NOW, THEREFORE, in consideration of the mutual promises, terms and conditions set forth herein, and for the purpose of intergovernmental cooperation, the parties agree as follows:

1. Recitals. The foregoing recitals are incorporated in and made a part of this Agreement by this reference.
2. Transfer of Existing Parkland to the City; Reversion. The Park District agrees to convey by quitclaim deed ("Deed"), and the City agrees to accept, all of the Park District's right, title and interest in the Existing Parkland on the Closing Date as defined in Section 4 hereof and subject to the terms of this Agreement. The City agrees to accept the Existing Parkland in its "as is" condition and subject to a reversionary clause, providing that the Existing Parkland is subject to reversion to the Park District in the event that Joliet elects, pursuant to Section 4.4 of the Preliminary Agreement or the Water Supply Agreement (as defined in the Preliminary Agreement), not to

construct a portion of the Project on the Existing Parkland or to otherwise use the Existing Parkland for water supply purposes; and such reversion to the Park District will be in the Existing Parkland's then-existing "as is" condition (unless required otherwise in the Permanent Easement Agreement, specifically but not by way of limitation to restore any pre-existing athletic uses) and subject, however, to Joliet's environmental remediation and indemnification obligations, if any, under the Permanent Easement Agreement. If the Preliminary Agreement or Water Supply Agreement (as defined in the Preliminary Agreement) is terminated prior to the date on which the Park District

commences the use and enjoyment of the Existing Parkland under the Lease after construction of the Project and related restoration, then the City may terminate this Agreement and the Park District shall purchase the Existing Parkland back from the City for one dollar.

3. No Obligation to Provide Title and Survey; No Warranties; Obligation to Provide Joliet Access and Temporary Easements.

a) No Title and Survey. The Park District shall have no obligation to provide a survey of the Existing Parkland, or title insurance. The City acknowledges and agrees that it is not relying on any express or implied warranties, promises, guarantees, or representations made by the Park District or anyone acting or claiming to act on behalf of the Park District in acquiring the Existing Parkland.

b) No Warranties. The City hereby expressly disclaims any express or implied warranties or covenants as to the value, character, quality, quantity or condition of the Existing Parkland or any improvements thereon.

c) Joliet Access. Notwithstanding the foregoing, the Park District agrees to cooperate with the City and Joliet in providing other available documentation and information with respect to the Existing Parkland and Durkin Park and, subject to submission to the Park District by Joliet of the Park District's customary submission requirements for such approval processes, providing all necessary temporary rights of entry and other access to Joliet as Joliet requires in order to do the necessary inspections, examinations and testing, including without limitation environmental and geotechnical assessments, of the Existing Parkland and Durkin Park in connection with determining whether the Existing Parkland and Durkin Park are an appropriate location for the Project.

d) Joliet Temporary Easements. The Park District agrees to cooperate with the City in providing temporary easements for construction to Joliet for the purpose of Joliet's construction of the Project as well as restoration, which areas include, without limitation, the following, which are referred to collectively as the "Temporary Easements": (1) the parcel west of the Existing Parkland, which is labeled on Exhibit B as "1.0 Acre Construction Easement" ("Primary Construction Easement"), and (2) any areas adjacent to and north of the Existing Parkland and Primary Construction Easement required to transition the grade from those areas to the grade level of the remainder of Durkin Park.

4. Closing Date. The closing date for transfer of title to the Existing Parkland ("Closing Date") will occur on a date mutually acceptable to the parties hereto, and on a date that will not impair or impede progress on the Project, and in no event later than December 31, 2022. The Permanent Easement Agreement, the agreement(s) for Temporary Easements and the Lease shall be approved and executed concurrently with the Closing Date.

6

5. Delivery of Possession. Possession of the Existing Parkland shall be delivered on the Closing Date.

6. Park District's Continuing Right to Use Prior to Closing Date. From the date hereof through the Closing Date, subject to the terms and conditions of this Agreement, the Park District shall have the right to continue to use the Existing Parkland for its existing purposes, which purposes shall in no way increase the difficulty of or burden on Joliet's Project. The City shall provide the Park District with at least fourteen (14) days' notice of any scheduled plan for Joliet to use the Existing Parkland prior to the Closing Date, in order to minimize disruption to any previously scheduled community activities on the Existing Parkland. The Park District shall not enter into any agreements for the sale, development, improvement or use of the Existing Parkland or Durkin Park without the prior written consent of the City, which shall be in the City's sole discretion and consistent with the Preliminary Agreement. The foregoing prohibition shall exclude only improvement and use agreements entered into by the Park District in the ordinary course of business and necessary to the continued use and operation of the Existing Parkland for its existing purposes but which shall in no way increase the difficulty of or burden on Joliet's Project. Prior to the Closing Date, the Park District shall maintain the Existing Parkland in good condition and repair, in a manner consistent with all

other similarly situated Park District properties.

