Present Zoning: Residential Planned Development No. 1082

Proposed Zoning: RM-5.5 Residential Multi-Unit District

Lot size in square feet (or dimensions): 28.292.63 sq. ft.

11. **Current Use of the Property: The property consists of four parcels (the "subject property"). Parcel No. 1 (located on the north end of the subject property along Grand Avenue and Morgan Street) is currently improved with an existing five-story masonry building, commonly known as**

the Chicago Commons Settlement House. The remaining Parcels. No. 2.3 and 4. are currently vacant.

12. Reason for rezoning the property: The Applicant would like to amend the zoning at the subject property in order to convert the existing building into a private school (pre-kindergarten through 8th grade) and to permit the construction of two new four-story additions to the existing building, as well as the location and establishment of outdoor green space (landscaped play areas), which will be used in operating the proposed school.
13. Describe the proposed use of the property after the rezoning. Indicate the number of dwelling units; number of parking spaces; approximate square footage of any commercial space; and height of the proposed building. (BE SPECIFIC)
The existing five-story building shall remain (24,800 sq. ft.) and will undergo interior/exterior renovations and rehabilitation, including the construction of two, new proposed four-story additions (northeast corner - 8,500 sq. ft.; south ~ 31,000 sq. ft.). The proposed zoning amendment will allow for the location and establishment of a private school (pre-kindergarten through 8th grade) at the subject site. The newly renovated and expanded building (approx. 64,300 sq. ft) will contain, inter alia: 25 classrooms. 11 laboratory rooms. 2 libraries, a cafeteria, a teachers' lounge. 16 restrooms. an office area, a gymnasium (with indoor track) and an indoor play area. There will also be two (outdoor) student play areas located on the roof of the building, as well as four (outdoor) student play areas/gardens located at grade level. There will be 20 interior on-site parking spaces. The proposed additions will be masonry and glass in construction to assimilate with the composition of the existing building. The maximum height of the existing building is 66'-10." The new proposed additions will not exceed 56'-0" in height. There are no dwelling units proposed for the property.
14. On May 14, 2007, the Chicago City Council passed the Affordable Requirements Ordinance (ARO) that requires on-site affordable housing units or a financial contribution if residential housing projects receive a zoning change under certain circumstances. Based on the lot size of the project in question and the proposed zoning classification, is this project subject to the Affordable Requirements Ordinance? (See Fact Sheet for more information)
