Section 2.4. Authorization of GO Bonds and GO Trust Indentures.

a) All or a portion of the GO Debt Authorization Amount may be issued as GO Bonds. GO Bonds are hereby authorized to be issued in one or more series, in an aggregate principal amount not to exceed \$1,850,000,000 for the purpose of (A) financing all or a portion of the cost of the New Money Purposes including therewith (i) costs of issuance, including underwriters discount or any origination fee or similar fee charged by a GO Direct Purchaser (as hereinafter defined), (ii) capitalized interest on the GO Bonds, and (iii) credit enhancements (including, but not limited to, premiums for the purchase of policies of municipal bond insurance with respect to the GO Bonds) and (B) refinancing GO Line of Credit Indebtedness relating to interim financing for New Money Purposes.

The City anticipates that it will issue GO Bonds for the New Money Purposes in the amounts set forth on Exhibit 2-A hereto, provided, however, that the amounts set forth on Exhibit 2-A are presented for informational purposes only and do not restrict the City's ability to issue GO Bonds for any of the New Money Purposes to any amount, provided that the aggregate amount of GO Bonds issued pursuant to this Ordinance for New Money Purposes does not exceed \$1,850,000,000.

b) The GO Bonds may be issued from time to time in one or more series in an aggregate principal amount not exceeding the amount specified above, or such lesser amounts as may be determined by an Authorized Officer.

c) The GO Bonds of each series may be issued pursuant to, and have such terms and provisions as are set forth in, a GO Trust Indenture from the City to a GO Bond Trustee substantially in the form attached as Exhibit 2-B, which is incorporated in this Ordinance by this reference, but with such revisions in text as the Mayor or the Authorized Officer executing the same shall determine are necessary or desirable, the execution thereof, and any amendment thereto, by the Mayor or such Authorized Officer to evidence the City Council's approval of all such revisions. Such revisions may include, among other things, (i) revisions required in the case of the issuance of a series of Taxable Bonds, (ii) revisions required to accommodate the inclusion of working capital as part of the GO Financing Plan, (iii) revisions required to

accommodate the sale of the GO Bonds on a forward-delivery basis, (iv) revisions required to accommodate the sale of the GO Bonds to a GO Direct Purchaser, and (v) revisions required to reflect the issuance of the GO Bonds as GO Direct Purchase Bonds (as hereinafter defined). With respect to any series of GO Bonds issued pursuant to a GO Trust Indenture, in the event of any conflict between the provisions of this Ordinance and such GO Trust Indenture (including in the form of GO Bond attached thereto as an exhibit), the terms of such GO Trust Indenture shall be deemed to control. The Mayor or an Authorized Officer is authorized to enter into one or more of such GO Trust Indentures from time to time on behalf of the City.

-11-

d) The GO Bonds will bear interest at fixed rates and pay interest as described below. Each series of GO Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the purchasers of such GO Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such GO Bonds (but no single GO Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable GO Bond Registrar (as hereinafter defined).

All or any portion of the GO Bonds may be issued and sold from time to time as a direct purchase to holders (the "GO Direct Purchase Bonds"). The GO Direct Purchase Bonds shall be sold as provided in Section 2.20 hereof.

Any series of the GO Bonds may be issued on a forward-delivery basis.

e) Each series of the GO Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the purchasers of such GO Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such GO Bonds (but no single GO Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable GO Bond Registrar.

f) The principal of the GO Bonds of each series shall become due and payable on or before the earlier of (i) January 1, 2063, or (ii) 40 years after the date of issuance of such series. Each series of GO Bonds shall bear interest at a rate or rates not to exceed 15 percent per annum. Any portion of the GO Bonds may be issued as Taxable Bonds or Tax-Exempt Bonds as determined by an Authorized Officer to be beneficial to the City. Any series of the GO Bonds may be issued as either New Money Bonds or New Money Notes.

g) Each GO Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such GO Bond is paid, such interest (computed upon the basis of a 360-day period of twelve 30-day months) being payable on the dates as shall be determined by an Authorized Officer at the time of the sale of each series of GO Bonds. Interest on each GO Bond shall be paid to the person in whose name such GO Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date, by check or draft of the applicable GO Bond Registrar, or, at the option of any registered owner of \$1,000,000 or more in aggregate principal amount of GO Bonds of a series, by wire transfer of immediately available funds to such bank in the continental United States of America as the registered owner of such GO Bonds shall request in writing to the applicable GO Bond Registrar.

The principal of the GO Bonds and any redemption premium shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated corporate trust office of the applicable GO Bond Registrar.

(h) Each of the New Money Bonds shall be designated "General Obligation Bonds, Series _____" and each of the New Money Notes shall be designated "General Obligation Notes, Series _____," or shall have such other designations or descriptions as determined by an Authorized Officer to be necessary to properly identify and differentiate the GO Bonds at the time of the sale of the GO Bonds, and with such other additions, modifications or revisions as shall be determined to be necessary by an Authorized

Officer at the time of the sale of such GO Bonds to reflect the calendar year of issuance of the GO Bonds, the order of sale of the GO Bonds, the

-12-

specific series of the GO Bonds, whether the GO Bonds are being issued as Taxable Bonds or Tax-Exempt Bonds, whether the GO Bonds are being issued as New Money Bonds or New Money Notes, whether the GO Bonds are GO Direct Purchase Bonds, the purposes for which the GO Bonds are being sold and any other authorized features of the GO Bonds determined by an Authorized Officer as desirable to be reflected in the title of the GO Bonds being issued and sold.

Section 2.5. Execution and Authentication.

a) The seal of the City or a facsimile thereof shall be affixed to or printed on each of the GO Bonds, and the GO Bonds shall be executed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any GO Bond shall cease to be such officer before the delivery of such GO Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

b) All GO Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the applicable GO Bond Registrar or GO Bond Trustee as authenticating agent of the City and showing the date of authentication. No GO Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Article unless and until such certificate of authentication shall have been duly executed by the applicable GO Bond Registrar or GO Bond Trustee by manual signature, and such certificate of authentication upon any such GO Bond shall be conclusive evidence that such GO Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any GO Bond shall be deemed to have been executed by the applicable GO Bond Registrar or GO Bond Trustee if signed by an authorized officer of such GO Bond Registrar or GO Bond Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the GO Bonds issued under this Article.

Section 2.6. Registration and Transfer.

a) The City shall cause books (the "GO Bond Register") for the registration and for the transfer of each series of GO Bonds as provided in this Ordinance to be kept at the designated corporate trust office of a bank or trust company designated by an Authorized Officer, as the registrar for the City in connection with such series of GO Bonds (the "GO Bond Registrar"), which shall, with respect to a series of GO Bonds issued pursuant to a GO Trust Indenture, be the GO Bond Trustee for such series of GO Bonds. The City is authorized to prepare multiple GO Bond blanks executed by the Mayor and attested by the City Clerk for use in the transfer and exchange of GO Bonds.

b) Upon surrender for transfer of any GO Bond at the designated corporate trust office of the applicable GO Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to such GO Bond Registrar and duly executed by the registered owner or its attorney duly authorized in writing, the City shall execute and such GO Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees one or more fully registered GO Bonds of the same series, interest rate and maturity of authorized denominations, for a like principal amount. Any GO Bond or GO Bonds may be exchanged at said office of the applicable GO Bond Registrar for a like aggregate principal amount of GO Bonds of the same series, type, interest rate and maturity of other authorized denominations. The execution by the City of any fully registered GO Bond shall constitute full and due authorization of such GO Bond, and the applicable GO Bond Registrar shall thereby be authorized to authenticate, date and deliver such GO Bond; provided that the aggregate principal amount of GO Bonds of each

-13-

series, maturity and interest rate authenticated by the applicable GO Bond Registrar or GO Bond Trustee shall

not exceed the authorized principal amount of GO Bonds for such series, maturity and interest rate less previous retirements.

c) *The applicable GO Bond Registrar shall not be required to transfer or exchange (i) any GO Bond after notice calling such GO Bond for redemption has been mailed, or (ii) any GO Bond during a period of 15 days next preceding mailing of a notice of redemption of such GO Bond; provided, however, that provisions relating to the transfer or exchange of GO Bonds of a series shall be as determined by an Authorized Officer at the time of the sale of such series and may be set forth in a notification of sale as described in Section 2.20(i) hereof or in the GO Trust Indenture for such series (a "GO Notification of Sale").*

d) The person in whose name any GO Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, redemption premium, if any, or interest on any GO Bond, as appropriate, shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such GO Bond to the extent of the sum or sums so paid.

e) No service charge shall be made for any transfer or exchange of GO Bonds, but the City or the applicable GO Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of GO Bonds, except that no such payment may be required in the case of the issuance of a GO Bond or GO Bonds for the unredeemed portion of the GO Bond surrendered for redemption.

Section 2.7. Book-Entry Only System. If so determined and directed by an Authorized Officer in connection with the sale of any of the GO Bonds, such GO Bonds may be issued in book-entry only form. In connection with the issuance of GO Bonds in book-entry only form, an Authorized Officer is authorized to execute and deliver to the book-entry depository selected by such Authorized Officer such depository's standard form of representation letter. If any of the GO Bonds are registered in the name of a securities depository which uses a book-entry system, the standing of the beneficial owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

Section 2.8. Replacement of GO Bonds. If any GO Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the applicable GO Bond Registrar may authenticate a new GO Bond of like series, date, maturity date, interest rate, denomination and principal amount and bearing a number not contemporaneously outstanding; provided that (i) in the case of any mutilated GO Bond, such mutilated GO Bond shall first be surrendered to the applicable GO Bond Registrar, and (ii) in the case of any lost GO Bond or GO Bond destroyed in whole, there shall be first furnished to the applicable GO Bond Registrar evidence of such loss or destruction, together with indemnification of the City and such GO Bond Registrar, satisfactory to such GO Bond Registrar. If any lost, destroyed or improperly cancelled GO Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate GO Bond, the applicable GO Bond Registrar shall pay the same without surrender thereof if there shall be first furnished to such GO Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute GO Bond, the applicable GO Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

-14-

Section 2.9. Redemption and Repurchase.

a) The GO Bonds may be made subject to redemption prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of GO Bonds being redeemed to be redeemed) not to exceed 120 percent, plus, accrued interest to the date of redemption, as determined by an Authorized Officer at the time of the sale thereof.

b) Notwithstanding the foregoing, such 120 percent limitation on the redemption price of GO Bonds shall not apply where the redemption price is based upon a formula designed to compensate the owner of the GO Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the "New Money Make-Whole Redemption Price"). At the time of sale of the GO Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any New Money Make-Whole Redemption Price, which may vary depending on whether the GO Bonds are issued as Taxable Bonds or Tax-Exempt Bonds. An Authorized Officer shall confirm and transmit the applicable New Money Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

c) If fewer than all of the outstanding GO Bonds of a series are to be optionally redeemed, the GO Bonds to be called shall be called from such maturities and interest rates of such series as may be determined by an Authorized Officer.

d) Certain of the GO Bonds of a series may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by an Authorized Officer at the time of the sale thereof.

e) An Authorized Officer is authorized to sell (at a price determined by such Authorized Officer to be in the best interests of the City) or waive any right the City may have to call any of the GO Bonds for optional redemption, in whole or in part, and is further authorized to expend the proceeds of any such sales for any purpose for which the proceeds of the GO Bonds are authorized to be expended and for the payment or prepayment of any City debt obligations whether issued before or after the date of adoption of this Ordinance, all as determined by an Authorized Officer; provided however, to the extent that interest on such GO Bonds is excluded from gross income for federal income tax purposes, such expenditures shall not adversely affect such exclusion. If determined to be necessary or appropriate, an Authorized Officer is authorized to solicit the consent of holders of outstanding GO Bonds to any such sale or waiver.

f) At the time of sale of GO Bonds of a series, an Authorized Officer is authorized to determine the manner of redeeming such GO Bonds, either by lot in the manner hereinafter provided or pro-rata in the manner determined by an Authorized Officer at the time of sale, if less than all of the GO Bonds of the same series, maturity and interest rate are to be redeemed.

g) The GO Bonds shall be redeemed only in amounts equal to the respective minimum authorized denominations and integral multiples thereof. In the event of the redemption of fewer than all the GO Bonds of the same series, maturity and interest rate by lot, the aggregate principal amount thereof to be redeemed shall be the minimum authorized denomination for such series or an integral multiple thereof, and the applicable GO Bond Registrar shall assign to each GO Bond of such series, maturity and interest rate, a distinctive number for each minimum authorized denomination of such GO Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum authorized denomination for each number, shall equal the principal

-15-

amount of such GO Bonds to be redeemed. In such case, the GO Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each GO Bond shall be redeemed as shall "equal such minimum authorized denomination for each number assigned to it and so selected. In the event of the redemption of fewer than all GO Bonds of the same series, maturity and interest rate on a pro-rata basis, if the GO Bonds are held in book-entry form at the time of redemption, at the time of sale of the GO Bonds, an Authorized Officer is authorized to direct the GO Bond Registrar to instruct the book-entry depository to select the specific GO Bonds within such maturity and interest rate for redemption pro-rata among such GO Bonds. The City shall have no responsibility or obligation to ensure that the book-entry depository properly selects such GO Bonds for redemption.

(h) An Authorized Officer shall, at least 45 days prior to any optional redemption date

(unless a shorter time period shall be satisfactory to the applicable GO Bond Registrar), notify the

applicable GO Bond Registrar of such redemption date and of the principal amount of GO Bonds of such series to be redeemed.

(i) In connection with any mandatory redemption of GO Bonds of a series as authorized above, the principal amounts of GO Bonds of such series to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such GO Bonds of such series credited against future mandatory redemption requirements in such order of the mandatory redemption dates as an Authorized Officer may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date of GO Bonds of a series, the applicable GO Bond Registrar may, and if directed by an Authorized Officer shall, purchase GO Bonds of such series required to be retired on such mandatory redemption date at such prices as an Authorized Officer shall determine. Any such GO Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date with respect to such series of GO Bonds.

(j) The applicable GO Bond Registrar shall promptly notify the City in writing of the GO Bonds, or portions thereof, selected for redemption and, in the case of any GO Bond selected for partial redemption, the principal amount and the interest rate thereof to be redeemed.

(k) Subject to the limitation on redemption price set forth above, the terms of such redemption shall be determined by an Authorized Officer at the time of sale of the GO Bonds of each series and may be set forth in a GO Notification of Sale as described in Section 2.20(i) hereof or in the GO Trust Indenture for such series.

Section 2.10. Notice of Redemption.

(a) Unless waived by any owner of GO Bonds to be redeemed, notice of the call for any such redemption shall be given by the applicable GO Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the GO Bond or GO Bonds to be redeemed at the address shown on the applicable Bond Register or at such other address as is furnished in writing by such registered owner to such GO Bond Registrar, but the failure to mail any such notice or any defect therein as to any GO Bond shall not affect the validity of the proceedings for the redemption of any other GO Bond. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(b) All notices of redemption shall state:

(1) the series designation of the GO Bonds to be redeemed,

2) the redemption date,

3) the redemption price, or in the case of a redemption of GO Bonds at a New Money Make-Whole Redemption Price, a description of the formula by which the redemption price shall be determined,

4) if less than all outstanding GO Bonds of a series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates of the GO Bonds to be redeemed),

5) that on the redemption date the redemption price will become due and payable upon each such GO Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

6) the place where such GO Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the applicable GO Bond Registrar, and

7) such other information as shall be deemed necessary by the applicable GO Bond Registrar at the time such notice is given to comply with law, regulation or industry standard.

c) With respect to an optional redemption of any series of GO Bonds, such notice may state that said redemption is conditioned upon the receipt by the applicable GO Bond Registrar on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the GO Bonds of such series. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such GO Bonds and the applicable GO Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such GO Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for a series of GO Bonds, the City shall deposit with the applicable GO Bond Registrar an amount of money sufficient to pay the redemption price of all the GO Bonds or portions thereof of such series which are to be redeemed on that date.

d) Notice of redemption having been given as aforesaid, the GO Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such GO Bonds, or portions thereof, shall cease to bear, accrue or compound interest. Upon surrender of such GO Bonds for redemption in accordance with said notice, such GO Bonds shall be paid by the applicable GO Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any GO Bond, there shall be prepared for the registered owner a new GO Bond or GO Bonds of the same series, interest rate and maturity in the amount of the unpaid principal.

e) If any GO Bond or portion thereof called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such GO Bond, or portion thereof, so called for redemption. All GO Bonds which have been redeemed shall be cancelled and destroyed by the applicable GO Bond Registrar and shall not be reissued.

f) If any GO Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such GO Bond are held by the applicable GO Bond Registrar for the benefit of the registered owner of such GO Bond, such GO Bond Registrar shall hold such moneys for the benefit of the registered owner of such GO Bond without liability to the registered owner for interest. The registered owner of such GO Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such GO Bond.

Section 2.11. Form of GO Bonds. The GO Bonds of each series shall be prepared in substantially the following form with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the GO Bonds of such series pursuant to Section 2.20 hereof; provided that if the text of any GO Bond is to be printed in its entirety on the front side of such GO Bond, then the text shown or appearing on the reverse side of such GO Bond shall replace the second paragraph on the front side of the form of the Bond shown below and the legend, "See Reverse Side for Additional Provisions," shall be omitted.

For any series of GO Bonds issued as New Money Notes, the words "Bond" and "Bonds" in the following form shall be changed to "Note" or "Notes", as applicable, and such additional revisions shall be made as necessary to reflect the specific provisions of such New Money Notes.

All GO Bonds may be prepared with such insertions and revisions as shall be necessary in connection with the issuance of such GO Bonds as GO Direct Purchase Bonds or for the sale of such GO Bonds to a GO Direct Purchaser.

Each Authorized Officer is authorized to make such determinations.

Section 2.13. Tax Levy.

