ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City Council hereby approves an agreement between the City of Chicago and Public Safety Employees Union, Unit II, substantially in the form attached hereto.

The Mayor is authorized to execute this agreement.

SECTION 2. This ordinance shall be in force and effect upon its passage and approval.

CITY OF CHICAGO AGREEMENT WITH PUBLIC SAFETY

EMPLOYEES UNION

UNIT II

EFFECTIVE JANUARY 1, 2018 THROUGH JUNE 30, 20-1-6-

During the term of this Agreement, each of the Unions shall be responsible for representing only employees in the classifications as respectively enumerated and listed above.

Section 1.2 New or Merged Job Classifications

The Employer shall promptly notify the Union within forty-five days of its desire to establish a new classification or a successor title to any present classification. No title which is already in use in another bargaining unit in the City shall be used a successor title. Where the successor titles are used to clarify employee duties within bargaining units or where there are no changes in duties of where the new classification or successor title involves "de minimis" changes in or additions to present duties, such new classification or successor title shall automatically become part of this bargaining unit and shall be covered under this agreement.

Where the present employees are placed by the Employer in a new classification, under Article 1, or remain in a successor title or classification, their time-in-title seniority shall consist of all time in the present [new or successor] class plus all time in the title immediately preceding.

Upon request of the Union, the Employer shall meet and discuss the pay grade/rate and placement within the Employer's promotional lines, as established by the Employer, for the new or merged classifications.

Section 1.3 Abolishment of Job Classification

If the Employer intends to abolish a job classification within a department or bargaining unit, the Employer shall notify the Union affected as soon as it is known and, upon request, meet and discuss the Employers intention. The Employer shall advise the Union of its reasons and how, if at all, the work presently being performed by members of the unit will be performed in the future. Abolishment shall be defined as the layoff of all present members of the classification in a department or job title, or the creation of a new department or agency within the City of Chicago government.

ARTICLE 2 MANAGEMENT'S RIGHTS

Section 2.1 Management's Rights

It is agreed that the Unions and the employees will cooperate with the Employer to liberally construe this Agreement to facilitate the efficient, flexible and uninterrupted operation of the Employer. The Union recognizes that certain rights, powers, and responsibilities belong solely to and are exclusively vested in the Employer except only as they may be subject to a specific and express obligation of this Agreement. Among these rights, powers, and responsibilities, but not wholly inclusive, are all matters concerning or related to the management of the City and administration thereof, and the right:

2

- a. to determine the organization and operation of the Employer and any department or agency thereof;
- b. to determine and change the purpose, composition and function of each of its constituent departments and subdivisions;
- c. to set reasonable standards for the services to be offered to the public;
- d. to direct its employees, including the right to assign work and overtime;
- e. to hire, examine, classify, select, promote, restore to career service positions, train, transfer, assign and schedule its employees;
- f. to increase, reduce, change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of the lack of work or funds or other proper reasons;
- g. to contract out work;
- h. to establish work schedules and to determine the starting and quitting time, and the number of hours worked;
- i. to establish, modify, combine or abolish job positions and classifications;
- j. to add, delete or alter methods of operation, equipment or facilities;
- k. to determine the locations, methods, means and personnel by which operations are to be conducted, including the right to determine whether services are to be provided or purchased;
- l. to establish, implement and maintain an effective internal control program;
- m. to suspend, demote discharge, or take other disciplinary action against employees for just cause; and
- n. to add to, delete or alter policies, procedures, rules and regulations.

Inherent managerial functions, prerogatives and rights, whether listed above or not, which the Employer has not expressly restricted by a specific provision of this Agreement are not in any way, directly or indirectly, subject to review, provided that non of these rights is exercised contrary to or inconsistent with other terms of this Agreement or law.

3

Section 2.2 Work Standards

The Employer has the right to establish reasonable work load standards. Prior to establishing or changing work

load standards, the Employer will notify the Union, and upon request of the Union, shall meet to discuss such standards.

Section 2.3 Rules and Regulations

The Employer shall have the right to make, and from time to time change, reasonable rules and regulations, after prior notice to and discussion with the Union, and to require employees' compliance therewith upon notification to employees, provided that no such rule or regulation or change therein shall be contrary to or inconsistent with this Agreement or law.

Section 2.4 Furlough Days

Employees shall be eligible to participate in the Employer's Voluntary Unpaid Furlough Program, under the same terms and conditions applicable to all non-represented City employees, which terms and conditions may be subject to change from time to time. The current terms of the Voluntary Unpaid Furlough Program are described in part G(I2) of the City's Salary Resolution. It is understood and agreed that the City's decision to grant or deny any request for unpaid furlough time is entirely discretionary, and the City's determination as to what is in the best interests of maintaining its operations will always take precedence, the parties further understand and agree that all aspects of the City's Voluntary Unpaid Furlough Program, including the City's decision to grant or deny any unpaid furlough day request, are excluded from the grievance and arbitration provisions of Article 7 of this Agreement.

Section 2.5 Temporary Assignments

The Employer may temporarily assign Traffic Control Aides and Traffic Control Aides-Hourly to Crossing Guard posts in order to fill in for absent Crossing Guards should the need arise. Traffic Control Aides and Traffic Control Aides-Hourly selection shall be voluntary and will not result in disciplinary action. To be eligible to work, the Traffic Control Aide and Traffic Control Aide-Hourly must have completed the standard training for Crossing Guards. Traffic Control Aides and Traffic Control Aides-Hourly working in such temporary assignments shall continue to receive their regular rate of pay.

ARTICLE 3

UNION SECURITY, DUES DEDUCTION AND REMITTANCE

Section 3.1 Union Security

A. Any employee covered by this Agreement who is a member of the Union in connection with his employment, as a condition of employment, shall remain a member of the Union and shall pay the dues and fees uniformly required of Union members in good standing for the life of this Agreement.

