AGREEMENT

- 1. The recitations set forth above constitute an integral part of this Amended and Restated Agreement and are hereby incorporated herein by reference with the same force and effect as if set forth herein as agreements of the parties and are made a part of this Amended and Restated Agreement.**
- 2. Upon execution of this Amended and Restated Agreement by the Chief Executive Officer of the Authority, and consistent with the CPD's and Authority's policies concerning secondary employment (including CPD's Employee Resource E01-11), the City, through the Superintendent, will permit its off-duty, uniformed CPD sworn personnel to provide Services to the Authority.**

3. Off-duty, uniformed CPD sworn personnel are authorized to wear their CPD uniforms while serving at Authority facilities, while providing Services to and under the direction of the Authority. Such off-duty, uniformed sworn personnel will be considered to be independent contractors at all times and will be issued federal IRS Form 1099 concerning earnings.
4. If an action, claim, suit, or grievance is brought against the City or any of its officers, agents, representatives or employees ("City Indemnitees") by reason of the Authority's employing of off-duty, uniformed CPD sworn personnel, or the Superintendent having granted such CPD sworn personnel permission to wear CPD uniforms while providing Services, to the extent permitted by law, the Authority will defend and indemnify the City Indemnitees from, for, and against, all suits, claims, grievances, damages, costs, expenses, judgments, and liabilities, including costs of defense and reasonable attorneys' fees. Such indemnity includes, but is not limited to:
- a) a claim by any person that each of the City Indemnitees or CPD is any way responsible for the actions or inactions of off-duty, uniformed CPD sworn personnel providing Services to the Authority (including but not limited to any claim under the U.S. Constitution, federal or state laws, municipal ordinances, or common law); and

6. Notwithstanding the provisions of paragraph 4 above, the City may elect to provide its own defense, or to defend any of its officers, agents, representatives or employees, in case any claim is made as described in paragraph 4. While such election does not affect the Authority's obligation to indemnify the City Indemnitees, and any of its officers, agents, representatives or employees as provided in paragraph 4, nevertheless, if the City chooses to conduct its own defense, it must act diligently and in good faith to protect the Authority. The City is not entitled to settle any case, for which it intends to seek indemnification from the Authority without prior approval by the Authority, and, if appropriate, the Authority's insurer.
7. The Authority will maintain its existing insurance program and will provide Comprehensive General Liability (CGL) insurance in the amount of not less than \$10,000,000 per occurrence for bodily injury, personal injury and property damage liability. The City and City Indemnitees will be named as additional insureds.

When this Amended and Restated Agreement is terminated and on the effective date of the termination the Superintendent's permission to allow off-duty sworn officers to wear CPD uniforms while rendering Services to the Authority ends. The Superintendent will notify its CPD sworn officers providing Services of that fact.
13. The provisions of paragraphs 4,5,6,7,8,9, and 10 shall survive the termination of this Amended and Restated Agreement with respect to actions, claims, suits, or grievances that arose while this Amended and Restated Agreement was in effect.
