All obligations issued by the City pursuant to this Plan and the Act shall be retired no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year in which the ordinance approving the Redevelopment Project Area was adopted, such ultimate retirement date occurring on

3. The paragraph under Section V.N., "Phasing and Scheduling," is amended to read as follows:

A phased implementation strategy will be utilized to achieve a timely and orderly redevelopment of the Redevelopment Project Area. City expenditures for Redevelopment Project Costs will be carefully staged on a reasonable and proportional basis to coincide with expenditures in redevelopment by private developers. The estimated completion date for the redevelopment project shall be no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year in which the ordinance approving the Redevelopment Project Area was adopted, such ultimate completion date occurring on December 31, 2023.
