Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. RIGHTS OF LENDER. Upon the occurrence of an Event of Default, Lender, at its option, may exercise any one or more of the following rights and remedies in addition to any other rights or remedies that may be available at law, in equity, or otherwise:

Accelerate Indebtedness. Lender may declare the entire Indebtedness, including any prepayment penalty which Borrower would be required to pay, immediately due and payable.

Assemble Property. Lender may require Grantor to deliver to Lender all or any portion of the Property and any and all documents relating to the Property. Lender also shall have full power to enter upon the Property to take possession of and manage the Property.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of Grantor. Lender may sell the Collateral at public auction. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor reasonable notice of the time after which any private sale or any other intended disposition of the Collateral is to be made. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Collect Revenues. Lender may revoke Grantor's right to manage the Property and to collect the rents, issues and profits from the Collateral, and may, without notice or demand, take possession of the Property, title to which is held by the Trustee, and either itself or through a receiver, collect the rents, issues and profits therefrom. To facilitate collection, Lender may notify Grantor's account debtors including any tenants on the Property to make payments directly to Lender.

Obtain Deficiency. Lender may obtain a judgment for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Assignment.

Consent to Proceedings. Grantor expressly consents and agrees to the institution of any proceedings by Lender to enforce this Agreement and its lien against the Collateral to effect a sale thereof, or to enforce payment of the Note and Indebtedness, without previous sale or reduction to possession of any other property pledged to secure the Note or Indebtedness, without regard to the terms or provisions of the Note or written instrument pertaining to the sale or reduction to possession of any such pledged property.

Other Rights and Remedies. Lender shall have and may exercise any or all of the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, at law, in equity, or otherwise.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Assignment or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Assignment, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

INDEMNIFICATION OF LENDER. Grantor agrees to indemnify, to defend and to save and hold Lender harmless (from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's attorneys' fees), demands, liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Assignment and the exercise of the rights and remedies granted Lender under this. The foregoing indemnity provisions shall survive the cancellation of this Assignment as to all matters arising or accruing prior to such cancellation and the foregoing indemnity shall survive in the event that Lender elects to exercise any of the remedies as provided under this Assignment following default hereunder.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or if Grantor fails to comply with any provision of this Assignment or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Assignment or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Property and paying all costs for insuring, maintaining and preserving this Property. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.
