### *Residential Planned Development Number*

#### *Plan of Development Statements.*

1. The area delineated herein as Residential Planned Development Number (the "Planned Development") consists of a net site area of approximately one hundred one thousand three hundred and sixty-eight (101,368) square feet (two and three hundred twenty seven thousandths (2.327) acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map and is owned or controlled by the Applicant, Volunteers of America of Illinois, an Illinois not-for-profit corporation (the "Applicant").
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments,

modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets, alleys or easements or any adjustment of the right-of-way shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the City Council.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Housing and Economic Development and Transportation. Closure of all or part of any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

**FINAL FOR  
PUBLICATION**

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation

4. This Plan of Development consists of these fifteen (15) statements; a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary and Property

Line Map; an Existing Land Use Map; an Overall Site Plan; Main Building Site Plan; Rowhouse Site Plan; north Six Flats Site Plan, South Six Flats Site Plan; Building Elevations (Main Building - North and East, Main Building - West and South, Row Houses, and Six-Flat); a Landscape Plan; Main Building Landscape Plan; Rowhouse and Park Landscape Plan; Six Flats North Landscape Plan; Six Flats South Landscape Plan; Plant List; and a Chicago Builds Green form, all prepared by Worn Jerabek Architects, P.C., dated October 18, 2012. Full-sized copies of the drawings are on file with the Department of Housing and Economic Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted on the Property under this Planned Development: Multi-Unit Residential; Townhouses; recreational uses, accessory parking and related and accessory uses (such related and accessory uses to include, but not limited to, services and assistance provided to residents of the dwelling units in the Planned Development for housing retention, money management, vocational support and teaming, wellness management, recovery services and case management).
6. On-Premise signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department of Housing and Economic Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation.

8. The maximum permitted floor area ratio (F.A.R.) for the site shall be in accordance with the attached Bulk Regulations and Data Table. For purposes of floor area ratio ("FAR") calculations, the definitions of the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of 101,368 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The improvements on the property, including the on-site exterior landscaping and the landscaping along the adjacent rights-of-way and all entrances and exits to and from the parking and loading areas, shall be designed, constructed and maintained in substantial conformance with the Site Plan, Building Elevations and Landscape Plan. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management, and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
