The Corporation and its subsidiaries including BANA, had approximately 197,008 full time equivalent employees as of September 1, 2016, and is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. The bank make all disclosures required by its regulators, including all required disclosures in its Annual Reports of Form 10K and Quarterly Reports on Form 10Q, which are updated in Reports on Form 8K, all of which are filed with the Securities and Exchange Commission. Those reports include disclosures of investigations and other matters as required by federal law and are publicly available. The bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Subject to and as set forth in the introductory paragraph directly above, to the best knowledge of the individual signatory signing the questionnaire, without independent inquiry, BANA further clarifies its response to this statement as follows.

B. FURTHER CERTIFICATIONS

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Forms 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These reports include all disclosures as required by federal law including those pertaining to material business matters such as, litigations, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. The Reports are publicly available at the following website:

<<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec>>. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at:

<<http://apps.occ.gov/EnforcementActions>>. In addition, BANA's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and also publicly available. Outside

of such Reports and the publicly

available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: <<http://apps.occ.gov/EnforcementActions>>.

In addition, Bank of America, National Association's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America, National Association cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Bank of America, National Association's indirect parent Bank of America Corporation, also makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at: <<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>>.

On December 7, 2010, Bank of America entered into agreements with the Internal Revenue Service (IRS), the Office of the Comptroller of Currency (OCC), a Working Group of 28 State Attorneys General and the Federal Reserve Board, and was also subject to an administrative cease and desist order from the U.S. Securities Exchange Commission (SEC). The global resolution with the federal and state entities provided for payment of restitution to the IRS and municipal derivative counterparties allegedly harmed by Bank of America's alleged anticompetitive conduct (including bid rigging) in connection with the marketing and sale of municipal bond derivatives from 1998 to 2003, as well as requiring the Bank to take certain remedial measures.

Importantly, Bank of America was the first and only entity to self-report evidence of the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America has met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

The Bank also promptly agreed to cooperate with the State Attorneys General (including the New York Attorney General) in their industry-wide investigation. As noted above, the Bank reached a settlement agreement with numerous State Attorneys General (including the New York Attorney General). In recognition of the Bank's self-reporting and substantial cooperation, the Attorneys General added an exhibit (Exhibit 3) to the end of that settlement agreement. This exhibit describes, in detail, the Bank's extensive cooperation with the investigations in this matter. In addition, this exhibit describes the importance of the Bank's cooperation to the Attorneys General investigation. In recognition of the Bank's agreement to make restitution and its truthful cooperation, the exhibit affirmatively states that "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business "

On or about March 18, 2008, the Office of the Comptroller of the Currency entered a Consent Order against Douglas L. Campbell related to improper payments made to brokers on municipal derivative transactions in 2001 and 2002 while Mr. Campbell was a member of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Campbell was prohibited from a number of activities, including participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also imposed a \$25,000 civil monetary penalty on Mr. Campbell. On or about September 9, 2010, Mr. Campbell pled guilty to (i) conspiracy to restrain trade in violation of 15 U.S.C. § 1, (ii) conspiracy to commit wire fraud in violation of 18 U.S.C. § 371 and § 1343, and (iii) wire fraud in violation of 18 U.S.C. § 1343 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Campbell was sentenced on April 22, 2014. On or about December 7, 2010, the Securities and Exchange Commission entered an Administrative Order against Mr. Campbell, related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. The Order barred Mr. Campbell from association with any broker, dealer, or investment adviser. Mr. Campbell was suspended by Bank of America on or about July 24, 2002 and was terminated by Bank of America on or about August 16, 2002.

On or about March 30, 2011, Brian Zwemer pled guilty to conspiracy to make false entries in bank records in violation of 18 U.S.C. § 371 and § 1005 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Zwerner was sentenced on July 25, 2014.

On or about December 8, 2011, the Securities and Exchange Commission entered a Cease and Desist Order against Dean Z. Pinard related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Pinard from association with any broker, dealer, investment adviser, municipal securities dealer, or municipal advisor and required him to pay approximately \$41,500 in disgorgement and prejudgment interest. In April 2013, Mr. Pinard entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Pinard engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Pinard was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. Mr. Pinard was suspended by Bank of America on or about November 15, 2006 and was terminated by Bank of America on or about April 26, 2007.

On or about February 10, 2014, Phillip D. Murphy pled guilty to (i) conspiracy to commit wire fraud in the violation of 18 U.S.C. 371 and 1343, (ii) wire fraud in violation of 18 U.S.C. 1343, and (iii) conspiracy to make false entries in bank records in violation of 18 U.S.C. 371 and 1005 in the United States District Court for the Western District of North Carolina. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Murphy was sentenced on May 18, 2015. On or about December 31, 2014, the Securities and Exchange Commission entered an Administrative Order against Mr. Murphy related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Murphy from associating with any broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, and from participating in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. In January 2015, Mr. Murphy entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Murphy engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Murphy was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also required Mr. Murphy to pay a \$15,000 civil monetary penalty. Mr. Murphy was suspended by Bank of America on or about July 25, 2002, and resigned from Bank of America on or about September 4, 2002.

Importantly, Bank of America was the first and only entity to self-report evidence to the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described

above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators in January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT ADDENDUM A

INTRODUCTION

Bank of America, N.A. ("BANA") is an indirect, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BANA, had approximately 197,008 full time equivalent employees as of September 1, 2016, and is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Accordingly, it is not reasonably possible to perform definitive due diligence, extending back indefinitely in time, across the full panoply of employees, officers, and predecessor banks, with respect to all federal, state or local government contracts. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K (collectively, the "Reports"), all of which are filed with the U.S. Securities and Exchange Commission. These reports include disclosures of investigations and other matters as required by federal law and are publicly available. These reports can also be accessed at the following website:
<<http://investor.bankofamerica.com/phoenix?c=71595&p=irol-irhome>>. These reports may contain further information responsive to this certification.

The bank is a large and diversified institution and is routinely involved in litigation in various state and federal courts. The bank make all disclosures required by its regulators, including all required disclosures in its Annual Reports of Form 10K and Quarterly Reports on Form 10Q, which are updated in Reports on Form 8K, all of which are filed with the Securities and Exchange Commission. Those reports include disclosures of investigations and other matters as required by federal law and are publicly available. The bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. These reports can be provided upon request or can be accessed at the following website:
<<http://investor.bankofamenca.com/phoenix?c=71595&p=irol-irhome>>.

Subject to and as set forth in the introductory paragraph directly above, to the best knowledge of the individual signatory signing the questionnaire, without independent inquiry, BANA further clarifies its response to this statement as follows:

B. FURTHER CERTIFICATIONS

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Forms 8-K, all of which are filed

with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These reports include all disclosures as required by federal law including those pertaining to material business matters such as, litigations, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. The Reports are publicly available at the following website:

<<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec>>. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at:

<<http://apps.occ.gov/EnforcementActions>>. In addition, BANA's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and also publicly available. Outside of such Reports and the publicly

available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: <<http://apps.occ.gov/EnforcementActions>>.

