ARTICLE 9. DEFAULT, REMEDIES, AND TERMINATION

9.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City or by the City to the Consultant.

(b) Consultant's failure to perform any of its material obligations under this Agreement including but not limited to the following:

(i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services and failure to cure after written notification by the City;

(ii) Failure to have and maintain all professional licenses required by law to perform the Services;

(iii) Failure to timely perform the Services and failure, to cure after written notification by the City;

(iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(v) After written notification, failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;

(vi) Discontinuance of the Services for reasons within Consultant's reasonable control;

(vii) Failure to comply with Section 7.1 in the performance of the Agreement;

(viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is knowingly no longer complete or accurate; and

25

(ix) Any other acts specifically stated in this Agreement as constituting an act of default.

(c) Consultant's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Commissioner, indicates a willful or reckless disregard for City laws and regulations.

9.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Consultant in default. The Commissioner will give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Commissioner, and which in no event such period of time will be less than 5 days. Whether to declare Consultant in default is within the sole reasonable discretion of the Commissioner.

The Commissioner will give Consultant written notice of the default, in the form of a cure notice ("Cure Notice"). The Commissioner may give a "Default Notice" if Consultant fails to effect a cure within the cure period given in a Cure Notice. If the Commissioner gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. When a Default Notice with intent to terminate is given as provided in this Section 9.2 and Article 11, Commissioner must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(ii) The right of specific performance, an injunction- or any other appropriate equitable remedy;

(iii) The right to money damages;

(iv) The right to have withheld all or any part of Consultant's compensation under this Agreement;

26

(v) The right to require the refund of some or all of the "Participation Fee."

(c) City's Reservation of Rights. If the Commissioner considers it to be in the City's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

(e) Default by City. If the City materially breaches this Agreement and the breach remains uncured for more than thirty (30) days after written notice of the breach by Consultant to the City, Consultant may terminate the Agreement.

(f) If any of the payments for the \$150,000 Participation Fee are not paid for more than thirty (30) days after they are due, Consultant's sole recourse is to suspend the Services until payment is received or to terminate the agreement.

(g) In the event of termination for non-payment by Grantor or the City, or due to default by the City,

Consultant will not be entitled to any funds or payment other than the amount already paid to and received by Consultant. /

9.3 Early Termination

(a) In addition to termination under Sections 9.1 and 9.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, by a notice in writing from the City to Consultant. The City will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

27

(b) After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun unless otherwise directed by the Commissioner. As payment of the "Participation Fee" is to be made in advance, the most Consultant will be entitled to for Services actually and satisfactorily performed will be the amount already paid. The payment so made to Consultant is in full settlement for all Services 'satisfactorily performed under this Agreement. However, Consultant agrees to refund the unearned portion of the "Participation Fee" already paid if the effective date of termination is prior to the Program Conference or September 30, 2012, whichever is earlier.

(c) If the City's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3. •

Consultant will provide a CFA Fellow Coordinator. The Fellow Coordinator will be the primary contact for Fellows throughout the Program and serve as the primary contact for the City of Chicago in all matters relating to Fellows.

Consultant will also provide Project Mentors who will supervise and guide the Fellows' work on the Project. /

The City will designate a City Program Coordinator who will support the Fellows throughout the Project, and will participate in team meetings and other meetings, as needed. The City will also provide staff members as needed to work with Consultant's team. These staff members will coordinate necessary city resources and meetings, support the CFA Fellows, participate in brainstorming program solutions and participate in the hand-off of the project from Consultant to the City.

The City will also designate one or more individuals to participate as needed with Consultant's personnel in an oversight board that will supervise the Project and ensure that Consultant's work is meeting expectations. The oversight board is anticipated to meet by teleconference once every two weeks.

Consultant's personnel will participate in "Team Meetings" with the City at least once a week. The meetings may be conducted via teleconference and may occur more often than once a week during the Residency Period, described below.

Schedule:

The CFA Institute will take place in {to be finalized, currently expected to be January 2012}. If suitable funding is available to the City, the City will provide one or more people to participate in training the CFA Fellows at the CFA Institute. If funding is not available, Consultant may provide transportation and lodging for City personnel to enable their participation. Otherwise, the City will make a reasonable effort to participate remotely.

36

The CFA Fellows will work on-site at the City during the month of {to be finalized, currently expected to be February 2012}, the "Residency Period." The City will provide office space for the CFA Fellows to work. Living expenses, housing and transportation for the CFA Fellows and other Consultant personnel will be at Consultant expense even during the Residency Period. During the Residency Period, Consultant will plan, coordinate and lead a brainstorming session with city staff, Consultant staff, CFA Fellows, and industry leaders. The brainstorm session will create an opportunity to think more broadly about the program focus, discuss findings from the Residency and learn from the industry on how they might approach the problem.

From {to be finalized, currently expected to be March through September 2012}, the CFA Fellows and other Consultant personnel will work on the Project in San Francisco, the "Solution Building" phase. This phase will begin with an "Inception Event," a two-day project development kickoff. At the Inception Event, participants will explore goals, risks, users, roles, and use cases, and through a structured, proven process, will turn this information into a concrete product plan. It will include intensive workshops. Product features will be prioritized immediately and a concrete list of next steps will be outlined, allowing the entire team to begin delivering core product functionality. It will take place in San Francisco with CFA Fellows, Consultant staff; Project Mentors, and City personnel. If suitable funding is available to the City, the

City will provide one or more people to participate onsite in the Inception Event. If funding is not available, Consultant may provide transportation and lodging for City personnel to enable their participation. Otherwise, the City will make a reasonable effort to participate remotely.

Team Meetings and meetings of the oversight board will continue throughout the Solution Building phase.

Consultant will conduct a Program Conference toward the end of the Solution Building phase, tentatively in September 2012. The conference will bring together city staff, Fellows, government partners, and industry leaders, to review the results of the Fellowship Program, suggest improvements and enhancements, and foster collaboration among the cities and reuse of software. If suitable funding is available to the City, the City will provide one or more people to participate onsite in the Program Conference. If funding is not available, Consultant may provide transportation and lodging for City personnel to enable their participation. Otherwise, the City will make a reasonable effort to participate remotely..

Consultant will dedicate the last months of the Project, {to be finalized, currently expected to be October -November 2012} to wrap-up and hand off the solution to the City and work to ensure that the City will have the ability to maintain the Project software provided by Consultant. The deadline for completion will be November 30, 2012 unless otherwise directed by the Commissioner.
