PLANNED DEVELOPMENT STATEMENTS

1. The area delineated herein as Planned Development Number , ("Planned Development") consists of approximately 3,044,451 net square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, HRE Crawford, LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of casements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

   Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any

public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be

Project Address: 3501 S. Pulaski
Applicant: HRE Crawford, LLC
Filing Date: July 25, 2018
Plan Commission Date: September 13, 2018
46425349.1

reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway & landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

In addition, the Applicant commits to the following:

a. The Applicant commits to dedicating, at a future date, right of way to support the widening of Cougar Street to a 34' back of curb to back of curb roadway section, as depicted on the Site Plan. Cougar Street is a private road over which the Applicant does not have control; however, the Applicant agrees to coordinate with the Department of Transportation on this dedication. The Applicant will not be responsible for any

costs, construction, planning or otherwise, for this road expansion.

b. The Applicant commits to dedicating a segment of Pulaski Road, currently under its ownership, at a future time, as required by the Chicago Department of Transportation. This dedication shall not be a prerequisite to Planned Development or building permit approval. The Applicant will cooperate with CDOT on this dedication process.

It is further acknowledged that the proposed resulting dedications above will decrease the overall Net Site Area of the project and the Applicant will pursue an administrative change (Minor Change) to the Planned Development to update the project's bulk table and other documents as may be necessary at the time of such dedication (s). Such dedications will be subject to a final survey and the review and approval of the Departments of Planning and Development and Transportation.

Project Address: 3501 S. Pulaski

FINAL FOR PUBLICATION

c. The Applicant commits to constructing a multi-use path adjacent to Pulaski Road in substantial conformance with the Site Plan and Cross Section Exhibits, in coordination with CDOT and DPD, as required. It is acknowledged by the City of Chicago and the Applicant that the multi-use path adjacent to Pulaski Road may be subject to existing easements on the site involving third-parties.

d. The Applicant commits to funding traffic signal upgrades to the intersections of Pulaski and Cougar Street, Pulaski and 35th Place, and Pulaski and 36th Street per the recommendations of the traffic impact study prepared by Sam Schwartz and in coordination with CDOT. Please note that others will construct the north, south, and west leg of traffic signal upgrades to the intersection of Pulaski Road and 35th Place, however the Applicant will construct the east leg of traffic signal upgrades to this intersection.

4. This Plan of Development consists of 17 Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land Use Map; A Planned Development and Boundary Map; Overall Site Plan; Site Plan; Alternative Rail Served Site Plan; Overall Landscape Plan; Landscape Plan Details - North, West and South; Pulaski Road Cross Section; Cougar Street Cross Section; Proposed Intersection Improvements and Guard House Details;and Building Elevations (North, South, East and West), dated September 13, 2018. Full-sized copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict

powered by Legistar™

between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are allowed in the area delineated herein: Office (limited to 9,000 square feet or as an accessory use to an allowed use); food and beverage retail sales (limited lo 3,000 square feet); Restaurant (Limited and General, limited to 4,000 square feet); Retail Sales, General (Accessory sales of goods produced on site: not to exceed 20% of GFA); accessory parking (see site plan for parking priority areas); Data Center, Manufacturing, Production and Industrial Service (Artisan, Limited, General, Intensive); Warehousing.Wholesaling and Freight Movement (Container Storage, Freight Terminal, and Outdoor Storage of Raw Materials as a Principal Use - (size, location and material subject to regulation by the City of Chicago)); Vehicle Storage and Towing; Building Maintenance Services; Business Support Services (all); Indoor Special Event including Incidental Liquor Sales; Industrial Private Event Venue including incidental liquor sales; Wireless Communications Facilities (Co-located and Freestanding Towers); Communication Service Establishments; Recycling Facilities (Class 1, II and III); and, Gas Stations; Car Washes; and, all accessory and related uses.

pNAL FOR PL !3f NATION

6. On-Prcmise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off -Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definition in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 3,044,451 square feet and a base FAR of 1.0.

9. Upon review and determination, "Part II Review," pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined

by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of the Municipal Code of Chicago. .

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. Proposed changes, including, but not limited to, revisions to the project's Site Plan may trigger updates to existing traffic studies or new traffic studies, as appropriate, in coordination with CDOT and DPD.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with

Project Address: 3501 S. Pulaski

F/NAL FOR PUS! ICA7JON

all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy in effect at the time the Part 11 review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance. In addition, the Applicant commits to constructing a solar ready site with 30% of the project roof area designed to accommodate solar infrastructure installation, and will provide community solar information to all prospective tenants of the building or buildings. The Applicant further commits to constructing infrastructure to accommodate electric vehicle charging stations for both freight vehicles as well as passenger/customer/employee vehicles as referenced on the Site Plan.

15. The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contained in the Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards, as amended. To further these goals, the Applicant agrees, as set forth in the Plans, to: (a) provide a naturalized planted river setback as shown in the Landscape Plan; (b) reserve the location for the placement of a future public riverwalk multi-use path subject to easement rights or leases; and (c) permit the connection of the riverwalk multi-use path to the proposed multi-use path along Pulaski, and to the riverwalk trails of adjacent properties when the river edges of the adjacent properties are similarly improved for public use. (Please also refer to the Landscape Plan exhibit for additional details.)

16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time

p;^L FOR P[«w >r$_A$r

of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

PROPOSED EXCHANGE 55 BUSINESS PARK

CHICAGO ILLINOIS

DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF CHICAGO

MEMORANDUM

To: Alderman Daniel S./Solis
Chairman, C^jly Council Committee on Zoning

David L. Reg/man Commissioner
Department of Planning and Development

Date: September 13, 2018

Re: Proposed Planned Development (generally located at 3501 S. Pulaski Road)

On September 13, 2018, the Chicago Plan Commission recommended approval of a proposed Planned Development submitted by the Applicant, HRE Crawford, LLC, for the property generally located at 3409-3701 South Pulaski Road, 3318-3460 South Hamlin Avenue and 3747-57 West 35th Street. The applicant is proposing to construct a 52' tall,.approximately 1,060,000 square foot warehouse/distribution facility, with a maximum of 188 loading berths and a minimum of 225 accessory, vehicular, parking spaces as well as landscaped open areas on the overall 70 acre site. The site is currently zoned M3-3 (Heavy Industry) and will remain as such prior to the establishment of the proposed Planned Development.

A copy of the.proposed ordinance, planned development statements, exhibits, bulk table, staff report and Chicago Plan Commission resolution are attached. I would very much appreciate your assistance in having this matter heard at the next possible City Council Committee on Zoning. If you have any questions in this regard, please do not hesitate to contact me at 744-9476. Thank you.
