The amount of the conversion fee due prior to the issuance of a building permit shall be calculated based on the fee rate in effect at the time of payment. The Applicant shall record a notice against the Property to ensure that the requirements of the Industrial Corridor System Fund Ordinance are enforced in accordance with Section 16-8-100.

Planned Developments that trigger the Affordable Requirement Ordinance

Pilot ARO

The Applicant acknowledges and agrees that the rezoning of the Property from TBD to TBD, and then to this Planned Development (PD), for construction of the Project triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO*"). The Applicant further acknowledges and agrees that the Property is located in the TBD Pilot Area, pursuant to Section 2-45-117 of the Municipal Code (the "TBD ARO Pilot Area Ordinance" or the "Pilot"). The TBD Pilot Area is divided into TBD (possibly NA) zones: the TBD Zone and the TBD Zone; the Property is located in the TBD Zone. In the TBD Zone, pursuant to ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from TBD % to TBD %. Any developer of a residential housing project in the Near

TBD Zone must provide the first TBD % of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the Commissioner of the Department of Planning and Development (the "Commissioner"), in an off-site location within TBD miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the (second) TBD % of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the Commissioner's approval, in an off-site location anywhere within the TBD Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The project has a total of TBD housing units. As a result, the Applicant's affordable housing obligation is TBD affordable units (TBD % of TBD), consisting of TBD First Units and TBD Additional Units. Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to TBD % of the Chicago Primary Metropolitan Statistical Area median income ("AMI") at prices affordable to households at such income level, and the Additional Units to households earning up to TBD % or TBD % of AMI, as determined by rule and approved by the Commissioner, at prices affordable to households at such income level. If the Applicant subsequently reduces (or increases) the number of housing units in the project, or elects to build a for-sale project instead of a rental project, or (with the Commissioner's approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. DPD may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Downtown For-Sale Projects

The Applicant acknowledges and agrees that the rezoning of the Property from TBD to TBD, and then to this Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any

combination of (i) and (ii). The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of TBD units. As a result, the Applicant's affordable housing obligation is TBD affordable units (10% of TBD rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of [\$175,000] [\$150,000, if providing units on-site to the Chicago Housing Authority (CHA)] [\$225,000 if providing no units] per unit (Cash Payment) and/or providing TBD affordable units in the for-sale building to be constructed in the PD and/or providing TBD affordable units in an off-site building located at TBD and/or entering into an agreement with CHA to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable units must be affordable to households earning no more than 100% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a rental project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements or number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

Downtown Rental Projects

The Applicant acknowledges and agrees that the rezoning of the Property from TBD to TBD, and then to this Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of TBD units. As a result, the Applicant's affordable housing obligation is TBD affordable units (10% of

TBD rounded up/down), TBD of which are Required Units (25% of TBD, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$175,000 [\$150,000, if providing units on-site to the Chicago Housing Authority (CHA)] per unit (Cash Payment) and/or providing TBD affordable units in the rental building to be constructed in the PD and/or TBD affordable units in an off-site building located at TBD and/or enter into an agreement with CHA to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

Higher Income Area Projects

The Applicant acknowledges and agrees that the rezoning of the Property from TBD to TBD, and then to this Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of TBD units. As a result, the Applicant's affordable housing obligation is TBD affordable units (10% of TBD rounded up/down), TBD of which are Required Units (25% of TBD, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a

18.04.04

cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 [\$ 100,000, if providing units on-site to CHA] per unit (Cash Payment) and/or providing TBD affordable units in the rental/for sale building to be constructed in the PD and/or TBD affordable units in an off-site building located at TBD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than TBD% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

Low-Moderate Income Rental or For Sale

The Applicant acknowledges and agrees that the rezoning of the Property from TBD to TBD, and then to this Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site. The Property is located in a low-moderate income area, within the meaning of the ARO, and the project has a total of TBD units. As a result, the Applicant's affordable housing obligation is TBD affordable units (10% of TBD rounded up/down), TBD of which are Required Units (25% of TBD, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$50,000 per unit (Cash Payment) and/or providing TBD affordable units in the rental/for sale building to be constructed in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than TBD of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the

Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

2015 ARO PD Statement Template Addendum (City or IHDA Financing Included)

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development (PD), the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the PD.

Planned Developments along the Chicago River

The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contain in the Chicago Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees to: (a) provide a landscaped 30-foot-wide river setback and continuous riverside trail as indicated on the Site Plan, Public and Common Open Space Plan and Landscape Plan; and, (b) permit connection of such setback and trail to the setback and trails of adjacent properties when the river edges of the adjacent properties are similarly improved. The Applicant shall permit un-gated public access to the river setback and provide signage on the riverwalk that the riverwalk is open to the public during typical Chicago Park District hours. All improvements within the river setback must be substantially completed prior to receipt of Certificate of Occupancy for the principal building, provided that planting may be delayed, if consistent with good landscape practice, but not longer than one year following receipt of the occupancy certificate.

Planned Developments involving Open Space

The Applicant acknowledges that it is in the public interest to ensure that adequate open space and recreational facilities are provided to serve new residential developments. As stated in the Open Space Impact Fee Ordinance Section 16-18-080 of the Municipal Code of Chicago, in the case of larger developments which are processed as Planned Developments, developers are encouraged to provide open space and recreational facilities on-site to serve new residents instead of paying open space impact fees.

All open spaces developed for use by the public must be in compliance with the Open Space Impact Fee Administrative Regulations and Procedures promulgated by the Commissioner of the Department of Planning and Development (DPD), pursuant to Section 16-18-110.

Any open space to be dedicated to the Chicago Park District must meet Chicago Park District standards and, where applicable, the park must be designed and constructed to Chicago Park District standards. Any conveyance of open space to the Chicago Park District, measuring two or more acres, shall be approved by the Chicago Park District. A Board issued resolution must be provided to DPD prior to the issuance of any Part II approval. Any conveyance of open space to the Chicago Park District, measuring less than two acres, shall be formalized in a contract that shall be provided to DPD prior to the issuance of any Part II approval.

Planned Developments involving Historic Preservation

Chicago Landmark/Chicago Landmark District

Pursuant to the Chicago Zoning Ordinance (Section 17-8-0911), a Planned Development (PD) gives priority to the preservation and adaptive reuse of Chicago Landmark buildings. The PD includes TBD, which is designated as a Chicago Landmark or has been identified as contributing to the historic or architectural significance of any district designated as a Chicago Landmark. Work to designated Chicago Landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740.

Excavation, Foundation Work or Adjacent New Construction

The Applicant acknowledges that the Planned Development (PD) project includes excavation, new foundations or other work adjacent to a Chicago Landmark building TBD, a contributing building TBD in a Chicago Landmark District TBD or a building identified in the Chicago Historic Resources Survey TBD. Pursuant to the Chicago Zoning Ordinance, Section 17-8-0911, the Applicant acknowledges that it is in the public interest to promote the preservation of historic resources. The Applicant shall submit a report, stamped by an engineer, identifying any protective measures that may be required for the historic building and those measures that will be incorporated during construction as part of the project. The report shall be submitted as part of the Part II Review application to the Planning, Design and Historic Preservation Division and be subject to the review and acceptance of the Department of Planning and Development.

Chicago Historic Resources Survey (Red/Orange)

The Applicant acknowledges that the Planned Development (PD) includes a building commonly known as the former Hudson Automobile Palace (2222-2230 S. Michigan Ave.) and identified as potentially significant in the Chicago Historic Resources Survey. Pursuant to the Municipal Code of Chicago, Sections 17-8-0911 and 13-32-230, the Applicant acknowledges that PDs should give priority to the adaptive reuse of historic buildings which are color-coded red or orange in the Chicago Historic Resources Survey. Therefore, the Applicant agrees to retain and preserve the character-defining features of the building. The character-defining features are identified as TBD. In general, original features and materials of the character-defining features should be retained and preserved as much as reasonably possible, while any changes should be compatible with the building's historic character. Such work to the character-defining features shall be subject to the review and approval of the Department of Planning and Development as a part of the Part II Review.

Narrative

Planned Development Zoning Map Amendment Application Current Zoning

District: DS-5 and DS-3

Proposed Zoning District: DX-5, then to a Planned Development

The applicant owns the former Hudson Automobile Palace at 2222 S. Michigan Ave., constructed in 1923 and located in the Motor Row Landmark District. This is the largest and most architecturally significant automobile showroom in Motor Row. The redevelopment plan calls for a total rehabilitation of the existing four story building and the construction of a partial fifth floor addition for the redevelopment of the building into a mixed-use facility. The restaurant, bar and event spaces on the first floor and mezzanine will be open to the public. The facilities on the third floor and above will be comprised of a private entrepreneurial club featuring restaurants, bars, event spaces, co-working offices along with a technology incubator, health club facilities, residential suites (full kitchen dwelling units), outdoor deck and swimming pool. This will be the first major exterior and interior redevelopment of a building in the Motor Row District since the establishment of the landmark district in 2000.

A zoning map amendment a DX zoning district is necessary in order to accommodate the residential dwelling units which are integral to the redevelopment plan and offering of club amenities. This is a mandatory Planned Development because the entertainment facility has a seating capacity of 1,000 or more persons. This is a Type 1 rezoning because the proposal is to amend the zoning map to change this property from a zoning district that does not permit residential or household living uses to a zoning district that does allow residential or household living uses.

The project includes four (4) residential dwelling units of 791 s.f., 843 s.f., 848 s.f. and 924 s.f. The project includes 8,371 s.f. of open space on the fifth floor.

The city incentives are city-approval for a Cook County Class L landmark property tax classification and city-approval for New Market Tax Credits.

The history of the public review process has included a preliminary meeting with the Alderman of the 3rd Ward and a preliminary meeting with the Zoning Administrator and the Assistant Zoning Administrator. A PD intake meeting is scheduled for May 23, 2018. A community meeting is to be held in June, 2018 (date to be determined).