B. The Employer, upon receipt of a validly executed written authorization card, shall deduct Union dues and initiation fees from the payroll checks of all employees so authorizing the

■

deduction in an amount certified by the Union, and shall remit such deductions on a monthly basis to the Union. Authorization for such deduction shall be irrevocable unless revoked in writing by the employee. The Employer shall indemnify, defend and hold the Union harmless against any and all claims, demands, suits or other forms of liability, including damages, attorney's fees and court and other costs, that shall arise out of, or by reason of action taken or not taken by the Employer for the purpose of complying with all Paragraphs of this Article, or in reliance on any list, notice, certification or assignment furnished under any of such provisions or in reliance upon employee payroll deduction authorization cards submitted by the Union to the Employer.

C. The Employer shall provide to the Union each month the name, address, classification, rate of salary and starting date of the employees in the bargaining unit.

Section 4.3 Discipline For Breach

The Employer in its sole discretion may terminate the employment or otherwise discipline any employee who engages in any act forbidden in this Article, subject to the grievance procedure.

Section 4.4 No Lockout

The Employer agrees not to lock out the employees during the term of this Agreement.

ARTICLE 5 BILL OF RIGHTS

Section 5.1 Union Representation

At any meeting between the Employer and an employee in which the employee may be disciplined, including disciplinary investigations, where discipline is to be discussed, a Union representative may be present if the employee so requests.

Section 5.2 Notification of Complaint

All employees who have been identified as the subject of a registered complaint will be notified in writing within ~~ten (10)~~ ^{ten (10)} work fourteen (14) calendar days of a complaint received from parties outside of the Employer, and must be made aware of an incident for internal investigations within twenty one (21) calendar days. This does not apply ^-except if the

6

matter involves an investigation where surveillance or confidentiality is necessary to complete the investigation, in which event the employee shall be notified within ~~ten (10) work~~ fourteen (14) calendar days after the surveillance is completed.. This Section shall not apply to any investigation conducted by the Inspector General, the Civilian Office of Police Accountability, or Police Department Internal Affairs, or to any order of a Federal or state court, grand jury or prosecutor, where the matter involved is under criminal investigation and the Employer is directed not to reveal the complaint or investigation.

Section 5.3 Conduct of Disciplinary Investigation

Supplementing all rights and processes due employees covered by this Agreement who may be the subject of a disciplinary investigation by the Inspector General, the interview will be conducted in the following manner:

- A. The interview of the employee shall be scheduled at a reasonable time, preferably while the employee is on duty, or if feasible, during day shift hours.
- B. The interview, depending upon the allegation, will take place at the employee's location of assignment, normal department location or other appropriate location, but not at a police station.
- C. Prior to an interview, the employee under investigation shall be informed of the person in charge of the investigation, the identity of the interviewer and all persons present during the interview. When a formal statement is being taken, all questions directed to the employee shall be asked by and through one interviewer at a time.
- D. The length of the interview sessions will be reasonable, with reasonable interruptions permitted for personal necessities.
- E. At the beginning of the interview, the employee shall be informed of the nature of the matters to be

discussed.

F. An employee under investigation shall not be threatened with transfer, dismissal or disciplinary action, or promised a reward, as an inducement to provide information relating to the matter under investigation, or for exercising any rights contained in this Agreement, provided, however, that this Section shall not prohibit or prevent an accurate reading of the employee's administrative rights, or the imposition of discipline in accordance therewith.

G. An employee under investigation will be provided without unreasonable delay with a copy of any written statement the employee has made.

H. (1) If the allegation under investigation indicates a recommendation for discipline is probable against the employee, said employee will be given the statutory administrative proceedings rights prior to the commencement of the interview. (2) If the allegation indicates that criminal prosecution may be probable against said employee, the provisions of this Section

7

shall be inapplicable and said employee will be afforded his constitutional rights concerning self, incrimination prior to the commencement of the interview. An employee will not be read his/her administrative and Miranda rights during the same interview.

I. At the request of the employee under investigation, an employee who may be subject to discipline shall have the right to be represented in the interview by a representative of the Union. The employee shall be told that he/she has the right to Union representation before commencement of the interview. The interrogation shall be suspended until representation can be obtained, provided the suspension is not for an unreasonable time and the Employer does not have the interview unduly delayed.

J. The Employer shall not compel an employee under investigation to speak or testify before, or to be questioned by, any non-governmental agency relating to any matter or issue under investigation.

K. The results of a polygraph examination shall not be used against an employee in any forum adverse to the employee's interests. The Employer will not require a polygraph examination if it is illegal to do so. If an employee is asked to take a polygraph examination, he/she will be advised in writing 24 hours prior to the administration of the examination. The results of any polygraph examination shall be known to the employee within one week.

L. This section shall not apply to employee witnesses.

M. The identity of an employee under investigation shall not be made available to the media during the course of an investigation until charges are filed by the Employer and the employee has the opportunity to respond thereto. If an employee is exonerated after the City initially informed the media of the charges against the employee, the City will make that fact available to the media where the employee requests it.

N. In the event that disciplinary action is taken against an employee, any allegations of violations of this Section shall be heard in connection with, and in the same forum as, grievances which protest said disciplinary action.

O. Any evidence or information including employee statements that is obtained in violation of the rights enumerated in this Section, shall be suppressed and shall not be used by the Employer for any disciplinary action against

the employee, or in the case of promotions or transfers:

Should during the life of this Agreement the City Council enact an ordinance which transfers the investigative authority of the inspector General to another City Department or agency, the provisions of this Section shall be deemed to be applicable to that Department or agency.

ARTICLE 6 EMPLOYEE SECURITY

Section 6.1 Just Cause Standard

No non-probationary employee covered by this Agreement shall be discharged or disciplined without just cause.

Section 6.2 File Inspection

The Employer's personnel files and disciplinary history files relating to any employee, upon due notice, shall be open and available for inspection by the affected employee during regular business hours, except for information which the Employer deems confidential. Said files shall be made available for inspection by the affected employee by no later than fourteen (14) working days after the Employer's receipt of notice from the employee. Nothing in this Section shall be construed as in any way limiting employees' rights to access personnel files as provided under State law.

Section 6.3 Limitation on Use of File Material

It is agreed that any material and/or matter not available for inspection, as provided for in Section 6.2 above, shall not be used in any manner or any forum adverse to the employee's interests.

