RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act. 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on February 16, 2000: (1) "An

1

Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Central West Redevelopment Project Area" (the "Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Central West Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Central West Redevelopment Project Area" (the "TIF Adoption Ordinance"). Items (1)-(3) were amended by ordinances adopted on March 12, 2008 and published at pages 222072 through 22292 of the Journal of Proceedings of the City Council of the City for said date (the "Amendments"). Items(1)-(3) above, as amended by the Amendments, are collectively referred to herein as the "TIF Ordinances." The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. The Project: Sponsor intends to purchase (the "Acquisition") certain City-owned property located within the Redevelopment Area, and commonly known as 1637,1649,1651 and 1659 West Washington Boulevard, Chicago, Illinois 60612, and legally described on Exhibit B hereto (the "City Land"). Sponsor represents and warrants that on the Closing Date it will own the properties commonly known as 1639, 1641, 1643, 1647, 1653 and 1655 West Washington Boulevard, Chicago, Illinois 60612, and legally described on Exhibit B-1 hereto (the "Sponsor Parcels") (the City Land and the Sponsor Parcels, together, the "Property"). Sponsor will ground lease the Property to the Developer. Within the time frames set forth in Section 3.01 hereof, Developer shall commence and complete construction of an approximately 62-unit affordable housing apartment building for low income senior citizens (the "Facility") on the Property. The Facility and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Central West Redevelopment Project Area Tax Increment Financing District Eligibility Study, Redevelopment Plan and Project (the "Redevelopment Plan") included in the Plan Adoption Ordinance, as amended by the Amendments, and published at pages 25280 - 25394 of the Journal of the Proceedings of the City Council.

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below), to pay for or reimburse Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance") at a later date as described in Section 4.03(d) hereof, the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes (including any such payment made pursuant to any City Note provided to Developer pursuant to this Agreement), to make payments of principal and interest on the City Note, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided however, that in no event shall proceeds of tax-exempt TIF Bonds be used as the source of City Funds if such use would be adverse to the Project.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1 The Project. With respect to the Facility, Developer shall, pursuant to the Plans and Specifications and subject to the provisions of Section 18.17 hereof: (i) commence construction no later than December 31, 2016; and (ii) complete construction and conduct business operations therein no later than June 30, 2018, subject to the provisions of Section 18.16 (Force Majeure).

2 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to DPD as a Change Order pursuant to Section 3.04 hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget showing total costs for the Project in an amount not less than \$17,407,437. Developer hereby certifies to the City that (a) the City Funds, together with Lender Financing and Equity described in Section 4.02 hereof, shall be sufficient to complete the Project; and (b) the Project Budget is true, correct and complete in all material respects. Developer shall promptly deliver to DPD certified copies of any Change Orders with respect to the Project Budget for approval pursuant to Section 3.04 hereof.

4 Change Orders. All Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by the Developer to DPD for DPD's prior written approval. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer.

9

5 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

6 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

7 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04). Developer shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. An independent agent or architect (other than Developer's architect) approved by DPD shall be selected to act as the inspecting agent or architect, at Developer's expense, for the Project. The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project hereunder pursuant to the Escrow Agreement.

3.09 Barricades. Prior to commencing any construction requiring barricades, Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

10 Signs and Public Relations. Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. ### 3.13 Conveyance of City Land.

The following provisions shall govern the City's conveyance of the City Land to Sponsor:

a) Purchase Price. The City hereby agrees to sell, and Sponsor hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Land, for Four Dollars (\$4.00) per parcel, which equals an aggregate amount of Four Dollars (\$4.00) for the City Land (such Four Dollars, the "Purchase Price"), which is to be paid to the City on or before the Closing Date in cash or by certified or cashier's check. Sponsor shall pay all escrow fees and other title insurance fees, premiums and closing costs. Sponsor acknowledges and agrees that (i) the appraised fair market value of the City Land is approximately Six Hundred Ninety-Seven Thousand Four Hundred Ninety-Three Dollars (\$697,493), and (ii) the City has only agreed to sell the City Land to Sponsor for the Purchase Price because Sponsor and Developer have agreed to execute this Agreement and comply with its terms and conditions.

