Re: Proposed Industrial Corridor Amendment (generally located at 10909 S. Cottage Grove)

On June 15, 2017, the Chicago Plan Commission recommended approval of a proposed Industrial Corridor Amendment submitted by the Applicants, Chicago Collegiate Charter School. The project involves a zoning map amendment request for a parcel of land from a 'M3-3' zoning classification to a 'C3-1' zoning classification prior to establishing a school use within an existing religious assembly within the Pullman Industrial Corridor. A copy of the proposed ordinance is attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning and Land Use recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact me at 312-744-5651.'