In addition, Bank of America, National Association's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America, National Association cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Bank of America, National Association's indirect parent Bank of America Corporation, also makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at:

<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual> <<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>>.

On December 7, 2010, Bank of America entered into agreements with the Internal Revenue Service (IRS), the Office of the Comptroller of Currency (OCC), a Working Group of 28 State Attorneys General and the Federal Reserve Board, and was also subject to an administrative cease and desist order from the U.S. Securities Exchange Commission (SEC). The global resolution with the federal and state entities provided for payment of restitution to the IRS and municipal derivative counterparties allegedly harmed by Bank of America's alleged anticompetitive conduct (including bid rigging) in connection with the marketing and sale of municipal bond derivatives from 1998 to 2003, as well as requiring the Bank to take certain remedial measures.

Importantly, Bank of America was the first and only entity to self-report evidence of the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America has met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

The Bank also promptly agreed to cooperate with the State Attorneys General (including the New York Attorney General) in their industry-wide investigation. As noted above, the Bank reached a settlement agreement with numerous State Attorneys General (including the New York Attorney General). In recognition of the Bank's self-reporting and substantial cooperation, the Attorneys General added an exhibit (Exhibit 3) to the end of that

settlement agreement. This exhibit describes, in detail, the Bank's extensive cooperation with the investigations in this matter. In addition, this exhibit describes the importance of the Bank's cooperation to the Attorneys General investigation. In recognition of the Bank's agreement to make restitution and its truthful cooperation, the exhibit affirmatively states that "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business"

On or about March 18, 2008, the Office of the Comptroller of the Currency entered a Consent Order against Douglas L. Campbell related to improper payments made to brokers on municipal derivative transactions in 2001 and 2002 while Mr. Campbell was a member of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Campbell was prohibited from a number of activities, including participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also imposed a \$25,000 civil monetary penalty on Mr. Campbell. On or about September 9, 2010, Mr. Campbell pled guilty to (i) conspiracy to restrain trade in violation of 15 U.S.C. § 1, (ii) conspiracy to commit wire fraud in violation of 18 U.S.C. § 371 and § 1343, and (iii) wire fraud in violation of 18 U.S.C. § 1343 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Campbell was sentenced on April 22, 2014. On or about December 7, 2010, the Securities and Exchange Commission entered an Administrative Order against Mr. Campbell, related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. The Order barred Mr. Campbell from association with any broker, dealer, or investment adviser. Mr. Campbell was suspended by Bank of America on or about July 24, 2002 and was terminated by Bank of America on or about August 16, 2002.

On or about March 30, 2011, Brian Zwerner pled guilty to conspiracy to make false entries in bank records in violation of 18 U.S.C. § 371 and § 1005 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Zwerner was sentenced on July 25, 2014.

On or about December 8, 2011, the Securities and Exchange Commission entered a Cease and Desist Order against Dean Z. Pinard related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Pinard from association with any broker, dealer, investment adviser, municipal securities dealer, or municipal advisor and required him to pay approximately \$41,500 in disgorgement and prejudgment interest. In April 2013, Mr. Pinard entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Pinard engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Pinard was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. Mr. Pinard was suspended by Bank of America on or about November 15, 2006 and was terminated by Bank of America on or about April 26, 2007.

On or about February 10, 2014, Phillip D. Murphy pled guilty to (i) conspiracy to commit wire fraud in the violation of 18 U.S.C. 371 and 1343, (ii) wire fraud in violation of 18 U.S.C. 1343, and (iii) conspiracy to make false entries in bank records in violation of 18 U.S.C. 371 and 1005 in the United States District Court for the Western District of North Carolina. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Murphy was sentenced on May 18, 2015. On or about December 31, 2014, the Securities and Exchange Commission entered an Administrative Order against Mr. Murphy related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Murphy from associating with any broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, and from participating in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. In January 2015, Mr. Murphy entered into a

Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Murphy engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Murphy was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also required Mr. Murphy to pay a \$15,000 civil monetary penalty. Mr. Murphy was suspended by Bank of America on or about July 25, 2002, and resigned from Bank of America on or about September 4, 2002.

Importantly, Bank of America was the first and only entity to self-report evidence to the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators in January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

ADDENDUM A

INTRODUCTION

Bank of America, N.A. ("BANA") is an indirect, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BANA, had approximately 197,008 full time equivalent employees as of September 1, 2016, and is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Accordingly, it is not reasonably possible to perform definitive due diligence, extending back indefinitely in time, across the full panoply of employees, officers, and predecessor banks, with respect to all federal, state or local government contracts. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K (collectively, the "Reports"), all of which are filed with the U.S. Securities and Exchange Commission. These reports include disclosures of investigations and other matters as required by federal law and are publicly available. These reports can also be accessed at the following website:
<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome>. These reports may contain further information responsive to this certification.

The bank is a large and diversified institution and is routinely involved in litigation in various state and federal courts. The bank make all disclosures required by its regulators, including all required disclosures in its Annual Reports of Form 10K and Quarterly Reports on Form 10Q, which are updated in Reports on Form 8K, all of which are filed with the Securities and Exchange Commission. Those reports include disclosures of investigations and other matters as required by federal law and are publicly available. The bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. These reports can be provided upon request or can be accessed at the following website:
<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome>.

Subject to and as set forth in the introductory paragraph directly above, to the best knowledge of the individual signatory signing the questionnaire, without independent inquiry, BANA further clarifies its response to this statement as follows:

B. FURTHER CERTIFICATIONS

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Forms 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These reports include all disclosures as required by federal law including those pertaining to material business matters such as, litigations, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. The Reports are publicly available at the following website:

<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec>. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at:

<http://apps.occ.gov/EnforcementActions>. In addition, BANA's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and also publicly available. Outside of such Reports and the publicly

available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature

except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: <<http://apps.occ.gov/EnforcementActions>>.

In addition, Bank of America, National Association's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America, National Association cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Bank of America, National Association's indirect parent Bank of America Corporation, also makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at: <<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>>.

On December 7, 2010, Bank of America entered into agreements with the Internal Revenue Service (IRS), the Office of the Comptroller of Currency (OCC), a Working Group of 28 State Attorneys General and the Federal Reserve Board, and was also subject to an administrative cease and desist order from the U.S. Securities Exchange Commission (SEC). The global resolution with the federal and state entities provided for payment of restitution to the IRS and municipal derivative counterparties allegedly harmed by Bank of America's alleged anticompetitive conduct (including bid rigging) in connection with the marketing and sale of municipal bond derivatives from 1998 to 2003, as well as requiring the Bank to take certain remedial measures.