b) Form of Deed. The City shall convey the City Land to Sponsor by one or more quitclaim deeds (each such deed, the "Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, the following:

- (i) the Redevelopment Plan, until such plan expires;
- (ii) the standard exceptions in an ALTA title insurance policy;
- iii) all general real estate taxes and any special assessments or other taxes;
- iv) all easements, encroachments, covenants and restrictions of record and not shown of record;
- v) such other title defects as may exist; and
- vi) any and all exceptions caused by the acts of the Sponsor, its affiliates and their agents.

(c) Title and Survey. Sponsor acknowledges that it has received a commitment for an owner's policy of title insurance for the City Land, Commitment No. \_\_\_\_\_, with an effective date of \_\_\_\_\_, 20\_\_\_\_, issued by the Title Company (the "City Title Commitment"), showing the City in title to the City Land. Sponsor shall be solely responsible for and shall pay all costs associated with updating the City Title Commitment (including all search, continuation and later date fees), and obtaining the Title Policy. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the City Land or liens for such unpaid property taxes, the City shall, as applicable, request that the County void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a

Certificate of Error with the Cook County Assessor, or file a tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the City Land remains subject to any tax liens, or if the City Land is encumbered with any other exceptions that would adversely affect the use and insurability of the City Land for the development of the Project, Sponsor

11

shall have the option to do one of the following: (i) accept title to the City Land subject to the exceptions; or (ii) terminate this Agreement. If Sponsor elects not to terminate this Agreement as aforesaid, Sponsor agrees to accept title subject to all exceptions.

d) The City Land Closing. The conveyance of the City Land from the City to Sponsor shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless Developer and Sponsor have satisfied all conditions precedent set forth in this Agreement, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company: the Deed; all necessary state, county and municipal real estate transfer tax declarations; and an ALTA statement. The City will not provide a gap undertaking.

e) Recording Costs. Sponsor shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Land to the Sponsor.

f) Phase I ESA. Prior to closing, the Developer shall submit to the City a Phase I Environmental Site Assessment (ESA) completed within 180 days of closing and compliant with ASTM E1527-13. The City shall be an authorized user and be given permission from the Developer and Phase I ESA preparer to rely on the Phase I ESA. The City's Department of Fleet and Facility Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I ESA.

g) "AS IS" SALE. The Developer acknowledges and agrees that it has had, or will have had, prior to the Closing Date, adequate opportunity to inspect the Property. The Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. The Developer's obligation to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the condition of title to the Property, the terms imposed upon the Developer in connection with any required governmental approvals, or the Environmental Investigation and/or Remediation requirements described in Section 11, or for any other reason, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 3.13(g), the Developer shall be deemed satisfied with the condition of the Property. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is the Developer's sole responsibility and obligation to perform any environmental remediation work (defined below) and take such other action as is necessary to put the Property in a condition which is suitable for its intended use.

(g) Release and Indemnification. The Developer, on behalf of itself and the Sponsor, or anyone claiming by, through, or under the Developer or the Sponsor, hereby releases, relinquishes and forever

discharges the City from and against any and all Losses which the Developer or the Sponsor ever had, now have, or hereafter may have, whether grounded in tort or contract or

12

otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are caused by the gross negligence or willful misconduct of the City prior to or following the Closing Date. Furthermore, the Developer shall defend, indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct.

(h) Release Runs with the City Land. The covenant of release in Section 3.13(g) above shall run with the City Land, and shall be binding upon all successors and assigns of the Developer with respect to the City Land, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Land under or through Developer following the date of the Deed. Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Land to Sponsor. It is expressly agreed and understood by and between Developer and the City that, should any future obligation of Developer or the Sponsor arise or be alleged to arise in connection with any environmental, soil or other condition of the City Land, Developer and the Sponsor shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 3.12(g) contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct prior to or following the Closing Date.

