The placard shall be issued in such format that enables easy transferability from one vehicle to another vehicle, and it must include the ward's number and a unique identification number. The placard can be used to park any vehicle in any residential parking permit zone in the alderman's ward or in any ward adjacent to the alderman's ward when such vehicle is used by the alderman or his aldermanic staff for the performance of official city business. When in use, the placard must be conspicuously displayed on the dashboard of the vehicle. The fee for issuing a placard shall be \$200.00 per year. Any alderman or his aldermanic staff shall immediately report to the city clerk the loss or theft of any placard. A misuse of a residential parking placard by any alderman or his aldermanic staff shall be deemed to be a violation of Section 2-156-060 of this Code.