Section 6.4 Use and Destruction of File Material

~~(a) Police Department - Disciplinary Investigation Files, other than Police Board cases.~~

(b) ~~All Departments~~* Any information of an adverse employment nature which is unfounded, exonerated or otherwise not sustained, shall not be used against the employee in any future proceedings.

Any record of discipline may be retained for a period of time not to exceed eighteen (18) months and shall thereafter not be used as the basis of any further disciplinary action, unless a pattern of sustained infraction exists. A pattern shall be defined as at least two (2) substantially similar offenses during said eighteen (18) month period.

Section 6.5 Traditional Work

Any work which has been traditionally performed by employees who are represented by the Union shall continue to be performed by said employees, except where non-unit employees have in the past performed unit work, or in emergencies, to train or instruct employees, to do layout,

demonstration, experimental, or testing duties, to do troubleshooting or where special knowledge is required, provided however, where employees do not report to work because of vacations, or other absences or tardiness, or for personal reasons during the, course of the day, or because all of the employees are or will be occupied with assigned duties, or to complete a rush assignment, employees of any other unit represented by another Union shall not perform the work of said employees. For example, if an Aviation Communications Operator (ACO) is on vacation, a Data Entry Operator shall not be assigned as a replacement for the ACO. The Employer shall not arbitrarily extend the period of any emergency beyond the need for that emergency.

ARTICLE 7 GRIEVANCE AND ARBITRATION

Section 7.1 - Discipline Procedures

a. All disciplinary actions, up to and including discharge, shall be subject to review only under the applicable grievance and arbitration procedures provided in this Article 7. Such contractual review procedures shall be the sole and exclusive means for review of any and all such disciplinary actions, and no review of any such disciplinary action shall be available before the City's Human Resources Board or Police Board. An employee who may be subject to disciplinary action for any impropriety has the right to ask for a Union representative to be present at any interrogation or hearings.

In the event that a discharged employee appeals an adverse decision of the Personnel or Police Board to the Circuit Court of Cook County, or thereafter to the Appellate Court of Illinois, and the decision of the Personnel or Police Board is reversed or remanded resulting in restoration of the job, the Employer will pay the employee's reasonable attorney's fees which he or she has incurred in connection with the court proceeding, excluding fees incurred before the Personnel or Police Board. The employee shall submit a post-appeal fee petition to the Employer, which shall be supported by full documentation of the work performed, the hours expended, and the rates paid by the employee. Should the parties be unable to agree on the proper amount of the fees to be paid to the employee, either party may refer the dispute to arbitration under the relevant provisions of this agreement.

b. The Employer within its discretion may determine whether disciplinary action should be an oral warning, written reprimand, suspension or discharge, depending upon various factors, such as, but not limited to, the severity of the offense or the employee's prior record. Such discipline shall be administered as soon as practical after the Employer has had a reasonable opportunity to fully investigate the matter. The City of Chicago approves of the concept of progressive and corrective discipline for Career Service employees, and recommends its use when appropriate, as set forth in the City's Personnel Rules.

c. In cases of oral warnings, the supervisor or his/her designee shall inform the employee that he/she is receiving an oral warning and the reasons therefor. For discipline other than oral warnings, the employee's immediate supervisor or his/her designee shall meet with the employee and notify him/her of the accusations against the employee and give the employee an opportunity

to answer said accusations. Specifically, the supervisor or his/her designee shall tell the employee the names of witnesses, if any, and make available copies of pertinent documents the employee or Union is legally entitled to receive, to the extent then known and available. If the employee requests the presence of a Union representative at a meeting, one will be provided, if available, who shall

be given the opportunity, if the employee requests, to rebut the discipline and request further pertinent information.

Section 7.2(a) Grievance Procedure

1. Matters which are management rights, except as expressly abridged by a specific provision of this Agreement, suspensions of over thirty (30) days and discharges shall be excluded from this grievance procedure. Suspensions of over thirty (30) days and discharges shall be governed exclusively by the terms of Section 7.2(b) below. Disciplinary cases which are converted from a discharge to a suspension as a result of a decision of the Personnel or Police Board do not thereafter become arbitrable as a result of said decision.

2. A difference, complaint or dispute (hereinafter called a grievance) between the Employer and the Union or any of the employees of the Employer it represents, arising out of the circumstances or conditions of employment, shall be exclusively settled in the following manner and there shall be no strikes, slowdowns, or work stoppages during the life of this Agreement. It is agreed that the time limitations set forth herein are of the essence and that no action or matter not in compliance therewith shall be considered the subject of a grievance unless said time limitations are extended by agreement of both parties to this Agreement. Before a formal grievance is initiated, the employee and/or the Union shall meet with and discuss, the matter with the employee's immediate supervisor. A steward may be present at such discussion. If the problem is not resolved in a discussion, the following procedure shall be used to adjust grievances.

STEP I

A. The employee and/or the Union shall raise the grievance in writing within fifteen (15) calendar days of having knowledge of the event which gives rise to the grievance. The employee or the Union will specify the Sections and subsections of the Agreement alleged to have been violated, a brief description of the facts giving rise to the grievance, including relevant dates, and the requested remedy. Nothing in this paragraph shall preclude the Union, prior to Step IV, from amending the grievance with respect to the specific Sections and subsections of the Agreement alleged to have been violated.

B. The immediate supervisor will render his/her decision to the employee and the Union in writing within ten (10) calendar days after the grievance is presented, and will briefly state the basis for the decision.

STEP II.

A. If the grievance is not settled at the first Step, the Union representative and/or the employee shall have the right to make an appeal in writing on a mutually agreed upon form to the Department Head's designee, a senior supervisor, within ten (10)

11

calendar days after the date of the decision by the immediate supervisor, or the date such answer was due. The name of the senior supervisor, who is the Department Head's designee shall be posted for employees in areas where employee notices are normally posted and submitted to the Union.

B. The Department Head's designee will notify the employee in writing with a copy to the Union of his/her decision on the grievance form within seven (7) days of receipt of the Step II appeal form.

STEP III

A. If the grievance is not settled in Step II, the Union or the employee may appeal in writing to the Department Head within ten (10) calendar days of receipt of the senior supervisor's decision, or the date such answer was due.