Importantly, Bank of America was the first and only entity to self-report evidence of the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America has met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

The Bank also promptly agreed to cooperate with the State Attorneys General (including the New York Attorney General) in their industry-wide investigation. As noted above, the Bank reached a settlement agreement with numerous State Attorneys General (including the New York Attorney General). In recognition of the Bank's self-reporting and substantial cooperation, the Attorneys General added an exhibit (Exhibit 3) to the end of that settlement agreement. This exhibit describes, in detail, the Bank's extensive cooperation with the investigations in this matter. In addition, this exhibit describes the importance of the Bank's cooperation to the Attorneys General investigation. In recognition of the Bank's agreement to make restitution and its truthful cooperation, the exhibit affirmatively states that "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America . . . from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business"

On or about March 18, 2008, the Office of the Comptroller of the Currency entered a Consent Order against Douglas L. Campbell related to improper payments made to brokers on municipal derivative transactions in 2001 and 2002 while Mr. Campbell was a member of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Campbell was prohibited from a number of activities, including participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also imposed a \$25,000 civil monetary penalty on Mr. Campbell. On or about September 9, 2010, Mr. Campbell pled guilty to (i)

conspiracy to restrain trade in violation of 15 U.S.C. § 1, (ii) conspiracy to commit wire fraud in violation of 18 U.S.C. § 371 and § 1343, and (iii) wire fraud in violation of 18 U.S.C. § 1343 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Campbell was sentenced on April 22, 2014. On or about December 7, 2010, the Securities and Exchange Commission entered an Administrative Order against Mr. Campbell, related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. The Order barred Mr. Campbell from association with any broker, dealer, or investment adviser. Mr. Campbell was suspended by Bank of America on or about July 24, 2002 and was terminated by Bank of America on or about August 16, 2002.

On or about March 30, 2011, Brian Zwerner pled guilty to conspiracy to make false entries in bank records in violation of 18 U.S.C. § 371 and § 1005 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Zwerner was sentenced on July 25, 2014.

On or about December 8, 2011, the Securities and Exchange Commission entered a Cease and Desist Order against Dean Z. Pinard related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Pinard from association with any broker, dealer, investment adviser, municipal securities dealer, or municipal advisor and required him to pay approximately \$41,500 in disgorgement and prejudgment interest. In April 2013, Mr. Pinard entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Pinard engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Pinard was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. Mr. Pinard was suspended by Bank of America on or about November 15, 2006 and was terminated by Bank of America on or about April 26, 2007.

On or about February 10, 2014, Phillip D. Murphy pled guilty to (i) conspiracy to commit wire fraud in the violation of 18 U.S.C. 371 and 1343, (ii) wire fraud in violation of 18 U.S.C. 1343, and (iii) conspiracy to make false entries in bank records in violation of 18 U.S.C. 371 and 1005 in the United States District Court for the Western District of North Carolina. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Murphy was sentenced on May 18, 2015. On or about December 31, 2014, the Securities and Exchange Commission entered an Administrative Order against Mr. Murphy related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Murphy from associating with any broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, and from participating in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. In January 2015, Mr. Murphy entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Murphy engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Murphy was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also required Mr. Murphy to pay a \$15,000 civil monetary penalty. Mr. Murphy was suspended by Bank of America on or about July 25, 2002, and resigned from Bank of America on or about September 4, 2002.

Importantly, Bank of America was the first and only entity to self-report evidence to the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators in January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program—the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

INTRODUCTION

The bank is a large and diversified institution and is routinely involved in litigation in various state and federal courts. The bank make all disclosures required by its regulators, including all required disclosures in its Annual Reports of Form 10K and Quarterly

Reports on Form 10Q, which are updated in Reports on Form 8K, all of which are filed with the Securities and Exchange Commission. Those reports include disclosures of investigations and other matters as required by federal law and are publicly available. The bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. These reports can be provided upon request or can be accessed at the following website:
<<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome>.

Subject to and as set forth in the introductory paragraph directly above, to the best knowledge of the individual signatory signing the questionnaire, without independent inquiry, BANA further clarifies its response to this statement as follows:

B. FURTHER CERTIFICATIONS

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Forms 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These reports include all disclosures as required by federal law including those pertaining to material business matters such as, litigations, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. The Reports are publicly available at the following website:

<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec>. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at:

<http://apps.occ.gov/EnforcementActions>. In addition, BANA's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and also publicly available. Outside of such Reports and the publicly

available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: <<http://apps.occ.gov/EnforcementActions>>.

In addition, Bank of America, National Association's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America, National Association cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Bank of America, National Association's indirect parent Bank of America Corporation, also makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at:
<<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>>.

On December 7, 2010, Bank of America entered into agreements with the Internal Revenue Service (IRS), the Office of the Comptroller of Currency (OCC), a Working Group of 28 State Attorneys General and the Federal Reserve Board, and was also subject to an administrative cease and desist order from the U.S. Securities Exchange Commission (SEC). The global resolution with the federal and state entities provided for payment of restitution to the IRS and municipal derivative counterparties allegedly harmed by Bank of America's alleged anticompetitive conduct (including bid rigging) in connection with the marketing and sale of municipal bond derivatives from 1998 to 2003, as well as requiring the Bank to take certain remedial measures.

Importantly, Bank of America was the first and only entity to self-report evidence of the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America has met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

The Bank also promptly agreed to cooperate with the State Attorneys General (including the New York Attorney General) in their industry-wide investigation. As noted above, the Bank reached a settlement agreement with numerous State Attorneys General (including the New York Attorney General). In recognition of the Bank's self-reporting and substantial cooperation, the Attorneys General added an exhibit (Exhibit 3) to the end of that settlement agreement. This exhibit describes, in detail, the Bank's extensive cooperation with the investigations in this matter. In addition, this exhibit describes the importance of the Bank's cooperation to the Attorneys General investigation. In recognition of the Bank's agreement to make restitution and its truthful cooperation, the exhibit affirmatively states that "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business "

On or about March 18, 2008, the Office of the Comptroller of the Currency entered a Consent Order against Douglas L. Campbell related to improper payments made to brokers on municipal derivative transactions in 2001 and 2002 while Mr. Campbell was a member of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Campbell was prohibited from a number of activities, including participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also imposed a \$25,000 civil monetary penalty on Mr. Campbell. On or about September 9, 2010, Mr. Campbell pled guilty to (i) conspiracy to restrain trade in violation of 15 U.S.C. § 1, (ii) conspiracy to commit wire fraud in violation of 18 U.S.C. § 371 and § 1343, and (iii) wire fraud in violation of 18 U.S.C. § 1343 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Campbell was sentenced on April 22, 2014. On or about December 7, 2010, the Securities and Exchange Commission entered an Administrative Order against Mr. Campbell, related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. The Order barred Mr. Campbell from association with any broker, dealer, or investment adviser. Mr. Campbell was suspended by Bank of America on or about July 24, 2002 and was terminated by Bank of America on or about August 16, 2002.