(i) Ground Lease. Upon the Sponsor's taking title to the Property, it shall immediately ground lease the Property to the Developer

(j) Survival. This Section 3.13 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

## SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$17,407,437, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

13

Sources:	Amount:
City Funds	\$ 3,500,000*
Equity: Donation Tax Credit	\$ 846,300
Equity: General Partner	\$ 10,100
Equity: Low Income Housing Tax Credit Equity	\$ 12,201,037**
Federal Home Loan Bank	\$ 600,000*
Deferred Developer Fee	\$ 250,000***
<b>Total Sources</b>	<b>\$ 17,407,437</b>

\*The City anticipates increasing the amount of City Funds up to and not to exceed \$4,100,000 if the Developer does not receive the Federal Home Loan Bank Funds.

\*\*It is anticipated that approximately \$12,000,000 of the Low Income Housing Tax Credit Equity will be bridged during construction with a loan from Citibank. \*\*\*To be paid from cash flow of the Project.

2 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

### 3 City Funds.

a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Available Incremental Taxes and/or TIF Bond Proceeds \$4,100,000	

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an

amount not to exceed \$4,100,000 with such amount to be further reduced by the City Fee; and provided further, that the \$4,100,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as (i) the amount of the Available Incremental Taxes deposited into the Redevelopment Project Area Special TIF Allocation Fund shall be sufficient to pay for such costs

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements in excess of \$3,500,000, up to a maximum of \$4,100,000 is contingent upon the fulfillment of the conditions set forth in parts (i) above. In the event that such conditions are not fulfilled, the amount

14

of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(d) City Funds. Subject to the conditions described in this Section 4.03, the City shall pay City Funds to the Developer, or to an affiliate of the Developer if so directed by the Developer, in four installments as follows:

i) 25% of the City Funds upon completion of one-third of the construction of the Project (based on the amount of expenditures incurred in relation to the Project Budget); and

ii) 25% of the City Funds upon completion of two-thirds of the construction of the Project (based on the amount of expenditures incurred in relation to the Project Budget); and

iii) 25% of the City Funds upon issuance of the Substantial Completion Certificate; and

iv) 25% of the City Funds upon the issuance of the Certificate.

4 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. All disbursements of Project funds (except for the Prior Expenditures and acquisition costs disbursed through a deed and money escrow at the closing) shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

5 Treatment of Prior Expenditures and Subsequent Disbursements.

a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

b) intentionally omitted

(c) City Fee. Annually, the City may allocate an amount not to exceed 10% of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be

deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded

Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being

15

prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$250,000 in the aggregate, may be made without the prior written consent of DPD.

6 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

7 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

a) the total amount of the disbursement request represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance in all material respects with all covenants contained herein;

e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, defer developer fee or other amounts due the Developer or deposit with the escrow agent or will

make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true

16

and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct in all material respects; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

8 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's and Sponsor's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Section 15.02 hereof.

9 TIF Bonds. The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer and Sponsor will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 8.05 hereof.

10 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) investor limited partner (the "Investor Limited Partner") to remove McCrory Senior Apartments Manager, LLC, an Illinois limited liability company (the "General Partner") as the general partner of the Partnership, in accordance with the Partnership's limited partnership agreement (the "Partnership Agreement"), provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the Investor Limited Partner, (ii) the General Partner to pledge a lender that is providing Lender Financing (the "Lender") all of the General Partner's rights, title and interest in and to the Developer and under the Partnership Agreement as collateral for the Developer's obligations under the loans made or to be made by the Lender to Developer) and (iii) a transfer by the Limited Partner of its limited partner interest after the Closing Date to an unaffiliated entity with the prior written consent of the City; provided, however, that the prior written consent of DPD shall not be required for a transfer by the Limited Partner of its limited partner interest after the Closing Date to an affiliated entity, but prior written notice to DPD is required.

## SECTION 5. CONDITIONS PRECEDENT

Any liens against the Property in existence at the Closing Date have been subordinated to certain encumbrances of the City set forth herein pursuant to a Subordination Agreement, in a form acceptable to the City, executed on or prior to the Closing Date, which is to be recorded, at the expense of Developer, with the Office of the Recorder of Deeds of Cook County. The City agrees that the Developer may collaterally assign their interests in this Agreement to any of its lenders if any such lenders require such collateral assignment.

