**ATTACHMENT B TO
CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND
AFFIDAVIT
FILED BY FNBC Leasing, Corporation (as a Disclosing Party holding an
interest in the Applicant)**

Responses contained in the corresponding EDS and this Attachment B are true, accurate and complete based on the Authorized Representative's knowledge, information and belief, upon due inquiry by relying on information provided by other employees of the Disclosing Party or its affiliates or subsidiaries. Some sections of the EDS are in the process of being updated. The Disclosing Party will provide the City of Chicago with an update to this Disclosure Statement if there are any material changes to the matters disclosed herein.

SECTION III: BUSINESS RELATIONSHIPS WITH CITY ELECTED OFFICIALS

The Authorized Representative certifies on behalf of the Disclosing Party knowledge of an existing "business relationship" during the 12 months prior to the date of execution of the foregoing Economic Disclosure Statement and Affidavit between JPMorgan Chase Bank, National Association (the "Bank"), a subsidiary of JPMorgan Chase & Co., and the law firm of Klafter and Burke. Klafter and Burke has provided real estate tax protest legal services on behalf of the Bank. Alderman Edward M. Burke is a partner of the firm of Klafter and Burke. v.

SECTION IV: DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

With respect to Section IV, the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that the Disclosing Party has not retained a subcontractor, attorney, lobbyist, accountant, or consultant in connection with the Matter.

SECTION V: CERTIFICATIONS

B. FURTHER CERTIFICATIONS

B.1 With respect to Section V, paragraph B.1. the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that neither the Disclosing Party nor any Controlling Person is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any sister agency. For continual updates of material matters, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on

Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/jpmorganchase/sec.cfm>).

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication,

arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission(available at:

<http://investor.shareholder.com/ipmorganchase/sec.cfm>>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=9141>>05).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=9141>>05).

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as to the Disclosing Party and its executive officers and directors. Based on the

Page 3 of 6

Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. SECTION III: BUSINESS RELATIONSHIPS WITH CITY ELECTED OFFICIALS

The Authorized Representative certifies on behalf of the Disclosing Party knowledge of an existing "business relationship" during the 12 months prior to the date of execution of the foregoing Economic Disclosure Statement and Affidavit between JPMorgan Chase Bank, National Association (the "Bank"), a subsidiary of JPMorgan Chase & Co., and the law firm of Klafter and Burke. Klafter and Burke has provided real estate tax protest legal services on behalf of the Bank. Alderman Edward M. Burke is a partner of the firm of Klafter and Burke.

SECTION IV: DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

B. FURTHER CERTIFICATIONS

B.1 With respect to Section V, paragraph B.1. the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that neither the Disclosing Party nor any Controlling Person is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any sister agency. For continual updates of material matters, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on

Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.coin/ipmorganchase/sec.cfm>>).

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or

putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission(available at:

<<http://investor.shareholder.com/ipmorganchase/sec.cfm>>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <<http://investor.shareholder.com/ipmorganchase/releasedetail.cfm?ReleaseID=914105>>).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release (available at <<http://investor.shareholder.com/ipmorganchase/releasedetail.cfm?ReleaseID=914105>>).

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as to the Disclosing Party and its executive officers and directors. Based on the

Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. Furthermore, with respect to the Living Wage ordinance, the Disclosing Party has not, during the five years before the execution date of this EDS, been determined to have violated the provisions of Municipal Code Section 2-92-610 (Living Wage Ordinance) as it relates to base wages.

B.3 (b&c)

& B.4 The Disclosing Party has not agreed or colluded with other bidders or prospective bidders as to this transaction, or been a party to any such agreement. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. matter identified in the SEC filings. The Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, none of the foregoing matters would have a material adverse effect on this transaction.

B.7 Except as otherwise set forth in Attachment B, the Authorized Representative on behalf of the Disclosing Party does not make any certification whatsoever with respect to any Applicable Party other than the Disclosing Party. The Authorized Representative on behalf of the Disclosing Party also certifies that it has not engaged any sub-contractor with respect to this transaction.