On or about March 30, 2011, Brian Zwerner pled guilty to conspiracy to make false entries in bank records in violation of 18 U.S.C. § 371 and § 1005 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Zwerner was sentenced on July 25, 2014.

On or about December 8, 2011, the Securities and Exchange Commission entered a Cease and Desist Order against Dean Z. Pinard related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Pinard from association with any broker, dealer, investment adviser, municipal securities dealer, or municipal advisor and required him to pay approximately \$41,500 in disgorgement and prejudgment interest. In April 2013, Mr. Pinard entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Pinard engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Pinard was prohibited from, among other things, participating in

any manner in the conduct of the affairs of various depository and other institutions identified in the Order. Mr. Pinard was suspended by Bank of America on or about November 15, 2006 and was terminated by Bank of America on or about April 26, 2007.

On or about February 10, 2014, Phillip D. Murphy pled guilty to (i) conspiracy to commit wire fraud in the violation of 18 U.S.C. 371 and 1343, (ii) wire fraud in violation of 18 U.S.C. 1343, and (iii) conspiracy to make false entries in bank records in violation of 18 U.S.C. 371 and 1005 in the United States District Court for the Western District of North Carolina. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Murphy was sentenced on May 18, 2015. On or about December 31, 2014, the Securities and Exchange Commission entered an Administrative Order against Mr. Murphy related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Murphy from associating with any broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, and from participating in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. In January 2015, Mr. Murphy entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Murphy engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Murphy was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also required Mr. Murphy to pay a \$15,000 civil monetary penalty. Mr. Murphy was suspended by Bank of America on or about July 25, 2002, and resigned from Bank of America on or about September 4, 2002.

Importantly, Bank of America was the first and only entity to self-report evidence to the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators in January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program—the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

In addition, BANA's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and also publicly available. Outside of such Reports and the publicly

available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of

Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory Enforcement Actions page on the OCC's website at: <<http://apps.occ.gov/EnforcementActions>>.

In addition, Bank of America, National Association's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BD's as filed with FINRA (formerly the NASD) and their form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America, National Association cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Bank of America, National Association's indirect parent Bank of America Corporation, also makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at: <<http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual>>.

On December 7, 2010, Bank of America entered into agreements with the Internal Revenue Service (IRS), the Office of the Comptroller of Currency (OCC), a Working Group of 28 State Attorneys General and the Federal Reserve Board, and was also subject to an administrative cease and desist order from the U.S. Securities Exchange Commission (SEC). The global resolution with the federal and state entities provided for payment of restitution to the IRS and municipal derivative counterparties allegedly harmed by Bank of America's alleged anticompetitive conduct (including bid rigging) in connection with the marketing and sale of municipal bond derivatives from 1998 to 2003, as well as requiring the Bank to take certain remedial measures.

Importantly, Bank of America was the first and only entity to self-report evidence of the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ. DOJ has acknowledged that through the agreements outlined above, Bank of America has met its obligation, under the Leniency Program, to pay full restitution to the IRS and municipalities. Bank of America paid restitution to the IRS on December 8, 2010.

The Bank also promptly agreed to cooperate with the State Attorneys General (including the New York Attorney General) in their industry-wide investigation. As noted above, the Bank reached a settlement agreement with numerous State Attorneys General (including the New York Attorney General). In recognition of the Bank's self-reporting and substantial cooperation, the Attorneys General added an exhibit (Exhibit 3) to the end of that settlement agreement. This exhibit describes, in detail, the Bank's extensive cooperation with the investigations in this matter. In addition, this exhibit describes the importance of the Bank's cooperation to the Attorneys General investigation. In recognition of the Bank's agreement to make restitution and its truthful cooperation, the exhibit affirmatively states that "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business "

On or about March 18, 2008, the Office of the Comptroller of the Currency entered a Consent Order against Douglas L. Campbell related to improper payments made to brokers on municipal derivative transactions in 2001 and 2002 while Mr. Campbell was a member of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Campbell was prohibited from a number of activities, including participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also imposed a \$25,000 civil monetary penalty on Mr. Campbell. On or about September 9, 2010, Mr. Campbell pled guilty to (i) conspiracy to restrain trade in violation of 15 U.S.C. § 1, (ii) conspiracy to commit wire fraud in violation of 18 U.S.C. § 371 and § 1343, and (iii) wire fraud in violation of 18 U.S.C. § 1343 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's

Municipal Derivatives Desk. Mr. Campbell was sentenced on April 22, 2014. On or about December 7, 2010, the Securities and Exchange Commission entered an Administrative Order against Mr. Campbell, related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. The Order barred Mr. Campbell from association with any broker, dealer, or investment adviser. Mr. Campbell was suspended by Bank of America on or about July 24, 2002 and was terminated by Bank of America on or about August 16, 2002.

On or about March 30, 2011, Brian Zwerner pled guilty to conspiracy to make false entries in bank records in violation of 18 U.S.C. § 371 and § 1005 in the United States District Court for the Southern District of New York. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Zwerner was sentenced on July 25, 2014.

On or about December 8, 2011, the Securities and Exchange Commission entered a Cease and Desist Order against Dean Z. Pinard related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Pinard from association with any broker, dealer, investment adviser, municipal securities dealer, or municipal advisor and required him to pay approximately \$41,500 in disgorgement and prejudgment interest. In April 2013, Mr. Pinard entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Pinard engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Pinard was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. Mr. Pinard was suspended by Bank of America on or about November 15, 2006 and was terminated by Bank of America on or about April 26, 2007.

On or about February 10, 2014, Phillip D. Murphy pled guilty to (i) conspiracy to commit wire fraud in the violation of 18 U.S.C. 371 and 1343, (ii) wire fraud in violation of 18 U.S.C. 1343, and (iii) conspiracy to make false entries in bank records in violation of 18 U.S.C. 371 and 1005 in the United States District Court for the Western District of North Carolina. This conduct related to improper bidding practices on Bank of America's Municipal Derivatives Desk. Mr. Murphy was sentenced on May 18, 2015. On or about December 31, 2014, the Securities and Exchange Commission entered an Administrative Order against Mr. Murphy related to alleged improper bidding practices on Bank of America's Municipal Derivatives Desk. Among other things, the Order barred Mr. Murphy from associating with any broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, and from participating in any offering of a penny stock, including: acting as a promoter, finder, consultant, agent or other person who engages in activities with a broker, dealer or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. In January 2015, Mr. Murphy entered into a Consent Order with the Office of the Comptroller of the Currency pursuant to which the OCC found that, among other things, Mr. Murphy engaged in improper anticompetitive bidding practices while part of Bank of America's Municipal Derivatives Desk. Pursuant to the Order, Mr. Murphy was prohibited from, among other things, participating in any manner in the conduct of the affairs of various depository and other institutions identified in the Order. The Order also required Mr. Murphy to pay a \$15,000 civil monetary penalty. Mr. Murphy was suspended by Bank of America on or about July 25, 2002, and resigned from Bank of America on or about September 4, 2002.