(a) For the purpose of providing the funds required to pay as the same become due i) the principal of and interest and redemption premium, if any, on the GO Bonds, and (ii) to the extent determined by an Authorized Officer to be necessary or desirable, periodic fees and expenses payable to parties involved in the provision of ongoing services relating to the GO Bonds, such as rating agencies and entities providing financial market information to be used in connection with the structuring and sale of the GO Bonds (the "Ongoing Financing Services"), there is hereby levied upon all of the taxable property within the City, in the years for which any of said GO Bonds are outstanding, a direct annual tax sufficient for that purpose, provided, however, that such levy shall not exceed \$350,000,000 in any single levy year. Such levy for a series of the GO Bonds shall be fully set forth in one or more GO Notifications of Sale delivered in connection with the issuance of such series of the GO Bonds; provided that collections of such levy for any year in an amount in excess of that necessary to make the payments described in clauses (i) and (ii), above (x) may be used for any lawful public purpose designated by the City Council or (y) may be reduced and abated by an Authorized Officer if such reduction is deemed desirable by an Authorized Officer in connection with the sale or sales of the GO Bonds, in each case as determined from time to time by an Authorized Officer as provided in Section 2.20 hereof; further provided, that an Authorized Officer may determine in connection with the sale of any series of New Money Notes that the GO Pledged Taxes shall not be levied for the payment of principal of or interest on the portion of such New Money Notes due within two years of the date of the issuance of such Notes.

b) The tax levy made in this Section is not subject to the "Aggregate Levy" limitation contained in the Chicago Property Tax Limitation Ordinance contained in Chapter 3-92 of the Municipal Code of Chicago (the "Municipal Code"), and Section 3-92-020 of the Municipal Code is superseded to exclude the tax levy herein from the definition of "Aggregate Levy" contained therein.

c) The term "GO Pledged Taxes" means the taxes hereinabove levied for collection for the purpose of providing the funds necessary to make the payments described in clauses (i) and ii) of Section 2.13(a), and also includes any amounts deposited into the hereinafter-defined GO Bond Fund or deposited with the Ad Valorem Tax Escrow Agent (as defined in Section 2.15 hereof) by an Authorized Officer for the purpose of paying principal of and interest on the GO Bonds and any accrued interest received and deposited in the GO Bond Fund or the Ad Valorem Tax Escrow Account, if established pursuant to Section 2.15 hereof.

The City reserves the right to abate all or a portion of the GO Pledged Taxes required to be levied in any year if and to the extent on or before March 31 of the next succeeding calendar year (or such earlier date as may be required by law), the City has on hand amounts dedicated

-24-

to the payments described in clause (i) of paragraph (a) of this Section 2.13 due during the one-year period commencing

on January 2 of such succeeding calendar year. The City may, but shall not be required to, cause the levy or extension in any year of taxes for the payment of the costs of Ongoing Financing Services.

The City intends that, following the issuance of GO Bonds for New Money Purposes under this Article, the taxes levied to pay such GO Bonds in paragraph (a) of this Section 2.13 are expected to be abated, in full or in part, with other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in accordance with the preceding paragraph.

Section 2.14. Continuing Appropriation. The City shall appropriate or otherwise provide amounts sufficient to pay principal of and interest on the GO Bonds for the years such amounts are due, and the City covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 2.15. Bond Funds. Each Authorized Officer is authorized to establish one or more special accounts, if determined to be necessary in connection with the sale of any of the GO Bonds, separate and segregated from all other funds and accounts of the City (each a "GO Bond Fund"), which shall be (i) held by an Authorized Officer, or (ii) maintained by a GO Bond Trustee pursuant to a GO Trust Indenture, or (iii) maintained with a bank or trust company to be designated by an Authorized Officer (each an "Ad Valorem Tax Escrow Account") pursuant to an escrow agreement (each an "Ad Valorem Tax Escrow Agreement"), between the City and the applicable Escrow Agent named therein (each an "Ad Valorem Tax Escrow Agent"), and each Authorized Officer is authorized to execute and deliver one or more Ad Valorem Tax Escrow Agreements in connection with the sale of the GO Bonds in such form as the officers so executing such agreement may deem appropriate in accordance with the provisions of this Ordinance.

Section 2.16. Direct Deposit of Taxes. In lieu of the proceeds of such taxes being deposited with the City Treasurer of the City (the "City Treasurer"), each Authorized Officer is authorized to direct the County Collectors (the "County Collectors") of The County of Cook, Illinois ("Cook County") and The County of DuPage, Illinois ("DuPage County") to deposit the proceeds of such taxes directly into the GO Bond Fund held pursuant to the applicable GO Trust Indenture or the applicable Ad Valorem Tax Escrow Account, if such GO Trust Indenture has been executed and delivered or such Ad Valorem Tax Escrow Account has been created.

Section 2.17. Legally Available Funds. If the GO Pledged Taxes to be applied to the payment of the GO Bonds are not available in time to make any payments of principal of or interest on the GO Bonds when due, then the Chief Financial Officer, or the Chief Financial Officer's designee, are directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advance of the collection of such GO Pledged Taxes, and when the proceeds thereof are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the GO Bonds as the same become due.

Section 2.18. Filing of Ordinance and GO Notification of Sale with County Clerks. A copy of this Ordinance, duly certified by the City Clerk, and a copy of each GO Notification of Sale shall be filed in the respective offices of the County Clerks of Cook County and DuPage County (the "County Clerks"), and such filing of each GO Notification of Sale shall constitute the authority for and it shall be the duty of the County Clerks to extend the taxes levied pursuant to Section 2.13

-25-

hereof for collection in such years as shall be indicated in each such GO Notification of Sale, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 2.19. Additional Filings of Ordinance. A copy of this Ordinance, duly certified by the City Clerk, shall also be filed with each applicable GO Bond Trustee, each applicable Ad Valorem Tax Escrow Agent, if any, each applicable GO Bond Registrar, and if the County Collectors are authorized to deposit the proceeds of the taxes levied pursuant to Section 2.13 hereof directly with a GO Bond Trustee or an Ad Valorem Tax Escrow Agent pursuant to Section 2.16 hereof, with such County Collectors.

Section 2.20. Bond Sales.

a) Each Authorized Officer is authorized to sell all or any portion of the GO Bonds from time to time (i) to or at the direction of an underwriter or group of underwriters to be selected by such Authorized Officer (the "GO Underwriters"), or (ii) to a GO Direct Purchaser (the GO Underwriters and GO Direct Purchasers being collectively referred to herein as the "GO Purchasers"), with the concurrence of the Chairman of the Finance Committee or, if unavailable or absent, the Vice Chairman of the Finance Committee, on such terms as such Authorized Officer may deem to be in the best interests of the City within the limitations set forth in this Article.

b) The principal amount of and the interest on the GO Bonds sold of each series and maturity in the aggregate (after taking into account (i) interest on the GO Bonds of such series to be paid from proceeds of such series and (ii) mandatory redemptions) shall not exceed the amount levied therefor as specified in Section 2.13 of this Ordinance. The GO Bonds may be sold from time to time as an Authorized Officer shall determine that the proceeds of such sales are needed.

c) Either Authorized Officer is authorized and directed to (i) refinance any GO Line of Credit Indebtedness relating to interim financing of New Money Purposes by application of the proceeds of sale of the GO Bonds and (ii) determine the amount of proceeds of the GO Bonds, if any, to be applied to such refinancing of GO Line of Credit Indebtedness.

d) The Mayor or an Authorized Officer is authorized to execute and deliver a contract of purchase with respect to each sale of the GO Bonds to, or at the direction of, the GO Purchasers, in substantially the form previously used for similar general obligation bonds of the City (the "GO Contract of Purchase"), with appropriate revisions to reflect the terms and provisions of the GO Bonds and such other revisions in text as the Mayor or an Authorized Officer shall determine are necessary or desirable in connection with the sale of the GO Bonds, including, if applicable, customary provisions relating to the sale of all or a portion of the GO Bonds on a forward delivery basis if the Mayor or such Authorized Officer finds and determines that a forward delivery of such GO Bonds is in the best interest of the City. GO Bonds sold pursuant to a GO Contract of Purchase shall be sold at a price of not less than 85 percent of the principal amount of the GO Bonds being sold. The compensation paid to the GO Purchasers in connection with any sale of GO Bonds, including any origination fee charged by a GO Direct Purchaser, shall not exceed five percent of the principal amount of the GO Bonds being sold. Nothing contained in this Ordinance shall limit the sale of the GO Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof.

e) The GO Bonds may be sold as GO Direct Purchase Bonds in a manner and containing such terms authorized by an Authorized Officer, including pursuant to a placement

-26-

agent arrangement, to a purchaser or purchasers other than the GO Underwriters (collectively, the "GO Direct Purchasers"), such GO Direct Purchasers to be selected by an Authorized Officer and such sale being permitted at a price of not less than 85 percent of the principal amount of the GO Direct Purchase Bonds being sold. The Mayor or an Authorized Officer is authorized to do all such things and to execute and deliver such additional documents, agreements and certificates as shall be necessary in connection with the sale of GO Direct Purchase Bonds.

f) In connection with any sale of the GO Bonds, an Authorized Officer is authorized to obtain one or more policies of bond insurance from recognized bond insurers selected by an Authorized Officer, if such Authorized Officer determines such bond insurance to be desirable in connection with such sale of the GO Bonds. Either Authorized Officer may, on behalf of the City; make covenants with such bond insurer that are not inconsistent with the provisions of this Ordinance and are necessary to carry out the purposes of this Ordinance.

g) Following the final sale of GO Bonds of all series under this Article, the final GO Notification of Sale to the City Council described in paragraph (i) of this Section 2.20 shall notify the City Council of the total of all taxes levied in each year pursuant to paragraph (a) of Section 2.13 hereof for all GO Bonds issued pursuant to this Ordinance.

h) The preparation, use and distribution of a preliminary official statement, an official statement, a private placement memorandum, or any other disclosure document relating to each sale and issuance of any series of the GO Bonds are ratified and approved. The Mayor and each Authorized Officer are each authorized to execute and deliver an official statement or other disclosure document relating to each sale and issuance of such series of the GO Bonds on behalf of the City. The preliminary official statement, official statement, private placement memorandum, and other disclosure documents herein authorized shall contain the terms and provisions of and security for the GO Bonds, the manner in which the GO Bonds shall be sold, the use of proceeds of the GO Bonds, financial information for the City, and such other information as the Mayor or an Authorized Officer determines to be advisable under the circumstances.

(i) In connection with the sale of any series of GO Bonds, an Authorized Officer shall file in the office of the City Clerk and, for any series of New Money Bonds or series of New Money Notes for which the GO Pledged Taxes will be levied, the County Clerks, a GO Notification of Sale directed to the City Council setting forth (i) the series designation, the aggregate principal amount and authorized denominations of, maturity schedule and redemption provisions for such GO Bonds sold, (ii) the principal amounts and interest rates on such GO Bonds sold, (iii) information regarding the specific GO Line of Credit Indebtedness or any portion thereof to be refinanced with proceeds of GO Bonds, (iv) the identity of the insurer or insurers issuing the bond insurance policy or policies, if any, referred to in paragraph (f) of this Section 2.20, (v) the identity of the GO Bond Trustees selected for such GO Bonds, (vi) the identity of the applicable GO Bond Registrar, if any, selected by an Authorized Officer for such GO Bonds, (vii) the compensation paid to the GO Underwriters in connection with such sale, (viii) any origination fee or other fee required by a GO Direct Purchaser, (ix) the amount of property taxes levied pursuant to Section 2.13 with respect to the GO Bonds for each year during which the GO Bonds are outstanding, (x) with respect to any New Money Notes issued hereunder, the portion of such New Money Notes for which the GO Pledged Taxes will not be levied, (xi) with respect to any GO Bonds, whether repayment of such GO Bonds is secured by repayments of loans made from proceeds of such GO Bonds, and (xii) any other matter authorized by this Ordinance to be determined by an Authorized Officer at the time of the sale of the GO Bonds of each series.

-27-

(j) ^m In connection with any sale of the GO Bonds, an Authorized Officer is authorized to execute and deliver one or more Continuing Disclosure Undertakings, in a form approved by the Corporation Counsel of the City. Upon its execution and delivery on behalf of the City as herein provided, each Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are authorized to do

all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of each Continuing Disclosure Undertaking as executed. Each Authorized Officer is further authorized to amend each Continuing Disclosure Undertaking in accordance with its respective terms from time to time following its execution and delivery as that Authorized Officer shall deem necessary. In addition, an Authorized Officer is authorized to make all future filings with the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board or such other municipal securities information repository as shall be designated by the SEC, all in accordance with the provisions of SEC Rule 15c2-12(b)(5). Notwithstanding any other provision of this Ordinance, the sole remedies for any failure by the City to comply with any Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any applicable GO Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under such Continuing Disclosure Undertaking.

(k) The GO Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the purchasers in accordance with the applicable terms of sale.

(l) The Mayor, each Authorized Officer, the City Treasurer and the City Clerk are each authorized to execute and deliver such other documents and agreements (including such contracts for goods, work and/or services, such intergovernmental agreements, such loan agreements or such grant agreements with individuals, not-for-profit organizations, educational or cultural institutions or for-profit organizations or to assist the United States of America, the State or other municipal corporations, units of local government, political subdivisions or school districts in the State, including any operating division thereof, receiving proceeds of the GO Bonds or the New Money Corporate Funds (as hereinafter defined) (GO Bond proceeds and New Money Corporate Funds being collectively hereinafter referred to as "Authorized Funds") as an Authorized Officer shall deem necessary and appropriate) and perform such other acts prior to or following the issuance of the GO Bonds as may be necessary or desirable in connection with the issuance of the GO Bonds and any transactions contemplated herein related to the application of the Authorized Funds or collections or application of taxes levied for the payment of the GO Bonds or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth. Any such actions heretofore taken by the Mayor, an Authorized Officer, the City Treasurer or the City Clerk in accordance with the provisions hereof are ratified and approved. With respect to each grant or loan of Authorized Funds or with respect to each contract for goods, work and/or services paid from Authorized Funds, each Authorized Officer is authorized to designate in writing, with the written concurrence of the Budget Director of the City (the "Budget Director"), (i) one or more City departments or agencies to administer such grant or loan of Authorized Funds or contract for goods, work and/or services paid from Authorized Funds, and (ii) the head of the City department or agency who shall be authorized to execute a grant or loan agreement or contract for goods, work and/or services paid from Authorized Funds and such other documents, agreements or instruments as shall be deemed necessary or desirable by such City department or agency head. Upon any such written designation by an Authorized Officer with respect to a grant or loan of Authorized Funds or contracts for goods, work and/or services paid from Authorized Funds, such City department or agency shall be authorized to administer such grant or loan of Authorized Funds or contract for goods, work and/or services paid from Authorized Funds, and the head of such City department or agency shall be authorized to execute a grant agreement, loan agreement or contract for goods, work and/or services, as applicable, and such

-28-

other documents, agreements or instruments as such official shall deem necessary or desirable. Each loan of Authorized Funds shall bear interest at a rate or rates not exceeding 15 percent per annum, shall have repayment terms not exceeding 40 years and shall have such other terms and conditions as the City official executing such loan agreement shall deem to be in the best interests of the City. With respect to each loan of Authorized Funds and each contract for goods, work and/or services paid from Authorized Funds, the City official executing such loan agreement or contract, as applicable is authorized to (i) select the borrower or the contractor and (ii) determine such other terms and conditions (except as otherwise provided hereinabove) in the loan agreement or the contract, as applicable, as the City official executing such loan agreement or contract, as applicable, shall deem to be in the best interests of the City, including requirements with respect to security for repayments of such loan.

Section 2.21. Application of Bond Sale Proceeds.

a) The proceeds from the sale of any series of the GO Bonds shall be used as follows:

1) The sum representing the accrued interest received, if any, shall be used to pay the first interest becoming due on the GO Bonds sold, and to that end, shall be deposited in the applicable GO Bond Fund, if established.

2) From the sale proceeds derived from any such sale of a series of the GO Bonds, (i) such sum as may be determined by an Authorized Officer to be necessary to pay not more than three years of interest on the GO Bonds may be used to pay such interest, and to that end, may be deposited in the applicable GO Bond Fund established for such GO Bonds; (ii) the sum determined by an Authorized Officer to be necessary to pay the costs of the New Money Purposes shall be set aside, held and invested at the direction of an Authorized Officer, as separate funds of the City pending such payment, and (iii) the sum determined to be necessary by an Authorized Officer to reimburse the Corporate Fund for amounts paid therefrom to fund costs of the New Money Purposes in accordance with Section 2.27 hereof.

b) From the sale proceeds of a series of the GO Bonds not applied as provided in paragraph (a) of this Section 2.21, the amount deemed necessary by an Authorized Officer shall be applied to the payment of the costs of issuance of such GO Bonds, including the premium or fee for bond insurance, if any, and any unexpended portion of the sale proceeds shall be either (i) deposited into the GO Bond Fund for such series of the GO Bonds or (ii) with respect to any GO Bonds issued to pay the costs of New Money Purposes, be paid to the City and deposited by the City into such funds or accounts as necessary to effectuate the New Money Purposes for which such GO Bonds were issued.

c) The costs of the New Money Purposes may be paid directly by the City or may be financed by the making of grants, contracts or loans for the implementation of the New Money Purposes as described in Section 2.20(1) hereof.

d) An Authorized Officer shall report to the City Council with respect to the expenditure of the proceeds of each series of the GO Bonds issued hereunder to pay the costs of the New Money Purposes. Such reports shall be made no later than August 1 of each year, commencing August 1 of the year immediately succeeding the year in which any GO Bonds are first issued for New Money Purposes, with respect to expenditures made during the preceding calendar year. No report shall be required hereunder following any calendar year in which no proceeds of any series of the GO Bonds are expended to pay costs of the New Money Purposes

-29-

(e) Notwithstanding any provision of the Municipal Code, investments acquired with proceeds of the GO Bonds or investment income thereon may include but are not limited to agreements entered into between the City and providers of securities under which agreements such providers agree to purchase from or sell to the City specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement and as set forth in such agreement, and guaranteed investment contracts, forward purchase agreements and other similar investment vehicles. Such guaranteed investment contracts, forward purchase agreements and other similar investment vehicles may, to the extent permitted by operative authorizing documents and by applicable law, be assigned or transferred from one bond transaction to another or apply to the proceeds of more than one bond transaction on a commingled or non-commingled basis, as determined by an Authorized Officer. The Mayor or an Authorized Officer is authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, as may be necessary or desirable in this respect. Investment income derived from GO Bond proceeds may be (w) expended for the same purposes for which GO Bond proceeds may be expended, (x) used for the payment or prepayment of City debt obligations, (y) deposited in the Corporate Fund or (z) rebated to the United States of America as provided in Section 2.22 hereof, all as determined by an Authorized Officer or the Budget Director. Any commingled investment income from guaranteed investment contracts, forward purchase agreements and other similar investment vehicles shall be apportioned among bond transactions as determined by an Authorized Officer or as otherwise required by operative authorizing documents and applicable law.

Section 2.22. Tax Covenants. The City covenants that it will take no action in the investment of the proceeds of Tax-Exempt Bonds which would result in making the interest payable on any of such Tax-Exempt Bonds subject to federal income taxes by reason of such Tax-Exempt Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code. The City further covenants that it will act with respect to the proceeds of Tax-Exempt Bonds, the earnings on the proceeds of such Tax-Exempt Bonds and any other moneys on deposit in any fund or account maintained in respect of such Tax-Exempt Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Tax-Exempt Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code. Each Authorized Officer is authorized to execute such certifications, tax returns, covenants and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, or in the best interest of the City, as determined by an Authorized Officer, to evidence the City's compliance with the covenants contained in this Section.