B. The Department Head or his/her designee shall meet with the Union's representative at least once each month to discuss all pending grievances that have been advanced to Step III. The purpose of the Step III meeting will be for the Department and the Union to share relevant information and discuss their respective positions with respect to each grievance pending at Step III, and attempt to amicably resolve as many grievances as possible. The Department Head or the Department Head's designee shall have the requisite authority to attempt to resolve grievances during the Step III meeting. No grievance will be discussed at more than one Step III meeting, unless the Employer and the Union mutually agree that further meeting and discussion would be beneficial. Nothing in this paragraph shall be construed to relieve the Employer and the Union from their respective obligations to otherwise process and respond to grievances in accordance with this Article. For any grievances that remain unresolved at the conclusion of the Step III process, the Department shall provide the Union with a written decision within seven (7) calendar days of the conclusion of the Step III process.

C. If an arbitrable dispute is not settled at the third step, either the Union or the Employer may notify the other in writing within thirty (30) calendar days of receipt of the Step III decision, that it requests final and binding arbitration of its grievance.

D. Any settlement at Step I, II or III shall be binding upon the Employer, Union and the aggrieved employee or employees. Failure of the Employer to answer a grievance within the time limits herein shall permit the Union to refer the case to the succeeding step of the procedure. Upon request, there shall be a meeting at each step of the grievance procedure. A Union steward or a Union Staff Representative may be present at each step meeting. The Union will be informed of and allowed to be in attendance at and participate in all grievance or disciplinary hearings. A grievance may be withdrawn without prejudice to the Union. Failure of the Employer to answer a grievance within the time limit herein shall automatically cause the grievance to advance to the succeeding step of the procedure.

12

E. If the grievance or arbitration affects more than one employee, the grievance or arbitration may be presented by a single selected employee representative of the group or class. The Union shall advise the Employer when it knows the grievance affects a group or class of employees.

F. Even though a grievance has been filed, employees are obligated to follow instructions or orders of supervisors of the Employer, except where the instruction or order is so inherently dangerous to the employee that it could cause death or serious physical harm. The Employer agrees that by following instructions or orders the employee does not waive the employee's right to process his or her grievance. Refusal to follow instructions or orders shall be cause for suspension or discharge at the option of the Employer.

STEP IV

A. If the matter is not settled in Step III, the Union or the Employer, but not an individual employee or employees, may submit the dispute to arbitration by serving a written request to arbitrate, setting forth the facts and specific relief requested, within thirty (30) calendar days after the decision is given at Step III hereof.

B. A rotating Roster of Arbitrators shall be used by the parties. The Employer and the Union will select a roster of eight (8) arbitrators. All arbitrators shall be selected by mutual agreement.

In the event the parties cannot mutually agree upon the selection of a full roster of eight (8) arbitrators, the parties shall contact the Federal Mediation and Conciliation Service (FMCS) for a list of arbitrators in the Chicago area (excluding those upon whom agreement may have been reached). The parties will then alternately strike names from such list until the remaining number of arbitrators are left to make up a roster of eight (8). The Employer and the Union will rotate the first strike. Arbitrators will advise the parties of their fees and expenses prior to selection and will be expected to charge such fees and expenses. The fee and expenses of the arbitrator shall be borne by the party whose position is not sustained by the arbitrator. In cases of split decision, the arbitrator shall determine what portion each party shall be billed, based upon which party, if any, substantially prevails. In the event that either party cancels or postpones a scheduled hearing date (including instances where the cancellation of hearing resulted from the Union's unilateral withdrawal of the grievance), and a fee is assessed by the arbitrator as the result of said cancellation or postponement, the canceling or postponing party will pay the arbitrator's fee, unless the parties mutually agree otherwise. The arbitrator assessing said fee shall have jurisdiction to resolve any dispute arising out of his/her fee allocation for the cancellation or postponement.

The arbitrator shall have the right to subpoena witnesses and require the production of pertinent documents at the request of either party. Each party shall be responsible for compensating its own representatives and witnesses. The cost of a transcript shall be shared if the necessity of a transcript is mutually agreed upon between the parties. Arbitrators shall select a date for arbitration within ninety (90) days of notice that a grievance is ready for arbitration.

13

and submit their decision within thirty (30) days following such hearing. The Roster of Arbitrators will be listed in alphabetical order on a list retained by both the Employer and the Union.

Upon a Step IV request for arbitration, arbitrators will be designated by the parties in alphabetical rotating order and subsequently contacted to obtain an arbitrator's commitment to arbitrate the respective grievance within the stated time limit within seven (7) days from the date the grievances are submitted to the arbitration process. If an arbitrator is not available to hear a case, the next arbitrator in rotating alphabetical order will be chosen. The parties may mutually agree not to use a particular arbitrator for a specific case, or to select an arbitrator who is not on the roster. The parties may agree to submit more than one (1) grievance to a selected arbitrator.

Every year each party has the right to remove up to two (2) arbitrators from the Roster of Arbitrators and have them replaced with other arbitrators selected in the same manner as the initial selection. The parties may mutually agree at any time to remove any arbitrator from the panel of eight (8). If the parties so agree, they may mutually agree to replace such arbitrator with another arbitrator who is mutually acceptable. If, because of such removals, the Roster of Arbitrators falls below six (6), and the parties cannot agree on replacement arbitrators, the parties shall contact the Federal Mediation and Conciliation Service (FMCS) for a list of nine (9) arbitrators (excluding those already on or removed from the roster) in the Chicago area for each vacancy on the roster below the complement of six (6).

The parties will then alternately strike names from each such list of arbitrators until one (1) remains from each so that the remaining number of acceptable arbitrators is sufficient to bring the total roster to at least six (6), or such number greater than six (6) as the parties may agree.

C. An arbitrable matter must involve the meaning and application or interpretation of a specific provision of this Agreement. Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall have no power to amend, add to, subtract from, or change the terms of this Agreement, and shall be authorized only to interpret the existing provisions of this Agreement and apply them to the specific facts of the grievance or dispute. The decision of the arbitrator shall be final and binding on all parties to

the dispute, including the employee or employees involved.