The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

The Developer has provided documentation to DPD, satisfactory in form and substance to DPD, with respect to current employment matters in connection with the construction or rehabilitation work on the Project, including the reports described in Section 8.07. At least thirty (30) days prior to the Closing Date, the Developer has met with the Workforce Solutions division of DPD to review employment opportunities with the Developer after construction or rehabilitation work on the Project is completed. On or before the Closing Date, Developer has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). The Employment Plan includes, without limitation, the Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project.

13 Environmental. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the

Municipal Code renders this Agreement voidable at the option of the City. Developer, Sponsor and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. 6.01 Bid Requirement for General Contractor and Subcontractors. The Developer represents that prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer has solicited, or has caused the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and has submitted all bids received to DPD for its inspection and written approval, (i) For the TIF-Funded Improvements, Developer has selected the General Contractor (or has caused the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selected a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds, (ii) For Project work other than the TIF-Funded Improvements, if Developer selected a General Contractor (or the General Contractor selects any subcontractor) who did not submit the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer has submitted copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer represents that the General Contractor has not (and has caused the General Contractor to ensure that the subcontractors have not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

3 Performance and Payment Bonds. Prior to commencement of construction of any portion of the Project, Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using American Institute of Architect's Form No. A311 or its equivalent. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

4 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

5 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement) Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

## SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction, (a) Upon each of the substantial completion and the final completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer either the Substantial Completion Certificate or the Certificate, as applicable. The Certificate shall be in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for either certificate within forty-five (45) days by issuing either the requested certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed (or substantially completed in the case of the Substantial Completion Certificate), and the measures which must be taken by the Developer in order to obtain the requested certificate. The Developer may resubmit a written request for either certificate upon completion of such measures.

(b) The Substantial Completion Certificate will not be issued until the following requirements have been met:

- i) The Developer has obtained a partial or temporary Certificate of Occupancy that covers all 62 residential units, and community space on the first floor;
- ii) The 62 residential units, and the community space have been constructed substantially according to the Plans and Specifications as evidenced by an affidavit provided by the Developer as evidenced by AIA Form G702;
- iii) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default as evidenced by an affidavit provided by the Developer and accepted by DPD; and

- (iv) Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than 75% of the City Funds awarded to the Project.

- (c) The Certificate will not be issued until the following requirements have been met:
- i) The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City requirements (M/WBE, City residency and prevailing wage) as required in this Agreement;
  - ii) The Project, including all 62 residential units, the parking spaces and all related improvements, has been completed;
  - iii) The Developer has received a Certificate of Occupancy from the City or other evidence reasonably acceptable to DPD that the Developer has complied with building permit requirements; and
  - iv) Developer has incurred costs for TIF-Funded Improvements or such amounts are included in the Project Budget in an amount equal to or higher than \$4,100,000.

2 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

3 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

b) the right (but not the obligation) upon not less than thirty (30) days prior written notice to Developer to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01. Developer shall reimburse the City for

all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(o) Developer and Sponsor understand that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the Redevelopment Project Area Special Tax Allocation Fund TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) neither Developer nor Sponsor will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

2     Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

3     Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

4     Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

25

5     Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

6     Job Creation.

The Developer anticipates that the Project will result in the creation of (i) two full-time equivalent permanent jobs (the "Permanent Jobs"), and (ii) approximately 100 full-time equivalent, construction jobs at the Project during the construction thereof (the "Construction Jobs," and collectively with the Permanent Jobs,

the "Jobs"). Throughout the Term of the Agreement, the Developer shall submit certified employment reports disclosing the number of Jobs at the Project to DPD as a part of the Developer's submission of the Annual Compliance Report. Notwithstanding any other provision in this Agreement to the contrary, the failure to create the specified number of Jobs shall not constitute an Event of Default.

7 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 75% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request..