Section 2.23. Proxies. The Mayor and each Authorized Officer may each designate another to act as their respective proxy and, as applicable, to affix their respective signatures to the GO Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor or an Authorized Officer pursuant to this Ordinance and any instrument, certificate or document required thereby and by any GO Trust Indenture. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and each Authorized Officer, respectively. A written signature of the Mayor or of an Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal for such date and filed in the office of the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature

-30-

of an Authorized Officer is so affixed to an instrument, certificate or document at the direction of such Authorized Officer, the same, in all respects, shall be as binding on the City as if signed by such Authorized Officer in person.

Section 2.24. GO Bond Registrar Agreements. If requested by a GO Bond Registrar, the Mayor, each Authorized Officer and the City Clerk are each authorized to execute the standard form of agreement between the City and such GO Bond Registrar with respect to the obligations and duties thereof.

Section 2.25. Defeasance and Provision for Payment.

(a) If payment or provision for payment is made, to or for the registered owners of all or a portion of the GO Bonds, and the principal of and interest due and to become due on any GO Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the applicable GO Bond Registrar or GO Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.15 hereof, or such bank or trust company as shall be designated by an Authorized Officer (such bank or trust company hereinafter referred to as a "GO Defeasance Escrow Agent"), all sums of money due and to become due according to the provisions of this Article 2, then these presents and the estate and rights granted by this Article 2 shall cease, terminate and be void as to those GO Bonds or portions thereof except for purposes of registration, transfer and exchange of GO Bonds and any such payment from such moneys or obligations. Any GO Bond shall be deemed to be paid within the meaning of this section when payment of the principal of any such GO Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Article 2 or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the applicable GO Bond Registrar or GO Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.15 hereof, or a GO Defeasance Escrow Agent, in trust and exclusively for such payment, (1) moneys sufficient to make such payment, or (2)(A) direct obligations of the United States of America; (B) obligations of agencies of the United States of America, the timely payment of principal of and interest on which are guaranteed by the United States of America; (C) obligations of the following agencies: Federal Home Loan Mortgage Corp. (FHLMC) debt obligations, Farm Credit System (formerly: Federal Land Banks, Federal Intermediate Credit Banks, and Banks for Cooperatives) debt obligations, Federal Home

Loan Banks (FHL Banks) debt obligations, Fannie Mae debt obligations, Financing Corp. (FICO) debt obligations, Resolution Funding Corp. (REFCORP) debt obligations, and U.S. Agency for International Development (U.S. A.I.D.) Guaranteed notes; (D) pre-refunded municipal obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state, excluding the City, which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; or (E) instruments evidencing an ownership interest in obligations described in the preceding clauses (A), (B) and (C), or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). At such times as a GO Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Article 2, except for the purposes of registration, transfer and exchange of GO Bonds and any such payment from such moneys or obligations. The defeasance of GO Bonds under this Article 2 shall also be subject to any additional terms and conditions in the applicable GO Trust Indenture, if any.

-3I-

b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless, in the case of Tax-Exempt Bonds, the applicable GO Bond Registrar or GO Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or the applicable GO Defeasance Escrow Agent, as the case may be, shall have received an opinion of nationally recognized bond counsel to the effect that such deposit and use would not cause any of such Tax-Exempt Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

c) Nothing in this Article 2 shall prohibit a defeasance deposit of escrow securities as provided in this Section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased GO Bonds, as appropriate. Amounts held by the applicable GO Bond Registrar or GO Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or any GO Defeasance Escrow Agent, in excess of the amounts needed so to provide for payment of the defeased GO Bonds, may be subject to withdrawal by the City. The Mayor or an Authorized Officer is authorized to execute and deliver from time to time one or more agreements (and amendments thereto) with counterparties selected by an Authorized Officer, with respect to the investment and use of such excess amounts held by the applicable GO Bond Registrar or GO Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or a GO Defeasance Escrow Agent.

Section 2.26. Negotiation of GO Direct Purchase Bond Terms. With respect to the GO Direct Purchase Bonds, an Authorized Officer is authorized to negotiate the terms and provisions of such GO Direct Purchase Bonds in addition to or as an alternative to the terms and provisions of the GO Trust Indenture securing the applicable series of GO Bonds. In addition, an Authorized Officer is hereby authorized to provide such certifications on behalf of the City as may be required by a GO Direct Purchaser.

Section 2.27. Appropriation of Funds. Notwithstanding any ordinance to the contrary, funds in the City's Corporate Fund (the "New Money Corporate Funds") may be used for the purpose of paying the costs of the New Money Purposes. The City shall reimburse the Corporate Fund for any New Money Corporate Funds so used to pay the costs of the New Money Purposes from the proceeds of the GO Bonds upon the issuance thereof.

Each O'Hare CFC Note and any amount borrowed under either of the O'Hare CFC Commercial Paper Program or the O'Hare CFC Line of Credit Program may bear interest (fixed or variable) at such rate per annum not to exceed 15 percent per annum, as determined by the Mayor or Authorized Officer. All borrowings under the O'Hare CFC Commercial Paper Program and the O'Hare CFC Line of Credit Program shall be paid no later than January 1, 2040, and no O'Hare CFC Note shall mature later than January 1, 2040. Subject to the limitation as to principal amount, interest rate and maturity contained in this Section and the limitations as to source of payment contained in Section 5.10, authority is hereby delegated to the Mayor and the Authorized Officer to establish the terms and conditions of each borrowing under the O'Hare CFC Commercial Paper Program and the O'Hare CFC Line of Credit Program and each O'Hare CFC Note, including interest payment dates and terms for redemption of such O'Hare CFC Notes.

Section-5.10. Limited Obligation and Source of Payment of Borrowings and O'Hare CFC Notes. The borrowings under any O'Hare CFC Credit Agreement, the fees and charges payable to any financial institution under an O'Hare CFC Credit Agreement and the principal of and interest on any O'Hare CFC Note shall be limited obligations of the City and shall be junior and subordinate to all Outstanding O'Hare CFC Obligations under the CFC Indenture. Such O'Hare CFC Notes, as determined by the Mayor or the Authorized Officer, may be payable from and secured by a pledge of and lien on Revenues and Pledged Receipts under the CFC Indenture; provided that such pledge shall be junior and subordinate to the pledge of such monies to the Outstanding O'Hare CFC Obligations. O'Hare CFC Commercial Paper Notes and O'Hare CFC Credit Agreement Notes may be issued on parity with other O'Hare CFC Notes issued under either the O'Hare CFC Commercial Paper Program or the O'Hare CFC Line of Credit Program. The obligations of the City under each O'Hare CFC Credit Agreement and under each O'Hare CFC Note do not now and shall never constitute an indebtedness or loan of credit of the City, or charge against its general credit or taxing power, within the meaning of any constitutional or statutory limitation of the State of Illinois.

Section 5.11. Amendments to the CFC Indenture. To implement the O'Hare CFC Commercial Paper Program and the O'Hare CFC Line of Credit Program, the Mayor or the Authorized Officer is hereby authorized to enter into, execute and deliver on behalf of the City one or more amendments or supplemental indentures to the CFC Indenture to effectuate the proper administration of the O'Hare CFC Commercial Paper Program and the O'Hare CFC Line of Credit Program, all in a manner consistent with the terms of this Ordinance and as may be determined to be useful or necessary by the Mayor or the Authorized Officer.

ARTICLE 6-AUTHORIZATION FOR ESTABLISHMENT OF MIDWAY LINE OF CREDIT PROGRAM

Section 6.1. Authorization. This Article 6 authorizes (i) the extension of the Midway Commercial Paper Program; (ii) the establishment of a line of credit borrowing program for Midway Airport purposes, the issuance of the Midway Credit Agreement Notes pursuant to Midway Credit Agreements; and (iii) such other matters and actions as are described in this Article 6.

Section 6.2. Findings and Determinations. The City hereby finds and determines as follows:

a) that from time to time interim financing of capital projects at, near or for the benefit of Midway Airport is needed prior to the issuance of long term revenue bonds or the receipt of federal grants;

b) *that from time to time it is desirable to refund (i) Midway Outstanding Airport Obligations of the City and other payment obligations related thereto (the "Outstanding Midway Obligations") and (ii) future issues of revenue bonds and notes secured by Midway Airport revenues under the Midway First Lien Master Indenture or the Midway Second Lien Master Indenture as may be outstanding from time to time, and other payment obligations related thereto (the "Outstanding Future Midway Obligations");*

c) that the transfer, modification or termination of any swap agreement previously executed and currently in effect with respect to the Outstanding Midway Obligations to be refunded by the Midway Credit Agreement Notes (or with respect to any other Outstanding Midway Obligations) and the payment of such amounts in respect of such transfer, modification or termination of such swap agreement without further action of this City Council will provide benefits to Midway Airport and is in the financial interest of the City and Midway Airport;

d) that the City's ability to borrow pursuant to the Midway Commercial Paper Program and the Midway Line of Credit Program as herein provided without further action by this City Council for purposes described in clauses (a) through (c) above; to enter into Midway Credit Agreements and to make various determinations with respect to the terms of the Midway Credit Agreements, the Midway Credit Agreement Notes to be issued pursuant to the Midway Line of Credit Program and the Midway Commercial Paper Notes to be issued pursuant to the Midway Commercial Paper Program will enhance the City's opportunities to obtain financing for Midway Airport upon the most favorable terms available; and

e) that the delegations of authority that are contained in this Ordinance, including, without limitation, the authority to make the specific determinations described in clauses (a) through (d) above, are necessary and desirable because this City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Mayor or an Authorized Officer to implement the Midway Commercial Paper Program and the Midway Line of Credit Program and from time to time enter into Midway Credit Agreements and cause to be issued Midway Credit Agreement Notes pursuant to the Midway Line of Credit Program, all as and to the extent that such officer determines is desirable and in the best financial interest of the City and Midway Airport.

-55-

Section 6.3. Midway Line of Credit Program Established. The Mayor and the Authorized Officer are hereby authorized to establish the Midway Line of Credit Program for the financing of the purposes authorized by Section 6.4.

Section 6.4. Purposes of Midway Line of Credit Program. The Midway Line of Credit Program shall authorize Midway Credit Agreements and the issuance of Midway Credit Agreement Notes for any of the following purposes (or combination thereof):

a) the payment, or the reimbursement of the City for the payment, of the cost of all or any portion of any capital project at, near or for the benefit of Midway Airport that is part of, or related to, Midway Airport;

b) the payment, reimbursement of the City for the payment, or the funding in anticipation of the payment of operation and maintenance expenses of Midway Airport;

c) the deposit of moneys into funds and accounts as are provided for in any Midway Credit Agreement;

d) the payment of costs of issuance incurred in connection with each series of Midway Credit Agreement Notes;

e) if determined by the Authorized Officer to be in the best interest of Midway Airport, the issuance of Midway Credit Agreement Notes to refund at one or more times, and at or prior to maturity, one or more of the Outstanding Midway Obligations or the Outstanding Future Midway Obligations (including interest thereon);

f) the payment of any fees or other costs associated with the execution and delivery of any Midway Credit Agreement or the issuance of any Midway Credit Agreement Notes;

g) if determined by the Authorized Officer to be in the best interest of Midway Airport, the payment of any amounts in respect of the transfer, modification or termination of any swap agreement with respect to any Outstanding Midway Obligations to be refunded by the Midway Credit Agreement Notes (or with respect to any other Outstanding Midway Obligations); and

h) to fund the payment of the principal of and interest on maturing Midway Credit Agreement Notes or Midway Commercial Paper Notes.

The proceeds of borrowings under the Midway Line of Credit Program shall be applied for the purposes set forth above in the manner and in the amounts specified in a Certificate of the Authorized Officer (or such Authorized Officer's designee) delivered in connection with such borrowings.

Section 6.5. Midway Credit Agreements for Midway Line of Credit Program. In order to undertake the Midway Line of Credit Program, the Mayor or the Authorized Officer is hereby authorized to enter into, execute and deliver on behalf of the City one or more Midway Credit Agreements with one or more financial institutions selected by the Mayor or the Authorized Officer and the City Clerk is hereby authorized to attest the same and affix thereto the corporate seal of the City or a facsimile thereof. Each such Midway Credit Agreement may include such covenants and undertakings of the City as the Mayor or the Authorized Officer shall determine to be

-56-

necessary and desirable in connection with the Midway Line of Credit Program and which are consistent with the terms and conditions of this Ordinance, including covenants and undertakings with respect to the tax-exempt status of interest on Midway Credit Agreement Notes, the administration and operation of Midway Airport, the imposition of rates and charges for the use of Midway Airport and its facilities, the collection, deposit and application of Midway Airport revenues, including rate covenants and restrictions on the issuance of Airport Obligations (as defined in the Second Lien Master Indenture). In consideration for the availability of moneys under a Midway Credit Agreement, the City may pay such fees and charges, including initial fees and annual fees as may be agreed to by the Mayor or the Authorized Officer in consideration of the best interests of the City in the operation of Midway Airport.

Section 6.6. Authorization and Terms of Midway Credit Agreement Notes. Without further authorization of this City

Council, the maximum aggregate principal amount of indebtedness authorized under the Midway Line of Credit Program and the maximum aggregate principal amount of Midway Credit Agreement Notes issued and outstanding under this Ordinance at any time shall not exceed \$250,000,000 (exclusive of unpaid interest and fees) and the maximum aggregate principal amount of indebtedness outstanding at any time under the Midway Commercial Paper Program and the Midway Line of Credit Program shall not exceed \$250,000,000. Each Midway Credit Agreement Note and any amount borrowed under the Midway Line of Credit Program may bear interest (fixed or variable) at such rate per annum not to exceed 15 percent per annum, as determined by the Mayor or Authorized Officer. All borrowings under the Midway Line of Credit Program shall be paid no later than January 1, 2040, and no Midway Credit Agreement Note shall mature later than January 1, 2040. Subject to the limitation as to principal amount, interest rate and maturity contained in this Section and the limitations as to source of payment contained in Section 6.7, authority is hereby delegated to the Mayor and the Authorized Officer to establish the terms and conditions of each borrowing under the Midway Line of Credit Program and each Midway Credit Agreement Note, including interest payment dates and terms for redemption of Midway Credit Agreement Notes.

Section 6.7. Limited Obligation and Source of Payment of Borrowings and Midway Credit Agreement Notes. The borrowings under any Midway Credit Agreement, the fees and charges payable to any financial institution under a Midway Credit Agreement and the principal of and interest on any Midway Credit Agreement Note shall be limited obligations of the City and Junior Lien Obligations under the Midway First Lien Master Indenture. Such Midway Credit Agreement Notes, as determined by the Mayor or the Authorized Officer, may be payable from and secured by a pledge of and lien on any one or more of the following (each of such terms having the meanings set forth in the Midway First Lien Master Indenture): (i) Junior Lien Revenues, (ii) Passenger Facility Charges with respect to Midway Airport, (iii) Customer Facility Charges with respect to Midway Airport, and/or (iv) Grant Funds with respect to Midway Airport. To the extent that such Midway Credit Agreement Notes are secured by a pledge of and lien on such Junior Lien Revenues, such pledge and lien shall be junior and subordinate to the pledges of and liens on Midway Airport revenues securing the repayment of all other Airport Obligations (as defined in the Second Lien Master Indenture) other than commercial paper notes issued under the Midway Commercial Paper Program. To the extent that such Midway Credit Agreement Notes are secured by a pledge of and lien on Passenger Facility Charges, Customer Facility Charges or Grant Funds, such pledge and lien, in each case, shall be junior and subordinate to the pledges of and liens on such Passenger Facility Charges, Customer Facility Charges or Grant Funds securing the repayment of any bonds, notes or other obligations issued or to be issued by the City with respect to such Passenger Facility Charges, Customer Facility Charges or Grant Funds which the City has designated to be senior to such Credit Agreement Notes, including, with respect to Customer Facility Charges, the Chicago Midway Airport Second Lien Revenue Bonds,

-57-

Series 2018A (Taxable). Midway Credit Agreement Notes may be issued on parity with or subordinate to commercial paper notes issued under the Midway Commercial Paper Program. The obligations of the City under each Midway Credit Agreement and under each Midway Credit Agreement Note do not now and shall never constitute an indebtedness or loan of credit of the City, or charge against its general credit or taxing power, within the meaning of any constitutional or statutory limitation of the State.

Section 6.8. Term of Midway Commercial Paper Program Extended. The term of the Midway Commercial Paper Program is extended to January 1, 2040. All borrowings under the Midway Commercial Paper Program shall be paid no later than January 1, 2040, and no Commercial Paper Note shall mature later than January 1, 2040.

Upon the issuance of any substitute Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Subject to the limitations contained in paragraph (c) of this Section, Bonds may be exchanged at the Designated Corporate Trust Office of the Trustee for a like aggregate principal amount of Bonds of the same interest rate and Maturity Date of other Authorized Denominations bearing numbers not contemporaneously outstanding.

b) No service charge shall be made for any transfer or exchange of Bonds, but the City or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

c) The Trustee shall not be required to transfer or exchange any Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Bond and ending on such Interest Payment Date, or to transfer or exchange such Bond after the mailing of notice calling such Bond for redemption has been made as herein provided or during the period of 15 days next preceding the giving of notice of redemption of Bonds of the same Maturity Date and interest rate.

d) Bonds delivered upon any registration of transfer or exchange as provided herein or as provided in Section 2.07 hereof shall be valid general obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof and of the Bond Ordinance to the same extent as the Bond surrendered. The City and the Trustee may treat the Registered Owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not

-12-

be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Bond as herein provided shall be made only to or upon the written order of the Registered Owner thereof or such Registered Owner's legal representative, but such registration may be changed as herein provided. All such

payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 2.09. Required Information in Bond Form. On each date on which the Trustee authenticates and delivers a Bond, it shall complete the information required to be inserted by the Bond form and shall keep a record of such information.

Section 2.10. Cancellation. Any Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender thereof to the Trustee. If the City shall acquire any of the Bonds, the City shall deliver such Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Certification of Bonds canceled by the Trustee shall be made to the City. Canceled Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City.

