ORDINANCE

WHEREAS, At the meeting of the City Council of the City of Chicago ("City Council") held on May 8, 2013, a private zoning application was introduced regarding Planned Development No. 958 and nearby properties ("the Ordinance"). The Ordinance was referred to the Committee on Zoning, Landmarks and Building Standards; and

WHEREAS, Following its passage, as amended, by the City Council on July 24, 2013, the Ordinance was published in the Journal of Proceedings, at which point it was discovered that typographical and other technical errors associated with the publication of the Ordinance resulted in an erroneous description of the height of a building in Subarea D of the Ordinance, as well as the inadvertent elimination and compression of graphical information in various drawings; and

WHEREAS, It is necessary and appropriate to correct these errors, so that the Ordinance and associated Exhibits are included accurately and in full; and

WHEREAS, For the convenience of the reader and to avoid confusion, it is advisable to republish the Ordinance and all its exhibits in their entirety instead of replacing pages in various locations within the Ordinance; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The Journal of Proceedings of July 24, 2013 is hereby corrected by replacing pages 58425 through 58503 with the pages attached hereto as Exhibit A.

SECTION 2. This Journal Correction ordinance shall be effective upon passage and approval. The technical corrections effected by this Journal Correction ordinance shall not be deemed to alter the effective date of the Ordinance.

In Sub-Area D, exterior on-premises signs are permitted subject to the review and approval of the Department. Notwithstanding any provision of this Planned Development to the contrary, the existing off-premises billboard sign is permitted prior to development of Sub-Area D as contemplated herein.

All Sub-Areas: Notwithstanding the foregoing, the Department shall approve all signs substantially conforming to the PD Signage Matrix. The PD Signage Matrix is incorporated herein and is hereby approved as an integral part of this Planned Development, the proposed expansion and renovation of Wrigley Field, and development and redevelopment of the Property as contemplated herein.

For the purposes of this Planned Development, any sign which identifies the name or sponsorship of any structure or designated area within the Property, such as "Captain Morgan Club," or any sponsor of the baseball team operating in the ballpark, or any sponsor of a retail showcase or other space within the Property, shall be deemed an on-premises sign and may be located in any sub-area. Signs set forth in the PD Signage Matrix, including, without limitation, all existing signs, are permitted and approved, subject where applicable to the review and approval of the Commission on Chicago Landmarks (i.e., signs attached to Protected Features of Wrigley Field). Applicant will pay or reimburse, as the case may be, this amount to the Department of Transportation following written notice to the Department, the Department of Transportation and the Department of Buildings that Applicant intends to apply for a certificate of occupancy for the improvements in SubArea B. No certificate of occupancy may be issued until and unless said payment has been made, provided however a Certificate of Occupancy will not be denied or delayed if the City decides not to install the traffic signal at the intersection of Clark Street and Waveland Avenue or the installation is otherwise delayed. In addition, Applicant and the Department of Transportation have developed a hotel management plan for the hotel and related uses on Subarea D, which the Department of Transportation has approved. The fee shall be calculated in the same manner as is standard and generally applicable to all Part II fees, and is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

(12. The maximum permitted floor area ratio for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For purposes of floor area ratio calculations and floor area measurements, the requirements of the Zoning Ordinance shall apply and the following additional exclusions shall also apply: (a) space devoted to mechanical equipment, if any, shall not be counted as floor area; (b) the seating bowl of the stadium will not be counted as floor area; and (c) all parking located on the Property shall be deemed accessory off-street parking and any space devoted to parking (including all lobbies, concourses and areas accessory thereto) shall not be counted as floor area.

