SECTION 2. The Developer acknowledges that any private water services and sewers, appurtenances and connections within the area to be dedicated shall be sealed, removed or relocated to private property at the Developer's expense, in accordance with the standard procedures of the Department of Water Management ("DOWM"). Any current private sewers may only be established as public through City Council action and only after the receipt and acceptance of videotape inspection and as-built drawings. In the event that any sewer is abandoned, the abandonment plans must be reviewed, approved and permitted by the DOWM prior to any work. All sewer work in both the public way and on private property requires permitting of a Licensed Drainlayer as secured through the DOWM.

SECTION 3. The dedication herein provided for is made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, the Developer shall file or cause to be filed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with the attached plat approved by the Department of Transportation's Superintendent of Maps and Plats.

SECTION 4. This ordinance shall take effect and be in force from and after its passage and publication. The dedication shall take effect and be in force from and after the recording of this ordinance and the associated plat.

Dedication Approved:
