ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the O'Hare Community Area have deepened the already significant deficit of open space in the O'Hare Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the Board of Education of the City of Chicago, commonly known as the Chicago Public Schools ("CPS"), is the owner of parcel of land on the campus of Everett McKinley Dirksen Elementary School legally identified and described on Exhibit A hereto (collectively, the "Property"); and

WHEREAS, Openlands, an Illinois not-for-profit corporation, is dedicated to preserving and creating open space; and

WHEREAS, the City, CPS and Openlands desire to create a school garden at the above mentioned

school (the "Project") for the benefit and use of the above mentioned school and the

I

Community Area in which it is located; and

WHEREAS, the City desires to grant Openlands impact fee funds to pay for the construction costs associated with building the garden at the Property (the "Project"); and

WHEREAS, DPD desires to provide to Openlands Open Space Fees in an amount not to exceed \$147,163 for the Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the O'Hare Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected; and

WHEREAS, DPD has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein through his ordinance; and

WHEREAS, DPD has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 3. The Commissioner of DPD (the "Commissioner") and a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel, to enter into a Grant Agreement with Openlands in connection herewith, in substantially the form attached hereto as Exhibit B, and to provide Open Space Fees proceeds to Openlands in an amount not to exceed \$147,163 from the corresponding funds to pay for expenses permitted under the Open Space Ordinance.

1

WHEREAS, the City and Openlands have among their powers the authority to contract with each other to perform the undertakings described herein;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Openlands agree as follows:

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Openlands for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by DPD, and only after Openlands has submitted Certificate(s) of Expenditure to DPD (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Openlands may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Openlands must submit documentation regarding the applicable expenditures to DPD. Delivery by Openlands to DPD of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

- a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;
- c) Openlands has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and
- d) Openlands is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Openlands as related thereto.

1.3. Openlands hereby acknowledges and agrees that the Grant must be used

exclusively for the Project. If the Grant should exceed the costs of the Project, Openlands must repay to the City any such excess Grant funds received by Openlands.

4. Openlands is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Openlands be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

5. The source of funds for the City's obligations under this Agreement is the fund identified by CAPS Code: PS76 131 54 5076 2604. Openlands hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Openlands in writing of that occurrence, and Openlands will have the right, but not the obligation to terminate this Agreement by written notice to the City.

SECTION 2. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT

B. Construction Documents and Landscape Plan. Openlands has developed the construction documents and a plan for the Project (the "Drawings") as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by DPD are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Openlands without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City's Department of Buildings, or any other Department of the City.

C. Schedule. Openlands has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of DPD be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. Use The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Openlands or any other person or entity to use the Project for private parties or events. The use of alcohol on the

Property by any person or entity is strictly prohibited.

E. Certification. Openlands must submit a payment certification form as attached as Exhibit E prior to any Grant funds being released.

SECTION 3. TERM OF AGREEMENT

Term of Agreement. The term of this Agreement will commence as of the Closing Date and, unless otherwise terminated as provided in this Agreement, will expire on the second anniversary of the Closing Date. Notwithstanding the foregoing, if Openlands modifies the Schedule pursuant to Section 2(c) of this Agreement and such modification extends beyond the term, the term will be adjusted accordingly.

SECTION 4. COVENANTS AND REPRESENTATIONS

Openlands hereby warrants, represents and/or covenants to the City that:

1. Openlands will use the Grant solely for the Project and to pay for eligible costs as determined in the sole discretion of the City and outlined on Exhibit B.

2. Openlands will comply with all applicable federal, state, and local statutes, laws, ordinances, rules, regulations and executive orders that are in effect from time to time that pertain to or affect the Project, Openlands, or the Grant. Upon the City's request, Openlands will provide evidence of such compliance satisfactory to the City.

3. Openlands agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4. Openlands has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

5. Signing, delivery and performance by Openlands of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Openlands is party or by which it is bound.

6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Openlands that would materially impair its ability to perform under this Agreement.

7. Openlands is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

8. If the Grant, or a portion thereof, is used for construction, Openlands and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

9. Openlands must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

10. Openlands must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

11. Openlands is an Illinois not-for-profit corporation exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986; and has provided the City a copy of the Internal Revenue Service Determination Letter evidencing such exemption. Openlands must at all times during the term of this Agreement maintain such tax-exempt status.

12. Openlands must comply with all policies issued by the City relating to Illinois not-for-profit corporations and federal tax-exempt entities, as such policies may be modified, amended or supplemented from time to time.

13. The Parties agree and understand that CPS will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

14 It is the duty of Openlands and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Openlands and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Openlands represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Openlands in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Openlands and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Openlands and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Openlands represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Openlands in connection with this Agreement of this provision in writing and require their compliance.

15 Failure by Openlands or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by

Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

SECTION 5. ENVIRONMENTAL MATTERS

1. It will be the responsibility of Openlands to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

2. Openlands agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Openlands must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Openlands agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Openlands.

3. Prior to inspecting the Property, Openlands or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Openlands must provide and maintain at Openlands' own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

Openlands must furnish the City of Chicago, Department of Planning and Development, 121 N. LaSalle Street, Room 1000, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Openlands must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Openlands is not a waiver by the City of any requirements for Openlands to obtain and maintain the specified coverages. Openlands must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Openlands of

the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated. The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Openlands.

Openlands agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Openlands in no way limit Openlands' liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Openlands under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Openlands is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Openlands must require all subcontractors to provide insurance required in this Agreement, or Openlands may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Openlands unless otherwise specified in this Agreement.

If Openlands or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management

8

Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Openlands will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Openlands and/or any contractors or subcontractors in implementing the Project, if any, or Openlands' breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

SECTION 8. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City will be charged personally by Openlands or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 9. DEFAULT AND REMEDIES

1. If Openlands, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below. If the City so terminates this Agreement, Openlands must repay the City promptly any amounts received pursuant to this Agreement and not yet applied to the Project.

2. Prior to termination, the City will give Openlands 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Openlands does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Openlands will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

SECTION 10. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

10.1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with

9

whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

SECTION 11. GENERAL CONDITIONS

1. Assignment. This Agreement, or any portion thereof, will not be assigned by either Party without the express prior written consent of the other Party which consent will not be unreasonably withheld, conditioned or delayed.

2. Construction of Words. As used in this Agreement, the singular of any word will include the plural, and vice versa. Masculine, feminine and neuter pronouns will be fully interchangeable, where the context so requires.
