Re: Proposed Planned Development (generally located at 6145 N. Broadway)

On April 20, 2017, the Chicago Plan Commission recommended approval of a proposed Residential Business Planned Development submitted by the Applicants, City Pads, LLC. The project involves the construction of a 6-story, mixed use building with ground floor retail and 105 dwelling units on floors 2-6. The proposal also includes 45 surface parking spaces at the rear of the building. A copy of the proposed ordinance, planned development statements, bulk table and exhibits are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning and Land Use recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-9476.