Section 2.11. Book Entry Provisions. The provisions of this Section shall apply as long as the Bonds are maintained in book entry form with DTC or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding. Notwithstanding anything else to the contrary herein, so long as DTC is the Securities Depository, the Bonds shall be subject to the operational arrangements of DTC in effect from time to time.

a) The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Indenture and the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the Beneficial Owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the Beneficial Owners of the Bonds or their nominees.

b) If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Bonds, that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the Beneficial Owners that they obtain certificated Bonds, the City may (or, in the case of clause (ii) of this paragraph, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

c) If, following a determination or event specified in paragraph (b) of this Section, the City discontinues the maintenance of the Bonds in book entry form with the then current Securities Depository, the City will issue replacement Bonds to the

-13-

replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the Beneficial Owners of the Bonds shown on the records of such Participant. Any such Bonds so issued in replacement shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the

replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the Designated Corporate Trust Office of the Trustee.

d) The Securities Depository and its Participants, and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the Beneficial Owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the Beneficial Owners to perform any obligation of the Participant to a Beneficial Owner of the Bonds.

e) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

f) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds:

i) selection of Bonds to be redeemed upon partial redemption or presentation of Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

ii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants; and

iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants.

Redemption of Bonds

(a) Optional Redemption. The Bonds maturing on or after _____, 20____ are subject to redemption at the option of the City, on any date occurring on or after _____, 20____, in such principal amounts and from such maturities and interest rates as the City shall determine and by lot within a single maturity and interest rate, at a Redemption Price of _____ % of the principal amount thereof being redeemed plus accrued interest, if any, to the date of redemption.

The City is authorized to sell or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part; provided, that such sale or waiver will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

b) *General Provisions Regarding Redemptions.*

i) No redemption of less than all of the Bonds Outstanding shall be made pursuant to Section 3.01 (a) hereof unless the aggregate principal amount of Bonds to be redeemed is equal to \$5,000 multiples. Any redemption of less than all of the Bonds Outstanding shall be made in such a manner that all Bonds Outstanding after such redemption are in Authorized Denominations. If fewer than all Bonds Outstanding are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates as may be determined by an Authorized Officer.

ii) Bonds may be called for redemption by the Trustee pursuant to Sections 3.01(a) and 3.01(c) hereof upon receipt by the Trustee at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Trustee) of, in the case of a redemption pursuant to Section 3.01(a) of a written request of the City requesting such redemption, or in the case of a redemption pursuant to Section 3.01 (c) in accordance with the mandatory schedule provided herein.

iii) In lieu of redeeming Bonds pursuant to Section 3.01 (a) hereof, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the Redemption Price then applicable hereunder. Any Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled, all as provided in Section 2.10 hereof.

c) *Mandatory Redemption of Bonds.*

The Bonds maturing on _____, 20____ are subject to mandatory redemption prior to maturity on _____ of the years and in the amounts set forth below, at a Redemption Price of _____ percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

-15-

*Final Maturity

The final maturity amount of the Bonds maturing on _____, 20____, is \$ _____.

The principal amount of the Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the sixtieth (60th) day preceding any mandatory redemption date, the Trustee may, and if directed by the City shall, purchase Bonds required to be retired on such mandatory redemption date at such prices as the City shall determine. Any such Bond so purchased shall be canceled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date.

[Additional redemption provisions to be incorporated as applicable]

Section 3.02. Notice of Redemption, (a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section 3.02 shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

- 1) the Series designation of the Bonds to be redeemed,
- 2) the redemption date,
- 3) the Redemption Price,
- 4) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed,
- 5) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

-16-

- 6) the place where such Bonds are to be surrendered for payment of the Redemption Price, and
- 7) such other information as shall be deemed necessary by the Trustee at the time such notice is given to comply with law, regulation or industry standard.

b) With respect to an optional redemption of Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the Redemption Price of the Bonds. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and such failure to deposit such funds shall not constitute an Event of Default under this Indenture. The Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for the Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the Redemption Price of all the Bonds or portions thereof which are to be redeemed on that date.

c) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City defaults in the payment of the Redemption Price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Trustee at the Redemption Price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

d) If any Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued.

e) Failure to give notice in the manner prescribed hereunder with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Bonds to be redeemed and to pay interest due thereon and premium, if

any, the Bonds thus called shall not, after the applicable redemption date, bear interest, be protected by this Indenture or the Bond Ordinance or be deemed to be Outstanding under the provisions of this Indenture.

f) If any Bond is transferred or exchanged on the Bond Register after notice has been given calling such Bond for redemption, the Trustee will attach a copy of such notice to the Bond issued in connection with such transfer or exchange.

g) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys

-17-

sufficient to pay such Bond are held by the Trustee for the benefit of the Registered Owner of such Bond, the Trustee shall hold such moneys for the benefit of the Registered Owner of such Bond without liability to the Registered Owner for interest. The Registered Owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 3.03. Selection of Bonds for Redemption. If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, (i) such redemption shall be by lot in such manner as the Trustee may determine among such Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Bonds for redemption, the Trustee shall assign to each Bond of like Maturity Date and interest rate, a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Registered Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Registered Owner of the Redemption Price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Registered Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. (b) Creation of Costs of Issuance Account. There is established with the Trustee an account within the Project Fund, designated as the "Series Costs of Issuance Account" (the "Series Costs of Issuance Account"). Section 4.06. Tax Covenants, (a) The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of such Bonds and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Section 4.07. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the Registered Owner thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the

amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.08. Moneys Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture shall be held by the Trustee in trust as provided in Section 8.07 of this Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Article V

Investment of Moneys

Section 5.01. Investment of Moneys. Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in this Indenture. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

Section 5.02. Investment Income. The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

article vi Discharge of lien

Section 6.01. Defeasance, (a) If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Bonds, then this Indenture and the Bond Ordinance shall be fully discharged and satisfied with respect to the Bonds. Upon the satisfaction and discharge of this Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Indenture which are not required for the payment or redemption of the Bonds. If payment or provision for payment is made to or for the Registered Owners of all or a portion of the Bonds, of the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions of this Indenture, then these presents and the estate and rights hereby and by the Bond Ordinance granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to

-22-

be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Defeasance Obligations, or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). If the City shall pay and discharge a portion of the Bonds as aforesaid, such portion shall cease to be entitled to any lien, benefit or security under this Indenture and the Bond Ordinance. The liability of the City with respect to such Bonds shall continue, but the Registered Owners thereof shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the Defeasance Obligations deposited with the Trustee under Article VIII of this

Indenture.

b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

c) Nothing in this Indenture shall prohibit a defeasance deposit of escrow securities as provided in this Section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds (all as confirmed by a nationally recognized firm of independent public accountants). Amounts held by the Trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City. No such sale and reinvestment as provided in this paragraph shall be made or accepted hereunder unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such sale and reinvestment would not cause any of the defeased Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

article vii

Section 7.02. Remedies, (a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.01 hereof, the Trustee shall proceed, or upon the happening and continuance of any Event of Default (beyond the time periods specified therein) specified in paragraph (c) of Section 7.01 hereof, the Trustee may proceed, and upon the written request of the Owners of not less than 25 percent in aggregate principal amount of the Outstanding Bonds, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the Owners of the Bonds by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

i) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Owners of the Bonds including the right to require the City to receive and collect taxes adequate to carry out the covenants and agreements as to such taxes and to require the City to carry out any other covenant or agreement

with the Owners of the Bonds and to perform its duties under this Indenture;

ii) by bringing suit upon the Bonds;

iii) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Owners of the Bonds; and/or

b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Bonds for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the Owners of the Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

c) Under no circumstance may the Trustee declare the principal of any Bond to be due and payable prior to its Maturity Date following the occurrence of an Event of Default under this Indenture.

The Trustee shall not be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except to the extent such proceeds are paid to the Trustee in its capacity as Trustee. The Trustee shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any action or suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct or that of its agents.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by law, this Indenture and each Supplemental Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Interest in respect of moneys or on securities in any fund, account, subfund or subaccount shall be credited in each case to the fund, account, subfund or subaccount in which such moneys or securities are held.

Section 8.08. Evidence on which Trustee May Act. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any fund or account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

Section 8.09. Permitted Acts and Functions. The Trustee may become the Owner of any Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Section 8.10. Resignation. The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice thereof, to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such

-27-

resignation shall take effect upon the appointment and acceptance of appointment of a successor by the City or the Owners of Bonds as herein provided.

Section 8.11. Removal. The Trustee may be removed at any time by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Bonds or by their attorneys duly authorized in writing and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause (or upon 30 days' notice for any reason) as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment and acceptance of appointment of a successor Trustee.

Section 8.12. Appointment of Successor. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the City and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Bonds as herein authorized. The City shall mail notice to Owners of Bonds of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.10 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, or any Owner of Bonds may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, in any such case having corporate trust powers, doing business and having a corporate trust office in the City.

Section 8.13. Transfer of Rights and Property to Successor. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should

-28-

any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

Section 8.14. Merger or Consolidation. Section 9.01. Supplemental Indenture Effective Upon Execution by the Trustee. For any one or more of the following purposes and the purposes enumerated in Section 9.04 hereof, and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, which, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk and the execution and delivery of such

Supplemental Indenture by the City and the Trustee, shall be fully effective in accordance with its terms and not subject to consent by the Registered Owners of the Bonds:

- a) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;
- b) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;
- c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;
- d) to confirm, as further assurance, the pledge herein, and the subjection of, additional properties, taxes or other collateral to any lien, claim or pledge created or to be created by, this Indenture;
- e) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture;
- f) to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or
- g) to provide additional duties of the Trustee under this Indenture.

Section 9.02. Supplemental Indentures Effective With Consent of Owners of Bonds. At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, subject to consent by the Owners of Bonds in accordance with and subject to the provisions of this Article, which Supplemental Indenture, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk, upon compliance with the provisions of this Article, and upon execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

-30-

Section 9.03. General Provisions, (a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Nothing in this Article shall affect or limit the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument pursuant to the provisions of this Article or the right or obligation of the City to execute and deliver to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Section 9.01 or 9.04 hereof may be adopted by the City Council of the City without the consent of any of the Owners of Bonds, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in this Article. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

c) The Trustee is hereby authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by this Article and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

d) No Supplemental Indenture shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

e) No Supplemental Indenture shall take effect unless and until there has been delivered to the Trustee an Opinion of Bond Counsel to the effect that such Supplemental Indenture does not adversely affect the exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled.

Section 9.04. Additional Matters. Additionally, this Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

a) to provide for certificated Bonds; and

b) to secure or maintain ratings from any Rating Agency in the highest long term debt rating category, of such Rating Agency which are available for the Bonds, which changes will not restrict, limit or reduce the obligation of the City to pay the principal of, premium, if any, and interest on the Bonds as provided in this Indenture or otherwise adversely affect the Registered Owners of the Bonds under this Indenture.

Section 9.05. Mailing of Notice of Amendment. Any provision in this Article for the mailing of a notice or other paper to owners of Bonds shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of then Outstanding Bonds at his address, if

-31-

any, appearing upon the registration books maintained by the City at the Designated Corporate Trust Office of the Trustee, and (ii) to the Trustee.

Section 9.06. Powers of Amendment. Any modification or amendment of this Indenture or of the rights and obligations of the City and of the Owners of the Bonds, in particular, which requires the consent of the Bondholders, may be made by a Supplemental Indenture, with the written consent given as provided in Section 9.07, (a) of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given, or (b) in case less than all of the then Outstanding Bonds are affected by the modification or amendment, of the Owners of a majority in aggregate principal amount of the then Outstanding Bonds so affected. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon, or in terms of purchase or the purchase price thereof, without the consent of the owner of such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto. For the purposes of this Section, a Bond shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the owners of such Bond.

Section 9.07. Consent of Owners of Bonds, (a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 9.06, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to the Owners of the Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to the Owners of the Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (i) there shall have been filed with the Trustee (1) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 9.06 and (2) an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted

hereby and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as in this Section provided, and (ii) a notice shall have been mailed as hereinafter in this Section provided.

(b) The consent of an Owner of Bonds to any modification or amendment shall be effective only if accompanied by proof of the Ownership, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 8.16. A certificate or certificates signed by the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.16 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with the Trustee.

-32-

(c) At any time after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Owners by the Trustee by mailing such notice to the Owners of the Bonds (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The Trustee shall file with the City proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee and the Owners of all Bonds at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40-day period; except that the Trustee and the City, during such 40-day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

Section 9.08. Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Bonds hereunder may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Bonds to the execution and delivery of such Supplemental Indenture, such consent to be given as provided in Section 9.07 except that no notice to the Owners of the Bonds shall be required; but no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 9.09. Exclusion of Bonds. Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Designated Corporate Trust Office of the Trustee or upon any exchange or registration of transfer of any Bond Outstanding at such effective date, suitable

notation shall be made on such Bond or upon any Bond issued upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for Bonds of the same maturity upon surrender of such Bond.

maturity, interest rate and denomination as the Series 2022 Second Lien Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2022 Second Lien Bond, such mutilated Series 2022 Second Lien Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2022 Second Lien Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2022 Second Lien Bond has matured, instead of issuing a substitute Series 2022 Second Lien Bond the City may pay the same without surrender of such Series 2022 Second Lien Bond. The City and the Trustee may charge the Registered Owner of such Series 2022 Second Lien Bond with their reasonable fees and expenses in this connection. All Series 2022 Second Lien Bonds so surrendered to the Trustee shall be canceled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Series 2022 Second Lien Bonds, the Trustee shall destroy any inventory of unissued certificates.

All duplicate Series 2022 Second Lien Bonds issued and authenticated pursuant to this Section shall constitute original, contractual obligations of the City (whether or not, in the case of the first paragraph of this Section, lost, stolen or destroyed Series 2022 Second Lien Bonds be at any time found by anyone), and shall be entitled to equal and proportionate rights and benefits under this Twelfth Supplemental Indenture as all other Outstanding Series 2022 Second Lien Bonds issued under this Twelfth Supplemental Indenture.

All Series 2022 Second Lien Bonds shall be owned upon the express condition that the foregoing provisions, to the extent permitted by law, are exclusive with respect to the replacement or payment of mutilated, destroyed, lost, stolen or purchased Series 2022 Second Lien Bonds, and shall preclude any and all other rights or remedies.

Section 2.07. Transfer and Exchange of Series 2022 Second Lien Bonds; Persons Treated as Owners, (a) Subject to the limitations contained in subsection (c) of this Section, upon surrender for registration of transfer of any Series 2022 Second Lien Bond at the principal corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Bondholder or such Bondholder's attorney duly authorized in writing, the City shall execute, and the Trustee shall authenticate and deliver, in the name of the transferee or transferees a new Series 2022 Second Lien Bond or Bonds of like date and tenor in Authorized Denominations of the same Maturity Date and interest rate for the aggregate principal amount which the Registered Owner is entitled to receive bearing numbers not contemporaneously Outstanding. Subject to the limitations contained in subsection (c) of this Section, Series 2022 Second Lien Bonds may be exchanged at such times at such designated corporate trust office of the Trustee upon surrender of such Series 2022 Second Lien Bond together with an assignment duly executed by the Registered Owner of such Series 2022 Second Lien Bonds or such Registered Owner's attorney in such form and with guarantee of signature as shall be satisfactory to the Trustee for an equal aggregate principal amount of Series 2022 Second Lien Bonds of like date and tenor of any Authorized Denomination as the Series 2022 Second Lien Bonds surrendered for exchange bearing numbers not contemporaneously Outstanding. The execution by the City of any Series 2022 Second Lien Bond of any Authorized Denomination shall constitute full and due authorization of such Authorized Denomination, and the Trustee shall thereby be

authorized to authenticate and deliver such registered Series 2022 Second Lien Bond.

(b) No service charge shall be imposed upon the Registered Owners for any exchange or transfer of Series 2022 Second Lien Bonds. The City and the Trustee may, however, require payment by the person requesting an exchange or transfer of Series 2022 Second Lien Bonds of

15

a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation to such exchange or transfer, except in the case of the issuance of one or more Series 2022 Second Lien Bonds for the unredeemed portion of a Series 2022 Second Lien Bond surrendered for redemption in part.

c) The Trustee shall not be required to transfer or exchange any Series 2022 Second Lien Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Series 2022 Second Lien Bond and ending on such Interest Payment Date, or to transfer or exchange such Series 2022 Second Lien Bond after the mailing of notice calling such Series 2022 Second Lien Bond for redemption has been made as provided in this Twelfth Supplemental Indenture or during the period of 15 days next preceding the giving of notice of redemption of Series 2022 Second Lien Bonds.

d) Series 2022 Second Lien Bonds delivered upon any registration of transfer or exchange as provided in this Section 2.07 or as provided in Section 2.08 hereof shall be valid limited obligations of the City, evidencing the same debt as the Series 2022 Second Lien Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits of this Twelfth Supplemental Indenture to the same extent as the Series 2022 Second Lien Bond surrendered.

e) The City, the Trustee and any Paying Agent may treat the Registered Owner of any Series 2022 Second Lien Bond as the absolute owner of such Series 2022 Second Lien Bond for all purposes, whether or not such Series 2022 Second Lien Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Series 2022 Second Lien Bond as provided in this Twelfth Supplemental Indenture shall be made only to or upon the written order of the Registered Owner of such Series 2022 Second Lien Bond or such Registered Owner's legal representative, but such registration may be changed as provided in this Twelfth Supplemental Indenture. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2022 Second Lien Bond to the extent of the sum or sums so paid.

Section 2.08. Cancellation. Any Series 2022 Second Lien Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender of such Series 2022 Second Lien Bond to the Trustee or any Paying Agent. If the City shall acquire any of the Series 2022 Second Lien Bonds, the City shall deliver such Series 2022 Second Lien Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Any such Series 2022 Second Lien Bonds canceled by any Paying Agent other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee. Certification of Series 2022 Second Lien Bonds canceled by the Trustee and Series 2022 Second Lien Bonds canceled by a Paying Agent other than the Trustee which are transmitted to the Trustee shall be made to the City. Canceled Series 2022 Second Lien Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City. Upon the date of final maturity or redemption of all Series 2022 Second Lien Bonds, the Trustee shall destroy any inventory of unissued certificates.

ARTICLE III

REDEMPTION OF SERIES 2022 SECOND LIEN BONDS

Section 3.01. Optional Redemption. The Series 2022 Second Lien Bonds are subject to redemption prior to maturity at the option of the City, in whole on any date or in part on any

Interest Payment Date, at a Redemption Price equal to the outstanding principal amount of such Series 2022 Second Lien Bond, together with accrued interest to the date fixed for redemption.

Section 3.02. Redemption Terms; Notice of Redemption.

a) Series 2022 Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.01 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption.

b) Unless waived by any owner of Series 2022 Second Lien Bonds to be redeemed, notice of the call for any optional redemption pursuant to Section 3.01 hereof shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 45 days prior to the date fixed for redemption to the Registered Owner of the Series 2022 Second Lien Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Series 2022 Second Lien Bond to be redeemed shall not affect the validity of the proceedings for the redemption of any other Series 2022 Second Lien Bond to be redeemed. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

c) All notices of redemption shall specify, at a minimum: (i) the series name and designation and certificate numbers of Series 2022 Second Lien Bonds being redeemed, [(ii) the CUSIP numbers of the Series 2022 Second Lien Bonds being redeemed,] (iii) the principal amount of Series 2022 Second Lien Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the redemption price, (vi) the Date of Issuance of the Series 2022 Second Lien Bonds being redeemed, (vii) the interest rate and maturity date of the Series 2022 Second Lien Bonds being redeemed, (viii) the date of mailing of notices to Registered Owners and information services (if required), and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Series 2022 Second Lien Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2022 Second Lien Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for Series 2022 Second Lien Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the redemption price of all Series 2022 Second Lien Bonds or portions thereof which are to be redeemed on that date.

d) Notice of redemption having been given as aforesaid, the Series 2022 Second Lien Bonds, or portions thereof, so to be redeemed shall, on the redemption date (unless the redemption has been canceled as described in Section 3.02(c) hereof), become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Series 2022 Second Lien Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Series 2022 Second Lien Bonds for redemption in accordance with said notice, such Series 2022 Second Lien Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial

redemption of any Series 2022 Second Lien Bond, there shall be prepared for the Registered Owner a new Series 2022 Second Lien Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal. If any Series 2022 Second Lien Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption.

Section 3.03. Selection of Series 2022 Second Lien Bonds for Redemption. In the event of the redemption of fewer than all the Series 2022 Second Lien Bonds, the aggregate principal amount thereof to be redeemed shall be in an Authorized Denomination.

This Master Indenture of Trust (this "Indenture"), dated as of [], 2022, is from the CITY OF CHICAGO (as amended or supplemented in accordance with its terms, the "City"), a municipal corporation and home rule unit of local government organized and existing under the laws of the State of Illinois, to Amalgamated Bank of Chicago, a bank chartered by the State of Illinois having its principal corporate trust office in the City of Chicago, Illinois, as trustee (together with any successor or successors as trustee under this Indenture, the "Trustee");

RECITALS

Capitalized terms used in this Indenture have the meanings specified in this Indenture unless the context clearly requires otherwise.

The City is a duly constituted and existing municipality within the meaning of Section 1 of Article VII of the 1970 Constitution of the State of Illinois (the "Constitution") and is a "home rule¹ unit" under Section 6(a) of Article VII of the Constitution.

The City has constructed and maintains and operates the Sewer System to meet the needs of the City's inhabitants and other users of the Sewer System. The Sewer System is operated under the supervision and control of the Department of Water Management of the City. The City has undertaken a program to improve, extend, and rehabilitate the Sewer System by acquiring, constructing, improving and equipping the Projects.

The Outstanding Senior Lien Bonds are the only Senior Lien Bonds now Outstanding. The City Council has determined that it is necessary and desirable and in the best interests of the City's inhabitants and other users of the Sewer System to covenant not to issue any additional

bonds on a parity with the Senior Lien Bonds.

Pursuant to the City's powers as a "home rule unit" and the Second Lien Bond Ordinances for the Outstanding Second Lien Bonds, the City has previously issued its Second Lien Bonds for lawful purposes of the Sewer System, including refunding-Outstanding Senior Lien Bonds and Outstanding Second Lien Bonds or obligations payable from revenues of the Sewer System on a basis subordinate to the Second Lien Bonds (including Subordinate Lien Obligations) or for paying costs of issuance. The City has previously issued the Outstanding Second Lien Bonds with a claim for payment solely from Second Lien Bond Revenues of the Sewer System. The City may in the future issue Second Lien Parity Bonds for lawful purposes of the Sewer System. In addition, pursuant to authority conferred by this Indenture, the City may issue or incur for lawful purposes of the Sewer System, subject to the terms of this Indenture, Section 2.8 Obligations and Section 2.9 Obligations.

Pursuant to the City's powers as a "home rule unit" and the Subordinate Lien Obligation Ordinances, the City has previously issued its Subordinate Lien Obligations for lawful purposes of the Sewer System. Pursuant to authority conferred by this Indenture and additional

The Sewer Revenue Fund shall constitute a trust fund and has been and is irrevocably pledged to the owners of the Senior Lien Bonds, the Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), the Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), and the Short Term Obligations (but solely with respect to amounts on deposit in the Commercial Paper and Line of Credit Account), from time to time Outstanding for the sole purpose of carrying out the covenants, terms and conditions of the Outstanding Second Lien Bond Indentures, this Indenture and the ordinances authorizing the issuance of the Senior Lien Bonds, the Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), the Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), and the Short Term Obligations (but solely with respect to amounts on deposit in the Commercial Paper and Line of Credit Account).

The Sewer Revenue Fund shall be used only as provided in the Outstanding Second Lien Bond Indentures, this Indenture and the ordinances authorizing Outstanding Bonds, Subordinate Lien Obligations or Short Term Obligations for (a) paying Operation and Maintenance Costs, (b) paying the principal of, redemption premium, if any, and interest on Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations and Short Term Obligations or purchasing Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations or Short Term Obligations, in each case as provided in this Indenture, the Outstanding Second Lien Bond Indentures, and the Ordinances authorizing Outstanding Bonds, Subordinate Lien Obligations or Short Term Obligations, and (c) establishing and maintaining (for the purposes specified in those ordinances) the Senior Lien Construction Accounts and the Accounts in the Sewer Revenue Fund described in Section 3.3 of this Indenture and all other reserve funds or accounts that are required to be established and maintained in the ordinances authorizing the issuance of Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations and Short Term Obligations; provided that any funds available after these requirements have been satisfied or that are not necessary to satisfy these requirements shall be transferred to the Residual Account as provided in Section 3.4.

A lien on and security interest in the Net Revenues Available for Bonds, the various Accounts of the Sewer Revenue Fund established as provided in the Second Lien Bond Ordinances, and Section 3.3 of this Indenture (other than the Second Lien Bonds Account, the Subordinate Lien Obligations Account and the Commercial Paper and Line of Credit Account) and in the Senior Lien Construction Accounts (but not the Second Lien Construction Accounts) are granted to the owners of the Senior Lien Bonds Outstanding from time to time, subject to amounts in the various Accounts being deposited, credited and expended as provided in the Outstanding Second Lien Bond Indentures, this Indenture and in the Senior Lien Bond Ordinance and the Second Lien Bond Ordinances. No lien or security interest in the Senior Lien Construction Accounts is granted to any owner of any Second Lien Bond, Subordinate Lien Obligation or Short Term Obligation. Nothing in this Ordinance shall prevent the City from commingling money in the Sewer Revenue Fund (except the Accounts to which reference is made in paragraphs (a) through (ii) of Section 3.3 of this Indenture, the Senior Lien Construction Accounts and the Second Lien Construction Accounts) with other money, funds and accounts of the City. Any advance by the City to the Sewer Revenue Fund from other funds of the City shall have a claim for reimbursement

only from amounts in the Sewer Revenue Fund not required for deposit in the various Accounts specified in paragraphs (a) through (ii) of Section 3.3 of this Indenture.

Section 3.3 Application of Net Revenues Available For Bonds. There have been created and there exist in the Sewer Revenue Fund the following separate accounts: the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, the Sewer Rate Stabilization Account, the Residual Account and the Senior Lien Rebate Accounts. There also have been created and shall be maintained in the Sewer Revenue Fund (i) the Second Lien Bonds Account and its various Subaccounts for each series of Second Lien Bonds; (ii) the Second Lien Bonds Debt Service Reserve Account; (iii) the Second Lien Rebate Account; (iv) the Subordinate Lien Obligations Account and its various Subaccounts for each series of Subordinate Lien Obligations; and (v) the Commercial Paper and Line of Credit Account and its various Subaccounts. The Net Revenues Available for Bonds shall be transferred, without any further official action or direction, to the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, the Senior Lien Rebate Accounts, the Second Lien Bonds Account, the Second Lien Bonds Debt Service Reserve Account, the Second Lien Rebate Accounts, the Subordinate Lien Obligations Account, the Commercial Paper and Line of Credit Account, the Sewer Rate Stabilization Account and the Residual Account in the order in which those accounts are listed below, for use in accordance with the provisions of this Section 3.3.

a) Bond Principal and Interest Account. Not later than 10 days prior to each principal or interest payment date for the Senior Lien Bonds, there shall be transferred to the Bond Principal and Interest Account sufficient funds to pay the amount of the principal, redemption premium, if any, and interest becoming due, whether upon maturity, redemption or otherwise, and amounts owed on Interest Rate Hedge Agreements for any Outstanding Senior Lien Bonds on such payment date on all Outstanding Senior Lien Bonds.

Funds in the Bond Principal and Interest Account shall be used only for the purpose of (a) paying principal of, redemption premium, if any, and interest on Outstanding Senior Lien Bonds and (b) amounts owed on Interest Rate Hedge Agreements for any Outstanding Senior Lien Bonds, as the same become due.

b) Bond Debt Service Reserve Account.

(i) Amounts in the Bond Debt Service Reserve Account shall be deposited in a separate account with a Depository designated by the Authorized Officer. Whenever the balance in the Bond Debt Service Reserve Account is less than the Bond Debt Service Reserve Requirement for the Outstanding Senior Lien Bonds, except as permitted pursuant to the provisions of the Senior Lien Bond Ordinance, there shall be transferred to the Bond Debt Service Reserve Account within the next 12 months sufficient funds to maintain balances in the Bond Debt Service Reserve Account at least equal to the Bond Debt Service Reserve Requirement for the Outstanding Senior Lien Bonds.

Except as may be required to be credited to the Senior Lien Rebate Accounts and except for amounts in excess of the Bond Debt Service Reserve Requirement (which excess amounts may be transferred to any account of the Sewer Revenue Fund), funds in the Bond Debt Service Reserve Account and any Credit Enhancement Instruments in that Account shall be used to pay principal of, redemption premium, if any, and interest on the Outstanding Senior Lien Bonds as the same become due at any time when there are insufficient funds available for such purpose in the Bond Principal and Interest Account (after any available

amounts in the Residual Account and then the Sewer Rate Stabilization Account have first been applied to that purpose).

(ii) All or any part of the Bond Debt Service Reserve Requirement may be met by deposit in the Bond Debt Service Reserve Account of one or more Credit Enhancement Instruments. A Credit Enhancement Instrument shall, for purposes of determining the value of the amounts on deposit in the Bond Debt Service Reserve Account, be valued at the Bond Debt Service Reserve Account Credit Enhancement Instrument Coverage for the Credit Enhancement Instrument except as provided in the next sentence. If a Credit Enhancement Instrument is to terminate (or is subject to termination) prior to the last principal payment date on any Outstanding Senior Lien Bond, then the Bond Debt Service Reserve Account Credit Enhancement Instrument Coverage of that Credit Enhancement Instrument shall be reduced each year, beginning on the date that is four years prior to the first date on which the Credit Enhancement Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date,

provided that if under the terms of the Credit Enhancement Instrument and the terms of the related ordinance, the City has the right and duty to draw upon the Credit Enhancement Instrument prior to its termination for deposit in the Bond Debt Service Reserve Account (if and to the extent a substitute Credit Enhancement Instrument is not deposited in the Bond Debt Service Reserve Account) all or part of its Bond Debt Service Reserve Account Credit Enhancement Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Bond Debt Service Reserve Requirement and (B) the sum of the amounts on deposit in the Bond Debt Service Reserve Account and the amount that the City may draw under the Credit Enhancement Instrument prior to its termination for deposit in the Bond Debt Service Reserve Account. Any amounts in the Bond Debt Service Reserve Account that are not required to be transferred to the Bond Principal and Interest Account may, from time to time, be used to pay costs of acquiring a Credit Enhancement Instrument Bond Debt Service Reserve Account or to make payments due under a related reimbursement agreement, but only if after such payment, the value of the Bond Debt Service Reserve Account shall not be less than the Bond Debt Service Reserve Requirement. The City pledges and grants a lien on and security interest in the amounts on deposit in the Bond Debt Service Reserve Account to any provider of a Credit Enhancement Instrument for the Bond Debt Service Reserve Account with respect to such provider's Credit Enhancement Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the owners of the Outstanding Senior Lien Bonds or any party to an Interest Rate Hedge Agreement related thereto.

After the deposit of a Credit Enhancement Instrument into the Bond Debt Service Reserve Account and after the City has received notice of the value of the Bond Debt Service Reserve Account after such deposit, the Authorized Officer may then direct the transfer from the Bond Debt Service Reserve Account to any account of the Sewer Revenue Fund of any amounts in the Bond Debt Service Reserve Account in excess of the Bond Debt Service Reserve Requirement.

(c) Senior Lien Rebate Account. There shall be transferred from the Sewer Revenue Fund from Net Revenues Available for Bonds and deposited to the credit of the Senior Lien Rebate Account for the Outstanding Senior Lien Bonds the amounts that are required to be held available for rebate to the United States of America with respect to the Outstanding Senior Lien Bonds as required by the provisions of the Senior Lien Bond Ordinance. Such Senior Lien Rebate Account shall be deposited in a separate bank account in a bank or banks designated by the Authorized Officer as a Depository pursuant to a depository agreement. The amount so to be

30

held available shall be determined from time to time by the City pursuant to the Senior Lien Bond Ordinance.

Amounts in such Senior Lien Rebate Account shall be used at the direction of the Authorized Officer to make rebate payments with respect to the Outstanding Senior Lien Bonds to the United States of America.

d) Second Lien Bonds Account. The City has established in the Second Lien Bonds Account a separate and segregated subaccount for each series of Second Lien Bonds now Outstanding. The City establishes in the Second Lien Bonds Account with respect to the Series 2022 Second Lien Bonds a separate and segregated subaccount designated the "2022 Second Lien Bonds Subaccount". The City will in the Supplemental Indenture authorizing each series of Second Lien Parity Bonds establish a separate and segregated subaccount for such series designated in a similar fashion.

On the Business Day immediately preceding the first day of each month, there shall be transferred to the Second Lien Bonds Account, one-sixth (1/6th) of the interest due on the next Interest Payment Date and one-twelfth (1/12th) of the principal due on the next Principal Installment Payment Date, as those amounts are required by (a) the Second Lien Bond Ordinances authorizing each series of Second Lien Bonds now Outstanding, and (b) this Indenture with respect to the Series 2022 Second Lien Bonds and future series of Second Lien Parity Bonds to be deposited in the Second Lien Bonds Account on such date without priority, one over the other, as to any Subaccounts within the Second Lien Bonds Account. The amount to be so deposited shall be specified in a certificate of the Authorized Officer. The moneys in the various Subaccounts of the Second Lien Bonds Account shall be transferred by the Authorized Officer on

the date so deposited in such various Subaccounts to the appropriate paying agents or trustees for the related series of Second Lien Bonds for the purpose of paying such amounts as may be required to be paid with respect to such Second Lien Bonds, including amounts owed with respect to any Interest Rate Hedge Agreements for such Second Lien Bonds.

e) **Second Lien Bonds Debt Service Reserve Account.**

(i) Amounts in the Second Lien Bonds Debt Service Reserve Account shall be deposited in a separate account with a Depository designated by the Authorized Officer. Whenever the balance in the Second Lien Bonds Debt Service Reserve Account is less than the Second Lien Bonds Debt Service Reserve Requirement for the Outstanding Second Lien Bonds, except as permitted pursuant to the provisions of this Indenture, there shall be transferred to the Second Lien Bonds Debt Service Reserve Account within the next 12 months sufficient funds to maintain balances in the Second Lien Bonds Debt Service Reserve Account at least equal to the Second Lien Bonds Debt Service Reserve Requirement for the Outstanding Second Lien Bonds.

Except as may be required to be credited to the Second Lien Rebate Accounts and except for amounts in excess of the Second Lien Bonds Debt Service Reserve Requirement (which excess amounts may be transferred to any account of the Sewer Revenue Fund), funds in the Second Lien Bonds Debt Service Reserve Account and any Credit Enhancement Instruments in that Account shall be used to pay principal of, redemption premium, if any, and interest on the Outstanding Second Lien Bonds as the same become due at any time when there are insufficient funds available for such purpose in the Second Lien Bonds Account (after any available amounts in the Residual Account and then the Sewer Rate Stabilization Account have first been applied to that purpose).

31

(ii) All or any part of the Second Lien Bonds Debt Service Reserve Account Requirement may be met by deposit in the Second Lien Bonds Debt Service Reserve Account of one or more Credit Enhancement Instruments. A Credit Enhancement Instrument shall, for purposes of determining the value of the amounts on deposit in the Second Lien Bonds Debt Service Reserve Account, be valued at the Second Lien Bonds Debt Service Reserve Account Credit Enhancement Instrument Coverage for the Credit Enhancement Instrument except as provided in the next sentence. If a Credit Enhancement Instrument is to terminate (or is subject to termination) prior to the last principal payment date on any Outstanding Second Lien Bond, then the Second Lien Bonds Debt Service Reserve Account Credit Enhancement Instrument Coverage of that Credit Enhancement Instrument shall be reduced each year, beginning on the date that is four years prior to the first date on which the Credit Enhancement Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date, provided that if under the terms of the Credit Enhancement Instrument and the terms of the related ordinance, the City has the right and duty to draw upon the Credit Enhancement Instrument prior to its termination for deposit in the Second Lien Bonds Debt Service Reserve Account (if and to the extent a substitute Credit Enhancement Instrument is not deposited in the Second Lien Bonds Debt Service Reserve Account) all or part of its Second Lien Bonds Debt Service Reserve Account Credit Enhancement Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Second Lien Bonds Debt Service Reserve Account and (B) the sum of the amounts on deposit in the Second Lien Bonds Debt Service Reserve Account and the amount that the City or the Trustee may draw under the Credit Enhancement Instrument prior to its termination for deposit in the Second Lien Bonds Debt Service Reserve Account. Any amounts in the Second Lien Bonds Debt Service Reserve Account that are not required to be transferred to the Second Lien Bonds Account may, from time to time, be used to pay costs of acquiring a Credit Enhancement Instrument or to make payments due under a related reimbursement agreement, but only if after such payment, the value of the Second Lien Bonds Debt Service Reserve Account shall not be less than the Second Lien Bonds Debt Service Reserve Requirement. The City pledges and grants a lien on and security interest in the amounts on deposit in the Second Lien Bonds Debt Service Reserve Account to any provider of a Credit Enhancement Instrument for the Second Lien Bonds Debt Service Reserve Account with respect to such provider's Credit Enhancement Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the owners of the Outstanding Second Lien Bonds or any party to an Interest Rate Hedge Agreement related thereto.