Importantly, Bank of America was the first and only entity to self-report evidence to the bid-rigging to the Department of Justice ("DOJ"). The Bank's self-report enabled the various government agencies (including numerous state attorneys general described above) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators in January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank into Part A of its Corporate Leniency Program-the highest level of leniency DOJ can provide. ATTACHMENT B FURTHER CERTIFICATION

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

On May 20, 2015, Citigroup Inc. announced settlements with the U.S. Department of Justice (DOJ) and the Board of Governors of the Federal Reserve System (FRB) to resolve the previously disclosed investigations

into Citi's foreign exchange business. Under the terms of the settlement with the DOJ, Citicorp, a financial services holding company subsidiary of Citigroup, will plead guilty to a violation of the Sherman Antitrust Act, pay a fine of \$925 million and be subject to a three-year probation period, the conditions of which include the continued implementation, remediation and strengthening of Citi's compliance and internal controls. Under the terms of the settlement with the FRB, Citi will pay a civil money penalty of \$342 million and agree to further enhance the control framework governing its foreign exchange business. The payments due under the settlements are covered by Citi's existing legal reserves and will not require a charge to earnings in the second quarter of 2015.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov <<http://www.sec.gov>>).

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

On May 20, 2015, Citigroup Inc. announced settlements with the U.S. Department of Justice (DOJ) and the Board of Governors of the Federal Reserve System (FRB) to resolve the previously disclosed investigations into Citi's foreign exchange business. Under the terms of the settlement with the DOJ, Citicorp, a financial services holding company subsidiary of Citigroup, will plead guilty to a violation of the Sherman Antitrust Act, pay a fine of \$925 million and be subject to a three-year probation period, the conditions of which include the continued implementation, remediation and strengthening of Citi's compliance and internal controls. Under the terms of the settlement with the FRB, Citi will pay a civil money penalty of \$342 million and agree to further enhance the control framework governing its foreign exchange business. The payments due under the settlements are covered by Citi's existing legal reserves and will not require a charge to earnings in the second quarter of 2015.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov <<http://www.sec.gov>>).

ATTACHMENT B FURTHER CERTIFICATION

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or

state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

On May 20, 2015, Citigroup Inc. announced settlements with the U.S. Department of Justice (DOJ) and the Board of Governors of the Federal Reserve System (FRB) to resolve the previously disclosed investigations into Citi's foreign exchange business. Under the terms of the settlement with the DOJ, Citicorp, a financial services holding company subsidiary of Citigroup, will plead guilty to a violation of the Sherman Antitrust Act, pay a fine of \$925 million and be subject to a three-year probation period, the conditions of which include the continued implementation, remediation and strengthening of Citi's compliance and internal controls. Under the terms of the settlement with the FRB, Citi will pay a civil money penalty of \$342 million and agree to further enhance the control framework governing its foreign exchange business. The payments due under the settlements are covered by Citi's existing legal reserves and will not require a charge to earnings in the second quarter of 2015.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and -litigation. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC s website (www.sec.gov <<http://www.sec.gov>>).

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and

geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release . (available at <http://investor.shareholder.com/ipmorganchase/releasedetail.cfm?ReleaseID=914105>).

JPMORGAN CHASE BANK, NATIONAL ASSOCIATION (as a Disclosing Party
holding an interest in the Applicant)**

The following response is true, accurate based on the Authorized Representative's knowledge, information, and belief relying on information prepared on February 24, 2009, by a consultant at the direction of JPMorgan Chase & Co.

SECTION V - CERTIFICATIONS

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS.

The Disclosing Party assumed its current name on November 13, 2004, when JPMorgan Chase Bank, a New York banking corporation, was converted into a national banking association under the name JPMorgan Chase Bank, National Association, and both Bank One, National Association (main office Chicago) and Bank One, National Association (main office Columbus) merged into it with the Disclosing Party being the surviving entity.

With regard to predecessors of the Disclosing Party as it existed prior to such merger ("JPMorgan Chase"), the Disclosing Party reports that J. Pierpont Morgan, Sr. was associated with George Peabody & Company and J.S. Morgan & Company (the "Peabody Firms") before he founded Drexel Morgan & Company, which ultimately became part of JPMorgan Chase. Capital supplied by Junius S. Morgan and J. Pierpont Morgan, Sr. appears to have been used to capitalize Drexel Morgan & Company in 1871. Upon the death of Junius S. Morgan, J.S. Morgan & Company came under the control of J. Pierpont Morgan, Sr. and became affiliated with J.P. Morgan & Co. Records indicate that the Peabody Firms had customers that appear to have used enslaved individuals.

JPMorgan Chase and the Bank One banks referred to above (collectively, "Bank One") had predecessor banks in states outside the South that purchased notes issued by, issued letters of credit or made loans to, and/or maintained correspondent accounts with municipalities, banks, companies and individuals located in Southern states where slavery was practiced during the slavery era. These municipalities, banks, companies and individuals are listed on Attachment 1.

Bank One had predecessor banks before 1866 in three Southern states: Kentucky, Louisiana and Virginia. Searches revealed slavery-related information about two Louisiana banks, the Canal Bank (formed in 1831) and the Citizens Bank (formed in 1833), and the Lexington branch of the second Bank of Kentucky (formed in 1835). In 1924 Citizens Bank and Canal Bank merged. Predecessors of JPMorgan Chase had longstanding banking relationships with Canal Bank and its predecessors (see Attachment 1), were creditors of Canal Bank and, in 1931, it appears that a predecessor of JPMorgan Chase led a group of investors that provided capital to Canal Bank and this predecessor of JPMorgan Chase became a shareholder and took a controlling management interest in the Canal Bank. The Canal Bank was placed into liquidation in March-May 1933 based on actions by the State of Louisiana and the federal

Page 8 of 15

government. In May 1933, The National Bank of Commerce in New Orleans was formed pursuant to an executive order approved by President Roosevelt and its assets included some of the deposits and loans of the old Canal Bank. Most of the capital for The National Bank of Commerce was provided by the Reconstruction Finance Corporation (owned by the U.S. government), with the remainder coming from new shareholders. The U.S. government also provided over \$13 million toward the liquidation of the old Canal Bank. In 1947 and 1969, The National Bank of Commerce in New Orleans made two grants to Tulane University, which included archives of the Citizens Bank and Canal Bank. These materials are held at the Tulane Manuscripts Department, Special Collections Division, Howard-Tilton Memorial Library at Tulane University in New Orleans, Louisiana (collectively, the "Tulane Records"). In 1865, the First National Bank of Lexington (subsequently a part of First Security Corporation of Kentucky which was acquired by Bank One in 1992) was formed and assumed the operations of the Lexington Branch of the second Bank of Kentucky. Public records pertaining to the Lexington Branch of the second Bank of Kentucky have been discovered that contain records relevant to this certification (the "Lexington Records"). The Tulane Records, the Lexington Records and other records indicate that:

1. Citizens Bank and Canal Bank provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 21,000 enslaved individuals were listed among the collateral covered by mortgages given to the Louisiana banks.
2. The Lexington Branch of the second Bank of Kentucky also provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1835 to 1865, taking into account the duplication and/or absence of exact data, approximately 55 enslaved individuals were listed among the collateral covered by mortgages given to the Lexington Branch' of the second Bank of Kentucky.
3. When mortgages went unpaid, the banks could initiate foreclosure proceedings. When this occurred, the bank could take ownership of the collateral. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 1,300 enslaved individuals were listed among the collateral that the Louisiana banks came to own. There is no evidence of foreclosure proceedings initiated by the Lexington Branch of the second Bank of Kentucky.

Attachment 2 lists information on mortgages as to which one of the Louisiana banks came to own enslaved individuals through foreclosure proceedings, including, where available, the names of those individuals and their prior or subsequent owners. Attachment 3 lists information on mortgages as to which one of the three banks held collateral that included enslaved individuals, including, where available, the names of those individuals and their prior or subsequent owners. The attachments will be supplemented as necessary to reflect any additional information located.

Page 9 of 15

On September 25, 2008, the Disclosing Party acquired from the Federal Deposit Insurance Corporation, as the Receiver of Washington Mutual Bank, Henderson, NV (the "Receiver") certain assets of Washington Mutual Bank.

A review of the records of Washington Mutual Bank, including the records of its predecessor entities, has disclosed no evidence that Washington Mutual Bank nor any of its predecessors had any investments or profits from slavery, any direct involvement in the slave trade, any direct ownership in slaves, or any slaveholder insurance policies from the slavery era. There is evidence, however, that one predecessor entity, The Bowery Savings Bank, New York (1834) ("Bowery Savings"), purchased a \$100,000 bond of a slave holding state, North Carolina. A total of \$44,000 was paid to Bowery Savings by North Carolina in 1868 on account of the bond.

B. FURTHER CERTIFICATIONS

B.1 With respect to Section V, paragraph B.1. the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that neither the Disclosing Party nor any Controlling Person is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any sister agency. & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form IOK and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/ipmorganchase/sec.cfm>).

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the executive officers and directors of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil

litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/ipmorganchase/sec.cfm>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/ipmorganchase/releasedetailU.cfm?ReleaseID=9141.05>).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court.

Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015

B.3 (b&c)

The following response is true, accurate and complete to the best of the Authorized Representative's knowledge relying on information prepared by a consultant at the direction of JPMorgan Chase & Co.

SECTION V - CERTIFICATIONS

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS.

The Disclosing Party was formed on July 1, 2004, when JPMorgan Chase & Co. acquired Bank One Corporation ("Bank One").

With regard to predecessors of the Disclosing Party as it existed prior to the Bank One Corporation acquisition

("JPMorgan Chase"), the Disclosing Party reports that J. Pierpont Morgan, Sr. was associated with George Peabody & Company and J.S. Morgan & Company (the "Peabody Firms") before he founded Drexel Morgan & Company, which ultimately became part of JPMorgan Chase. Capital supplied by Junius S. Morgan and J. Pierpont Morgan, Sr. appears to have been used to capitalize Drexel Morgan & Company in 1871. Upon the death of Junius S. Morgan, J.S. Morgan & Company came under the control of J. Pierpont Morgan, Sr. and became affiliated with J.P. Morgan & Co. Records indicate that the Peabody Firms had customers that appear to have used enslaved individuals.

JPMorgan Chase and Bank One had predecessor banks in states outside the South that purchased notes issued by, issued letters of credit or made loans to, and/or maintained correspondent accounts with municipalities, banks, companies and individuals located in Southern states where slavery was practiced during the slavery era. These municipalities, banks, companies and individuals are listed in Attachment 1.

Bank One had predecessor banks before 1866 in three Southern states: Kentucky, Louisiana and Virginia. Searches revealed slavery-related information about two Louisiana banks, the Canal Bank (formed in 1831) and the Citizens Bank (formed in 1833), and the Lexington branch of the second Bank of Kentucky (formed in 1835). In 1924 Citizens Bank and Canal Bank merged. Predecessors of JPMorgan Chase had longstanding banking relationships with Canal Bank and its predecessors (see Attachment 1), were creditors of Canal Bank and, in 1931, it appears that a predecessor of JPMorgan Chase led a group of investors that provided capital to Canal Bank and this predecessor of JPMorgan Chase became a shareholder and took a controlling management interest in the Canal Bank. The Canal Bank was placed into liquidation in March-May 1933 based on actions by the State of Louisiana and the federal government. In May 1933, The National Bank of Commerce in New Orleans was formed pursuant to an executive order approved by President Roosevelt and its assets included some of the deposits and loans of the old Canal Bank. Most of the capital for The National Bank of

Page 7 of 13

Commerce was provided by the Reconstruction Finance Corporation (owned by the U.S. government), with the remainder coming from new shareholders. The U.S. government also provided over \$13 million toward the liquidation of the old Canal Bank. In 1947 and 1969, The National Bank of Commerce in New Orleans made two grants to Tulane University, which included archives of the Citizens Bank and Canal Bank. These materials are held at the Tulane Manuscripts Department, Special Collections Division, Howard-Tilton Memorial Library at Tulane University in New Orleans, Louisiana (collectively, the "Tulane Records"). In 1865, the First National Bank of Lexington (subsequently a part of First Security Corporation of Kentucky which was acquired by Bank One in 1992) was formed and assumed the operations of the Lexington Branch of the second Bank of Kentucky. Public records pertaining to the Lexington Branch of the second Bank of Kentucky have been discovered that contain records relevant to this certification (the "Lexington Records"). The Tulane Records, the Lexington Records and other records indicate that:

1. Citizens Bank and Canal Bank provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831 to 1865, taking into account the duplication and/or absence of exact data, approximately 21,000 enslaved individuals were listed among the collateral covered by mortgages given to the Louisiana banks.
2. The Lexington Branch of the second Bank of Kentucky also provided credit to plantation owners and accepted mortgages from them. The collateral covered by these mortgages included land, equipment and/or enslaved individuals. The available records do not always provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1835 to 1865, taking into account the duplication and/or absence of exact data, approximately 55 enslaved individuals were listed among the collateral covered by mortgages given to the Lexington Branch of the second Bank of Kentucky.