3. An Employer or Union grievance may be filed at Step III. Certain issues which by their nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may be filed at the appropriate advance step where the action giving rise to the grievance may be resolved.

4. The Union and the Employer agree that, in order to further their mutual goal of resolving grievances at the lowest practical level of the grievance procedure, sharing of relevant

14

information is required. For that reason, the parties recognize the obligation of their representatives at each level of the grievance procedure to provide, in a timely manner, relevant information that is available or reasonably obtainable. Failure to provide such information in a timely manner shall constitute a violation of this Agreement.

Section 7.2(b) Procedures for Arbitrations of Suspensions of Over Thirty (30) Days and Discharges

1. In the event that the Union intends to seek arbitration of any suspension of over thirty (30) days or any discharge, the Union shall notify the Employer in writing, within fifteen (15) calendar days of the effective date of the suspension or discharge, that it requests final and binding arbitration of the suspension or discharge. The Union shall submit its written request for final and binding arbitration to the affected Department and the Department of Law.

2. Within five (5) working days of service of the arbitration request on the Employer, a representative from the Union and a representative from the Employer's Department of Law shall confer and select an arbitrator.

3. The terms of Step IVB and Step IVC of Section 7.2(a) above shall also apply to arbitration of suspensions of over thirty (30) days and discharges, except only that the arbitrator shall conduct a hearing within sixty (60) days of being notified by the parties of his/her selection, and the arbitrator shall submit his/her decision within thirty (30) days following the close of hearing, unless the parties mutually agree otherwise. If an arbitrator informs the parties that he/she is unable to comply with said time frames, the parties will select another arbitrator, unless the parties mutually agree otherwise.

4. It is agreed that the time limitations set forth in Section 7.2(b) are of the essence, and that any request for arbitration not in compliance therewith shall not be considered arbitrable, unless said time limitations are extended by written agreement of both parties to this Agreement.

Section 7.3

In the event of a claim by the Union that there is any outstanding payment owed to an employee under the terms of a grievance settlement agreement or arbitration award, such claim may be submitted on the "Employee Payroll Inquiry Form" attached to this Agreement as Appendix E.

ARTICLE 8 NON-DISCRIMINATION

Section 8.1 Equal Employment Opportunities

The Union agrees to work cooperatively with the Employer to insure equal employment opportunities as required by law in all aspects of the Employer's personnel policies.

Section 8.2 No Discrimination

Neither the Employer nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable laws because of race, color, religion, national origin, age, sex, marital status, mental and/or physical handicap activity on behalf of the Union.

Section 8.3 Union Stewards

Employees acting as Stewards shall not be discriminated against nor be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union in advance of any such transfers.

Section 8.4 Grievances by Employees

Grievances by employees alleging violations of this Article shall be resolved through Step III of the Grievance Procedure of This Agreement, but shall not be subject to arbitration unless mutually agreed by the parties.

Section 8.5 Use of Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.

Section 8.6 Reasonable Accommodation

In the event the Employer shall be required to make a reasonable accommodation under the Americans With Disabilities Act ("ADA") to the disability of an applicant or incumbent employee that may be in conflict with the rights of an employee under this Agreement, the Employer shall bring this matter to the attention of the Union. The provisions of Article 7 of this Agreement shall be available, and the Arbitrator may balance the Employer's obligations under the

ADA and this Agreement and the employee's rights under this Agreement, provided that no incumbent employee shall be displaced by such decision of the Arbitrator.

Section 8.7 Union Activity

The Employer agrees that no employees shall be discriminated against, intimidated, restrained or coerced in the exercise of any rights granted by the Labor Relations Act or by this Agreement, or on account of membership in, or activities on behalf of the Union.

Non-Crossing Guard employees shall be eligible for paid vacations as of January 1 of each year following the year in which they were employed. An employee will earn the following amounts of paid vacation, based on such employee's continuous service as of July 1:

Continuous
Service as of July 1 Vacation

Less than 6 years	13 days
-------------------	---------

6 or more, but less than 14 years	18 days
-----------------------------------	---------

14 or more years	23 days
------------------	---------

After 24 years	24 days
----------------	---------

<u>After 25 years</u>	<u>25 days</u>
-----------------------	----------------

a. Pro Rata Vacations

An employee shall be eligible for pro rata vacation if:

- i) The employee did not have 12 months of continuous service in the preceding calendar and is on the payroll as of January 1 of the current calendar year; or
- ii) The employee was separated from employment, other than for just cause, during a calendar year in which the employee did not have 12 months of continuous service.

The amount of pro rata vacation is determined by dividing the number of months of continuous service the full time employee worked in the previous/current calendar year, whichever is applicable, by twelve (12); the resulting figure is multiplied by the amount of paid vacation for which the employee is eligible. Any fraction is rounded off to the nearest whole number of days.

Part time employees who work at least 80 hours per month earn vacation on a pro-rata basis calculated in accordance with the formula used by the Employer in accordance with past practice.

In the event of the death of an eligible employee, the surviving widow, widower or estate shall be entitled to any vacation pay to which the deceased employee was

entitled. An employee who is subject to discharge for serious misconduct as provided herein, and who resigns prior to the receipt of the final discharge notice issued by the Department, is entitled to the amount of vacation pay in their bank at the time of resignation.

ch The rate of vacation pay shall be computed by multiplying the employee's straight hourly rate of pay in effect for the employee's regular job at the time the vacation is being taken, times eight (8) hours per day, times the number of days' vacation to which the employee is entitled. Salaried employees shall receive their regular salary in effect at the time schedule vacation is taken.

SIDE LETTER #4 - REVISED DURING 2017-2022 CBA NEGOTIATIONS SUMMER
EMPLOYMENT FOR CROSSING GUARDS

City proposes to extend the attached side letter agreement dated February 15, 2019 concerning Crossing Guards working for summer employment as Traffic Control Aides-Hourly for the life of the new Agreement.