After the deposit of a Credit Enhancement Instrument into the Second Lien Bonds Debt Service Reserve Account and after the City has received notice of the value of the Second Lien Bonds Debt Service Reserve Account after such deposit, the Authorized Officer may then direct the transfer from the Second Lien Bonds Debt Service

Reserve Account to any account of the Sewer Revenue Fund of any amounts in the Second Lien Bonds Debt Service Reserve Account in excess of the Second Lien Bonds Debt Service Reserve Requirement.

(f) Second Lien Rebate Account. There shall be transferred from the Sewer Revenue Fund from Net Revenues Available for Bonds and deposited to the credit of the Second Lien Rebate Account for the Outstanding Second Lien Bonds the amounts that are required to be held available for rebate to the United States of America with respect to the Outstanding Second Lien Bonds as required by the provisions of this Indenture. Such Second Lien Rebate Account shall be held by the Trustor or at the election of the City as directed by the Authorized Officer shall be deposited in a separate bank account in a bank or banks designated by the Authorized Officer as a Depository pursuant to a depository agreement. The amount so to be held available shall be determined from time to time by the City pursuant to this Indenture.

32

Amounts in such Second Lien Rebate Account shall be used at the direction of the Authorized Officer to make rebate payments with respect to the Outstanding Second Lien Bonds to the United States of America.

g) Subordinate Lien Obligations Account. There have been established in the Subordinate Lien Obligations Account with respect to each series of Outstanding Subordinate Lien Obligations a separate and segregated Subordinate Lien Obligations Principal and Interest Subaccount and a separate and segregated Subordinate Lien Debt Service Reserve Subaccount for the purposes set forth in Section 3.1 of this Indenture and this Section 3.3. There shall be established in the Subordinate Lien Obligations Account with respect to each series of Subordinate Lien Parity Obligations a separate and segregated Subordinate Lien Obligations Principal and Interest Subaccount and a separate and segregated Subordinate Lien Debt Service Reserve Subaccount for the same purposes. On the Business Day immediately preceding each January 1 and July 1, there shall be transferred to the Subordinate Lien Obligations Account, the amount required by any ordinance authorizing Subordinate Lien Obligations to be deposited in the Subordinate Lien Obligations Account on such date without priority, one over the other, to any Subaccounts within the Subordinate Lien Obligations Account, the amount to be so deposited specified in a certificate of the Authorized Officer. The monies in the various Subaccounts of the Subordinate Lien Obligations Account shall be used to pay such amounts as may be required to be paid by the ordinances authorizing such Subordinate Lien Obligations.

h) Commercial Paper and Line of Credit Account. There shall be transferred to the Commercial Paper and Line of Credit Account and to the Subaccounts in the Commercial Paper and Line of Credit Account such amounts on such dates as are required to be so transferred by (i) the applicable indentures governing the terms of outstanding Commercial Paper Notes and (ii) the applicable Line of Credit Agreement (as defined in the Series 2012 Bond Ordinance) governing the terms of outstanding Line of Credit Notes. The moneys in the various Subaccounts of the Commercial Paper and Line of Credit Account shall be transferred by the Authorized Officer on the date so deposited in such various Subaccounts to the appropriate paying agents or trustees for the related Commercial Paper Notes for the purpose of paying such amounts as may be required to be paid by the ordinances and indentures governing such Commercial Paper Notes and for the related Line of Credit Notes for the purpose of paying such amounts as may be required to be paid by the ordinances and related Line of Credit Agreement governing such Line of Credit Notes.

- (i) Sewer Rate Stabilization Account. In any year, the City may withdraw any amounts from the Sewer Rate Stabilization Account and use those amounts for paying any expenses or obligations of the Sewer System including, without limitation, any Operation and Maintenance Costs, deposits in the Bond Principal and Interest Account, deposits in the Bond Debt Service Reserve Account, deposits when due in the Second Lien Bonds Account (but only if and to the extent no amounts are required to be deposited in the Bond Principal and Interest

Account and in the Bond Debt Service Reserve Account), deposits when due in the Second Lien Bonds Debt Service Reserve Account (but only if and to the extent no amounts are required to be deposited in the Bond Principal and Interest Account, in the Bond Debt Service Reserve Account and in the Second Lien Bonds Account), deposits when due in the Subordinate Lien Obligations Account (but only if and to the extent no amounts are required to be deposited in the Bond Principal and Interest Account, in the Bond Debt Service Reserve Account, in the Second Lien Bonds Account and in the Second Lien Bonds Debt Service Reserve Account), deposits in the Commercial Paper and Line of Credit Account (but only if and to the extent no amounts are required to be deposited in the Bond Principal and Interest Account, in the Bond Debt Service Reserve Account, in the Second Lien Bonds Account, in the Second Lien Bonds Debt Service

33

Reserve Account, and in the Subordinate Lien Obligations Account), the costs related to any Interest Rate Hedge Agreements entered into pursuant to ordinances or indentures authorizing the issuance of Outstanding Senior Lien Bonds, Outstanding Second Lien Bonds, the Subordinate Lien Obligations and the Short Term Obligations in that order of priority, or any cost of repairs, replacements, renewals, improvements, equipment or extensions to the Sewer System. The Sewer Rate Stabilization Account shall be used (after any amounts in the Residual Account are applied to the purpose) to make all required deposits in the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, the Second Lien Bond Account and the Second Lien Bonds Debt Service Reserve Account when no other funds are available for that purpose. Any Net Revenues remaining in any period and not required for transfer to the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, any Senior Lien Rebate Account, the Second Lien Bonds Account, the Second Lien Bonds Debt Service Reserve Account, the Second Lien Rebate Account, the Subordinate Lien Obligations Account or the Commercial Paper and Line of Credit Account may be transferred to the Sewer Rate Stabilization Account at any time upon the direction of the Authorized Officer.

(J) Residual Account. A Residual Account is created in the Sewer Revenue Fund. Amounts shall be transferred into the Residual Account from time to time as provided in the last sentence of Section 3.4. Amounts in the Residual Account shall be used to make all required deposits in the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, the Second Lien Bonds Account and the Second Lien Bonds Debt Service Reserve Account when no funds (other than amounts in the Sewer Rate Stabilization Account) are available for that purpose. Amounts on deposit in the Residual Account not needed for the foregoing purposes shall be available for appropriation for any proper purpose of the Sewer System.

Section 3.4 Deficiencies; Excess. In the event of a deficiency in any Fiscal Year in the Bond Principal and Interest Account, the Bond Debt Service Reserve Account, any Senior Lien Rebate Account, the Second Lien Bonds Account, the Second Lien Bonds Debt Service Reserve Account, the Second Lien Rebate Account, the Subordinate Lien Obligations Account or the Commercial Paper and Line of Credit Account, the amount of such deficiency shall be included in the amount to be transferred from the Sewer Revenue Fund and deposited into such account during the next 12-month period or succeeding Fiscal Year, as required by this Indenture.

Whenever the balance in the Bond Debt Service Reserve Account, any Senior Lien Rebate Account, the Second Lien Bonds Debt Service Reserve Account, or the Second Lien Rebate Account exceeds the amount required to be on deposit in that Account, such excess may be transferred to the Sewer Revenue Fund; provided that no such transfers shall be made when any debt service payments on outstanding obligations of the City that are payable by their terms

from the revenues of the Sewer System are past due. Any funds that remain in the Sewer Revenue Fund at the end of any Fiscal Year shall be transferred to the Residual Account.

Section 3.5 General Provisions as to Investments. All moneys held in any fund or account established and created under this Indenture shall be invested in Permitted Investments upon the oral direction of an Authorized Officer, or his or her designated representative, promptly confirmed in writing. The Trustee is authorized to execute purchases and sales of Permitted Investments through the facilities of its own bond, trading or capital markets operations or those of any affiliated entity. Although the City recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the City agrees that

34

confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement for such account is rendered.

a) Permitted Investments purchased as an investment of moneys in any fund or account established and created under this Indenture, together with the income derived therefrom, shall be deemed at all times to be a part of such fund or account. Permitted Investments so purchased shall be sold at the best price reasonably obtainable whenever it shall be necessary so to do in order to provide moneys to make any withdrawal or payment from such fund or account. For the purposes of any such investment, a Permitted Investment shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such Permitted Investment. Permitted Investments in which moneys held in any fund or account have been invested shall mature not later than the respective dates as estimated by the City or the Trustee based on information provided by the City, when the moneys held for the credit of any fund or account will be needed.

b) In computing the amount in any fund or account, obligations maturing within the three year period next succeeding the date of computation shall be valued at amortized value, and obligations maturing more than three years following the date of computation shall be valued at the lower of amortized value or market value; provided that investment agreements described in clause (h) of the definition of "Permitted Investments" shall be valued at amortized value.

c) For purposes of this Indenture amortized value means par, if the obligation was purchased at par, or, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of interest payments remaining on such obligation after such purchase and deducting the amount thus calculated for each interest payment date after such purchase from the purchase price in the case of an obligation purchased at a premium or adding the amount thus calculated for each interest payment date after such purchase to the purchase price in the case of an obligation purchased at a discount. Valuation shall be made on each April 15 and October 15, or if such day is not a business day of the Trustee then on the business day of the Trustee immediately preceding such April 15 or October 15, and at any other time required under this Indenture or under any Supplemental Indenture, and on any particular date shall not include the amount of interest then earned or accrued to such date on any deposit or investment.

ARTICLE IV

GENERAL COVENANTS OF CITY

Section 4.1 Equality of Security. All Second Lien Bonds (including, without limitation, Section 2.8 Obligations), regardless of series, date of issuance or incurrence and date of sale, shall be secured by the pledge contained in Section 2.4 and the security so pledged shall not be used for any other purpose except as expressly permitted by the terms of this Indenture, so long as any Second Lien Bonds (including, without limitation, Section 2.8 Obligations), remain Outstanding and unpaid.

Section 4.2 Equality of Second Lien Bonds. Except as otherwise specifically provided in Section 4.1. all Second Lien Bonds authorized under the Outstanding Second Lien Bond Indentures, this Indenture or obligations incurred as

provided in Section 2.8 and Section 2.9(a) shall be on a parity and rank equally without preference, priority or distinction over any other thereof as to security, regardless of the time or times of their issue, and the provisions, covenants and agreements set forth in this Indenture to be performed by and on behalf of the City shall be

35

for the equal benefit, protection and security of the owners of any and all Second Lien Bonds and the holders of Section 2.8 Obligations and Section 2.9 Obligations. The City covenants that, except as otherwise provided in Section 4.6. it will not issue any obligations payable from the Second Lien Bond Revenues or any other moneys pledged in this Indenture or voluntarily create or cause or permit to be created any debt, lien, pledge or assignment, having priority over or being on a parity with, the Second Lien Bonds.

Section 4.3 Punctual Payment. The City covenants that it will duly and punctually pay or cause to be paid the principal of, premium, if any, and interest on, all Second Lien Bonds, including, without limitation, Section 2.8 Obligations, in strict conformity with the terms of such Second Lien Bonds and of this Indenture, the Supplemental Indentures creating the Second Lien Bonds of each series and the Outstanding Second Lien Bond Indentures and the instruments creating Section 2.8 Obligations or Section 2.9 Obligations, and that it will faithfully observe and perform all the conditions, covenants and requirements of this Indenture, each such Supplemental Indenture and instrument and of the Second Lien Bonds issued or incurred under such Supplemental Indenture.

Section 4.4 Maintenance and Continued Operation of Sewer System. The City will maintain the Sewer System in good repair and working order, will continuously operate it on a Fiscal Year basis, and will punctually perform all duties with respect to the Sewer System required by the Constitution and laws of the State.

So long as any Second Lien Bonds are Outstanding, the City will continue to operate the Sewer System as a revenue-producing system so as to produce Net Revenues sufficient to satisfy the covenants of this Indenture.

Section 4.5 Rate Covenant. The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Sewer System sufficient at all times to (a) pay Operation and Maintenance Costs, (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Senior Lien Bonds then Outstanding from time to time and to establish and maintain the Bond Principal and Interest Account and the Bond Debt Service Reserve Account as may be covenanted in ordinances authorizing the issuance of Senior Lien Bonds, which Net Revenues Available for Bonds shall in each Fiscal Year at least equal one hundred fifteen percent of the sum required to pay promptly when due the Bond Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds then Outstanding, (c) produce Second Lien Bond Revenues sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Second Lien Bonds then Outstanding from time to time, which Second Lien Bond Revenues shall in each Fiscal Year at least be equal to one hundred percent of the sum required to pay promptly when due the Second Lien Bonds Debt Service Requirement for the Fiscal Year on Second Lien Bonds, (d) produce Subordinate Lien Obligation Revenues sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Subordinate Lien Obligations then Outstanding from time to time and to establish and maintain the Subordinate Lien Obligations Account as may be covenanted in the ordinances authorizing the issuance of Subordinate Lien Obligations, which Subordinate Lien Obligation Revenues shall each Fiscal Year at least equal one hundred fifteen percent of the sum required to pay promptly when due the Subordinate Lien Debt Service Requirement for the Fiscal Year on all Subordinate Lien Obligations Outstanding, and (e) produce CP/Line of Credit Notes Revenues sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Line of Credit Notes and all Commercial Paper Notes then Outstanding from time to time and to establish and maintain the Commercial Paper and Line of Credit Account as may be

36

covenanted in the contracts governing the issuance of Line of Credit Notes and/or Commercial Paper Notes. The amount of Net Revenues Available for Bonds that exceeds one hundred percent of the sum required to pay promptly when due

the Bond Debt Service Requirement for any Fiscal Year on all Senior Lien Bonds Outstanding may be included in determining compliance with the requirements of clauses (c), (d) and (e) of the preceding sentence for such Fiscal Year. These fees, charges and rates shall not be reduced, while any Subordinate Lien Obligations are Outstanding, below the level necessary to ensure compliance with the covenants of this Section 4J>.

The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with the rate covenant, the City shall prepare or have prepared a rate study for the Sewer System identifying the rate changes necessary to comply with the rate covenant and the Office of Budget and Management of the City and the Authorized Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

Section 4.6 Issuance of Second Lien Parity Bonds.

(a) As long as there are any Outstanding Second Lien Bonds, the City may issue Second Lien Parity Bonds for any lawful purpose of the Sewer System, including to refund Outstanding Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations or obligations payable from revenues of the Sewer System on a basis subordinate to the Second Lien Bonds and Subordinate Lien Obligations, upon compliance with the following conditions:

- i. the funds required to be transferred to the Second Lien Bonds Account and its sub-funds, accounts and subaccounts shall have been transferred in full up to the date of delivery of such Second Lien Parity Bonds; and
- ii. (1) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Second Lien Parity Bonds (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service, the Aggregate Second Lien Bonds Requirement and the Aggregate Subordinate Lien Debt Service in each Fiscal Year following the issuance of the proposed Second Lien Parity Bonds, computed on a pro forma basis assuming (w) the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery and (x) any projected withdrawal from or deposits into the Sewer Rate Stabilization Account of such amounts as shall be estimated by the Authorized Officer in the current or any future fiscal year. Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (ii):
 - A. if prior to the issuance of such Second Lien Parity Bonds, the City shall have enacted an increase in the rates of the Sewer System from the rates in effect for such last completed Fiscal Year, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the

37

increased rates been in effect during all of that last completed Fiscal Year; and

- B. if prior to the issuance of such Second Lien Parity Bonds the City shall have enacted an increase in the rates of the Sewer System scheduled to take effect in a future Fiscal Year, such rate increase may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for such completed Fiscal Year;

Any such adjustment shall be evidenced by a certificate of the Authorized Officer.

(2) If during the first six months of a Fiscal Year, an audit of the Sewer System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (a)(ii)(1) shall be

deemed to have been satisfied if both (A) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in paragraph (a)(ii)(1), and (B) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Authorized Officer), adjusted as described in paragraph (a)(ii)(1), shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service, the Aggregate Second Lien Bonds Requirement and the Aggregate Subordinate Lien Debt Service in each Fiscal Year following the issuance of the proposed Second Lien Parity Bonds, computed on a pro forma basis assuming (y) the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery and (z) any projected withdrawal from or deposits into the Sewer Rate Stabilization Account of such amounts as shall be estimated by the Authorized Officer in the current or any future fiscal year.

(b) The City may issue Second Lien Parity Bonds without complying with the requirements of paragraph (a) of this Section 4.6:

- i. to pay, redeem or refund Senior Lien Bonds or Second Lien Bonds if in the judgment of the City there will be insufficient money available to make payments of interest on or principal of those Bonds (at maturity or on Sinking Fund Payments dates) as such amounts become due; or
- ii. to pay, redeem or refund any Senior Lien Bonds or Second Lien Bonds if (A) the sum of the Aggregate Senior Lien Debt Service, the Aggregate Second Lien Debt Service and the Aggregate Subordinate Lien Debt Service in each Fiscal Year in which there was to be any Aggregate Senior Lien Debt Service, Aggregate Second Lien Debt Service or Aggregate Subordinate Lien Debt Service on Bonds after the issuance of the Second Lien Parity Bonds and the payment, redemption or refunding of such Bonds will not be in excess of (B) the sum of the Aggregate Senior Lien Debt Service, Aggregate Second Lien Debt Service and Aggregate Subordinate Lien Debt Service prior to the issuance of the Second Lien Parity Bonds in each such Fiscal Year.

38

(c) Other obligations, including bonds, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Second Lien Bonds.

Section 4.7 Against Pledge of Revenues. The City shall not hereafter issue any bonds, notes, or other evidences of indebtedness secured by the pledge contained in Section 2.4, other than Second Lien Parity Bonds, and shall not create or cause to be created any lien or charge on Net Revenues Available for Bonds, or on any amounts pledged for the benefit of owners of Second Lien Bonds under this Indenture, other than the pledge contained in Section 2.4, provided that neither this Section nor any other provision of this Indenture shall prevent the City from (a) issuing bonds, notes or other evidences of indebtedness payable out of, or secured by a pledge of, Net Revenues Available for Bonds to be derived on and after such date as the pledge contained in Section 2.4 shall be discharged and satisfied as provided in Section 9.1. (b) issuing bonds, notes or other evidences of indebtedness which are payable out of, or secured by, the pledge of amounts which may be withdrawn from the Second Lien Bonds Account so long as such pledge is expressly junior and subordinate to the pledge contained in Section 2.4 or (c) issuing Subordinate Lien Obligations.

