Legislation Text

File #: Or2015-385, Version: 1

Regular Orders. (Each Amount Not To Exceed
\$1,000.00)

[Or2015-385]

Ordered, That the City Comptroller is authorized and directed to issue payments, each in an amount not to exceed \$1,000.00, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or the Fire Department herein named. The payment of any of these bills shall not be construed as an approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of said claims is set opposite the names of the injured members of the Police Department and/or the Fire Department, and payments are to be drawn in favor of the proper claimants and charged to the following Account Numbers: 100-57-2005-0937; 610-57-4415-0937; 740-57-4415-0937; 100-59-2005-0937; 610-59-4415-0937; and 740-59-4415-0937.

[Regular orders printed on pages
through of this Journal.]

FINANCE MEETING OF JULY 29, 2015

HOSPITAL AND MEDICAL EXPENSES OF INJURED POLICE
OFFICERS AND FIREFIGHTERS

Submitted herewith are payments, each in an amount \$1000 or less, covering hospital and medical expenses of the Police and/or the Fire Departments, injured in their performance of Duty which have been approved by the respective Departments.

CO CO CO

The diagrams show the decay of a scalar particle (represented by a circle with a cross) into two photons (represented by wavy lines). The decay proceeds via a fermion loop (represented by a solid line with dots). The diagrams are arranged in two rows. The top row shows the decay into two photons with the fermion loop. The bottom row shows the decay into two photons with the fermion loop, but with an additional fermion line (represented by a solid line with dots) entering and exiting the loop, forming a triangle. The diagrams are labeled with various symbols, including γ for photons and ψ for fermions.

<D CO CD CD CO CO

A diagram of a 10x10 grid representing a 100-cell system. The grid contains various symbols: 'O' and 'Cl' with a small circle, 'CO', and empty cells. The symbols are distributed across the grid, with some appearing in clusters and others isolated.

GD GD GD GD

CDCDCDCDCDOICDCDCDCDCDCD

A series of four black and white illustrations showing a person's progression from a simple silhouette to a complex, multi-limbed figure, symbolizing the evolution of a business or organization. The first figure is a simple silhouette of a person standing. The second figure has multiple arms and legs, suggesting growth or expansion. The third figure is more complex, with many more limbs, and a large asterisk above its head, indicating a significant achievement or milestone. The fourth figure is the most complex, with a large, multi-limbed head and a large, multi-limbed body, representing a highly evolved and successful organization. The background of the entire image is a grid of small circles, with some circles highlighted in white, creating a pattern that resembles a stylized 'C' or a series of connected dots.
