REGULATIONS

Narrative: The subject property measures 14,555 square feet and is improved with a vacant one-story commercial building. The Applicant proposes rezone the property from a B3-2 Community Shopping District to a B2-3 Neighborhood Mixed-Use District to demolish the existing building and construct a new 55,000 square foot, tlve-story building with ground floor retail commercial space at the corner, two designated at-grade business live work units, forty residential units on the upper floors, and parking for 20 vehicles. The height of the building will be 60.00 feet. The Applicant seeks a reduction in required parking from 42 parking spaces to 24 parking spaces under the Transit Served Location regulations of the Chicago Zoning Code.
