MICHAEL A ROA 2513E106TH ST CHICAGO, IL 60617

Dear Applicant:

The Department of Revenue has received a response from the Mayor's Office for People with Disabilities (MOPD) regarding the denial of your application for disabled parking signs. The original findings have been overruled. As a result, signs for your restricted parking space will be installed. However, your application must be approved by the City Council. If the proposed ordinance is not passed within four months after its introduction, the permit shall be revoked and the restricted parking signs removed.

This permit must be renewed annually. The renewal fee is \$25.00. Your renewal date is one year from the date the signs are installed. You will receive a renewal notice in the mail.

Please be advised that you are required to report any changes to the information provided on your original application to the City of Chicago Department of Revenue. You are also required by City law to notify the Department if you no longer meet the following permit qualifications:

- * You must hold either a valid, current disabled veteran's state registration plate or permanent person with disability license plate, parking decal or device authorized by the Illinois Vehicle Code;
- * Any vehicle parked by you or for you in the designated area must bear the license plate, parking decals or devices issued to you by the State of Illinois;
- * You must continue to reside at the home address listed on your original application.

A disabled parking permit will be issued to you by the City of Chicago. The permit must be placed within your vehicle on the right hand side of the dashboard. Only qualified vehicles displaying the permit are authorized to park in your restricted parking space. Your permit number must be visible from outside your vehicle. The permit will be installed at;

Address/Location of Signs: 2513 E 106TH ST

Should you have any questions or require additional information, please contact the City of Chicago's Helpline at 312.744.PARK (7275).

Very truly yours,
Anthon^Gambino Manager of Parking
