HONORING THE 135th ANNIVERSARY OF THE BIRTH OF PROPHET NOBLE DREW ALI

WHEREAS, it was the Noble Drew Ali's belief that African Americans were all Moors, descended from the ancient Moabites thought to be inhabitants of Northwest Africa. He founded the Canaanite Temple in Newark, New Jersey in 1913 and established congregations in Philadelphia, Pennsylvania, Washington, D.C, and Detroit, Michigan; and

WHEREAS, in 1925, he arrived in Chicago to establish the Moorish Science Temple of America as the headquarters of his Moorish Divine National Movement, destined to become a "network of alternative spiritualities that focused on the power of the individual to bring about personal transformation through mystical knowledge of the divine within." It was in Chicago that the Prophet built a civic organization to encourage his adherents to become better citizens; and

WHEREAS, as Prophet Noble Drew's work was predominantly religious, in accordance with the divine inspiration of God-Allah and the laws of the state of Illinois, the Prophet convened a meeting of his followers on July 20, 1928 to formally incorporate as the Moorish Science Temple of America, filing as a religious institution on August 1, 1928 with the Cook County Recorder of Deeds and declared to the Moorish Americans everywhere that Chicago, Illinois would be their new Mecca; and

WHEREAS, the Moorish Science Temple of America teaches that, until the coming of the universal Prophet Noble Drew Ali, although the resurrected Nation of Moorish Americans as a result of the 13th Amendment were emancipated from slavery in 1865, they had yet to reestablish and reunite themselves with the human family of nations; and

WHEREAS, from the Great Koran of Mohammed and guided by Allah, the Prophet Noble Drew Ali established that the five highest principles known to man were Love, Truth, Peace, Freedom, and Justice. It is the mission of the Moorish Science Temple of America to propagate this faith and extend the learning and truth of the Prophet, now therefore

BE IT RESOLVED that we, the mayor and members of the City of Chicago City Council, gathered together on this 27th day of January, 2021 AD, do hereby dedicate the month of January as Moorish Science Month in honor of the 135th anniversary of the birth of this holy and divine prophet of God-Allah and his benevolent work of redeeming the Moorish Americans as well as uplifting fallen humanity worldwide.
