The Applicant, Smash INTERACTIVE LLC, is seeking to rezone the property located at 2601-25 South Wabash Avenue/43-63 East 26th Street ("Subject Property") in order to establish retail uses and off-site accessory parking at the Subject Property which will serve Applicant's proposed Esports stadium at 2500-48 South Wabash Avenue.

The Subject Property consists of 48,135 sq. ft., and is improved with an existing 1-story brick building ('Existing Building') and a surface parking lot in which Chicago Carriage Cab Company, a taxi repair company, currently operates.

The Applicant seeks to renovate the Existing Building with a) retail space, consisting of 1,700 square feet and thirty (30) interior parking spaces and b) sixty (60) exterior parking spaces for a total of ninety (90) parking spaces, which Applicant plans to utilize as off-site, accessory parking spaces for Applicant's proposed Esports stadium located at 2500-48 South Wabash Avenue ("Proposed Off-Site Parking"). In order to move forward with establishing retail use within the Existing Building and the Proposed Off-Site Parking, the Applicant is seeking a Type 1 zoning amendment from the Subject Property's existing M1-3 Limited Manufacturing/ Business Park District to a B1-1 Neighborhood Shopping District.

The Applicant is not seeking to expand the footprint or increase the height of the Existing Building. As the Subject Property is bounded by manufacturing and commercial zoned properties, and the Subject Property's existing and proposed uses are non-residential, there are no required property setbacks. In accordance with 17-13-0303(C), please note-specific details regarding proposed redevelopment of property located at 2601-25 South Wabash Avenue/43-63 East 26th Street.