February 15th, 2019

Jeffrey Howard
Executive Vice President, SEIU Local 73 300 S. Ashland
Ave., Ste. 400 Chicago, IL 60607

RE: Crossing Guard Summer Employment as TCAII Pilot Program

Dear Mr. Howard:

This is to confirm the agreements between the City of Chicago Office of Emergency Management and Communications ("OEMC") and SEIU Local 73 ("Union") with respect to summer employment opportunity for crossing guards, as a pilot program for the Summer of 2019, to work as a Traffic Control Aide-Hourly, provided they successfully pass the traffic control training and can adequately perform the duties of the TCAH to the Department's satisfaction..

Crossing Guards will be on paid time for any training in which they partake. Persons who complete such training will be assigned TCAH work opportunities as the need arises at the Department's discretion and will be paid their normal rate of pay as Crossing Guards for such work. If more crossing guards complete the training than are needed for this program, then, the participants will be chosen by seniority.

Crossing Guards who are working for the summer school program are not eligible for this program. This program is purely voluntary and Crossing Guards will not be penalized in any way for not participating in the program. However, once a crossing guard is participating in the program, they are expected to report to their assigned events. Unauthorized failure to report to an assignment can disqualify a crossing guard from participating in this program, but will not incur any type of disciplinary action. At the conclusion of summer 2019, this program will expire unless extended by mutual agreement of the parties. The parties have mutually agreed to extend the term of this side letter through the life of the 2017-2002 CBA.

Please sign below to signify agreement to the foregoing.

RE: Unit II and City of Chicago
Traffic Control Aide - Hourly; Title Code 9104

Dear Matt- :

This is to confirm the agreement between the City of Chicago ("City") and SEIU Local 73 ("Union") that the following terms and conditions shall apply to employees in the Traffic Control Aide - Hourly ("TCAH") job classification:

1. TCAH's are included I the Unit II bargaining unit. TCAH's are not covered under the terms of the City's collective bargaining agreement with Unit II ("the Contract"), except only for the following provisions: Article 1 (Recognition), Sections 3.1 (Union Security) and 3.2 (Activity Reports), and-th e parties' October 11, 1996 letter agreement pertaining to fair share; and Article 4 (No Strike or Lockout). In addition, TCAH's shall have the right to bid on bargaining unit vacancies in accordance with the terms of Section 11.2 of the Contract. In addition to the posting requirements of Section 11.2(e), the City agrees that the Department of Police ("CPD") will make available to the Office of Emergency management Communications ("OEMC") a copy of any job postings for vacant, full-time Traffic Control Aide positions posted in CPD, so that said positions can be posted by OEMC. The Union may also appoint TCAH's to serve as Stewards, subject to the terms of Article 16 of the CBA. The Union and OEMC will meet to discuss the appropriate number of TCAH's who may be appointed as Stewards.
2. Any alleged violation ofthe specific term of this Letter of Agreement shall be subject to Sections 7.3 and 7.4 (Grievance and Arbitration) ofthe Contract.

3. As of July 1, 2017, the pay rate for the TCAH job classification was will be \$15.59 \$19.86 per hour. Effective o n-the first day of the third-full-pay period-that follow^heHlateH)f--executionii of th

is-Letter-of-Agreement-by-the-Union, the pay rate for the TCAH job classification will be \$16.59 per hour. That pay rate shall be increased from time to time as required by the percentage wage adjustments agreed to by the parties in the 2018-2022 Collective Bargaining Agreement, as follows:

Effective January 1, 2018 - \$20.26

Effective January 1, 2019 - \$20.72

Effective January 1, 2020 - \$21.13

Effective January 1, 2021 - \$21.61

Effective January 1, 2022 - \$22.04

The City acknowledges its responsibility to pay employees for all hours worked in an accurate and timely fashion.

4. For purposes of application of Section 3. IB of the Contract, Union membership dues for TCAH's shall be calculated at the rate of 2% of the TCAH pay rate. The City will not make payroll deductions for any initiation fees assessed by Unit II.
5. All TCAH positions will be considered "Exempt Program" within the meaning of the City's Personnel Rules, and exempt from Career Service. As such, TCAH's may be disciplined or discharged as exclusively determined by the Employer, and such Employer action shall not be subject to any grievance procedure or review by the City's Police or Human Resources Board. The City will provide at least ten (10) calendar days advance notice of any involuntary termination of a TCAH, and, following a request by the Union made within three (3) calendar days of its receipt of the termination notice, will meet and discuss the termination with the Union, including the basis for the termination. The City's lead representative will be an individual who was not responsible for initiating the termination recommendation. In the case of a termination of a TCAH for work-related misconduct of a type which would result in the City discharging a non-TCAH employee for a first offense, (not including any attendance-related violation or job abandonment), the Union may request review of the termination by the City's Director of Labor Relations, whose decision shall be final and binding.
6. No TCAH will receive any City health, vacation, holiday, sick-leave^ bereavement leave* or other employment benefits, and TCAH's shall only be entitled to such leave time as may be mandated by law. Upon ratification of the 2018-2022 Collective Bargaining Agreement, TCAH's shall be eligible for paid sick leave in accordance with Section 15.4 of that Agreement. Also, as of the upon ratification of that Agreement, TCAH's will receive bereavement leave as follows: TCAH's who work at least 1,200 hours in the preceding January through

December calendar year shall be eligible to receive payment for the hours the TCAH is scheduled to work but not to exceed eight (8) hours pay to attend the funeral/memorial of an immediate family member (as defined in Section 15.1 of the Contract) when the funeral/memorial occurs on a day when the TCAH is otherwise scheduled to work.

7. TCAH's will work only as needed, as determined by the City. No TCAH will work more than 1,300 hours between and including January 1 and December 31 in any calendar year, including any training directed by the City. In any TCAH's first calendar year of employment, the TCAH will not work more than a pro rata

portion of 1,300 hours (including any training directed by the City), based on the number of months remaining in the calendar year, including the month in which the TCAH was hired. (For example, if a TCAH is hired on July 21 in any calendar year, the TCAH will work no more than 6 months' worth of hours, or 650 hours, for the remainder of that calendar year.