9 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly,

26

in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of

each fiscal year and for such other periods as DPD may request.

14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

15 Non-Governmental Charges, (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

27

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and

recording number of record.

## 8.19 Real Estate Provisions,

### (a) Governmental Charges.

i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge

28

real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

iii) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

iv) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

### (b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any

Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in

writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any

obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such

payment, or any part thereof, or obtain such discharge and take any other action with respect

thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

i) Real Estate Tax Exemption. With respect to the Property or the Project, neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect. Notwithstanding anything to the contrary in this Agreement, Developer shall be permitted to apply for a Cook County Class 9 property tax incentive.

ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and

29

transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.19(c).

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

20 Annual Report(s). (a) Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor,

The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.24 Affordable Housing Covenant. Developer agrees and covenants to the City that, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement

a) The Facility shall be operated and maintained solely as residential rental housing for senior citizens;

b) All of the units in the Facility shall be available for occupancy to and be occupied solely by one or more senior citizens qualifying as Low Income Families (as defined below) upon initial occupancy; and

qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

d) As used in this Section 8.24, the following terms has the following meanings:

i) "Family" shall mean one or more individuals, whether or not related by blood or marriage;  
and

ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition. It is anticipated that all of the units shall be rented to families whose annual income does not exceed sixty (60) percent of the Chicago-area median income.

e) The covenants set forth in this Section 8.24 shall run with the land and be binding upon any transferee.

31

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.24.

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

## SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

1 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

2 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

a) No Employer shall discriminate against any employee or applicant for employment based upon

race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the

32

Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each

subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's

33

name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Upon 5 Business Days prior written notice, Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer,

the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

34

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- 1) At least 26 percent by MBEs.
- 2) At least six percent by WBEs.

b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's

MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing

the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review

35

Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is

not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

## SECTION 11. ENVIRONMENTAL MATTERS

11.1 Environmental Investigation. The Developer has provided the City with a Phase I Environmental Site Assessment ("ESA"), conducted by Pioneer Environmental and dated March 23, 2015 for the Project. The Developer acknowledges and agrees that the Phase I ESA identified two potential 275-gallon fuel oil storage tanks associated with 1655 W. Washington.

The Developer shall conduct a limited Phase II subsurface investigation for ascertain the presence of and/or any environmental impacts that may be associated with the 275-gallon fuel oil tanks. Any underground storage tanks identified must be removed and closed in accordance with applicable regulations.

c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within 120 days after the commencement of such proceedings;

f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 120 days after the commencement thereof;

g) the entry of any judgment or order against Developer in excess of \$1,000,000 which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement, the sale or transfer all or substantially all of the ownership interests of Developer without the prior written consent of the City, except as provided for in Section 4.10; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01 (i) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

2 Remedies. Upon the occurrence and during the continuation of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

3 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a

written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. The City shall accept or reject any cure of a default made or tendered by NEF Assignment Corporation, as nominee, or its successors and/or assigns as the Investor Member of the Developer or from the Lenders within the time for cure required herein on the same basis as if made or tendered by the Developer on its own behalf.

#### SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer or other claim of the City against the Developer based on events which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. If the City placed a lien on the Project pursuant to Section 15.02 hereof in connection with an Event of Default of Developer

or other claim of the City against the Developer based on events which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the City shall release such lien upon written request to do so by such succeeding mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land. .

(c) Prior to the issuance by the City to Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or

2 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

3 Limitation of Liability. 5 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

6 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

7 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

The individual or entity relying on this section with respect to any such delay shall, upon the

47

The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Ladies and Gentlemen:

We have acted as counsel to McCrory Senior Apartments, LLC, an Illinois limited liability company (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the Central West Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- a) the McCrory Senior Apartments, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");
- b) the Escrow Agreement of even date herewith executed by Developer and the City;
- c) the Donation and Tax Credit Transfer Agreement of even date herewith executed by the
- c) Developer, the City, and ' ; and
- d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Organization, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project; and
- b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

65

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign entity under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Organization or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A. there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order,

66

regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By:
