EASTU 54082253v. 1

Prior to the issuance of any "Part II" Approval, the submitted plans for the Planned Development, as amended, must be approved by the Chicago Department of Transportation (CDOT).

4. This plan of development consists of sixteen (16) Statements; a Bulk Regulations and Data Table; a Planned Development Boundary and Property Line Map; 2nd and 3rd Floor Plans; a Site Plan/Landscape Plan; a Green Roof Plan; a Vehicular Use Area Plan; 727 N Milwaukee Northeast Elevation, 727 N Milwaukee Southeast Elevation, 727 N Milwaukee Southwest Elevation, and 727 N Milwaukee Perspectives prepared by FitzGerald Associates Architects and dated July 19, 2018; and the design exhibits set forth in the approved Administrative Relief granted on May 13, 2016. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the tenets of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are allowed in the area delineated herein as Residential-Business Planned Development Number 1263, as amended: multi-unit residential; townhomes; financial services; office; except electronic data storage; personal service; retail sales; indoor participant sports and recreation; general food and beverage retail sales; eating and drinking establishments (including tavern); accessory off-street parking and loading; non-accessory off-street parking is permitted, but only in the underground garage of the north building; and accessory uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, as amended, subject to the review and approval of the Department of Planning and Development (DPD). Off-premises signs are prohibited within the boundary of the Planned Development, as amended.
7. For purposes of height calculations and measurements, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations established by the Federal Aviation Administration (FAA).
8. The maximum permitted floor area ratio (FAR), for the Property, shall be in accordance with the attached Bulk Regulations and Data Table (P.D. Exhibit). For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR, identified in the Bulk Regulations and Data Table, has been determined using a net site area of 90,245 square feet and a base FAR of 5.0.

9. Upon review and determination, and pursuant to Section 17-13-0610 of the Zoning Ordinance, Part II Review shall be assessed a fee, by the Department of Planning and Development (DPD). The fee, as determined by staff at the time of submission, is final and

binding on the Applicant and must be paid to the Chicago Department of Revenue, prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any corresponding regulations and guidelines, including Section 17-13-0800 of the Zoning Ordinance. Final landscape plan review and approval will be by the Department of Planning and Development (DPD). Any interim reviews associated with Site plan review or Part II Reviews, are conditional until final Part II Approval.
1. The terms and conditions of development, under this Planned Development ordinance, may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance, by the Zoning Administrator, upon written application for such modification, by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
12. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Subject Property. Plans for all buildings and improvements, within the Planned Development Boundary, shall be reviewed and approved by the Mayor's Office for People with Disabilities (MOPD), to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part H Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

15. The Applicant acknowledges the city's ongoing and evolving initiatives to enhance awareness of, and support and encourage participation by, Minority and Women's Business Enterprise certified contractors and local city residents. To assist the city in promoting such MBE, WBE and local city resident involvement, the Applicant has already provided the Department of Planning and Development with any preliminary outreach plans designed to elicit MBE, WBE and local city resident participation, such submission may include copies of certified letters, and receipts of such, sent to MBE/WBE contractor associations and the ward office of the alderman in which this project is proposed to be located. In conjunction
