SUBDIVISION ORDINANCE

Be it Ordained by the City Council of the City of Chicago:

SECTION 1. The Acting Commissioner of the Chicago Department of Transportation, or his designee, is hereby authorized and directed to approve a proposed Atwater 106th Street Subdivision being a resubdivision of certain lots owned by Atwater Save-It-All 106th Street Self Storage LLC, an Illinois limited liability company ("Developer") in the block bounded by E. 105th Street, E. 106th Street, S. Avenue E and S. Avenue B, and legally described in the attached plat (Exhibit A, CDOT File: 08-10-19-3890) which, for greater certainty, is hereby made a part of this ordinance.

SECTION 2. The resubdivision herein provided for is made upon the express condition that the Developer terminate all existing unused stubs and services entering the development site subject to this subdivision ordinance ("Ordinance") pursuant to the terms and conditions of the Chicago Department of Water Management letter dated June 14, 2019 ("DWM June 14, 2019 Letter"), attached hereto as Exhibit B.

SECTION 3. The resubdivision herein provided for is made upon the express condition that prior to the recordation of the certified copy of this Ordinance together with the associated full sized plats, as approved by the Acting Superintendent of Maps and Plats, with the Office of the Recorder of Deeds of Cook County, Illinois, the Developer shall deposit or cause to be deposited with the City of Chicago, Department of Water Management ("DWM"), the developer deposit ("Developer Deposit") for DWM's performance of only the pipe work associated with terminating the stub and services, as set forth in the DWM June 14, 2019 Letter, attached as Exhibit B.

In the event that the Ordinance is recorded prior to the payment of the Developer Deposit, the Ordinance will be invalidated, and all resubdivision approvals revoked.

SECTION 4. The resubdivision herein provided for is made upon the express condition that Developer shall be responsible for the operation, maintenance and abandonment of the private sewer and appurtenances running north-south on vacated S. Avenue C from approximately 11 feet north of the north line of E. 106th Street to E 105th Street that serves the existing parking lot and building on the property in the block bounded by E. 105th Street, E. 106th Street, S. Avenue E and S. Avenue B, pursuant to the terms and conditions of the DWM June 14, 2019 Letter, attached hereto as Exhibit B.

SECTION 5. The resubdivision herein provided for is made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, the Developer shall file or cause to be filed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with the full-sized corresponding plat approved by the Department of Transportation's Acting Superintendent of Maps and Plats.

SECTION 6. This ordinance shall take effect and be in force from and after its passage and

publication. The subdivision shall take effect and be in force from and after the recording of the approved ordinance and associated plat.

Dear Mr. Kalayil:

This letter is in response to your inquiry dated February 6, 2019 concerning the proposed subdivision. After reviewing our records, we have determined the following:

D) The Department of Water Management - Water Section

It is the owner's responsibility to terminate all existing unused stubs and services entering the site prior to construction. Notify the DWM immediately of any services entering the site not listed within DWM's records.

The following must be terminated at the owner's expense for the subdivision to be approved:

- a) One 8-inch water main stub at 9' N.S.L of E. 106th Street and 8' W. E.L. of vacated S. Avenue C;
- b) One 6-inch water service that is no longer in use at 7' S.N.L of E. 105th Street and 371' W.W.L. of S. Avenue "E".

This Department will perform only the pipe work associated with terminating this stub and service. The contractor will be responsible for obtaining all applicable permits, tracing equipment, excavation/OSHA shoring, backfilling/compaction, abandonment of appurtenances (valve box/valve basin) and all restoration to CDOT standards.

The cost to do this work is \$11,700.00 on regular time (7am to 3 pm). Detailed instructions for payment of this deposit will follow under separate cover.

For questions regarding water facilities, please contact Andrew McFarland at (312) 742-7027.

OUCFileNo. 2019-86381 June 14,2019 Page 2 of2

The Department of Water Management - Sewer Section

There are no public sewer facilities within the limits of the area proposed for subdivision.

Please note that based on sewer records, there is a private sewer running north-south on vacated S. Avenue C from approx. 11 feet NNL of E 106th Street to E 105th Street that serves the existing parking lot and building on the property. The Sewer Section has no objection to the proposed subdivision with the condition that the proposed subdivision is responsible for the operation, maintenance or abandonment of the private sewer and appurtenances.

For questions regarding sewer facilities, please contact Sid Osakada at (312) 744-0344 or Anupam Verma at (312) 742-7108.

Very truly yours,

Randy Conner Commissioner
