5. The following uses are permitted in the area delineated herein as a Planned Development: all uses permitted in the DX-7 Downtown Mixed-Use District including, without limitation, Dwelling Units Above the Ground Floor, Lodging, Participant Sports and Recreation, General and Limited Restaurant, Tavern, Outdoor Patio (rooftop and at grade), Small and Medium Venues, Banquet or Meeting Halls, General Retail, Food and Beverage Retail Sales, Liquor Sales, Medical Service, Office, High Technology Office, Personal Service, incidental and accessory uses and accessory parking.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 51,680 square feet and a base FAR of 7.0.

The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 11.5. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B & C, prior to the issuance of the first building permit for any building in Sub-Area A; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other

corresponding regulations and guidelines, including Section 17-13-0800. Final landscape

plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the

alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level

of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from DX-5 Downtown Mixed-Use District, DX-7 Downtown Mixed-Use District and Residential-Business Planned Development No. 1230 to this amended Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 370 units. As a result, the Applicant's affordable housing obligation is 37 affordable units (10% of 370), 9 of which are Required Units (25% of 37, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 37 affordable units in an off-site building located at TBD, as set forth in the Affordable Housing Profile Form

attached hereto as Exhibit . The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the DX-7 Downtown Mixed-Use District.

Dear Chairman Solis:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Randolph Halsted LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.
