*Residential-Business Planned Development Number 896, As Amended.*

*Plan Of Development Statements.*

1. The area delineated herein as a Residential-Business Planned Development Number 896, as amended (the "Planned Development") consists of approximately seven million one hundred seventy-two thousand two hundred twenty-six (7,172,226) square feet (one hundred sixty-four and sixty-five hundredths (164.65) acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). The "Applicant" for this amendment is LR ABLA LLC with authorization from the Property owners.
2. The Applicant, or the Chicago Housing Authority, LR ABLA L.L.C. (the "Master Developer") or their successors, assignees or grantees (collectively, "Affiliates") shall obtain all necessary official reviews, approvals or permits. Any dedication or vacation of streets, alleys or easements or any adjustment of rights-of-way shall require a separate submittal on behalf of the Applicant or its Affiliates and approval by the City Council of the City of Chicago (the "City Council").
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Property owners, the Affiliates, their successors, assignees or grantees and all other individuals or entities owning property within the Planned Development. All rights granted hereunder to the Applicant shall inure to the benefit of the Affiliates and their successors, assignees or grantees. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise), or, to the extent permitted by law, for a permit to construct improvements on the Property filed prior to completion of the improvements contemplated by this Planned Development shall be made or authorized by the Master Developer. Upon completion of construction of all the improvements contemplated by this Planned Development, any application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development may be filed or authorized for an individual parcel by the owner of the improvements located thereon.
4. This plan of development consists of these twenty (20) statements and the exhibits listed below, all of which are incorporated herein and made a part hereof by this reference: a Permitted Uses Table; a Bulk Regulations and Data Table; an Existing

These and no other zoning controls shall apply to the Property. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.

5. The Property within the Planned Development is divided into fourteen (14) subareas as indicated on the Subarea Map. Subject to the Bulk Regulations and Data Table and the Street Character Guidelines, those uses indicated on the attached Permitted Uses Table shall be permitted in this Planned Development. The uses permitted in Subareas A-1 - A-5, F, G and H are based on the uses permitted in the R4 General Residence District. The uses permitted in Subareas A-6, B, C, D, E and I are based on the uses permitted in the B4-2 Restricted Service District. In the event that the Chicago Zoning Ordinance is amended to change the permitted uses in either of these districts, any new use not otherwise included in the attached Permitted Uses Table proposed for the Property shall be subject to the review and approval of the Department of Planning and Development and shall only be permitted if such use is consistent with the character of the area in which it is proposed.

### Additional Permitted Use Regulations:

- a) Portions of the Property in all subareas may be used on an interim basis for construction staging and the storage of construction materials for the various phases of development of the Property (including temporary buildings for construction purposes) and for public and private parks and playgrounds. In addition, the floor area ratios provided for each subarea herein may be exceeded on a temporary basis during such construction.
- b) Any uses existing on the Property as of the date of adoption of this Planned Development shall be allowed to be maintained until the Applicant or the Affiliates undertake redevelopment thereof as provided herein.
- c) Residential uses may be permitted below the second (2<sup>nd</sup>) floor in all subareas.
- d) All retail shall have a minimum floor to floor height of twelve (12) feet.
- e) Any permitted business use allowed in Subarea A-6 shall be located on the ground floor of a residential building and the total amount of business space within the subarea shall not exceed two thousand (2,000) square feet. No drive-through uses shall be permitted in Subarea A-6.
- (0) Stand-alone business uses shall only be permitted within Subarea B at the southwest corner of South Racine Avenue and West Roosevelt Road and the southeast corner of South Loomis Street and West Roosevelt Road, provided the type of such use shall be subject to consultation with the ABLA Working

Group and compliance with paragraph 12 herein and provided further that the total amount of business space in the aforementioned locations shall not exceed fifteen thousand (15,000) and seven thousand five hundred (7,500) square feet, respectively. Business uses shall also be permitted at the southeast corner of West Roosevelt Road and South Racine Avenue provided such uses are located on the ground floor of a residential building and that the total amount of business space permitted in such location shall not exceed two thousand (2,000) square feet. Drive-through uses, other than restaurants, shall be permitted in Subarea B, subject to the review and approval of the Department of Planning and Development.

- g) All permitted business uses in Subarea D shall be located on the ground floor of residential buildings and the total amount of business space in any one location shall not exceed six thousand (6,000) square feet. Notwithstanding the foregoing, one retail location greater than six thousand (6,000) square feet shall be permitted within Subarea D. No drive-through uses shall be permitted in Subarea D.
- h) Permitted business uses shall only be allowed in Subarea E at the southwest corner of West 15<sup>th</sup> Street and South Loomis Street and at the southeast corner of West 15<sup>th</sup> Street and South Ashland Avenue and provided further that all permitted business uses shall be located on the ground floor of a residential building and the total amount of business space in any one location shall not exceed three thousand (3,000) square feet. No drive-through uses shall be permitted in Subarea E.
- (i) Permitted museum uses may exceed six thousand (6,000) square feet.
- (j) Drive-through uses shall be permitted in Subarea C and Subarea I, subject to the review and approval of the Department of Planning and Development.
- (k) All permitted "drive-through" uses shall be subject to the review and approval of the Department of Planning and Development.

6. Project identification signs and business identification signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs also shall be permitted, subject to the review and approval of the Department of Planning and Development.

7. Off-street parking and loading facilities shall be provided in accordance with the provisions of this Planned Development subject to the review and approval of the Departments of Transportation and Planning and Development. Any service drive or other ingress or egress shall be adequately designed and paved in accordance with the

regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such emergency areas. Ingress and egress shall be subject to the review and approval of the Departments of Transportation and Planning and Development. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Department of Transportation.

8. In addition to the maximum height of any building or any appurtenance depicted on the Building Elevations attached hereto, the height of

any improvement shall also be subject to height limitations as approved by the Federal Aviation Administration.

9. The improvements on the Property shall be designed, constructed and maintained in substantial conformance with this Planned Development. Landscaping shall be installed in accordance with the Landscape Plans for the various phases of development and maintained in accordance with the parkway tree planting and parking lot landscaping provisions of the Chicago Zoning Ordinance.
10. For purposes of floor area ratio ("F.A.R.") calculations, the definitions in the Chicago Zoning Ordinance in effect as of the date hereof shall apply; provided, however, that in addition to the other exclusions from floor area for purposes of determining F.A.R. permitted by the Chicago Zoning Ordinance, such calculations shall exclude (a) all floor area dedicated to mechanical equipment and storage areas in excess of five thousand (5,000) square feet in any single building, and (b) any floor area associated with parking and loading areas.
11. For purposes of this Planned Development, in addition to the encroachments permitted by the Chicago Zoning Ordinance, the following shall be considered permitted obstructions: steps exceeding four (4) feet in height above grade level in any yard setback depicted on the Site Plans; balconies, provided, however, no balconies, other than those which may be installed as part of a rehabilitation of an existing building, shall project into the public way; multi-story bays projecting not more than three (3) feet into any yard; and open porches projecting not more than five (5) feet into the front or side yards.
12. Prior to issuance by the Department of Planning and Development of a determination pursuant to Section 11.11 -3(b) of the Chicago Zoning Ordinance ("Part II Approval") for construction of the improvements in any phase of development subsequent to Phase I, a site plan, landscape plan and building elevations (collectively, the "Subsequent Phase Site Plan Approval Submittals") shall be submitted to the Department of Planning and Development for approval. substantially conform with this Planned Development, including the Street Character Guidelines attached hereto. Subsequent Phase Improvements that contain modifications which would otherwise be considered minor changes to the Planned Development shall be deemed to be in substantial conformance therewith. If the Subsequent Phase Site Plan Approval Submittals substantially conform with the provisions of this Planned Development, the Department of Planning and Development shall approve same within thirty (30) days from submission thereof. Following approval thereof by the Department of Planning and Development, said Subsequent Phase Site Plan Approval Submittals, and each of them, shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this Planned Development. After approval of the Subsequent Phase Site Plan Approval Submittals by the Department of Planning and Development, the same may be changed or modified pursuant to the provisions of Statement Number 13 of this Planned Development. In the event of any inconsistency between Subsequent Phase Site Plan Approval Submittals and the terms of this Planned Development in effect at the time of approval of such Subsequent Phase Site Plan Approval Submittals or of the changes or modifications thereto, the terms of this Planned Development shall govern.

Notwithstanding the foregoing, no Site Plan Approval shall be required in connection with the development of the Phase I improvements, the new construction building located in Subarea D contemplated by the 2017 amendment to this Planned Development or the buildings proposed in Subareas B or D contemplated by this amendment.

Subsequent Phase Site Plan Approval Submittals shall, at minimum, provide the following information:

- a) a site plan (including footprints of the proposed improvements);
- b) a landscape plan, including species and size of landscape material;
- c) location and depiction of all parking spaces and loading berths, including relevant dimensions;
- d) location and depiction of all drives, roadways and vehicular routes;

e) statistical information applicable to the particular phase of development depicted, including:

- 1) floor area and floor area ratio;
- 2) uses to be established;

- 4) building setbacks; (0 building elevations; and

(g) compliance with the Street Character Guidelines.

Subsequent Phase Site Plan Approval Submittals shall include such other information as may be necessary to illustrate substantial conformance with the applicable provisions of this Planned Development.

13. The terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner of the Department of Planning and Development upon the request of the Applicant, the Affiliates or their successors, assignees or grantees and alter a determination by the Commissioner that such a modification is minor, appropriate and consistent with the nature of the development of the Property contemplated herein and will not result in increasing the maximum floor area ratio for the total net site area or the maximum number of units for the total net site area established in this planned development. Any such modification shall be deemed a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. Notwithstanding the provisions of Section 11.11-3(c) of the Chicago Zoning Ordinance, such minor changes may include, but are not limited to, a reduction in the minimum required distance between structures, a reduction in periphery setbacks and an increase in the maximum percent of land covered.
14. The Applicant, the Affiliates, and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant and Affiliates shall use best and commercially reasonable efforts to design, construct and maintain all new buildings located within this Planned Development in an energy efficient manner, generally consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigeration and Air Conditioning Engineers ("A.S.H.R.A.E.") and the Illuminating Engineering Society ("I.E.S.").

The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The new construction building located in Subarea D contemplated by the 2017 amendment to this Planned Development and the buildings proposed in Subareas B or D contemplated by this amendment shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the

time the Part II review process is initiated for such buildings and must provide documentation verifying compliance.

15. The Applicant, the Affiliates and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section II. 11-3(b) of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement.
16. Applicant and Affiliates acknowledges that it is in the public interest to design, construct and maintain all buildings and improvements on the Property in a manner that promotes energy efficiency and maximizes the conservation of natural resources. To promote these objectives, the Applicant and Affiliates agree to review with the Department of Planning and Development to determine if any features, materials or resources would be cost-effective to include as a part of the design, construction, and maintenance of the buildings and improvements on the Property. Cost-effectiveness shall be in the sole discretion of the Applicant and Affiliates. Provided funding is available as indicated below, this review process shall specifically include the use of computer modeling programs recommended by the Department of Planning and Development. The types of features, materials and resources that will be analyzed and considered during this process are enumerated on Exhibit 12. This listing is not intended to be exhaustive and other features, materials and resources may also be reviewed and evaluated. All features, materials or resources shall be evaluated in the context of the Home Energy Rating System. To the extent that design, construction and maintenance of any of these features materials or resources requires supplemental funding from the City or other funding sources, design, construction or maintenance shall be subject to the receipt of such funding.
17. Design Guidelines. The improvements on the Property shall be designed, constructed and maintained in general conformance with the plans and exhibits set forth in these statements or attached hereto. In addition, the development shall be subject to the following development parameters:

(a) Open Space: Open space shall be provided within the Planned Development in accordance with the following requirements:

for all future phases of development shall substantially comply with the Street Character Guidelines and the Chicago Landscape Ordinance and associated guidelines and regulations. Landscaping for all rental properties will be varietal. Front yard beds of rental properties shall be varietal and be planted to maintain color throughout the seasons.

(c) Residential Building Design. Other than the Phase I Improvements, the new construction building located in Subarea D contemplated by the 2017 amendment or the buildings proposed in Subareas B or D contemplated by this amendment, which comply with the design requirements contained herein, building elements for all future phases may include but not be limited to: entrance canopies, front stoops, stairs, flat or pitched roofs, punched windows, bay windows, upper story balcony/porches, roof terraces and architectural elements that reinforce the corner.

1) Facades. Front facades, including end walls which front public streets or open spaces, be of brick, have windows and be ornamented with artificial stone or concrete. They shall be varied in material, roofline and window style. The front facade brick should turn the corner for a minimum of four (4) feet at the side walls. Where buildings have a greater exposure of the side facade due to an adjacent building setback, the facade brick shall return four (4) feet past the face of the adjacent facade. Side walls and rear walls should be masonry (brick or C.M.U.), vinyl clad or split-face block. E.I.F.S. synthetic stucco or dryvit, shall be limited to architectural ornament and penthouse facades. Facades that face car courts but not public streets must contain pedestrian scale entry doors, windows and building lighting. All front facades or side facades facing a public street will contain items that create architectural rhythm such as bay windows, and brick moldings; and building projections such as cornice lines and pilasters; television reception dishes shall not be permitted thereon. Affordable housing units shall be constructed of equal quality materials, detailing and decoration so they are indistinguishable from market rate units.

2) Dwelling Types. A variety of dwelling types including affordable housing is to be interspersed throughout the

development and within individual blocks.

- 3) Private Garages. Private garages may be constructed of vinyl siding, wood siding, stucco or masonry. Where a private garage is located within fifteen (15) feet of a public street, unless the facade facing the street is constructed of a material other than vinyl siding (i.e., masonry, stucco, el cetera); it shall be screened from view by plantings or fences.

If plantings are utilized to screen a garage, such plantings shall provide screening on a year-round basis.

