SECTION V.B.-FURTHER CERTIFICATIONS

7. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Disclosing Party is unable to certify Section II.B.2.b. due to the following: In 2014 the SEC filed a civil action against the United Neighborhood Organization of Chicago ("UNO") and the UNO Charter School Network, Inc. ("UCSN") On June 3, 2014, the UCSN consented to a final judgment entered in the U.S. District Court, Northern District of Illinois enjoining and restraining UCSN from violating Section 17(a)(2) of the Securities Act of 1933. While no monetary penalty was imposed upon UCSN, UCSN was required, among other things, to retain an independent monitor for a period of 12 months to monitor transactions involving the transfer of funds for a certain period of time and to implement various policies and procedures to strengthen internal controls and oversight including the adoption of various policies relating to same. In addition, UCSN was precluded from participating in the offer and sale of municipal securities for a period of five (5) years without first forming disclosure policies, providing training, forming a disclosure committee, and certifying in writing compliance with the aforementioned undertakings to the SEC. As of the date of this certification, UCSN has not participated in the offer and sale of municipal securities since entry of the final judgment. The Independent Monitor filed its final report with the U.S. District Court, Northern District of Illinois on December 30, 2015 indicating that UCSN had complied with the terms of final judgment and further terminating the term of the Independent Monitor.