8. Except only for specific events (including Soldier Field events), emergencies (including weather emergencies) or projects, or for purposes of receiving training, TCAH's will not be assigned to work within the area bounded by Oak Street on the north, Roosevelt Road on the south, Lake Shore Drive on the east, and Clinton Street on the west.
9. The City will provide new TCAH's with one (1) flashlight, one (1) whistle, and one (1) shared rain jacket. The City will also supply new TCAH's with each of the following uniform items for each season worked, on a one-time basis:

Spring/Summer: One (1) pair of washable pants; one (1) short-sleeve shirt; one (1) summer baseball cap; one (1) vest; and one (1) name plate. In addition, after at least thirty (30) days have passed since the TCAH's date of hire, and once the Spring/Summer season begins, the City will supply the TCAH, on a one-time basis, with one (1) additional pair of washable pants, and two (2) additional short-sleeve shirts.

Fall/Winter Apparel: One (1) all season jacket; one (1) winter cap. TCAH's will also have the option of purchasing, at their own expense, authorized long-sleeve shirts and sweaters.

The City will also provide each TCAH, one time each year after the TCAH's year of hire, any necessary replacement of one (1) pair of pants, one (1) short-sleeve shirt, and/or one (1) vest, either by paper voucher or direct replacement.

On a one-time only basis, the Department will offer one additional shirt and pair of pants for all persons employed as of the date of ratification.

10. Any TCAH who is separated from employment with the City within one (1) year of hire as a TCAH will repay all uniform costs.
 11. In-consider-ation of these agreements^ The Union waives its right to grieve any

Re: 2017 City of Chicago Negotiations - Unit II On the Job
Training of PCO Titles

Dear Mr. Bloch:

This letter will confirm our understandings and agreements reached during the 2017 contract negotiations between the City of Chicago and Public Safety Employees Unit II on the issue of on the job

training of PCO I and II personnel. This letter will supersede existing Side Letter 16 as provided below.

It was agreed that within one (1) year following the ratification of this Agreement, the City of Chicago will establish the job title of PCO-Trainer at a newly established Salary Grade Level 15, the specific job duties and qualifications of which position shall be established by the City's Department of Human Resources. The primary purpose of this job title shall be the performance of all on the job training for PCO I and II positions within OEMC, which training currently is being performed under the provisions of existing Side Letter 16 by PCO I and II employees who are assigned periodically to perform such training for an additional pay rate. All employees with PCO I and PCO II experience shall be eligible to bid for vacancies in this new position. Among such other qualifications as will be established, it is agreed that successful bidders who apply for this position must be able to establish to the hiring Department's satisfaction a record of prior successful experience in training of PCO I and II personnel. When not performing training as the primary job responsibility, the PCO-Trainer shall perform such PCO I and II duties as may be assigned by OEMC from time to time as the need for such assignments shall arise.

It was further agreed that for this new position, an employee's seniority for all purposes shall be determined by such employee's length of service in any prior bargaining unit positions which were held by that employee. In addition, as the Department fills future vacancies, the initial shift assignment for the vacancy shall be part of the posting for that position.

Upon creation of this new title and recruitment of sufficient qualified personnel by the Department, the training provisions set forth in existing Side Letter 16 shall no longer be in effect and such PCO I and II on-the-job training shall be performed by the PCO-Trainer classification, it being understood that nothing herein shall preclude Department supervisors who perform certain aspects of training PCO I and II titles from continuing to perform such training.

If this letter accurately sets forth our agreement, please initial a copy of this letter and return it to me.

Very truly yours,

By:

GUIDELINES FOR IMPLEMENTATION OF
CROSSING GUARDS SALARY SCHEDULE ADJUSTMENT

NEW CROSSING GUARDS SALARY SCHEDULE EFFECTIVE JULY 1, 2010

- A. ¹Based on salary schedule in effect January 1, 2010. Start with the salary schedule in effect on January 1, 2010, after all negotiated wage adjustments through and including that date have been applied, in accordance with Sections 1B(1) and (2) of the Agreement. ²
- B. Move all rates one step to the left. Effective July 1, 2010, after applying all negotiated wage adjustments through that date, shift all rates one step to the left. In doing so, the then-current step 1 (entry) rate drops off the table; the then-current step 2 rate becomes the new step 1 rate, the then-current step 3 rate becomes the new step 2 rate, etc.
- C. New-Step 12 rates. After shifting all rates one step to the left, plug in a new step 12 rate for class grade 1, in an amount 5% higher than the new step 11 rate for class grade 1. Then plug in a new step 12 rate for class, grade 1(a) that is \$.50 higher than the new step 12 rate for class grade 1.

PLACEMENT OF INCUMBENT CROSSING GUARDS ON NEW SALARY SCHEDULE EFFECTIVE JULY 1, 2010: ONE STEP TO THE LEFT

- A. Follow the step rate. Also effective July 1, 2010, and after all negotiated wage adjustments through that date have been applied, incumbent Crossing Guards (except for Crossing Guards at step I - see below) will be moved one step to the left, along with their step rates.
- B. Eligible to advance/return to former step within one year or less, based on date of last step advancement.
- (1) Incumbent employees who are moved one step to the left will retain their anniversary date, and will be eligible to advance/return to their former step (and the new, higher rate for that step) on the completion of one year of service from their last step advancement.
 - 2) This means that all incumbent Crossing Guards moved to the left from any of steps 5 through 12 will be eligible for their next step advancement (to their former step, at the new, higher rate for that step) at least one year sooner than they would otherwise have been eligible to advance.
 - 3) This also means that Crossing Guards moved to the left from any of steps 5 through 12, who have already completed at least one year of service

since their last step advancement, will be eligible to advance/return to their former step (and the new, higher rate for that step) immediately, effective July 1, 2010. July 1, 2010 will become the new anniversary date for employees who advance/return immediately to their former step.

INCUMBENT EMPLOYEES AT STEP ONE

Any employees who are at step 1 as of July 1, 2010 will remain at step I, but at the new, higher step 1 rate. July 1, 2010 will become the new anniversary date; such employees, who will then become eligible for advancement to step 2 on July 1, 2011.

This letter will confirm our understandings and agreements reached during the 2017 contract negotiations between the City of Chicago and Public Safety Employees Unit II on the issue of on the job training of Aviation Communication Operators ("ACO's") personnel. This letter will supersede existing Side Letter 24 as provided below.