- 4) Orientation Of Buildings. Buildings shall be oriented to the street, public open space or private courtyard with the primary facade and a front door, or the appearance of a front facade and front door. Any side wall facing a public street will contain materials and architectural elements that are consistent in character with primary building facades. Curb cuts, garage doors, blank walls and rear service elements shall not face public streets or common open spaces.

- 5) Retail Corner Sites. Retail corner site setbacks over five (5) feet are to be avoided.

- (d) Fencing, Walls And Gates. Fencing separating the private yards from the street or common open space should be no less than seventy percent (70%) transparent and no more than live (5) feet in height.

18. The Applicant acknowledges and agrees that the rezoning of the Property in Subarea D that was the subject of the 2017 amendment (the "2017 Amendment Property") and the buildings proposed in Subareas B or D contemplated by this amendment (the "Subject Property") from Planned Development Number 896 to Planned Development Number 896, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district.

The 2017 Amendment Property is located in a "higher income area" within the meaning of the ARO, and the project had a total of 73 units. As a result, the Applicant's affordable housing obligation is 7 affordable units (10% of 73 rounded down), 2 of which are Required Units (25% of 7, rounded up). Applicant agreed to satisfy its affordable housing obligation by providing 7 affordable units in the rental building to be constructed in the Planned Development. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated

annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in on the Subject Property, including, without limitation, excavation or foundation permits, the Applicant executed and recorded an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement was recorded against the 2017 Amendment Property and constituted a lien against such property.

The Subject Property is located in a "higher income area" within the meaning of the ARO, and the project has a total of 222 units. As a result, the Applicant's affordable housing obligation is 44 affordable units (20% of 222, rounded down), 11 of which are Required Units (25% of 44, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing 44 affordable units in the rental buildings to be constructed in the Planned Development. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in on the Subject Property, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property.

The Commissioner of DPD may enforce remedies for any breach of this Statement 18, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development, the regulatory, redevelopment, loan or other

agreement! s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

19. The Applicant acknowledges the city's ongoing and evolving initiatives to enhance awareness of, and support and encourage participation by. Minority and Women's Business Enterprise certified contractors and local city residents. To assist the city in promoting such MBE, WBE and local city resident involvement, the Applicant may provide the Department of Planning and Development with any preliminary outreach plans designed to elicit MBE, WBE and local city resident participation, such submission may include copies of certified letters, and receipts of such, sent to MBE/WBE contractor associations and the ward office of the alderman in which this project is proposed to be located. In conjunction with the Applicant's submission for Part II permit reviews of the new construction building located in Subarea D, the Applicant will provide DPD (and upon request, the full Plan Commission) with all responses to any preliminary outreach plans and certified letters, updates on any associated communications or meetings and anticipated percentages of MBE, WBE and local city resident participation. Prior to issuance of their Certificate of Occupancy for the new construction building located in Subarea D, the Applicant will provide DPD with actual level of MBE and WBE certified contractor and local city resident participation. All such details will be provided in a form acceptable to the Zoning Administrator or Commissioner of the Department of Planning and Development.
20. a) Unless substantial construction of the Phase 1 Improvements contemplated by this Planned Development has commenced within six (6) years of the effective date hereof and unless the completion of those improvements is thereafter diligently pursued, then this Planned

Development shall expire and the zoning of the Property shall automatically revert to those zoning district classifications in existence immediately prior to the adoption of the ordinance establishing this Planned Development.

b) Subsequent Periods. Unless substantial construction has commenced and been diligently pursued after the initial six (6) year period on a minimum of four hundred (400) dwelling units (cumulative) within eight (8) years of the effective date hereof, six hundred (600) dwelling units (cumulative) within ten (10) years of the effective date hereof and eight hundred (800) dwelling units (cumulative) within twelve (12) years of the effective date hereof (the "Subsequent Periods"), the Department may decide to review and recommend modification of the provisions of this Planned Development in whole or in part. The Department's determination that the Planned Development ordinance must be reviewed shall be reflected in an application filed by the City for a Planned Development amendment, with the City being deemed the Applicant and providing such notice as may be required by law. Not less than thirty (30) days before filing any such application for amendment to the Planned

### DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF CHICAGO

#### MEMORANDUM

To: Alderman Thomas Tunney

Chairman, City Council Committee on Zoning

From: , - ■ "" / r^N""\*Sr\*-

Maurice D. Cox Chicago Plan Commission

Date: July 15, 2021

Re: Proposed Planned Development (Application #20649)

On July 15, 2021, the Chicago Plan Commission recommended approval of a proposed Residential-Business Planned Development submitted by LR ABLA LLC. A copy of the proposed ordinance, planned development statements, bulk table and exhibits are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning and Land Use recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-9476.
