Legislation Text

File #: Or2017-276, **Version:** 1

ORDERED, That the City Comptroller is authorized and directed to issue payments, each in an amount not to exceed \$1,000.00, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or the Fire Department herein named. The payment of any of these bills shall not be construed as an approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of said claims is set opposite the names of the injured members of the Police Department and/or the Fire Department, and payments are to be drawn in favor of the proper claimants and charged to the following Account Numbers: 100-57-2005-0937; 610-57-4415-0937; 740-57-4415-0937; 100-59-2005-0937; 610-59-4415-0937; and 740-59-4415-0937.

CHICAGO May 24, 2017

To the President and Members of the City Council:

Your Committee on Finance having had under consideration four (4) orders authorizing the payment of hospital and medical expenses of Police Officers and Firefighters injured in the line of duty.

having had the same under advisement, begs leave to report and recommend that your Honorable Body pass the ordinance(s)/order(s) transmitted herewith.

This recommendation was concurred in by

**Vote of the members of the committee with
vote(s)).**

Respectfully submitted

Chairman

**FINANCE MEETING OF MAY 24th. 2017 HOSPITAL AND
MEDICAL EXPENSES OF INJURED POLICE OFFICERS AND
FIREFIGHTERS**

COCDCOCDCOCDCOCT)CT

The diagram shows a 16-bit instruction format. The top row represents the 16-bit register, divided into a 12-bit instruction field and a 4-bit register field. The instruction field is further divided into a 6-bit opcode, a 4-bit register number, and a 2-bit shift amount. The register field contains a 4-bit register number. The diagram illustrates the bit positions for each field and the shift amount.

```

A diagram showing a 3D lattice structure with arrows indicating interactions. The structure consists of several layers of nodes (represented by 'N' and 'O') connected by arrows. The top layer has 'N' and 'O' nodes. Below it, there are more 'N' and 'O' nodes, with arrows pointing downwards and outwards, suggesting a complex interaction pattern. The bottom layer has 'O' nodes. The overall structure is a 3D representation of a lattice with various interaction paths.

The diagram illustrates a spatial arrangement of elements. On the left, there are three thick, parallel diagonal lines sloping downwards from left to right. To the right of these lines is a large, solid black rectangle. Below the diagonal lines, there are several rows of small open circles. The first row has two circles, the second has four, and the third has six. Further down, there are more rows of circles, some aligned under the diagonal lines and others further to the right. At the very bottom, there are three groups of circles, each consisting of two circles.

Chicago. MAY 24th, 2017

To the President of the City Council:

Your Cornmittee on Finance. Which has given consideration, for Hospitals, Medical and Nursing Services rendered injured members of the Police and or/ the Fire Department.

Having had the same under advisement, begs leave to report and recornmend that your Honorable Body pass the proposed Orders transmitted herewith:

This Recommendation was concurred in by (a vica coca vote of the)
members of the Committee (with dissenting vote(s)).

Respectfully submitted

(Signed)