B.8 The Authorized Representative, on behalf of the Disclosing Party, certifies as to the statement in Section V, paragraph B.8 that, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the following Bank employees were previously City of Chicago employees during the 12-month period preceding the execution date of this EDS:

- Ryan Baros
- Deya Booker
- Anthony Mason

B.9 The Authorized Representative certifies as to the statement in Section V, paragraph B.9 that, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, no gifts were provided by employees of the Disclosing Party

D. INTEREST IN CITY BUSINESS

D.1 & DA As to the disclosures set forth in Section V, paragraphs D.1 & D.4, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, on behalf of the Disclosing Party, to the extent the Disclosing Party has any control the Authorized Representative certifies that no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in this transaction.

The following response is true, accurate based on the Authorized Representative's knowledge, information, and belief relying on information prepared on February 24, 2009, by a consultant at the direction of JPMorgan Chase & Co.

SECTION V - CERTIFICATIONS

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS.

The Disclosing Party assumed its current name on November 13, 2004, when JPMorgan Chase Bank, a New York banking corporation, was converted into a national banking association under the name JPMorgan Chase Bank,

National Association, and both Bank One, National Association (main office Chicago) and Bank One, National Association (main office Columbus) merged into it with the Disclosing Party being the surviving entity.

With regard to predecessors of the Disclosing Party as it existed prior to such merger ("JPMorgan Chase"), the Disclosing Party reports that J. Pierpont Morgan, Sr. was associated with George Peabody & Company and J.S. Morgan & Company (the "Peabody Firms") before he founded Drexel Morgan & Company, which ultimately became part of JPMorgan Chase. Capital supplied by Junius S. Morgan and J. Pierpont Morgan, Sr. appears to have been used to capitalize Drexel Morgan & Company in 1871. Upon the death of Junius S. Morgan, J.S. Morgan & Company came under the control of J. Pierpont Morgan, Sr. and became affiliated with J.P. Morgan & Co. Records indicate that the Peabody Firms had customers that appear to have used enslaved individuals.

JPMorgan Chase and the Bank One banks referred to above (collectively, "Bank One") had predecessor banks in states outside the South that purchased notes issued by, issued letters of credit or made loans to, and/or maintained correspondent accounts with municipalities, banks, companies and individuals located in Southern states where slavery was practiced during the slavery era. These municipalities, banks, companies and individuals are listed on Attachment 1.

Bank One had predecessor banks before 1866 in three Southern states: Kentucky, Louisiana and Virginia. Searches revealed slavery-related information about two Louisiana banks, the Canal Bank (formed in 1831) and the Citizens Bank (formed in 1833), and the Lexington branch of the second Bank of Kentucky (formed in 1835). In 1924 Citizens Bank and Canal Bank merged. Predecessors of JPMorgan Chase had longstanding banking relationships with Canal Bank and its predecessors (see Attachment 1), were creditors of Canal Bank and, in 1931, it appears that a predecessor of JPMorgan Chase led a group of investors that provided capital to Canal Bank and this predecessor of JPMorgan Chase became a shareholder and took a controlling management interest in the Canal Bank. The Canal Bank was placed into liquidation in March-May 1933 based on actions by the State of Louisiana and the federal government. In May 1933, The National Bank of Commerce in New Orleans was formed

pursuant to an executive order approved by President Roosevelt and its assets included some of the deposits and loans of the old Canal Bank. Most of the capital for The National Bank of Commerce was provided by the Reconstruction Finance Corporation (owned by the U.S. government), with the remainder coming from new shareholders. The U.S. government also provided over \$13 million toward the liquidation of the old Canal Bank. In 1947 and 1969, The National Bank of Commerce in New Orleans made two grants to Tulane University, which included archives of the Citizens Bank and Canal Bank. These materials are held at the Tulane Manuscripts Department, Special Collections Division, Howard-Tilton Memorial Library at Tulane University in New Orleans, Louisiana (collectively, the "Tulane Records"). In 1865, the First National Bank of Lexington (subsequently a part of First Security Corporation of Kentucky which was acquired by Bank One in 1992) was formed and assumed the operations of the Lexington Branch of the second Bank of Kentucky. Public records pertaining to the Lexington Branch of the second Bank of Kentucky have been discovered that contain records relevant to this certification (the "Lexington Records"). The Tulane Records, the Lexington Records and other records indicate that:

1. Citizens Bank and Canal Bank provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 21,000 enslaved individuals were listed among the collateral covered by mortgages given to the Louisiana banks.
2. The Lexington Branch of the second Bank of Kentucky also provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party,

however, estimates that, from 1835 to 1865, taking into account the duplication and/or absence of exact data, approximately 55 enslaved individuals were listed among the collateral covered by mortgages given to the Lexington Branch of the second Bank of Kentucky.

3. When mortgages went unpaid, the banks could initiate foreclosure proceedings. When this occurred, the bank could take ownership of the collateral. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 1,300 enslaved individuals were listed among the collateral that the Louisiana banks came to own. There is no evidence of foreclosure proceedings initiated by the Lexington Branch of the second Bank of Kentucky.

Attachment 2 lists information on mortgages as to which one of the Louisiana banks came to own enslaved individuals through foreclosure proceedings, including, where available, the names of those individuals and their prior or subsequent owners. Attachment 3 lists information on mortgages as to which one of the three banks held collateral that included enslaved individuals, including, where available, the names of those individuals and their prior or subsequent owners. The attachments will be supplemented as necessary to reflect any additional information located.

Page 9 of 15

On September 25, 2008, the Disclosing Party acquired from the Federal Deposit Insurance Corporation, as the Receiver of Washington Mutual Bank, Henderson, NV (the "Receiver") certain assets of Washington Mutual Bank.

A review of the records of Washington Mutual Bank, including the records of its predecessor entities, has disclosed no evidence that Washington Mutual Bank nor any of its predecessors had any investments or profits from slavery, any direct involvement in the slave trade, any direct ownership in slaves, or any slaveholder insurance policies from the slavery era. There is evidence, however, that one predecessor entity, The Bowery Savings Bank, New York (1834) ("Bowery Savings"), purchased a \$100,000 bond of a slave holding state, North Carolina. A total of \$44,000 was paid to Bowery Savings by North Carolina in 1868 on account of the bond.

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory

organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at:

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court.

Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as

Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. B.3 (b&c)

& B.4 The Disclosing Party has not agreed or colluded with other bidders or prospective bidders as to this transaction, or been a party to any such agreement. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. B.9 The Authorized Representative certifies as to the statement in Section V, paragraph B.9 that, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, no gifts were provided by employees of the Disclosing Party

D. INTEREST IN CITY BUSINESS

SECTION V: CERTIFICATIONS

B. FURTHER CERTIFICATIONS

B.1 With respect to Section V, paragraph B.1. the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that neither the Disclosing Party nor any Controlling Person is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any sister agency. For continual updates of material matters, please refer to JPMorgan Chase

& Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.coiri/ipinorganchase/sec.cfm>).

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and

informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at:

<http://investor.shareholder.com/jpmorganchase/sec.cfm>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=9141>>05).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=9141>>05).

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as

to the Disclosing Party and its executive officers and directors. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract

claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/jpmorganchase/sec.cfm>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=9141>>05). Furthermore, with respect to the Living Wage ordinance, the Disclosing Party has not, during the five years before the execution date of this EDS, been determined to have violated the provisions of Municipal Code Section 2-92-610 (Living Wage Ordinance) as it relates to base wages.

