Under 65 ILCS 5/11-74.4-4(q), Increment may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project to the extent that the redevelopment project costs involve public property that is either contiguous to, or separated only by a public right of way from, a redevelopment project area whether or not redevelopment project costs or the source of payment for the costs are specifically set forth in the redevelopment plan for the redevelopment project area, if the redevelopment project area was established before November 1, 1999.

K. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

L. The City and the Park District wish to enter into this Agreement whereby the City shall pay for or reimburse the Park District for a portion of the TIF-Funded Improvements.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

TERMS AND CONDITIONS

SECTION 1. THE PROJECT.

1.1. No later than _ months from the Closing Date, or later as the Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal,

2

state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The Project shall at a minimum meet the requirements set forth in the Project Description in Exhibit B hereof and comply with plans and specifications to be provided to and approved by HED prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of Western Ogden Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2, and 1.3 hereof with each request for Western Ogden Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING.

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District. The Park District shall keep the Project Assistance in a segregated account to be used only for the Project.

2.2. Within _ days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than _ days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Assistance to the Park District:

(a) the Park District has satisfactory title to the Property (which may be evidenced by an acceptable title insurance policy), subject only to those title exceptions acceptable to the City and the Park District; and

(b) the Park District has provided or has caused to be provided to the City:

(i) copies of all easements and encumbrances of record;

(ii) two copies of a Class A plat survey in the most recently revised form of ALTA/ACSM land title survey, acceptable in form and content to the City prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area

3

identified by the Federal Emergency Management Agency as having special flood hazards;

(iii) a copy of the most recent real estate tax bill with respect to the Property, to the extent available; and

(iv) a copy of the most recent water bill with respect to the Property, to the extent available.

(c) if the Park District is unable to satisfy the conditions stated in this Section 2.2 within the Satisfaction Period, either Party may terminate this Agreement by " providing written notice to the*other Party.

2.3. The Park District may request that a certificate(s) of expenditure in the form of Exhibit C hereto ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to HED of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by HED; and

(d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.4. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.3 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence, shall be deemed to prevent the City from relying on such certifications by the Park District.

2.5. The current estimate of the cost of the Project is \$3,000,000. The Park District has delivered to the Commissioner a project budget for the Project attached as Exhibit D. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the

4

Project Assistance to the Project and that all costs of completing the Project over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.6. Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreements

2.7. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to

the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the[^] fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.8. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Western/Ogden Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

4.1. The Chicago Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein. The City's financial obligation shall be limited to an amount not to exceed \$3,000,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Park or the suitability of the Park as a park or for any use whatsoever.

5

4.2. The Park District agrees to carefully inspect the Park prior to commencement of any remediation or development on the Park to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Park. The Park District agrees to keep the Park free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

(a) Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

(c) Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, The Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(d) Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, The Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

(e) Self Insurance. To the extent permitted by law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self

insure for the above insurance requirements, the Park District shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program shall comply with at least the insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing

i •

6

Date, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits, furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and any other insurance customarily required by the Park District or the Park District may provide the required coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY / NO PERSONAL LIABILITY.

7

6.1. To the extent of liability of a municipal corporation, as such is precluded by the Local and Governmental Tort Immunity Act or the common law of the state of Illinois, the Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or

expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT.

7.1. If the Park District, without the City's written consent fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.