Section 4.8 Repairs, Replacements, Additions, Betterments. The City from time to time will make all necessary and proper repairs, replacements, additions and betterments to the Sewer System so that the Sewer System may at all times be operated efficiently, economically and properly. When any necessary equipment or facility shall have been worn out, destroyed or otherwise is insufficient for proper use, it shall be promptly replaced so that the value and efficiency of

the Sewer System shall be at all times fully maintained.

Section 4.9 Control and Operation of Sewer System. The City will establish such rules and regulations for the control and operation of the Sewer System as are necessary for the safe, lawful, efficient and economical operation of the Sewer System.

Section 4.10 Performance of Covenants; Authority. The City shall faithfully perform at all times to the extent applicable to the City any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Second Lien Bond executed, authenticated and delivered under this Indenture, and in all proceedings pertaining to this Indenture.

Section 4.11 Arbitrage and Tax Exemption Covenants.

a) The covenants and agreements of the City set forth in this Section 4.11 shall apply to Tax-Exempt Second Lien Bonds. The covenants and agreements of the City set forth in this Section 4.11 shall not apply to Taxable Second Lien Bonds. The covenants and agreements of the City set forth in this Section 4.11 shall apply to Tax-Exempt Second Lien Bonds as long as any such Tax-Exempt Second Lien Bonds continue to bear interest (whether or not they are Outstanding Bonds within the meaning of this Indenture) and shall also apply after such Tax-Exempt Second Lien Bonds cease to bear interest but only within such subsequent period as shall be required for the City to comply with the covenants of this Section 4.11.

b) The City will not direct or permit any action which (or fail to take any action the failure of which) would cause any Tax-Exempt Second Lien Bond to be an "arbitrage bond" within the meaning of the Code.

c) The City (i) will take all actions that are necessary to be taken (and avoid taking any action that it is necessary to avoid being taken) so that interest on the Tax-Exempt Second

39

Lien Bonds will not be or become subject to federal income taxation under present law, and (ii) will take all actions reasonably within its power to take that are necessary to be taken (and avoid taking any actions that are reasonably within its power to avoid taking and that it is necessary to avoid) so that interest on the Tax-Exempt Second Lien Bonds will not be or become includible in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time.

d) The City will, without limitation, (i) to the extent required by the Code, restrict the yield on investments of amounts received upon the sale of the Tax-Exempt Second Lien Bonds and other amounts, and (ii) timely rebate to the United States of America certain amounts that may be received as interest or other investment earnings on accounts of the Sewer Revenue Fund, all as shall be necessary to comply with this Section. The City shall also make or cause to be made identifiable investments of amounts allocable to the Tax-Exempt Second Lien Bonds as shall be necessary or appropriate to be able to ascertain the amounts that may be required so to be rebated to the United States of America. The City shall from time to time determine the amounts in accounts of the Sewer Revenue Fund that shall be subject so to be rebated and those amounts from time to time shall be held by the City in the Second Lien Rebate Account (which the City shall establish under this Indenture) and shall be rebated to the United States of America in the amounts and at the times as required. Such amounts so subject from time to time so to be rebated shall not be available for the other purposes for which the Sewer Revenue Fund and its accounts and accounts and sub-accounts established by this Indenture may be applied, and, for purposes of computing the balance in the Sewer Revenue Fund and such various accounts shall be disregarded.

e) The City will not take any of the following actions without in each such event obtaining the Opinion of Bond Counsel (which may represent the City from time to time in other matters) that such action will not contravene any covenant of this Indenture and will not make compliance with those covenants impossible: (i) defease any Tax-Exempt Second Lien Bonds; (ii) sell, lease or otherwise dispose of any material portion of the Sewer System; (iii) enter into or amend any short-term or long-term contract for wastewater service by the City other than pursuant to general rates

charged to the general public; or (iv) enter into or amend any contract or arrangement for persons other than its employees to manage the Sewer System.

f) The provisions of this Section 4.11 shall not be interpreted to impose upon the City any obligation to redeem or to purchase any Tax-Exempt Second Lien Bonds other than with proceeds or other amounts available under this Indenture.

Section 4.12 Registered Owner Remedy. Any Owner of a Second Lien Bond may proceed by civil action to compel performance of all duties required by this Indenture, including the establishment and collection of sufficient fees, charges and rates for services supplied by the Sewer System, and the application of Gross Revenues as provided by this Indenture.

Section 4.13 Debt Service Reserve Accounts. Any Supplemental Indenture pursuant to which a series of Second Lien Bonds is issued under this Indenture may establish a Second Lien Bonds Debt Service Reserve Requirement with respect to such series of Second Lien Bonds. Such Supplemental Indenture may provide that the Second Lien Bonds Debt Service Reserve Requirement for such series may be satisfied with (i) one or more Qualified Reserve Account Credit Instruments, (ii) Permitted Investments, or (iii) a combination thereof. For purposes of this Section 4.13 the term "Qualified Reserve Account Credit Instrument" means a Credit Enhancement Instrument consisting of a letter of credit, surety bond or non-cancelable insurance policy issued by a domestic or foreign bank, insurance company or other financial institution

40

whose debt obligations are rated "Aa" or "AA" or better by a Rating Agency as of its date of issuance. Any such Credit Enhancement Instrument shall be issued in the name of the Trustee and shall contain no restrictions on the ability of the Trustee to receive payments under it other than a certification of the Trustee that the funds drawn under it are to be used for purposes for which moneys in the Second Lien Bonds Debt Service Reserve Account may be used.

Section 4.14 Offices For Servicing Second Lien Bonds. The City shall at all times maintain one or more agencies in the City of Chicago, Illinois, or the City of New York, New York, where Second Lien Bonds of any series may be presented for payment, where Second Lien Bonds of any series may be presented for registration, registration of transfer or exchange to the extent and in the manner specified in the Second Lien Bond Ordinances authorizing Outstanding Second Lien Bonds, the Outstanding Second Lien Bond Indentures, this Indenture and the Supplemental Indenture creating such series and where notices, demands and other documents may be served upon the City in respect of the Second Lien Bonds of any series or of this Indenture. The City appoints the Trustee an agent for all such purposes.

ARTICLE V

SUPPLEMENTAL INDENTURES

Section 5.1 Supplemental Indentures Effective Upon Execution by the City and the Trustee. For any one or more of the following purposes and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council, which, upon (i) the filing with the Trustee of a copy of such ordinance certified by the City Clerk and (ii) the execution and delivery of such Supplemental Indenture by the City and the Trustee, shall be fully effective in accordance with its terms:

a) to close this Indenture against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Indenture on, the issuance of Second Lien Bonds or other evidences of indebtedness;

b) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

c) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

d) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;

e) to create a series of Second Lien Bonds and, in connection with such creation, to specify and determine the matters and things referred to in Article II and also any other matters and things relative to such Second Lien Bonds which are not contrary to or inconsistent with this Indenture as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first issuance of such Second Lien Bonds;

41

f) to, confirm, as further assurance, the pledge under Section 2.4 and the subjection of additional properties, Second Lien Bond Revenues or other collateral to any lien, claim or pledge created or to be created by this Indenture; and

g) to modify any of the provisions of this Indenture in any respect whatever, provided that such modification shall be, and shall be expressed to be, effective only after all Second Lien Bonds Outstanding at the date of the execution and delivery of such Supplemental Indenture shall cease to be Outstanding.

Section 5.2 Supplemental Indentures Effective Upon Consent of Trustee.

a) For any one or more of the following purposes and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council which, upon (i) the filing with the Trustee of a copy of such ordinance certified by the City Clerk, (ii) the filing with the Trustee and the City of an instrument in writing made by the Trustee consenting thereto, and (iii) the execution and delivery of such Supplemental Indenture by the City and the Trustee, shall be fully effective in accordance with its terms:

1. to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture; or
2. to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or
3. to provide additional duties of the Trustee under this Indenture.

b) Any such Supplemental Indenture may also contain one or more of the purposes specified in Section 5.1, and in that event, the consent of the Trustee required by this Section shall be applicable only to those provisions of such Supplemental Indenture as shall contain one or more of the purposes set forth in subsection (a) of this Section.

Section 5.3 Supplemental Indentures Effective Upon Consent of Owners of Certain Second Lien Bonds. At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council, subject to consent by the owners of Outstanding Second Lien Bonds issued under this Indenture in accordance with and subject to the provisions of Article VI which Supplemental Indenture, upon (i) the filing with the Trustee of a copy of such ordinance certified by the City Clerk, (ii) compliance with the provisions of Article VI. and (iii) execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

Section 5.4 General Provisions.

(a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article VI. Nothing contained in this Article or Article VI shall affect or limit

the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument or the right, or obligation of the City to execute and deliver to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

42

b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Sections 5.1 and 5.2 may be adopted by the City Council without the consent of any of the owners of Second Lien Bonds issued under this Indenture, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by a Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

c) The Trustee is authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by Sections 5.1, 5.2 or 5.3 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on, an opinion of counsel (which may be a Counsel's Opinion) that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

d) No Supplemental Indenture may change or modify any of the rights or obligations of the Trustee without its written consent to such Supplemental Indenture.

e) Any Supplemental Indenture executed and delivered pursuant to Section 5.2 or Article VI shall not take effect until the written consent to such modification or amendment of each provider of a Credit Enhancement Instrument for any Outstanding Second Lien Bonds issued under this Indenture shall have been filed with the Trustee.

ARTICLE VI AMENDMENTS

Section 6.1 Mailing of Notice of Amendment. Any provision in this Article for the mailing of a notice or other paper to owners of Second Lien Bonds issued under this Indenture shall be fully complied with if it is mailed postage prepaid only (i) to each registered owner of then Outstanding Second Lien Bonds issued under this Indenture at his or her address, if any, appearing upon the registration books maintained by the City at the principal office of the Trustee or, in the case of Section 2.8 Obligations, set forth in the instrument creating the same, (ii) to each provider of a Credit Enhancement Instrument for any Outstanding Second Lien Bonds, (iii) to the Trustee.

Section 6.2 Powers of Amendment. Any modification or amendment of this Indenture or of any Supplemental Indenture or of the rights and obligations of the City and of the Owners of the Second Lien Bonds issued and Outstanding under this Indenture, in particular, may be made by a Supplemental Indenture, with the written consent given as provided in Section 6.3(a) of the Owners of a majority in principal amount of the Second Lien Bonds issued under this Indenture Outstanding at the time such consent is given, (b) in case less than all of the several series of then Outstanding Second Lien Bonds issued under this Indenture are affected by the modification or amendment, of the Owners of a majority in principal amount of the then Outstanding Second Lien Bonds of each series so affected, (c) in case any Section 2.8 Obligations are affected by the modification or amendment, of the party to whom the Section 2.8 Obligations so affected are payable, (d) in case any Hedge Counterparty is affected by the modification or amendment, of the Hedge Counterparty so affected; except that if such modification or amendment will, by its

43

terms, not take effect so long as any Second Lien Bonds issued under this Indenture of any specified series and maturity

or any specified Section 2.8 Obligations or Section 2.9 Obligations remain Outstanding, the consent of the Owners of such Second Lien Bonds or the party to which such Section 2.8 Obligations or Section 2.9 Obligations are payable, as applicable, shall not be required and such Second Lien Bonds, Section 2.8 Obligations or Section 2.9 Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Second Lien Bonds, Section 2.8 Obligations or Section 2.9 Obligations under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Second Lien Bond or of any installment of interest on such Second Lien Bond or a reduction in the principal amount or the Redemption Price of such Second Lien Bond or a reduction in the rate of interest on such Second Lien Bond, or in the terms of purchase or the purchase price of such Second Lien Bond, without the consent of the Owner of such Second Lien Bond, or shall reduce the percentages or otherwise affect the classes of Second Lien Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written consent to such modification or amendment. For the purposes of this Section, a series of Second Lien Bonds issued under this Indenture or any specified Section 2.8 Obligations or Section 2.9 Obligations shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the Owners of Second Lien Bonds of such series or of such Section 2.8 Obligations or Section 2.9 Obligations. Notwithstanding anything to the contrary, a modification or amendment of a Supplemental Indenture which increases the maximum rate of interest on Second Lien Bonds of a series may be made by a Supplemental Indenture without the consent of the Owners of the affected Second Lien Bonds but shall be subject to the consents of any provider of a Credit Enhancement Instrument for the Second Lien Bonds of such series or other consent or consents as may be required by the Supplemental Indenture authorizing the issuance of such Second Lien Bonds.

Section 6.3 Consent of Owners of Second Lien Bonds.

a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 6.2. to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary of such Supplemental Indenture or reference to such Supplemental Indenture in form approved by the Trustee), together with a request to the Owners of the applicable Second Lien Bonds for their consent to such Supplemental Indenture in form satisfactory to the Trustee, shall be mailed by the City to the Owners of such Second Lien Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as provided in this Section). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (A) there shall have been filed with the Trustee (i) the written consents of Owners of the percentages of Outstanding Second Lien Bonds specified in Section 6.2 (and, to the extent required by Section 6.2. the consent of the party to which Section 2.8 Obligations or Section 2.9 Obligations are payable), and (ii) a Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as provided in this Section, and (B) a notice shall have been mailed as provided below in this Section.

b) The consent of an Owner of Second Lien Bonds issued under this Indenture to any modification or amendment shall be effective only if accompanied by proof of the ownership, at the date of such consent, of the Second Lien Bonds with respect to which such consent is given,

44

which proof shall be such as is permitted by Section 8.13. A certificate or certificates signed by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.13 shall be conclusive that the consents have been given by the Owners of the Second Lien Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Second Lien Bonds giving such consent and upon any subsequent Owner of such Second Lien Bonds and of any Second Lien Bonds issued in exchange for such Second Lien Bonds (whether or not such subsequent Owner of such Second Lien Bonds has notice thereof) unless such consent is revoked in writing by the Owner of such Second Lien Bonds giving such consent or a subsequent Owner of such Second Lien Bonds by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee to the effect that no revocation of such consent is on file with the Trustee.

c) At any time after the Owners of the required percentages of Second Lien Bonds issued under this Indenture shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City and the Trustee a written statement that the Owners of such required percentages of Second Lien Bonds (and, to the extent required by Section 6.2 the party to which Section 2.8 Obligations or Section 2.9 Obligations are payable) have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Second Lien Bonds issued under this Indenture (and, to the extent required by Section 6.2, the party to which Section 2.8 Obligations or Section 2.9 Obligations are payable) and will be effective as provided in this Section, shall be given to Owners of Second Lien Bonds issued under this Indenture and Outstanding by the City by mailing such notice to the Owners of such Second Lien Bonds and each party to which Section 2.8 Obligations or Section 2.9 Obligations are payable (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The City shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee, each party to which Section 2.8 Obligations or Section 2.9 Obligations are payable and the Owners of all Second Lien Bonds issued under this Indenture and Outstanding at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40 day period; provided that the Trustee and the City, during such 40 day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

d) Nothing in this Section 6.3 shall impact the provisions established in the Outstanding Second Lien Bond Indentures governing the authorization of indenture supplements governing those Outstanding Second Lien Bond Indentures and Outstanding Second Lien Bonds.

Section 6.4 Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Second Lien Bonds issued under this Indenture and Outstanding may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Second Lien Bonds issued under this

45

Indenture to the execution and delivery of a Supplemental Indenture making such modification or amendment, such consent to be given as provided in Section 6.3 except that no notice to the Owners of such Second Lien Bonds shall be required; but no such modification or amendment may change or modify any of the rights or obligations of the Trustee without its written consent to such modification or amendment.

Section 6.5 Exclusion of Second Lien Bonds. Second Lien Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Second Lien Bonds provided for in this Article, and the City shall not be entitled with respect to such Second Lien Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate, upon which the Trustee may rely, describing all Second Lien Bonds so to be excluded.

Section 6.6 Notation on Second Lien Bonds. Second Lien Bonds authenticated and delivered under this Indenture after the effective date of any action taken as provided in Article V or this Article may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Second Lien Bond issued under this Indenture and Outstanding at such effective date and presentation of such Owner's Second Lien Bond for that purpose at the principal office of the Trustee or upon any exchange or registration of transfer of any Second Lien Bond issued under this Indenture and Outstanding at such effective date, suitable notation shall be made on such Second Lien Bond or upon any Second Lien Bond issued

upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Second Lien Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Second Lien Bond issued under this Indenture and then Outstanding shall be exchanged, without cost to such Owner, for Second Lien Bonds of the same series and maturity upon surrender of such Second Lien Bond.

ARTICLE VII

DEFAULT AND REMEDIES

Section 7.1 Event of Default. Each of the following events of default is declared an "Event of Default:"

a) payment of the principal or Redemption Price, if any, of any Second Lien Bond shall not be made when and as the same shall become due, whether at maturity, upon call for redemption or otherwise;

b) payment of any installment of interest on any Second Lien Bond shall not be made when the same shall become due;

c) the City shall fail or refuse to comply with the provisions of this Indenture, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained in this Indenture or in the Second Lien Bonds issued under this Indenture, which materially affects the rights of the Owners of the Second Lien Bonds and such failure, refusal or default shall continue for a period of 45 days after written notice thereof by the Trustee or the Owners of not less than 25 percent in principal amount of the Outstanding Second Lien Bonds issued under this Indenture; provided, that in the case of any such default which can be cured by

46

due diligence but which cannot be cured within the 45 day period, the time to cure shall be extended for such period as may be necessary to remedy the default with all due diligence; or

(d) an event of default shall occur and be continuing under the provisions of any Supplemental Indenture.

Section 7.2 Remedies.

a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.1, the Trustee shall proceed, or upon the happening and continuance of any Event of Default specified in paragraph (c) or (d) of Section 7.1 (and as specified in any Supplemental Indenture with respect to additional events of default described under such Supplemental Indenture), the Trustee may, unless otherwise directed pursuant to Section 7.5, proceed, and upon the written direction of the Owners of not less than a majority in principal amount of the Outstanding Second Lien Bonds issued under this Indenture given in accordance with Section 7.5, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the Owners of the Second Lien Bonds issued under this Indenture by such of the following remedies or any additional remedies specified in one or more Supplemental Indentures with respect to a particular series as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

- i. by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Owners of the Second Lien Bonds issued under this Indenture including the right to require the City to receive and collect [Net] Revenues adequate to carry out the covenants and agreements as to such [Net] Revenues and the pledge contained in Section 2.4 and to require the City to carry out any other covenant or agreement with the Owners of the Second Lien Bonds issued under this Indenture and to perform its duties under this Indenture;
- ii. by bringing suit upon such Second Lien Bonds;

iii. by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Owners of the Second Lien Bonds issued under this Indenture; or

iv. by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Second Lien Bonds issued under this Indenture.

b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Second Lien Bonds issued under this Indenture for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or any Supplemental Indenture or of the Second Lien Bonds issued under this Indenture, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Second Lien Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture and under such Second Lien Bonds without prejudice to any other right or remedy of the Trustee or the Owners of such Second Lien Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs

47

and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(c) Notwithstanding anything else to the contrary in this Section 7.2, the Trustee shall not waive an Event of Default unless any Credit Enhancement Instrument shall, at the time of such waiver, have been reinstated in full.