3. When mortgages went unpaid, the banks could initiate foreclosure proceedings. When this occurred, the bank could take ownership of the collateral. The available records do not always, provide the names of enslaved individuals. The Disclosing Party, however, estimates that, from 1831' to 1865, taking into account the duplication and/or absence of exact data, approximately 1,300 enslaved individuals were listed among the collateral that the Louisiana banks came to own. There is no evidence of foreclosure proceedings initiated by the Lexington Branch of the second Bank of Kentucky.

Attachment 2 lists information on mortgages as to which one of the Louisiana banks came to own enslaved individuals through foreclosure proceedings, including, where available, the names of those individuals and their prior or subsequent owners. Attachment 3 lists information on mortgages as to which one of the three banks held collateral that included enslaved individuals, including, where available, the names of those individuals and their prior or subsequent owners. The attachments will be supplemented as necessary to reflect any additional information located.

Page 8 of 13

On September 25, 2008, JPMorgan Chase Bank, National Association (a subsidiary of the Disclosing Party) acquired from the Federal Deposit Insurance Corporation, as the Receiver of Washington Mutual Bank, Henderson NV, certain assets of Washington Mutual Bank.

A review of the records of Washington Mutual Bank, including the records of its predecessor entities, has disclosed no evidence that Washington Mutual Bank nor any of its predecessors had any investments or profits from slavery, any direct involvement in the slave trade, any direct ownership in slaves, or any slaveholder insurance policies from the slavery era. There is evidence, however, that one predecessor entity, The Bowery Savings Bank, New York (1834) ("Bowery Savings"), purchased a \$100,000 bond of a slave holding state, North Carolina. A total of \$44,000 was paid to Bowery Savings by North Carolina in 1868 on account of the bond.

Attachment B To
City of Chicago Economic Disclosure Statement and Affidavit Filed by
PNC Bank, National Association

This Attachment B modifies and supplements the information provided in the City of Chicago Economic Disclosure Statement and Affidavit executed by the Disclosing Party as of September 12, 2016 (the "EDS"). Any capitalized term used in this Attachment B will have the definition set forth in the EDS, except as provided below.

SECTION III: BUSINESS RELATIONSHIPS WITH CITY ELECTED OFFICIALS

To the best knowledge of the Disclosing Party, after reasonable inquiry, the Disclosing Party has not had a "business relationship," as defined in Chapter 2-156 of the Municipal Code, with any City elected official in the 12 months ending on the date that the Disclosing Party executed the EDS. Note that in the ordinary course of its business, the Disclosing Party makes loans of various types to individuals and businesses. We are of the view that any such loan is not a "business relationship," as so defined. For purposes of this certification, the term "City elected official" is treated as including only the City's Mayor, Aldermen, Treasurer and Clerk and not including their spouses, domestic partners (as defined in Chapter 2-156 of the Municipal Code) or any entity in which any such person has an interest.

SECTION V- CERTIFICATIONS

B. FURTHER CERTIFICATIONS

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, (x) the statement contained in Section V, paragraph B.2.d is accurate with respect to itself; and (y) the statements contained in Section V, paragraphs B.1 and B.2.a through and including B.2.e are accurate with respect to the executive officers and directors of the Disclosing Party. With respect to Section V, paragraphs B.2.b, c and e, the Disclosing Party hereby makes reference to the information on legal proceedings set forth in the filings made by its ultimate parent company, The PNC Financial Services Group, Inc., with the Securities and Exchange Commission, which may be found at www.sec.gov <<http://www.sec.gov>> or www.pnc.com/secfilings <<http://www.pnc.com/secfilings>>. Copies of the most current such disclosures are attached as Annex I to this Attachment B. The Disclosing Party certifies that none of the judgments set forth therein, individually or in the aggregate, would have a material adverse effect on its ability to perform with respect to the Matter.

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, the statements contained in Section V, paragraphs B.3.a through and including B.3.d and B.4 are accurate with respect to any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to

in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity. With respect to the statements contained in Section V, paragraph B.5, the Disclosing Party is only

certifying with respect to the Disclosing Party and any Affiliated Entity of the Disclosing Party.

For purposes of the certifications contained in the EDS as modified in this Attachment B: The term "Affiliated Entity" does not include BlackRock, Inc. or any of its subsidiaries or other affiliates (as such term is defined for purposes of the Securities Exchange Act of 1934, as amended), except to the extent that such entity would be an Affiliated Entity of the Disclosing Party for any other reason.

D.INTEREST IN CITY BUSINESS

As to the disclosure set forth in Section V, paragraph D.1., to the best knowledge of the Disclosing Party, after reasonable inquiry, no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in the Matter.

As to the disclosure set forth in Section V, paragraph D.4., the Disclosing Party only certifies that no official or employee of the City of Chicago will acquire a prohibited financial interest in the Matter from the Disclosing Party, any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity.

E.CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The PNC Financial Services Group, Inc. extensively reviewed the historical records of banks it has acquired and has discovered two instances in the records of the National Bank of Kentucky, a predecessor of the Disclosing Party.

In 1836, the National Bank of Kentucky loaned \$200,000 to the City of Louisville. Records indicate the City then invested in the Lexington & Ohio Railroad Company

In 1852, the National Bank of Kentucky loaned \$135,000 to the Louisville & Nashville Railroad Company. Research indicates that both railroads employed forced labor. There is no evidence that the National Bank of Kentucky accepted individuals as collateral for either loan, or otherwise directly profited from slavery.

SECTION VII - ACKNOWLEDGMENTS, CONTRACT INFORMATION, COMPLIANCE, PENALTIES, DISCLOSURE

**Attachment B To
City of Chicago Economic Disclosure Statement and Affidavit Filed by
PNC Bank, National Association**

This Attachment B modifies and supplements the information provided in the City of Chicago Economic Disclosure Statement and Affidavit executed by the Disclosing Party as of September 12, 2016 (the "EDS"). Any capitalized term used in this Attachment B will have the definition set forth in the EDS, except as provided below.

SECTION III: BUSINESS RELATIONSHIPS WITH CITY ELECTED OFFICIALS

To the best knowledge of the Disclosing Party, after reasonable inquiry, the Disclosing Party has not had a "business relationship," as defined in Chapter 2-156 of the Municipal Code, with any City elected official in the 12 months ending on the date that the Disclosing Party executed the EDS. Note that in the ordinary course of its business, the Disclosing Party makes loans of various types to individuals and businesses. We are of the view that any such loan is not a "business relationship," as so defined. For purposes of this certification, the term "City elected official" is treated as including only the City's Mayor, Aldermen, Treasurer and Clerk and not including their spouses, domestic partners (as defined in Chapter 2-156 of the Municipal Code) or any entity in which any such person has an interest.