It was agreed that within one (1) year following the ratification of this Agreement the City of Chicago will establish the job title of ACO-Trainer at a newly established Salary Grade Level 1_5. The specific job duties and qualifications of this position shall be established by the City's Department of Human Resources. The primary purpose of this job title shall be the performance of all on the job training for ACO employees, which training currently is being performed under the provisions of existing Side Letter 24 by ACO employees who are assigned periodically to perform such training for an additional pay rate. All employees with ACO experience shall be eligible to bid for vacancies in this new position. Among such other qualifications as will be established, it is agreed that successful bidders who apply for this position must be able to establish to the hiring Department's satisfaction a record of prior successful experience in training of ACO personnel. When not

performing training as the primary job responsibility, the ACO-Trainer shall perform such ACO duties as may be assigned by the Department from time to time as the need for such assignments shall arise.

It was further agreed that for this new position, an employee's seniority for all purposes shall be determined by such employee's length of service in any prior bargaining unit positions which were held by that employee. In addition, as the Department fills future vacancies, the initial shift assignment for the vacancy shall be part of the posting for that position.

Upon creation of this new title and recruitment of sufficient qualified personnel by the Department, the training provisions set forth in existing Side Letter 24 shall no longer be in effect and such ACO on-the-job training shall be performed by the ACO-Trainer classification, it being understood that nothing herein shall preclude Department supervisors who perform certain aspects of training ACO titles from continuing to perform such training.

If this letter accurately sets forth our agreement, please initial a copy of this letter and return it to me.

Very truly yours,

RE: TCA Hourly (Title Code 9104) Assignments

Dear Jeff:

The Union has raised an issue with respect to the OEMC's assignment of TCA Hourlies to perform certain duties currently referred to as "Lead" and "Field Training Aide" duties. This letter memorializes the City's agreement that, within one year of ratification of this Agreement, ~~following the ratification of the Heaew-cotieective bargaining agreement,~~ and to the extent these assignments continue to be utilized by the OEMC, the City's Department of Human Resources ("DHR") will conduct an audit of the "Lead" and "Field Training Aide" assignments to determine their appropriate classification, ~~said audk-to-begin within thirty (30) days of the effective date of ratification of the new agreement.~~

In the event that, as a result of this audit, DHR determines that any new job classification or classifications should be created to perform these assignments, the City agrees to stipulate to the inclusion of the new classification or classifications, in the Unit II bargaining unit, contingent upon the Union's filing of an appropriate petition with the Illinois Labor Relations Board, and the Board's certification of the Union as the representative of the new job classification or classifications. Also contingent upon such certification, the City agrees to bargain in good faith with Unit II with respect to the terms and conditions of employment of employees in the new job classification or classifications.

■■^^■.'■■KE-r- :L^Ue!"6fAgreement
Use of Surveillance Cameras/Equipment "

This letter confirms the agreement between the Cily of Chicago and SEIU, Local 73 as it relates to the City of Chicago's ("the City") use of surveillance cameras or equipment as a basis for disciplining employees in accordance with the parties' collective bargaining agreement ("CBA"). ; ∴ Specifically, the parties agree to the following:

- t
1. Vfe'Fhe City acknowledges its obligation to comply with the provisions ofthe CBA with respect to discipline as it relates to career service employees, including the requirement that discipline of career service employees shall only be for "just cause". Further, the City recogni7.es <<http://recogni7.es>> diat this requirement applies with equal force to any discipline based upon evidence obtained by virtue of die observation of events through the use of surveillance cameras or equipment owned or maintained by the City and/or its agents. The City also recognizes the Unions right to challenge any discipline of career service employees in accordance with the grievance and arbitration procedures set forth in the CBA.
 2. The Union acknowledges the City's compelling interest to operate and employ surveillance cameras/equipment in the workplace and other public areas to capture criminal conduct, deter prospective crime, enhance public, safely and protect public property. As such, the operation and use of such equipment constitutes a legitimate and permissible exercise ofthe City's managerial authority.

121 NORTH LA SALLE STREET, ROOM GOO, CHICAGO, ILLINOIS GOC0K

Iii the event that the City observes "real time" events through the use of surveillance cameras/equipment that suggest the possible occurrence of a minor disciplinary infraction, and before any disciplinary measures based on said • observation have been taken, the City will normally ask an appropriate supervisor to investigate by visiting the scene observed and speaking with the employee(s) in question, provided diat a supervisor is available to respond and is located a reasonable

distance from the scene observed. When the supervisor investigates the scene observed, every effort will be made to correct the problem without disciplinary action. However, this does not limit the City's ability to issue discipline in the event it determines that discipline is warranted. For the purpose of this agreement, "minor disciplinary infraction" means any infraction resulting in the City's issuance of discipline to the employee of a one (1) day suspension or lesser discipline.

To the extent that the City intends to rely on videotape evidence obtained from a surveillance camera as a basis for discipline or: involuntary discharge of a career service employee, the City will permit, upon written request, the employee and the Union an opportunity to view the videotape as part of the pre-disciplinary process described in Section 7.1 of the CBA.

If the Union decides to pursue a grievance in relation to discipline issued to an employee that involves the use of surveillance cameras or equipment, the City shall, upon written request, provide the Union with a copy of the video surveillance.

The City agrees that surveillance cameras shall not be installed in areas afforded statutory protection and traditionally recognized as private, such as locker rooms, changing areas, rest rooms, or other areas explicitly prohibited by law.

The City agrees to notify employees of the existence of surveillance cameras by posting of notices to employees. This requirement shall be deemed satisfied upon such posting, notwithstanding any possible subsequent defacing or removal of such notice by anyone other than the City.

The parties agree that nothing in this letter of agreement shall be construed as the City's waiver or the limitation of its right to discipline any employee based upon evidence it deems appropriate in any case, or of its right to present such evidence in support of any discipline. Nor shall anything in this letter be construed as a waiver by the Union of its right to challenge any discipline of any career service employee in accordance with the terms of the CBA, the Illinois Public Labor Relations Act, and other applicable laws.

If this letter accurately represents your understanding and agreement regarding these procedures, please sign below to signify the Union's agreement to the foregoing.
