Re: Proposed Planned Development (7400 W. Talcott Ave. / 7401 W. Everell Ave.)

On August 26, 2021, the Chicago Plan Commission recommended approval of a proposed Planned Development, submitted by Lexington Monies, LLC. The Applicant is proposing to retain the project site's existing RS-2 (Residential Single-Unit Detached House District) zoning and create a Residential Planned Development. The applicant proposes to construct 50 single family houses, with an overall maximum height of 30'-0" on a 313,084 square foot lot. The overall maximum FAR of the planned development will be .65 FAR and 115 parking spaces will be provided (2 per residence, plus 15 guest parking spaces). A copy of the proposed ordinance, planned development statements and bulk table are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact Eilish Tuffy at eilicsh.tuffy@cityofchicago.org <<mailto:eilicsh.tuffy@cityofchicago.org>>.
