### **ORDINANCE**

WHEREAS, the City of Chicago (the "City") is a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, the Illinois Manufacturing Excellence Center, an Illinois not for profit corporation ("IMEC"), desires to cooperate with the City, acting through its Department of Planning and Development ("DPD"), to assist in implementing the City of Chicago's industrial plans and initiatives; and

WHEREAS, on September 12, 2012, the City Council of the City of Chicago enacted an ordinance authorizing the commissioner of the predecessor department to DPD, or his or her designee, to enter into a

grant agreement between DPD's predecessor department and IMEC for a term not to exceed 10 years, which term terminated of its own accord on September 30, 2022, and the parties desire to continue the relationship; and

WHEREAS, DPD and IMEC wish to enter into a grant agreement in which (1) IMEC would grant to the City the services of IMEC staff to assist in implementing the City of Chicago's industrial plans and initiatives (Industrial Plans) and other policies and programs of DPD, (2) DPD would grant to IMEC the services of DPD staff with a value not to exceed \$150,000 per year (including salary, payroll-related taxes, insurance and fringe benefits), to support such Industrial Plans and other industrial policies and programs of DPD, and (3) the initial term would be two years, with DPD having the option of extending the term for additional two-year periods, for a total term not to exceed ten (10) years (collectively, the "Material Terms"); now, therefore,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

SECTION 1. The above recitals are incorporated herein by this reference.

SECTION 2. The Grant Agreement is hereby approved as described above. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (collectively, an "Authorized Officer"), are each hereby authorized, subject to approval by the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Grant Agreement which do not substantially modify the Material Terms. The Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements, amendments and instruments, and perform any and all acts as shall be necessary or advisable, in connection with the Grant Agreement, which do not substantially modify the Material Terms.

SECTION 4. This ordinance takes effect upon passage and approval.

**GRANT AGREEMENT**

**BETWEEN  
ILLINOIS MANUFACTURING EXCELLENCE CENTER (IMEC)  
AND  
CITY OF CHICAGO DEPARTMENT OF PLANNING AND DEVELOPMENT FOR  
MANUFACTURING COMPETITIVENESS INITIATIVES**

**STATEMENT OF PURPOSE**

This Grant Agreement (Agreement) is entered into by and between the Illinois Manufacturing Excellence Center (IMEC), an Illinois not for profit corporation, and the City of Chicago, an Illinois municipal corporation, by and through its Department of Planning and Development (DPD), to serve small and medium sized manufacturers in Chicago for the period of October 1, 2022, through September 30, 2024, with extension options thereafter.

**RECITALS**

Whereas, the City of Chicago is home to over 3000 manufacturers, 99% of which are small and medium sized enterprises. The Chicago manufacturing sector is a historic strength and vital to the region's economic health. The manufacturing sector is witnessing dramatic shifts in workforce skills, automation, supply chains, and climate change implications that create vast opportunity for strengthening the sector and promoting inclusive economic growth;

Whereas, DPD is deeply committed to promoting economic development through manufacturing by helping existing businesses grow and by attracting new industry to the City. This is achieved by working in cooperation with community and business groups, elected officials, delegate agencies, and other community stakeholders;

Whereas, IMEC is a non-profit 501(c)(3) organization that serves as the state's U.S. Commerce National Institute of Standards and Technology's (NIST) Manufacturing Extension Partnership (MEP) and is therefore solely dedicated to the global competitiveness of small and medium sized manufacturing enterprises through technical assistance and other resources;

Whereas, both DPD and IMEC wish to deepen and expand on their decade of productive, trusting, and mutually beneficial collaboration in order to address the dramatic shifts underway in manufacturing. Both parties seek to make full use of their capabilities, maximize the effectiveness with which the two organizations work together to serve manufacturers, and minimize unnecessary duplication of resources. This MOU is consistent with and in support of the two organizations' missions;

Whereas, IMEC and DPD intend to leverage the capacity of both organizations to create an environment in which manufacturers and manufacturing can flourish in Chicago. As such, IMEC will serve as an integrated resource to implement city manufacturing sector initiative recommendations and policies;

Whereas, DPD and IMEC wish to enter into a grant agreement in which (1) IMEC would grant to the City the services of IMEC staff to assist in implementing the City of Chicago's industrial plans and initiatives (Industrial Plans) and other policies and programs of DPD, (2) DPD would grant to IMEC the services of DPD staff with a value not to exceed \$150,000 per year (including salary, payroll-related taxes, insurance and fringe benefits), to support such Industrial Plans and other industrial policies and programs of DPD, and (3) the initial term would be two years, with DPD having the option of extending the term for additional two-year periods, for a total term not to exceed ten (10) years;

1

Whereas, pursuant to an ordinance enacted on September 12, 2012, the City Council of the City of Chicago (City Council) authorized a grant agreement between DPD's predecessor department and IMEC for a term not to exceed 10 years, which term terminated of its own accord on September 30, 2022;

Whereas, pursuant to an ordinance enacted on \_\_\_\_\_, 2022, the City Council authorized the Commissioner of DPD or his designee to enter into a new grant agreement between DPD and IMEC for a term not to exceed 10 years, commencing on October 1, 2022;

Now, therefore:

***Partner Expenditure Reporting Instructions***

***In-Kind Contributions***

In-kind contributions from partners are an important component of IMEC's contract with the National Institute of Standards and Technology's (NIST) Manufacturing Extension Partnership (MEP). The match documents proof of the partner's commitment to maximize resources for support of IMEC's mission to service manufacturers. With some exceptions, most of our partners' expenses qualify as in-kind contribution match for federal funding. In-kind contributions may be in the form of personnel costs, real property, supplies and other expendable property, and the value of goods and services.

IMEC cannot include as in-kind contribution, partner expenses for the following:

1. Expenses reimbursed directly by other federal funds.
2. Expenses that have already been used to match other federal dollars or other funding sources.
