such official, employee, or member participate in making or in any way attempt to use him position to influence any City governmental decision or action with respect to this Agreement.

b) The City and the District shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to Section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.
