COMMITTEE on ZONING, LANDMARKS AND BUILDING STANDARDS

City Hall, Room 304 121 North LaSalle Street Chicago, Illinois 60602

May 6, 2015

REPORT OF THE COMMITTEE ON ZONING, LANDMARKS, AND BUILDING STANDARDS

Calling up your Committee report on Zoning, Landmarks, and Building Standards, for application number 18279 which was deferred and published on April 15, 2015 and appearing on pages 107388 through 107406 of the journal. There is now a SUBSTITUTE ORDINANCE that amends various zoning designations on South Kostner Avenue and South Kilbourn Avenue between West 26th and West 31st Streets. I move to amend the substitute ordinance solely to change the effective date from "Passage and Publication" to "Passage and Approval." This amendment will result in an earlier effective date."

At this time, I move Passage of the Substitute, As Amended, in the Omnibus."

**SUBSTITUTE
ORDINANCE**

PLANNED DEVELOPMENT STATEMENTS

1. The area delineated herein as Planned Development Number _____, ("Planned Development") consists of approximately 1,657,307 square feet (38.05 acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Unilever Manufacturing (US), Inc. is the applicant ("Applicant") for this Planned Development pursuant to authorization from the owner of the property.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Planning and Development (the "Department") and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation ("CDOT").

All work proposed in the public way must be designed and constructed in accordance with the CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago.

The applicant commits to provide and fully fund the installation of a new traffic signal at their driveway on W. 26th Street to be operational prior to the issuance of the Certificate of Occupancy for any portion of the development. The Applicant shall fully fund, design, and construct the signal at its sole cost. All plans and any improvements must be reviewed and approved by CDOT.

RNN. FOR PUBUCMWN

4. This Plan of Development consists of 16 Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; Landscape Plan; and Building Elevations (North, South, East and West) prepared by Gewalt Hamilton Associates, Lakota and SPARCH and dated March 19, 2015, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development: artisan, limited and general manufacturing; warehousing, wholesaling and freight movement; vehicle storage and towing (including fleet storage); accessory parking and related uses.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 1,657,307 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and

Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns, and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant will exceed the City of Chicago Stormwater Ordinance by 20%.
15. Applicant may continue to evolve the design of the building elevations, and changes to such elevations, if any, shall be approved by the Department administratively as Minor Change.

Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) for any improvements to be located in the area designated as "Future Expansion Zone", the Applicant shall submit a site plan, landscape plan and building elevations for review and approval by the Department. Review and approval by the Department is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site Plan Approval Submittals under this Statement 15 (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant.

The areas designated as Future Expansion Zone are the areas currently-identified on the planned development exhibits as future expansion and as part of a Phase II Project. If the Applicant intends to develop any areas outside of the Future Expansion Zone, such development shall be permitted as set forth in statement No. 15.

No Part II Approval for any portion of the Future Expansion Zone shall be granted until Site Plan approval has been granted. Following approval by the Department, the approved Site Plan, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Site Plan under this Statement 15, changes or modifications may be made pursuant to the provisions of Statement 12. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern. Any Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned building elevations;
- fully-dimensioned landscape plan(s); and,
- statistical information applicable to the subject Future Potential Expansion Zone, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department shall initiate a Zoning Map Amendment to rezone the property to the M1-2 Limited Manufacturing/Business Park District.