B.3 (b&c)

& B.4 The Disclosing Party has not agreed or colluded with other bidders or prospective bidders as to this transaction, or been a party to any such agreement. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. Morgan's internet site <http://investor.shareholder.com/jpmorganchase/sec.cfiTi> or through the SEC's

internet site (www.sec.gov <http://www.sec.gov>) (the "SEC filings") and the public record of each matter identified in the SEC filings. The Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, none of the foregoing matters would have a material adverse effect on this transaction.

B.7 Except as otherwise set forth in Attachment B, the Authorized Representative on behalf of the Disclosing Party does not make any certification whatsoever with respect to any Applicable Party other than the Disclosing Party. The Authorized Representative on behalf of the Disclosing Party also certifies that it has not engaged any sub-contractor with respect to this transaction.

B.8 The Authorized Representative, on behalf of the Disclosing Party, certifies as to the statement in Section V, paragraph B.8 that, based on the Authorized Representative's knowledge,

information, and belief, upon due inquiry, the following Bank employees were previously City of Chicago employees during the 12-month period preceding the execution date of this EDS:

- Ryan Baros
- Deya Booker
- Anthony Mason

B.9 The Authorized Representative certifies as to the statement in Section V, paragraph B.9 that, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, no gifts were provided by employees of the Disclosing Party

D. INTEREST IN CITY BUSINESS

D.1 & D.4 As to the disclosures set forth in Section V, paragraphs D.1 & D.4, based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, on behalf of the Disclosing Party, to the extent the Disclosing Party has any control the Authorized Representative certifies that no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in this transaction.

SECTION VII - ACKNOWLEDGMENTS, CONTRACT INCORPORATION, COMPLIANCE, PENALTIES, DISCLOSURE

F.1 The Authorized Representative certifies on behalf of the Disclosing Party, as to the statements contained in Section VII, paragraph F.1 that based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that neither the Disclosing Party nor its affiliates are delinquent in paying any fine, fee, tax or other charge owed to the State of Illinois or the City of Chicago except for taxes that are being contested in good faith by appropriate legal proceeding and possible delinquencies in paying a fine, fee, tax or other charge related to (i) property

mortgaged to the Disclosing Party or its affiliates, (ii) property owned by the Disclosing Party or its affiliates and leased to others, (iii) foreclosed property now owned by the Disclosing Party or its affiliates, (iv) property owned or held by the Disclosing Party or its affiliates as a fiduciary or nominee, and (v) fines, fees, taxes or other charges that are being contested in good faith by the Disclosing Party or its affiliates by appropriate legal proceeding. If there are any outstanding claims that the Disclosing Party is notified of that Disclosing Party was not aware of previously, Disclosing Party will immediately address them.

The following response is true, accurate and complete to the best of the Authorized Representative's knowledge relying on information prepared by a consultant at the direction of JPMorgan Chase & Co.

SECTION V - CERTIFICATIONS

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS.

The Disclosing Party was formed on July 1, 2004, when JPMorgan Chase & Co. acquired Bank One Corporation ("Bank One").

With regard to predecessors of the Disclosing Party as it existed prior to the Bank One Corporation acquisition

("JPMorgan Chase"), the Disclosing Party reports that J. Pierpont Morgan, Sr. was associated with George Peabody & Company and J.S. Morgan & Company (the "Peabody Firms") before he founded Drexel Morgan & Company, which ultimately became part of JPMorgan Chase. Capital supplied by Junius S. Morgan and J. Pierpont Morgan, Sr. appears to have been used to capitalize Drexel Morgan & Company in 1871. Upon the death of Junius S. Morgan, J.S. Morgan & Company came under the control of J. Pierpont Morgan, Sr. and became affiliated with J.P. Morgan & Co. Records indicate that the Peabody Firms had customers that appear to have used enslaved individuals.

JPMorgan Chase and Bank One had predecessor banks in states outside the South that purchased notes issued by, issued letters of credit or made loans to, and/or maintained correspondent accounts with municipalities, banks, companies and individuals located in Southern states where slavery was practiced during the slavery era. These municipalities, banks, companies and individuals are listed on Attachment 1.