Section 7.3 Priority of Payments After Default.

(a) If upon the happening and continuance of any Event of Default, the moneys held by the Trustee are insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Second Lien Bonds issued under this Indenture, such moneys (other than moneys held for the payment or redemption of particular Second Lien Bonds issued under this Indenture, which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Trustee acting pursuant to this Article, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the Second Lien Bonds issued under this Indenture, and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties under this Indenture, shall, except as otherwise provided with respect to moneys held for the exclusive benefit of Second Lien Bonds of a particular series or particular Section 2.8 Obligations or Section 2.9 Obligations under the provisions of a Supplemental Indenture, be applied as follows:

First: to the payment to the persons entitled to the following payment, of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment of such installment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: to the payment to the persons entitled to the following payment, of the unpaid principal or Redemption Price of any Second Lien Bonds issued under this Indenture, which shall have become due, whether at maturity or by call for redemption, in the order of their due dates with interest on such Second Lien Bonds from the respective dates upon which such principal or Redemption Price became due at the rate borne by the Second Lien Bonds and, if the amounts available shall not be sufficient to pay in full all the Second Lien Bonds due on any date, then to the payment of the Second Lien Bonds ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. The deposit of such moneys with the Trustee, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee and the Trustee shall incur no liability whatever to the City, to the Owner of any Second Lien Bond or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the

48

same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be a Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. The Trustee shall not be required to make payment to the Owner of any unpaid Second Lien Bond issued under this Indenture unless such Second Lien Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.4 Termination of Proceedings. If any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case the City, the Trustee and the Owners of the Second Lien Bonds issued under this Indenture shall be restored to their former positions and rights under this Indenture, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 7.5 Direction of Proceedings by Owners of Second Lien Obligations. The owners of the majority in principal amount of the Second Lien Bonds issued under this Indenture then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under this Indenture, except that (i) such direction shall not be otherwise than in accordance with law or the provisions of this Indenture, and (ii) the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Owners of the Outstanding Second Lien Bonds issued under this Indenture not parties to such direction.

Section 7.6 Limitation on Rights of Owners of Second Lien Bonds.

(a) No Owner of any Second Lien Bond issued under this Indenture shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under this Indenture, or for the protection or enforcement of any right or remedy under this Indenture or any right under law unless such Owner shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the Owners of not less than 25 percent in principal amount of the Second Lien Bonds issued under this Indenture then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in this Indenture or granted under law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred in such action, suit or proceeding or by such action, suit or proceeding, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and, such notification, request and offer of indemnity are declared in every such case (except with respect to the enforcement of Credit Enhancement Instruments securing Second Lien Bonds issued under this Indenture), at the option of the Trustee, to be conditions precedent to the execution of the powers under this Indenture or for any other remedy under this Indenture or under law. It is understood and intended that no one or more Owners of the Second Lien Bonds secured by this Indenture shall have any right in any manner whatever by such Owner's or Owners' action to affect, disturb or prejudice the security

of this Indenture, or to enforce any right under this Indenture or under law with respect

49

to such Second Lien Bonds or this Indenture, except in the manner provided in this Indenture, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner provided in this Indenture and for the benefit of all owners of the Outstanding Second Lien Bonds issued under this Indenture, but the provisions of this paragraph shall not apply to any suit instituted by the Owner of any Second Lien Bond issued under this Indenture for the enforcement of the payment of the principal or Redemption Price of or interest on any Second Lien Bond on or after the respective due date of such Second Lien Bond expressed in such Second Lien Bond.

b) Each Owner of any Second Lien Bond issued under this Indenture by such Owner's acceptance of such Second Lien Bond shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Owner of any Second Lien Bond, or group of such Owners, holding at least 25 percent in principal amount of the Second Lien Bonds issued under this Indenture Outstanding, or to any suit instituted by the Owner of any Second Lien Bond for the enforcement of the payment of the principal or Redemption Price of or interest on any Second Lien Bond on or after the respective due date of such Second Lien Bond expressed in such Second Lien Bond.

c) The rights granted under paragraph (a) of this Section to the Owners of Second Lien Bonds issued under this Indenture shall, in the case of any Second Lien Bond for which there is a Credit Enhancement Instrument, be exercised only by the provider of such Credit Enhancement Instrument, provided that the right of such provider to exercise rights under said paragraph (a) shall immediately cease and terminate if (i) the rights of such provider have ceased and terminated as provided in paragraph (a) or (b) of Section 9.4, as applicable, or (ii) the Trustee (but only if the Trustee is an affiliate of the provider) shall not have paid to such Owner its allocable share of monies provided to the Trustee by such provider for payment to Owners of such Second Lien Bonds.

Section 7.7 Possession of Second Lien Bonds by Trustee Not Required. All rights of action under this Indenture or under any of the Second Lien Bonds enforceable by the Trustee may be enforced by it without the possession of any of the Second Lien Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all of the Owners of such Second Lien Bonds, subject to the provisions of this Indenture.

Nothing contained in this Article shall affect or impair the right of the Owner of any Second Lien Bond issued under this Indenture to enforce the payment of the principal or Redemption Price, if any, of and interest on such Owner's Second Lien Bond or the obligation of the City to pay the principal or Redemption Price, if any, of and interest on each Second Lien Bond issued under this Indenture to the Owner of such Second Lien Bond at the time and place in said Second Lien Bond, if any, expressed.

Section 7.8 Remedies Not Exclusive. No remedy in this Indenture conferred upon or reserved to the Trustee or to the Owners of the Second Lien Bonds by this Indenture is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be

50

cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

Section 7.9 No Waiver of Default. No delay or omission by the Trustee or by the Owner of any Second Lien Bond issued under this Indenture to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein and every power and remedy given by this Indenture to the Trustee and the Owners of the Second Lien Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 7.10 Notice to Owners of Second Lien Bonds. The Trustee shall give to the Owners of the Second Lien Bonds issued under this Indenture notice of each Event of Default under this Indenture known to the Trustee within 90 days after knowledge of the occurrence of such Event of Default, unless such Event of Default shall have been remedied or cured or necessary moneys provided before the giving of such notice; but, except in the case of default in the payment of the principal or Redemption Price, if any, of or interest on any of the Second Lien Bonds, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Owners of the Second Lien Bonds. Each such notice shall be given by the Trustee by mailing written notice thereof: (a) to all registered Owners of the Second Lien Bonds issued under this Indenture as the names and addresses of such Owners appear upon the books for registration and transfer of Second Lien Bonds as kept by the Trustee or, in the case of Section 2.8 Obligations or Section 2.9 Obligations, as set forth in the instrument creating the same, (b) to each provider of a Credit Enhancement Instrument, and (c) to such other persons as is required by law.

(a) The recitals of fact contained in this Indenture and in the Second Lien Bonds issued under this Indenture are to be taken as the statements of the City and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or any Supplemental Indenture or of any Second Lien Bonds issued under this Indenture or any Supplemental Indenture or in respect of the security afforded by this Indenture or any Supplemental Indenture, and the Trustee shall not incur any responsibility in respect of this Indenture or any Supplemental Indenture except as specifically and expressly provided in this Indenture. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Second Lien Bonds issued under this Indenture. The Trustee shall not be under any responsibility or duty with respect to (i) the issuance of the Second Lien Bonds for value or (ii) the application of the proceeds of such Second Lien Bonds except to the extent such proceeds are paid to the Trustee in its capacity as Trustee, or (iii) the application of any moneys paid to the City or others in accordance with this Indenture or any Supplemental Indenture. The Trustee shall not be under any obligation or duty to perform any

act that would involve it in expense or liability or to institute or defend any action or suit in respect of this Indenture, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own negligence or willful misconduct.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by (aw, this Indenture and each Supplemental Indenture, and shall use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the

Section 8.3 Funds Held in Trust and Security Therefor. All moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture or any Supplemental Indenture shall be and are assigned, transferred and set over unto the Trustee in trust for the purposes and upon the terms and conditions of this Indenture or such Supplemental Indenture. Subject to the provisions of Section 3.5, all moneys (not including securities) held by the Trustee, as such, may be deposited by the Trustee in its banking department, or with such other banks, trust companies, or national banking associations, each having its principal place of business in the City of Chicago, Illinois, as may be designated by the City and approved by the Trustee. No such funds shall be deposited with any bank, trust company or national banking association, other than the Trustee, in an amount exceeding 25 percent of the amount which an officer of such bank, trust company or national banking association shall certify to the Trustee and the City as the combined capital, surplus and undivided profits of such bank, trust company or national banking association. No such funds shall be deposited or remain on deposit with any bank, trust company or national banking association in excess of the amount insured by the Federal Deposit Insurance Corporation, unless (a) such bank, trust company or national banking association shall have deposited in trust with the trust department of the Trustee or with a Federal Reserve Bank or branch or, with the written approval of the Trustee and the City, pledged to some other bank, trust company or national banking association, for the benefit of the City and the appropriate fund, account, sub-fund or sub-account, as collateral security for the moneys deposited, Qualified Collateral having a current market value (exclusive of accrued interest) at least equal to 110 percent of the amount of such moneys, or (b) in lieu of such collateral security as to all or any part of such moneys, there shall have been deposited in trust with the trust department of the Trustee, for the benefit of the City and the appropriate fund, account, sub-fund or sub-account, and remain in full force and effect as security for such moneys or part thereof, the indemnifying bond or bonds of a surety company or companies qualified as surety for deposits of funds of the United States of America and qualified to transact business in the State of Illinois in a sum at least equal to the amount of such moneys or part thereof. The Trustee shall allow and credit interest on any such moneys held by it at such rate as it customarily allows upon similar moneys of similar size and under similar condition as required by law. Interest in respect of moneys or on securities in any fund, account, sub-fund or sub-account shall be credited in each case to the fund, account, sub-fund or sub-account in which such moneys or securities are held.

Section 8.4 Evidence on Which Trustee May Act. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or

52

other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee under this Indenture in good faith and in accordance with such opinion. Whenever the Trustee deems it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action under this Indenture, including payment of moneys out of any fund or account, such fact or matter (unless other evidence in respect of such fact or matter is in this Indenture specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture or any Supplemental Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided in this Indenture or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

Section 8.5 Compensation and Expenses. The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture or any Supplemental Indenture, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture or any Supplemental Indenture and, except as provided in any Supplemental Indenture, the Trustee shall have a lien for such compensation on any and all moneys at any time held by it under this Indenture or any Supplemental Indenture. The City further agrees to

indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Indenture, which are not due to its negligence or default.

Section 8.6 Permitted Acts and Functions. The Trustee may become the Owner of any Second Lien Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Second Lien Bonds or to effect or aid in any reorganization growing out of the enforcement of the Second Lien Bonds or this Indenture or any Supplemental Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Second Lien Bonds then Outstanding.

Section 8.7 Resignation. The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice of such resignation to each provider of a Credit Enhancement Instrument and to the Owners of Outstanding Second Lien Bonds issued under this Indenture at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such resignation shall take effect upon the appointment of a successor by the City or the Owners of Second Lien Bonds issued under this Indenture as provided in this Indenture.

Section 8.8 Removal. The Trustee may be removed at any time by the Owners of a majority in principal amount of the Second Lien Bonds issued under this Indenture then Outstanding, excluding any Second Lien Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Second Lien Bonds or by their attorneys duly authorized in writing and delivered to the City.

53

Copies of each such instrument shall be delivered by the City to each provider of a Credit Enhancement Instrument and to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of the City, by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice of such removal to each provider of a Credit Enhancement Instrument and to the Owners of Second Lien Bonds issued under this Indenture at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment of a successor Trustee.

Section 8.9 Appointment of Successor. If at any time the Trustee resigns or is removed or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property is appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in principal amount of the Second Lien Bonds issued under this Indenture then Outstanding, excluding any Second Lien Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the City, each provider of a Credit Enhancement Instrument and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Second Lien Bonds issued under this Indenture as authorized in this Indenture. The City shall mail notice to each provider of a Credit Enhancement Instrument and to Owners of Second Lien Bonds issued under this Indenture then Outstanding of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Second Lien Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.7 or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, any provider of a Credit Enhancement Instrument, or any Owner of Second Lien Bonds issued under this Indenture then Outstanding may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association doing business and having an office in the City of Chicago, Illinois.

Section 8.10 Transfer of Rights and Property to Successor. Any successor Trustee appointed under this Indenture

shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and upon such execution, acknowledgment and delivery such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions in this Indenture set forth. Should any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all

54

such deeds, conveyances and instruments in writing shall, on request and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

Section 8.11 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company is a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8.9 and is authorized by law to perform all the duties imposed upon it by this Indenture and any Supplemental Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 8.12 Adoption of Authentication. In case any of the Second Lien Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Second Lien Bonds and deliver such Second Lien Bonds so authenticated, and in case any of the said Second Lien Bonds shall not have been authenticated, any successor Trustee may authenticate such Second Lien Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is provided anywhere in said Second Lien Bonds or in this Indenture that the certificate of the Trustee shall have.

Section 8.13 Evidence of Signatures of Owners and Ownership of Second Lien Bonds.

(a) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Second Lien Bonds issued under this Indenture may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Second Lien Bonds, shall be sufficient for any purpose of this Indenture (except as otherwise provided in this Indenture expressly) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

1. The fact and date of the execution by any Owner or such Owner's attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he or she purports to act, that the person signing such request or other instrument acknowledged to such person the execution of such instrument, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

2. The authority of the person or persons executing any such instrument on behalf of a corporate owner of Second Lien Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a

person purporting to be its secretary or an assistant secretary.

55

(b) The ownership of Second Lien Bonds and the amount, numbers and other identification, and date of ownership of the same shall be proved by the registry books. Any request, consent or vote of the Owner of any Second Lien Bond shall bind all future Owners of such Second Lien Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance with such consent or vote.

Section 8.14 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City, any provider of a Credit Enhancement Instrument, and any Owner of Second Lien Bonds and their agents and their representatives, any of whom may make copies of such documents.

ARTICLE IX MISCELLANEOUS

a) If the City shall pay or cause to be paid to the Owners of all Second Lien Bonds issued under this Indenture, the principal and interest and Redemption Price, if any, to become due on the Second Lien Bonds, at the times and in the manner stipulated therein, in this Indenture, in the Supplemental Indentures creating such Second Lien Bonds and the instruments creating Section 2.8 Obligations and Section 2.9 Obligations, then the pledge contained in Section 2.4 and all other rights granted by this Indenture shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the City expressed in a Certificate, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction and the Trustee shall pay over or deliver to the City all accounts, funds and other moneys or securities held by it pursuant to this Indenture and such Supplemental Indentures which are not required for the payment or redemption of Second Lien Bonds issued under this Indenture not theretofore surrendered for such payment or redemption.

b) Any Second Lien Bonds issued under this Indenture or interest installments appertaining to such Second Lien Bonds, whether at or prior to the maturity or the redemption date of such Second Lien Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if (i) in case any such Second Lien Bonds are to be redeemed prior to their maturity, there shall have been taken all action necessary to call such Second Lien Bonds for redemption and notice of such redemption shall have been duly given or provision satisfactory to the Trustee shall have been made for the giving of such notice, (ii) there shall have been deposited with the Trustee by or on behalf of the City either moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due (without reinvestment of such Defeasance Obligations) will provide moneys which, together with the moneys, if any, on deposit with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Second Lien Bonds on and prior to the redemption date or maturity date of such Second Lien Bonds, as the case may be and (iii) if said Second Lien Bonds are not by their terms subject to redemption within the next succeeding 45 days, the City shall have given the Trustee, in form satisfactory to it, irrevocable instructions to mail, as soon as practicable, a notice to the owners of such Second Lien Bonds that the deposit required by clause (ii) above has been made with the Trustee and that said Second Lien Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if any, of, and accrued

56

interest on, said Second Lien Bonds. Except as provided in paragraph (e) of this Section, neither the Defeasance Obligations or any moneys so deposited with the Trustee nor any moneys received by the Trustee on account of

principal of or interest on said Defeasance Obligations shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal or Redemption Price of the Second Lien Bonds for the payment or redemption of which they were deposited and the interest accrued thereon to the date of maturity or redemption.

d) If the principal of and interest on all Second Lien Bonds issued under this Indenture then Outstanding shall be paid by providers of Credit Enhancement Instruments pursuant to the terms of such Credit Enhancement Instruments, the pledge of revenues, securities and funds and all other covenants, agreements and other obligations of the City to the Owners of such Second Lien Bonds shall continue to exist and each provider shall be fully subrogated to the rights of such Owners.

e) Defeasance Obligations and moneys held pursuant to this Section may be withdrawn by the City, if there is substituted in place of such Defeasance Obligations and moneys other Defeasance Obligations and moneys sufficient for the purposes of this Section and, if, prior to such substitution, there is filed with the Trustee (i) a verification report signed by an independent certified public accountant that the Defeasance Obligations and moneys, as substituted, are sufficient to pay the principal and Redemption Price of, and interest on, all Second Lien Bonds with respect to which provision for payment was made by deposit of such substituted Defeasance Obligations pursuant to the provisions of this Section and (ii) an Opinion of Bond Counsel to the effect that such substitution has been duly authorized in accordance with this Indenture and will not affect adversely the tax-exempt status of any Second Lien Bonds previously authenticated and delivered under this Indenture.

b) If, through the deposit of moneys by the City or otherwise, the Trustee shall hold, pursuant to this Indenture, moneys sufficient to pay the principal and interest to maturity on all Outstanding Second Lien Bonds issued under this Indenture, or, in the case of Second Lien Bonds in respect of which the City shall have taken all action necessary to redeem such Second Lien Bonds prior to maturity, sufficient to pay the Redemption Price and interest to such redemption

date, then at the request of the City all such moneys held by the Trustee shall be held for the payment or redemption of such Outstanding Second Lien Bonds.

the said date when all of the Second Lien Bonds became due and payable, shall, at the written request of the City, be repaid by the Trustee to the City, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged.

Section 9.3 No Recourse Under Indenture or on Second Lien Bonds. All covenants, stipulations, promises, agreements and obligations of the City contained in this Indenture or any Supplemental Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any officer or employee of the City in such person's individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Second Lien Bonds issued under this Indenture or for any claim based on such Second Lien Bonds or on this Indenture or any Supplemental Indenture against any officer or employee of the City or any natural person executing such Second Lien Bonds.
