In accordance Section 17-13-0612 of the Chicago Zoning Ordinance, it is acknowledged that commencement and completion of certain phases may exceed the periods set forth in

- 2. The proposed development is compatible with the character of the surrounding area in terms of uses, density, and building scale. .

The proposed Planned Development would be consistent in bulk, density, and Floor Area Ratio (F.A.R.) with the surrounding area. The proposed project will remain at an underlying zoning of C2-3 (Motor Vehicle-Related Commercial District) and achieve a maximum total Floor Area Ratio (F.A.R.) to 1.2.

3. The public infrastructure facilities and city services will be adequate to serve the proposed development at the time of occupancy.

Per 17-13-0308-E - Transportation, Traffic Circulation and Parking: The pedestrian access point for the residential buildings and mixed use buildings are located on North Clybourn Avenue, North Damen Avenue, North Leavitt Street and West Diversey Park way. The pedestrian access for retail patrons occur along North Clybourn and West Diversey Parkway. All loading will occur internal to the site.

- 4. Promotes environmentally sustainable development practices (per 17-9-0908-A), as evidenced by the rehabilitation of the fourteen (14) existing structures. The two new building in phase 1 identified on the plans as N101 andS101 are required to obtain Building certification. All future buildings in Phases 2 and 3 are also required to me the City of Chicago Sustainability matrix.
- 5. The project meets the purpose and criteria set forth in the Chicago Zoning Ordinance and its adoption would not have any adverse impact on the public's health, safety or welfare:

Per 17-13-0308-C, the proposed development is compatible with surrounding commercial and residential development in terms of land use, as well as, the density and scale of the physical structure.

Per 17-13-0308-D, the proposed underlying zoning for this planned development C2-3 (Motor Vehicle-Related Commercial District) is consistent with the adjacent zoning districts; both adjacent to this site and in the immediate area.

Based on the foregoing, it is the recommendation of the Department of Planning and Development that the revised application for a Waterway Residential Business Planned Development for LATHROP COMMUNITY PARTNERS, LLC, be approved and the recommendation to the City Council Committee on Zoning, Landmarks and Building Standards be "As-Revised, Passage Recommended"