7. Land Approvals. The Park District shall have no obligation to obtain any zoning or other land use approvals that may be required for the Project; provided, however, the Park District agrees to cooperate with the City and Joliet to the extent necessary to obtain such approvals.

8. Environmental Condition.

a) The City acknowledges and agrees that the Park District has made no representations concerning the presence or absence of Hazardous Substances (as defined below) on the Existing Parkland or any property adjacent thereto and that the Park District has made no representations concerning the existence or non-existence of any violation, past or present, of Environmental Laws (as defined below) affecting the Existing Parkland. The City hereby waives any and all claims, actions, causes of action, suits or demands of any nature against the Park District which it may have now or in the future for damages, payments, costs, or expenses (including, without limitation, claims of contribution or indemnity and any expenses of investigation of the condition of the Existing Parkland, regardless of the results of such investigation) suffered by the City as a result of the presence or possible presence of any Hazardous Substances on or near the Existing Parkland or the violation, at any time in the past, present, or future, of any Environmental Laws affecting the Existing Parkland. This waiver shall survive the Closing Date.

b) As used in this Agreement, the following terms shall have the following meanings:

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act,

7

a) Restoration on Permanent Easement. After completion of construction of the Project on the Existing Parkland, the City will require Joliet to restore the Existing Parkland and construct the athletic field and facilities as are generally described in the Fifth Whereas Clause of this Agreement.

b) Replacement Facilities on Other Park Properties. The City acknowledges that the Park District's use of the southern portion of Durkin Park (including both the Existing Parkland and the adjacent portion of Durkin Park that will be required for the Primary Construction Easement as shown on Exhibit B) will be disrupted during the construction of the Project on Durkin Park. The City and Joliet will negotiate an agreement pursuant to which Joliet will, on the Closing Date, pay an amount, subject to negotiation, which the Park District will use to construct improvements at other Park District locations in the area (which may include other portions of Durkin Park not subject to the Permanent Easement or Temporary Easements) to accommodate increased demand due to the unavailability of the Existing Parkland and the Temporary Easements. The funds for said improvements: (i) shall be provided so long as the City grants the Permanent Easement to Joliet and the Park District grants the Temporary Easements required for the Project to Joliet, and (ii) shall be in the amount negotiated between the City and the Park District. Additional details regarding the replacement improvements will be negotiated among the City, the Park District and Joliet and included in the Lease, the Permanent Easement Agreement, agreement(s) for Temporary Easements and/or the Water Supply Agreement.

c) Permanent Easement. . The City shall grant to the Park District some or all of any compensation received from Joliet for the use of the Permanent Easement.

8

12. Entire Agreement. This Agreement, and the exhibits attached hereto and incorporated herein, shall constitute the entire Agreement between the parties. There are no representations, warranties, conditions or other agreements, whether direct or collateral, or express or implied, that form part of or affect this Agreement, or that induced any party to enter into this Agreement or on which reliance is placed by any party, except as specifically set forth in this Agreement.

13. No Third Party Beneficiary. This Agreement is for the sole and exclusive benefit of the City, the Park District and their respective successors and assigns.

14. Counterparts. This Agreement is comprised of two or more identical counterparts, each of which may be fully executed by the parties and, executed, will be deemed an original having identical legal effect.

16. Authority. The conveyance and acceptance of the Existing Parkland is authorized under the Local Government Property Transfer Act.

17. Amendments. No changes, amendments, modifications or discharge of this Agreement, or any part hereof, shall be valid unless in writing and signed by authorized officers of the City and Park District or their respective successors and/or assigns.

18. Severability. If any provisions of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it

21. Assignment. Neither the City nor the Park District shall assign, delegate or otherwise transfer all or any part of their rights or obligations under this Agreement, or any part hereof, unless as approved in writing by the other party.