15. The Plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for any use contemplated herein which is located or established in, on, over or above the improvements, facilities and spaces undertaken in accordance with the Plans other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance). Applicant and the Department, at either party's request, may continue to evolve the design of the building elevations on Subarea B and Subarea D and changes to such elevations, if any, shall, if mutually agreed, be approved by the Department administratively as a Minor Change. Uses which are allowed as set forth in Statement 5 but which involve development of Sub-Area B and Sub-Area D in a manner which materially and significantly modifies the uses set forth in the Plans (i.e., do not include a hotel in Sub-Area D or an office building in Sub-Area B) must be submitted for Site Plan Approval to the Department prior to Part II approval pursuant to this Statement 15. Notwithstanding the foregoing, temporary or seasonal uses, including any of the special events and entertainment uses listed above, sidewalk and outdoor cafes, and any non-permanent structures, including without limitation farmer's markets, music performances, special events, movies, athletic contests and exhibitions, sidewalk and outdoor cafes, ice rinks, other events or uses of a temporary or seasonal nature and any non-permanent structures, shall not require Site Plan Approval. To the extent Site Plan Approval is required for Sub-Area B or Sub-Area D as set forth in this Statement 15, Applicant shall, prior to Part II Approval, submit the information required in this Statement 15 below for the specific Sub-Area(s) for review and approval by the Department (the "Sub-Area Site Plan Approval Submittals"). Review and approval by the Department is intended to assure that specific development components substantially conform with this Planned Development and to assist the City in monitoring ongoing development. Sub-Area Site Plan Approval Submittals need only include the portion of the Property for which approval is being sought by Applicant. If Applicant is seeking approval of a portion of the Property which represents less than an entire Sub-Area, Applicant shall also include a site plan for the area of the Property which is bounded on all sides by either public Rights-of-Way or the boundary of the nearest Sub-Area. The site plan provided shall include all dimensioned and planned street Rights-of-Way. Site plans which propose new curb cuts or other changes to any Rights-of-Way must also receive Department of Transportation approval. If the Sub-Area Site Plan Approval Submittals substantially conform to the provisions of the Planned Development, the Department shall approve such submittal. Following approval by the Department, the approved Sub-Area Site Plan Approval Submittals, including supporting data and materials, shall be made part of the main file and shall be deemed an integral part of this Planned Development.

- statistical information applicable to the subject Sub-Area, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Sub Area Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

16. The terms, conditions and exhibits of this Planned Development may be modified, administratively, by the Commissioner of the Department upon the application for such a modification by Applicant or legal titleholder of the Property and after a determination by the Commissioner of the Department that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development. Any such modification of the requirements of the Planned Development by the Commissioner of the Department shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
17. Final landscape plan review and approval will be by the Department and will be approved provided it substantially conforms with the applicable Plans. In the event of any conflict or contradiction between, the Plans, on the one hand, and the Landscape Ordinance or the Sustainable Development Policy Matrix, on the other hand, the Plans shall control over the Landscape Ordinance and the Sustainable Development Policy Matrix. Any interim reviews associated with site plan review or Part II reviews are conditional until final Part II approval.
18. Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code or any other provision of that Code
19. Unless construction of the improvements within Sub-Area A as contemplated by this Planned Development has commenced within six years following adoption of this Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this Planned Development shall expire by separately introduced ordinance, if any, and in such event the zoning of the Property shall revert to the C2-5 Motor Vehicle-Related Commercial District. It is understood this Planned Development involves a multi-phase development. Provided that this Planned Development has not expired pursuant to the previous sentence, then following the first six-year period governing Sub-Area A, including the additional one-year extension permitted, unless construction of the improvements as contemplated by this Planned Development has commenced within six years thereafter within either Sub-Area B or D, then this Planned Development shall expire, solely with, respect to both such Sub-Areas, by separately introduced ordinance, if any, and in such event the zoning of such Sub-Areas shall revert to the C2-5 Motor Vehicle-Related Commercial District.

ORDINANCE

WHEREAS, At the meeting of the City Council of the City of Chicago ("City Council") held on May 8, 2013, a private zoning application was introduced regarding Planned Development No. 958 and nearby properties ("the Ordinance"). The Ordinance was referred to the Committee on Zoning, Landmarks and Building Standards; and

WHEREAS, Following its passage, as amended, by the City Council on July 24, 2013, the Ordinance was published in the Journal of Proceedings, at which point it was discovered that typographical and other technical errors associated with the publication of the Ordinance resulted in an erroneous description of the height of a building in Subarea D of the Ordinance, as well as the inadvertent elimination and compression of graphical information in various drawings; and

WHEREAS, It is necessary and appropriate to correct these errors, so that the Ordinance and associated Exhibits are included accurately and in full; and

WHEREAS, For the convenience of the reader and to avoid confusion, it is advisable to republish the Ordinance and all its exhibits in their entirety instead of replacing pages in various locations within the Ordinance; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The Journal of Proceedings of July 24, 2013 is hereby corrected by replacing pages 58425 through 58503 with the pages attached hereto as Exhibit A.

SECTION 2. This Journal Correction ordinance shall be effective upon passage and approval. The technical corrections effected by this Journal Correction ordinance shall not be deemed to alter the effective date of the Ordinance.

City Clerk