Bank One had predecessor banks before 1866 in three Southern states: Kentucky, Louisiana and Virginia. Searches revealed slavery-related information about two Louisiana banks, the Canal Bank (formed in 1831) and the Citizens Bank (formed in 1833), and the Lexington branch of the second Bank of Kentucky (formed in 1835). In 1924 Citizens Bank and Canal Bank merged. Predecessors of JPMorgan Chase had longstanding banking relationships with Canal Bank and its predecessors (see Attachment 1), were creditors of Canal Bank and, in 1931, it appears that a predecessor of JPMorgan Chase led a group of investors that provided capital to Canal Bank and this predecessor of JPMorgan Chase became a shareholder and took a controlling management interest in the Canal Bank. The Canal Bank was placed into liquidation in March-May 1933 based on actions by the State of Louisiana and the federal government. In May 1933, The National Bank of Commerce in New Orleans was formed pursuant to an executive order approved by President Roosevelt and its assets included some of the deposits and loans of the old Canal Bank. Most of the capital for The National Bank of

Page 7 of 13

Commerce was provided by the Reconstruction Finance Corporation (owned by the U.S. government), with the remainder coming from new shareholders. The U.S. government also provided over \$13 million toward the liquidation of the old Canal Bank. In 1947 and 1969, The National Bank of Commerce in New Orleans made two grants to Tulane University, which included archives of the Citizens Bank and Canal Bank. These materials are held at the Tulane Manuscripts Department, Special Collections Division, Howard-Tilton Memorial Library at Tulane University in New Orleans, Louisiana (collective!}', the "Tulane Records"). In 1865, the First National Bank of Lexington (subsequently a part of First Security Corporation of Kentucky which was acquired by Bank One in 1992) was formed and assumed the operations of the Lexington Branch of the second Bank of Kentucky. Public records pertaining to the Lexington Branch of the second Bank of Kentucky have been discovered that contain records relevant to this certification (the "Lexington Records"). The Tulane Records, the Lexington Records and other records indicate that:

1. Citizens Bank and Canal Bank provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 21,000 enslaved individuals were listed among the collateral covered by mortgages given to the Louisiana banks.
2. The Lexington Branch of the second Bank of Kentucky also provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1835 to 1865, taking into account the duplication and/or absence of exact data,

approximately 55 enslaved individuals were listed among the collateral covered by mortgages given to the Lexington Branch of the second Bank of Kentucky.

3. When mortgages went unpaid, the banks could initiate foreclosure proceedings. When this occurred, the bank could take ownership of the collateral; The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 1,300 enslaved individuals were listed among the collateral that the Louisiana banks came to own. There is no evidence of foreclosure proceedings initiated by the Lexington Branch of the second Bank of Kentucky.

Attachment 2 lists information on mortgages as to which one of the Louisiana banks came to own enslaved individuals through foreclosure proceedings, including, where available, the names of those individuals and their prior or subsequent owners. Attachment 3 lists information on mortgages as to which one of the three banks held collateral that included enslaved individuals, including, where available, the names of those individuals and their prior or subsequent owners. The attachments will be supplemented as necessary to reflect any additional information located.

Page 8 of 13

On September 25, 2008, JPMorgan Chase Bank, National Association (a subsidiary of the Disclosing Party) acquired from the Federal Deposit Insurance Corporation, as the Receiver of Washington Mutual Bank, Henderson NV, certain assets of Washington Mutual Bank.

A review of the records of Washington Mutual Bank, including the records of its predecessor entities, has disclosed no evidence that Washington Mutual Bank nor any of its predecessors had any investments or profits from slavery, any direct involvement in the slave trade, any direct ownership in slaves, or any slaveholder insurance policies from the slavery era. There is evidence, however, that one predecessor entity, The Bowery Savings Bank, New York (1834) ("Bowery Savings"), purchased a \$100,000 bond of a slave holding state, North Carolina. A total of \$44,000 was paid to Bowery Savings by North Carolina in 1868 on account of the bond.