SECTION V - CERTIFICATIONS

B. FURTHER CERTIFICATIONS

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, (x) the statement contained in Section V, paragraph B.2.d is accurate with respect to itself; and (y) the statements contained in Section V, paragraphs B.1 and B.2.a through and including B.2.e are accurate with respect to the executive officers and directors of the Disclosing Party. With respect to Section V, paragraphs B.2.b, c and e, the Disclosing Party hereby makes reference to the information on legal proceedings set forth in the filings made by its ultimate parent company, The PNC Financial Services Group, Inc., with the Securities and Exchange Commission, which may be found at www.sec.gov <<http://www.sec.gov>> or www.pnc.com/secfilings <<http://www.pnc.com/secfilings>>. Copies of the most current such disclosures are attached as Annex I to this Attachment B. The Disclosing Party certifies that none of the judgments set forth therein, individually or in the aggregate, would have a material adverse effect on its ability to perform with respect to the Matter.

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, the statements contained in Section V, paragraphs B.3.a through and including B.3.d and B.4 are accurate with respect to any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity. With respect to the statements contained in Section V, paragraph B.5, the Disclosing Party is only

certifying with respect to the Disclosing Party and any Affiliated Entity of the Disclosing Party.

For purposes of the certifications contained in the EDS as modified in this Attachment B: The term "Affiliated Entity" does not include BlackRock, Inc. or any of its subsidiaries or other affiliates (as such term is defined for purposes of the Securities Exchange Act of 1934, as amended), except to the extent that such entity would be an Affiliated Entity of the Disclosing Party for any other reason.

D. INTEREST IN CITY BUSINESS

As to the disclosure set forth in Section V, paragraph D.1., to the best knowledge of the Disclosing Party, after reasonable inquiry, no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in the Matter.

As to the disclosure set forth in Section V, paragraph D.4., the Disclosing Party only certifies that no official or employee of the City of Chicago will acquire a prohibited financial interest in the Matter from the Disclosing Party, any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The PNC Financial Services Group, Inc. extensively reviewed the historical records of banks it has acquired and has discovered two instances in the records of the National Bank of Kentucky, a predecessor of the Disclosing Party.

In 1836, the National Bank of Kentucky loaned \$200,000 to the City of Louisville. Records indicate the City then invested in the Lexington & Ohio Railroad Company

In 1852, the National Bank of Kentucky loaned \$135,000 to the Louisville & Nashville Railroad Company. Research indicates that both railroads employed forced labor. There is no evidence that the National Bank of Kentucky accepted individuals as collateral for either loan, or otherwise directly profited from slavery.

**Attachment B To
City of Chicago Economic Disclosure Statement and Affidavit Filed by
PNC Bank, National Association**

This Attachment B modifies and supplements the information provided in the City of Chicago Economic Disclosure Statement and Affidavit executed by the Disclosing Party as of September 12, 2016 (the "EDS"). Any capitalized term used in this Attachment B will have the definition set forth in the EDS, except as provided below.

SECTION III: BUSINESS RELATIONSHIPS WITH-CITY ELECTED OFFICIALS

To the best knowledge of the Disclosing Party, after reasonable inquiry, the Disclosing Party has not had a "business relationship," as defined in Chapter 2-156 of the Municipal Code, with any City elected official in the 12 months ending on the date that the Disclosing Party executed the EDS. Note that in the ordinary course of its business, the Disclosing Party makes loans of various types to individuals and businesses. We are of the view that any such loan is not a "business relationship," as so defined. For purposes of this certification, the term "City elected official" is treated as including only the City's Mayor, Aldermen, Treasurer and Clerk and not including their spouses, domestic partners (as defined in Chapter 2-156 of the Municipal Code) or any entity in which any such person has an Interest.

SECTION V- CERTIFICATIONS

B. FURTHER CERTIFICATIONS

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, (x) the statement contained in Section V, paragraph B.2.d is accurate with respect to itself; and (y) the statements contained in Section V, paragraphs B.1 and B.2.a through and including B.2.e are accurate with respect to the executive officers and directors of the Disclosing Party. With respect to Section V, paragraphs B.2.b, c and e, the Disclosing Party hereby makes reference to the information on legal proceedings set forth in the filings made by its ultimate parent company, The PNC Financial Services Group, Inc., with the Securities and Exchange Commission, which may be found at www.sec.gov <<http://www.sec.gov>> or www.pnc.com/secfilings <<http://www.pnc.com/secfilings>>. Copies of the most current such disclosures are attached as Annex I to this Attachment B. The Disclosing Party certifies that none of the judgments set forth therein, individually or in the aggregate, would have a material adverse effect on its ability to perform with respect to the Matter.

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after

reasonable inquiry, the statements contained in Section V, paragraphs B.3.a through and including B.3.d and B.4 are accurate with respect to any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity. With respect to the statements contained in Section V, paragraph B.5, the Disclosing Party is only

certifying with respect to the Disclosing Party and any Affiliated Entity of the Disclosing Party.

For purposes of the certifications contained in the EDS as modified in this Attachment B: The term "Affiliated Entity" does not include BlackRock, Inc. or any of its subsidiaries or other affiliates (as such term is defined for purposes of the Securities Exchange Act of 1934, as amended), except to the extent that such entity would be an Affiliated Entity of the Disclosing Party for any other reason.

D. INTEREST IN CITY BUSINESS

As to the disclosure set forth in Section V, paragraph D.I., to the best knowledge of the Disclosing Party, after reasonable inquiry, no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in the Matter.

As to the disclosure set forth in Section V, paragraph D.4., the Disclosing Party only certifies that no official or employee of the City of Chicago will acquire a prohibited financial interest in the Matter from the Disclosing Party, any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The PNC Financial Services Group, Inc. extensively reviewed the historical records of banks it has acquired and has discovered two instances in the records of the National Bank of Kentucky, a predecessor of the Disclosing Party.

In 1836, the National Bank of Kentucky loaned \$200,000 to the City of Louisville. Records indicate the City then invested in the Lexington & Ohio Railroad Company

In 1852, the National Bank of Kentucky loaned \$135,000 to the Louisville & Nashville Railroad Company. Research indicates that both railroads employed forced labor. There is no evidence that the National Bank of Kentucky accepted individuals as collateral for either loan, or otherwise directly profited from slavery.

SECTION VII - ACKNOWLEDGMENTS, CONTRACT INFORMATION, COMPLIANCE, PENALTIES, DISCLOSURE

With respect to the statements contained in Section VII, paragraph F.I, the Disclosing Party certifies, to the best of its knowledge, after reasonable inquiry, that neither the Disclosing Party nor any Affiliated Entity is delinquent in paying any fine, fee, tax or other charge owed to the City other than fines, fees, taxes or other charges that are being contested in good faith by the Disclosing Party or such Affiliated Entity by appropriate legal proceedings.
