**AGREEMENT BETWEEN THE CITY OF CHICAGO
AND THE CHICAGO PARK DISTRICT (4546 North
Kedvale)**

This Agreement (the "Agreement") is made as of this _____ day of _____, 2018 (the "Closing Date"), under authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois, by and between the City of Chicago (the "City"), an Illinois municipal corporation, by

and through its Department of Planning and Development or any successor thereto ("DPD"); and the Chicago Park District (the "Park District"), an Illinois municipal corporation. The Park District and the City are sometimes referred to herein as the "Parties."

RECITALS

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois, and as such, has the authority to exercise control over and supervise the operation of parks within the corporate limits of the City.

C. The Park District wishes to acquire the property commonly known as 4546 North Kedvale Avenue and legally described in Exhibit A (the "Property"), attached hereto and made a part hereof, for public open space purposes (the "Project").

D. The Chicago Plan Commission, the Park District and the City Council of the City (the "City Council") have previously prepared and approved that certain planning document entitled, "City Space: An Open Space Plan For Chicago," dated January 1998 (the "Open Space Plan"), which sets forth certain goals and objectives for increasing open space in the City.

E. The acquisition of the Property for public open space is consistent with the purposes and objectives of the Open Space Plan.

F. On April 1, 1998, the City Council adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City.

G. The Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments").

H. Pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance) in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected.

1

I. The Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected.

J. The Open Space Ordinance requires that the Open Space Fees be used for open space acquisition or capital improvements, or both, which provide a direct and material benefit to the new developments from which the fees are collected.

K. DPD has collected Open Space Fees for new dwelling units built in the Albany Park Community

Area and contiguous communities and has deposited such funds in Fund No. _____, and wishes to make available to the Chicago Park District a portion of those funds in an amount not to exceed \$48,552 (the "Open Space Assistance") for the purpose of partially funding the Project.

L. The Chicago Park District has agreed to use the Open Space Assistance for the Project subject to the terms and conditions specified in the Agreement and DPD has determined that the use of the Open Space Fees to assist the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected in that the Open Spaces Fees to be used for the Project will come from the specific fund set up by DOF for the Albany Park Community Area.

M. By an ordinance adopted on January 10, 2018, the Board of Commissioners of the Park District authorized the acceptance of the Open Space Assistance from the City and execution of the Agreement to accept the Open Space Assistance and City Increment as described herein.

N. On _____, 2018, the City Council adopted an ordinance published in the Journal for said date, among other things, authorizing the execution of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

TERMS AND CONDITIONS

SECTION 1. THE PROJECT.

1. No later than [36 months] from the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

No material deviation from the Plans and Specifications may be made without the prior written approval of the City. ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

3. 4. The Park District shall include a certification of compliance with the requirements of Sections

1.1, 1.2, and 1.3 hereof with the request for the Open Space Assistance hereunder at the time the Project is completed and prior to any disbursement of the Open Space Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

5. In all contracts relating to the Project until the Property is conveyed to the Park District, the Park District agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorney's fees, arising out of or resulting from the construction for the Project by its contractors or contractors' suppliers, employees or agents.

6. The Park District agrees to carefully inspect the Property prior to commencement of any activity on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

1.7 The Park District shall be responsible for obtaining, at its own expense, any title commitment or title policy and survey with respect to the Property that it deems necessary.

SECTION 2. FUNDING

2.1. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the Open Space Assistance to the Park District:

2.1.1. the Park District may request payment from the City by submitting a Certificate of Expenditure in the form of Exhibit D hereto ("Certificate of Expenditure"), which may be processed and executed periodically. The City shall not execute and approve Certificates of Expenditure in the aggregate in excess of the actual costs of the Project, and in no event in an amount greater than the Open Space Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable

3

expenditures to DPD. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

A. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

B. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

C. the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

D. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.1.2. The Park District shall satisfy the conditions stated in this Section 2.1 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.1 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

3. The current estimated cost of the entire Project is \$424,522. The Park District has delivered to the Commissioner a budget for the Project attached as Exhibit C. The Park District certifies that it has identified sources of funds, including the Open Space Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will only contribute Open Space Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the Open Space Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to Complete the Revised Project with the approved funds. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.4. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Open Space Assistance are subject in every respect to the

4

availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Open Space Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.5. If the aggregate cost of the Project is less than the amount of the Open Space Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Open Space Assistance contemplated by this Agreement and the amount of the Open Space Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM

The term of this Agreement shall commence on the Closing Date and shall expire upon completion of the parties' compliance with their respective obligations hereunder or termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS

4.1. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the Open Space Assistance which is provided solely for the items set forth on Exhibit C. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The

5

City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

6

8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

SECTION 7. DEFAULT.

1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

3. Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.12 hereof, and shall state the nature of the default. In the event the Park District does not cure such default within the 30-day notice

7

period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
