Other than certain renovations and upgrades to the interior of the existing building, to allow for the additional services (uses) - in particular, painting, there will be no physical changes or additions to the envelope or footprint of the existing building. The existing surface parking lot - located along the west and south ends of the existing building, which provides off-street parking for at least twelve (12) vehicles, will also remain unchanged. The existing one-story building is, and will remain, masonry in construction and measures at or under 30 feet-0 inches in height.
14. The Affordable Requirements Ordinance (ARO) requires on-site affordable housing units and/or a financial contribution for residential housing projects with ten or more units that receive a zoning change which, among other triggers, increases the allowable floor area, or, for existing Planned Developments, increases the number of units (see attached fact sheet or visit

www.cityofchicago.org/ARO <<http://www.cityofchicago.org/ARO>> for more information). Is this project subject to the ARO?
